*When you're weary  
Feeling small,*

*When tears are in your eyes  
I will dry them all.  
I'm on your side.*

*When times get rough  
And friends can't be found,  
Like a bridge over troubled water  
I will lay me down.*

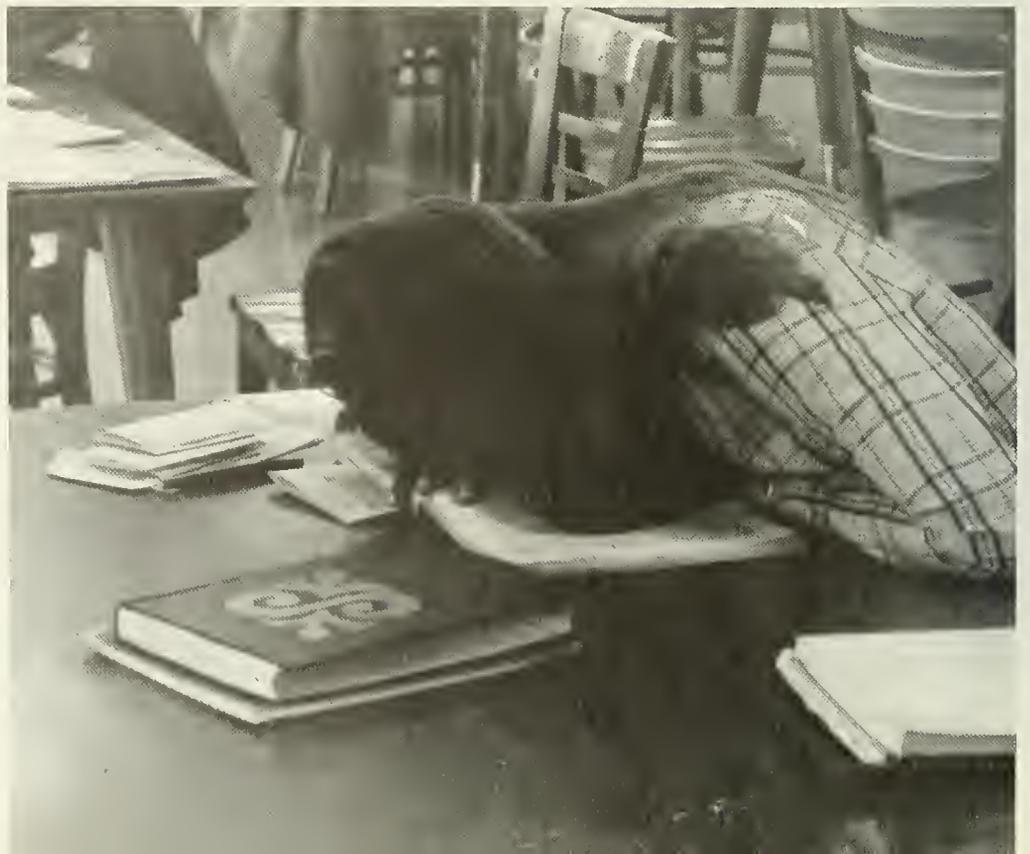

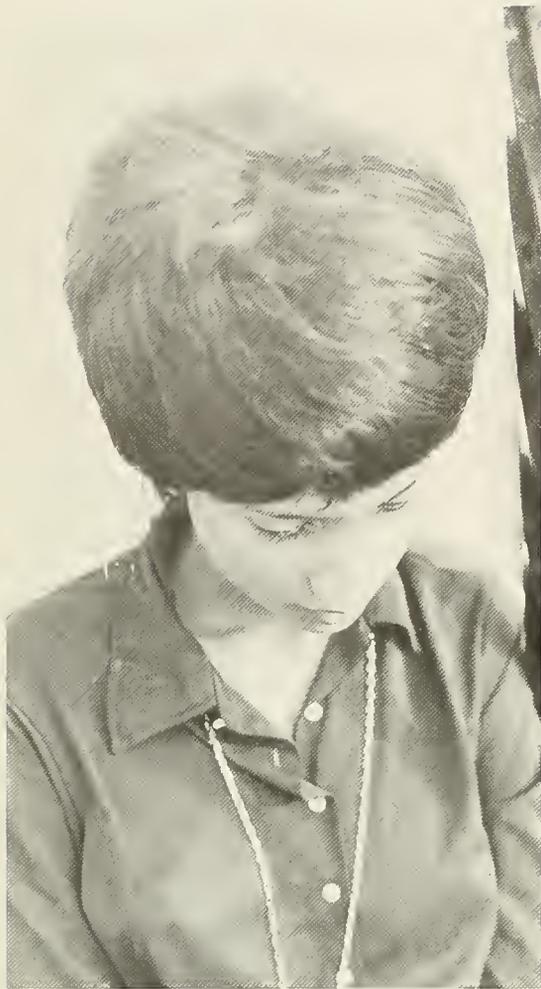

*When you're down and out,  
When you're on the street,  
When evening falls so hard  
I will comfort you,  
I'll take your part.*

*When darkness comes  
And pain is all around,  
Like a bridge over  
troubled water  
I will lay me down.  
Like a bridge over  
troubled water  
I will lay me down.*

*Sail on silver girl,  
Sail on by.*

*Your time has come to shine;  
All your dreams are on  
their way.*

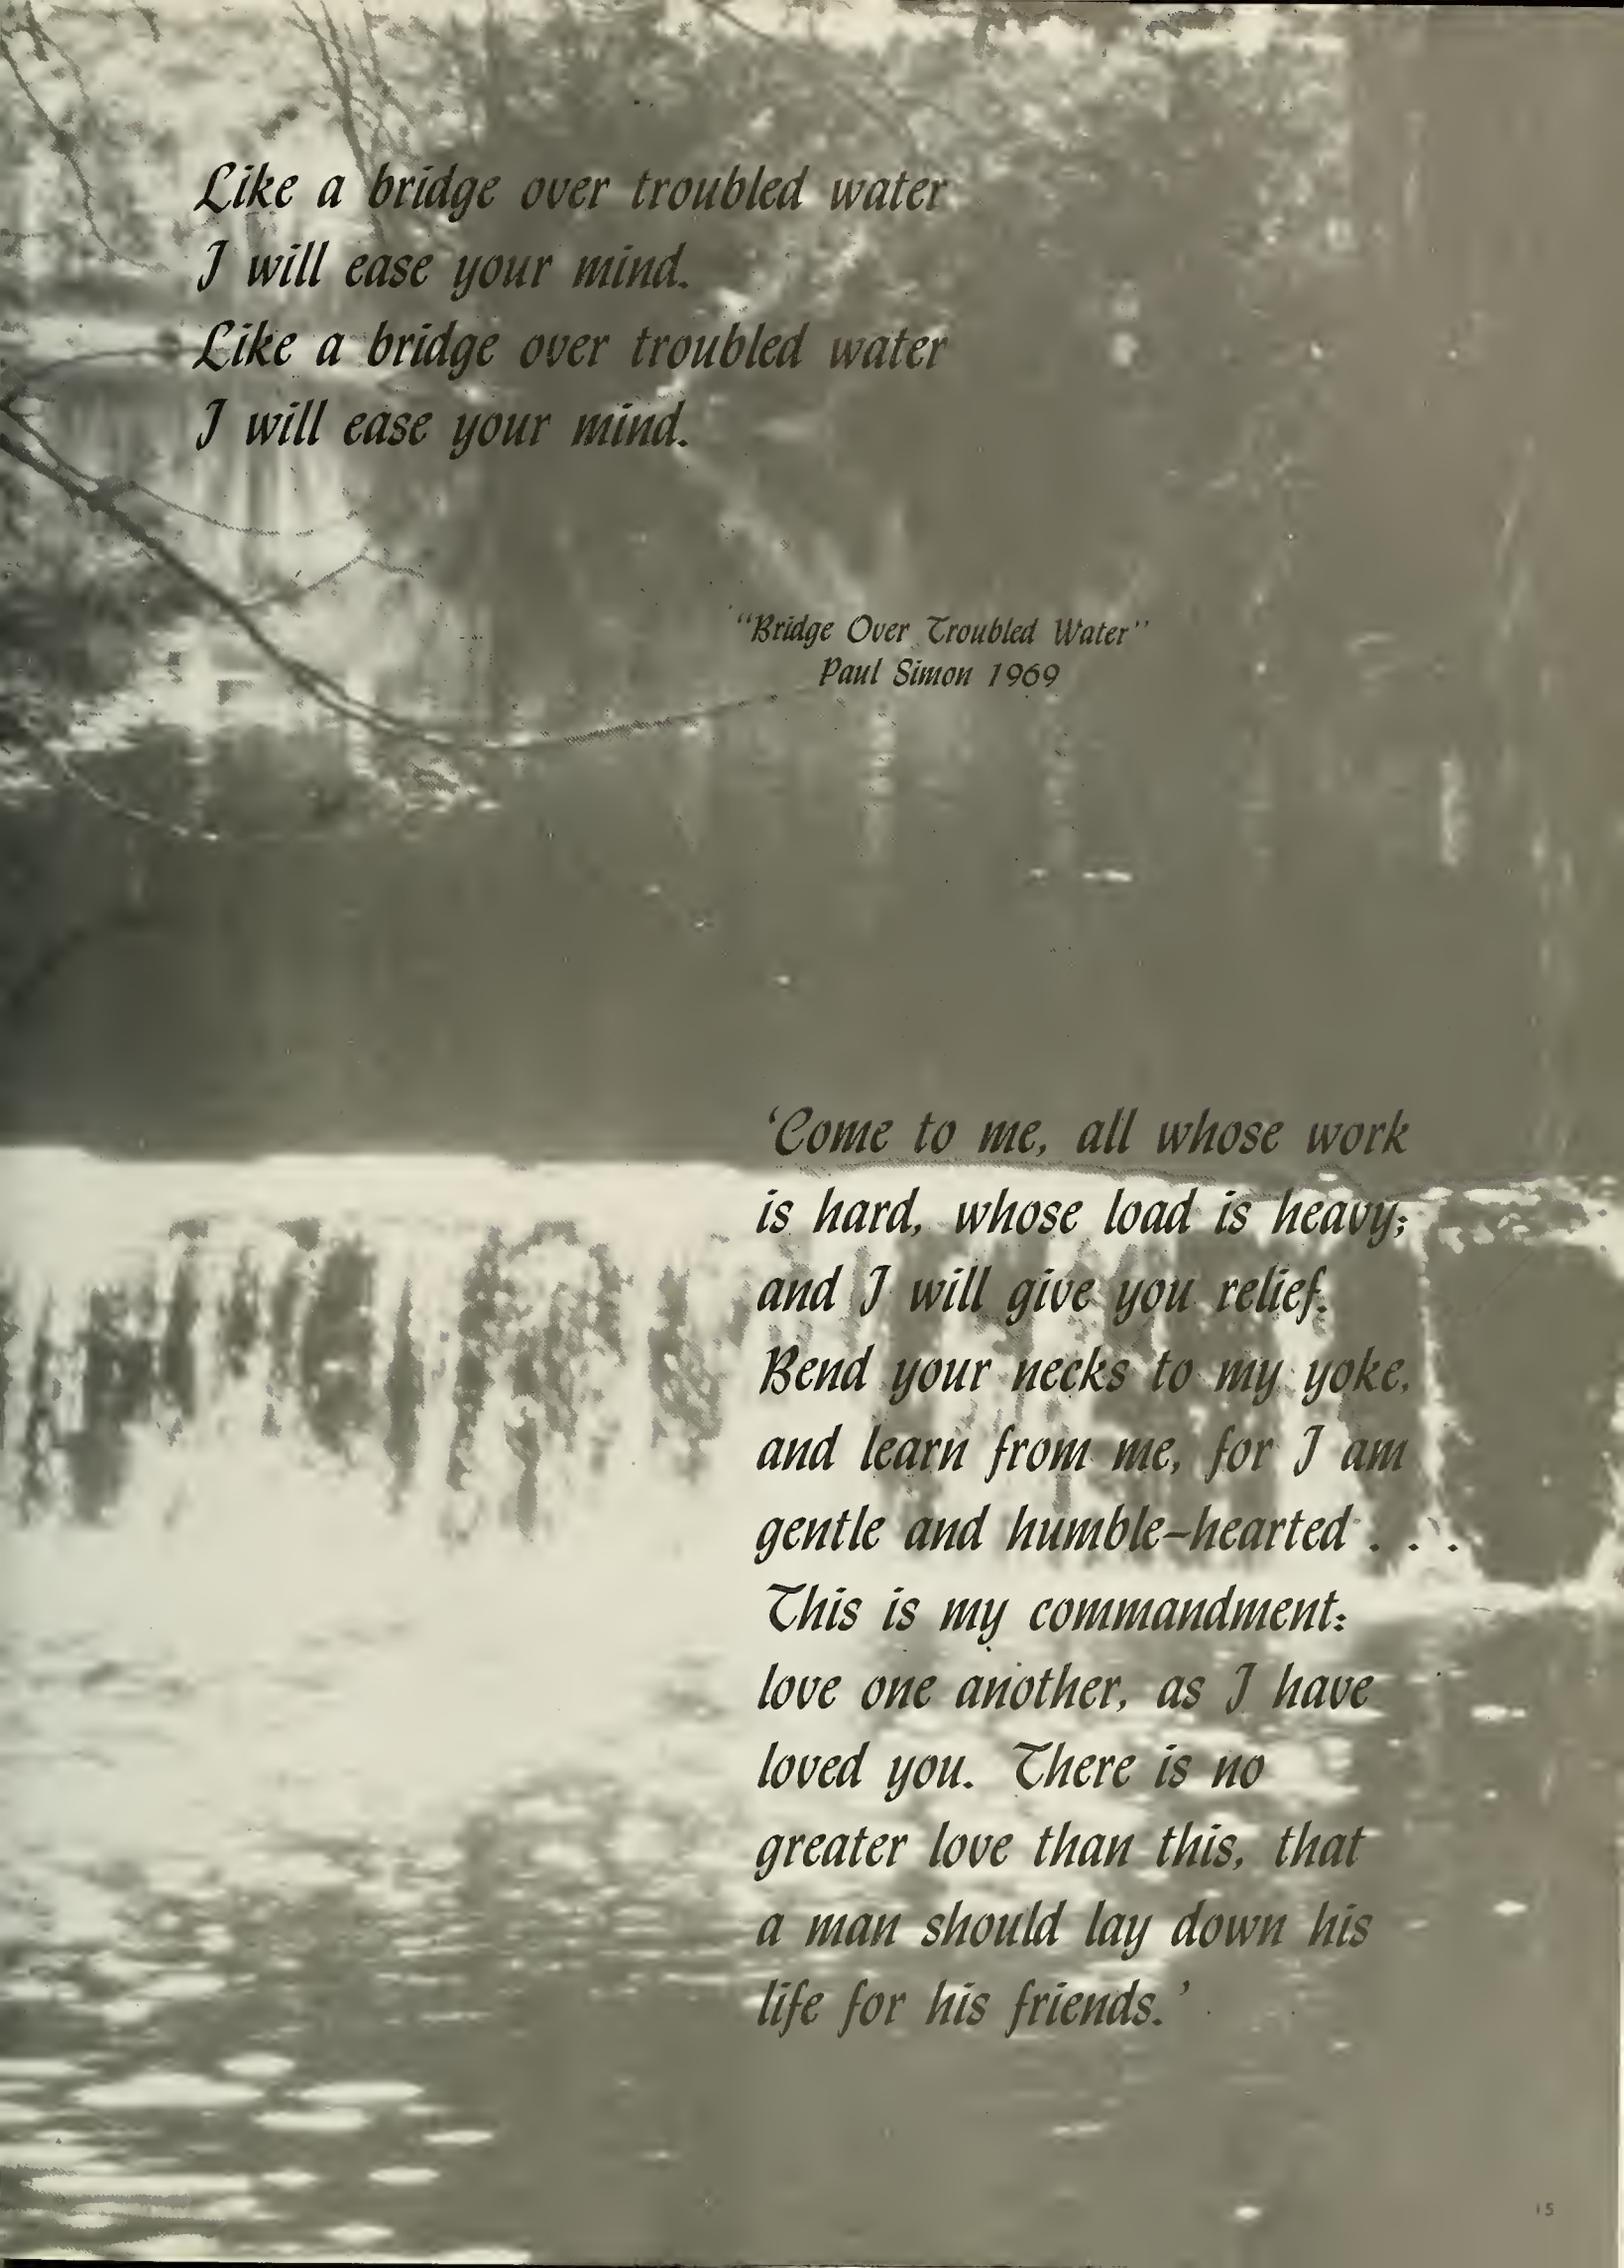

*See how they shine.*

*If you need a friend,  
I'm sailing right behind.*

*Like a bridge over troubled water  
I will ease your mind.*

*Like a bridge over troubled water  
I will ease your mind.*

is hard, whose load is heavy;  
and I will give you relief.*

*Bend your necks to my yoke,  
and learn from me, for I am  
gentle and humble-hearted . . .*

*This is my commandment:  
love one another, as I have  
loved you. There is no  
greater love than this, that  
a man should lay down his  
life for his friends.'*

## *Halloween Party*

A foggy, eerie night and a house full of goblins and monsters was the scene for the Halloween Party sponsored by Student Council.

In the first cross-country meet of the year against Steed on Tuesday, September 22, Milligan took the first six places to win by a score of 15-49. With two returning members Tom Manus, and Rick McInterf the cross-country squad continued to hold successful meets during the remaining season.

# Fall

The time for car washes, retreats, and outdoor life, departs and . . .

## . . . *Winter Arrives*

The cold beauty of snow-covered hills parallels the warm spirit of Christmas giving. For a season, amid final exams, students find time and thought for others.

## *Madrigal Dinner*

For eight evenings in December the dining hall of Sutton was transformed into an Elizabethan Court for the presentation of Milligan's fourth annual Madrigal Dinners. The Chamber Singers, under the direction of Mr. and Mrs. Sherwyn Bachman, presented a program of traditional carols preceded by a courtly feast. Over three thousand students and area residents attended this year's dinners.

*This Is Buffalo Territory!*

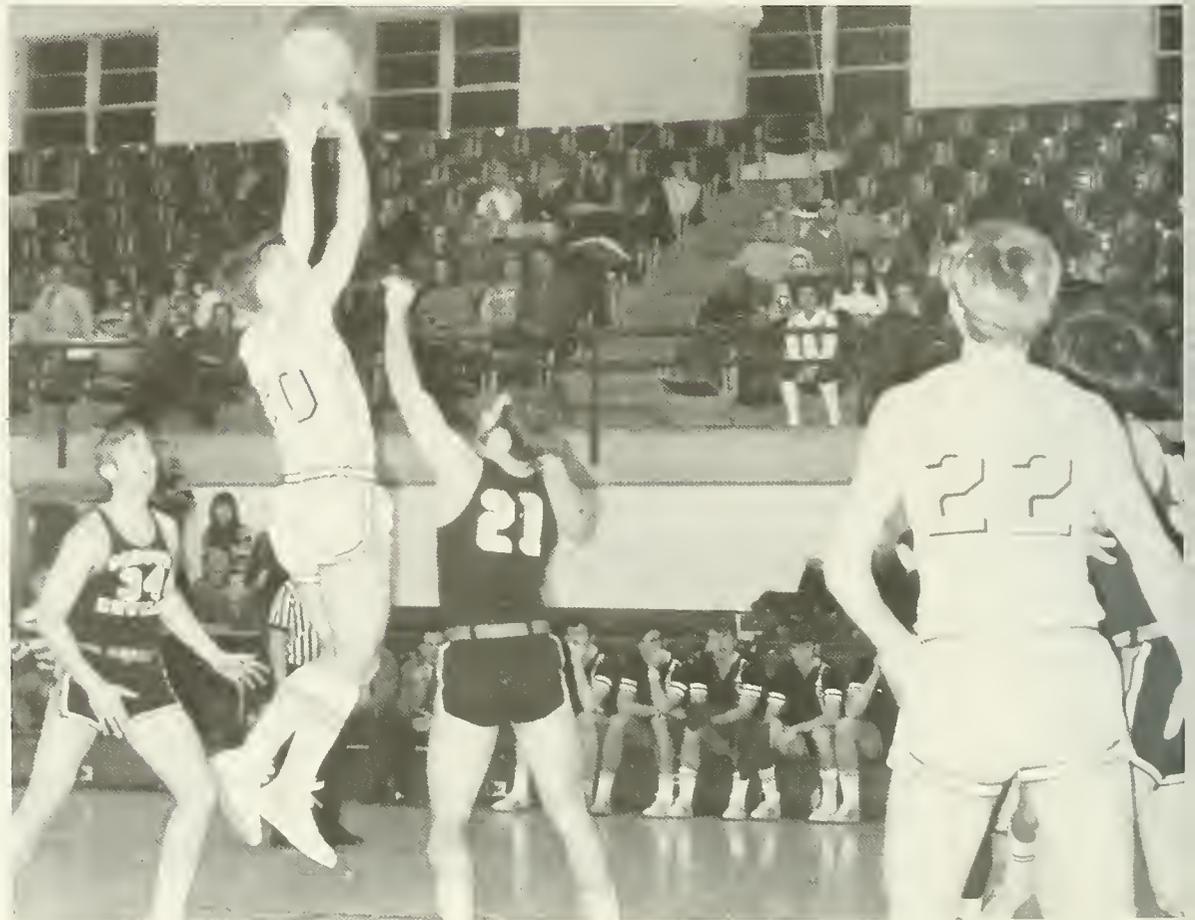

Even though the season was not a winning one our basketball team never lost their spirit and drive. The many close scores reveal the great effort put out by all the members. Many new faces were added to the team this year to give the needed height. With this developing talent, next year can be optimistically anticipated.

Milligan honored its greatest basketball player Toonie Cash at the last game of his college career. The now famous "30" was retired as a tribute to Toonie. His talents will be missed but his records will be hard to beat.

## *Restless? Maybe Intra- mural Is the Answer*

When the pressures of academic work pile up, many students release their tensions by participating in the Intra-Mural athletic program at Milligan. Think of a sport and it is probably played sometime during the year. This second year of the program proved to be very successful with more students actively backing their team. The brown and black teams came out on top to win the overall championship.

## *Our Choir at the Capitol*

The hardest working group at Milligan is without a doubt the Concert Choir. As a result of their successful summer tour, they received an invitation to sing at the President's Prayer Breakfast in Washington, D. C. Some of the well-known men who are expressing their congratulations are Billy Graham, Senator William Brock and Representative Jimmy Quillen.

# *Sweetheart Banquet*

A formal banquet was held during Valentine's week for students to view their class sweethearts. Dr. Lawson added to the festivities by reading several comical poems on love, and by acting as emcee.

## *Spring Means Baseball*

The Buffs practiced hard and played hard but couldn't stop eight teams from getting one extra run. Each of the eight games were lost in the last half of the game.

Individual accomplishments were made by Mike Mutterspaugh for fielding, Gale Cox for pitching, and Bruce Kregloe for hitting. Gale also is placed sixteenth in the nation for pitching and Bruce leads the USAC and District 24, NAIA, for hitting.

To say that the baseball team tried hard would be an understatement. The word athlete is hard to define, but the athletes on the baseball squad put forth everything they had and came out of the season a great team.

# *Jr.-Sr. Steak Fry*

An event much appreciated by the seniors is the Junior-Senior Steak Fry. The Juniors worked long and hard to organize this year's fry at Steele's Creek. Everyone had a great time once they found the place.

## *John Jacob Niles*

John Jacob Niles, world famous balladeer and collector of folk songs, entertained the Milligan family and citizens of Johnson City with his wit and songs. Following the concert the Milligan faculty wives served desserts and birthday cake to the Senior class and Mr. Niles upon the occasion of his 79th birthday.

# *Women's Tennis Team Experience a Winning Season With a 7-4-1 Record*

Four freshmen added to the strength of the women's tennis team this year. Hard practice and good coaching made the girls a team that worked together for a winning season. Freshman Glenna Orsborn led the team with an individual record of 8 and 4. Glenna and Kathy Polenek led the doubles teams with a 9 and 3 record.

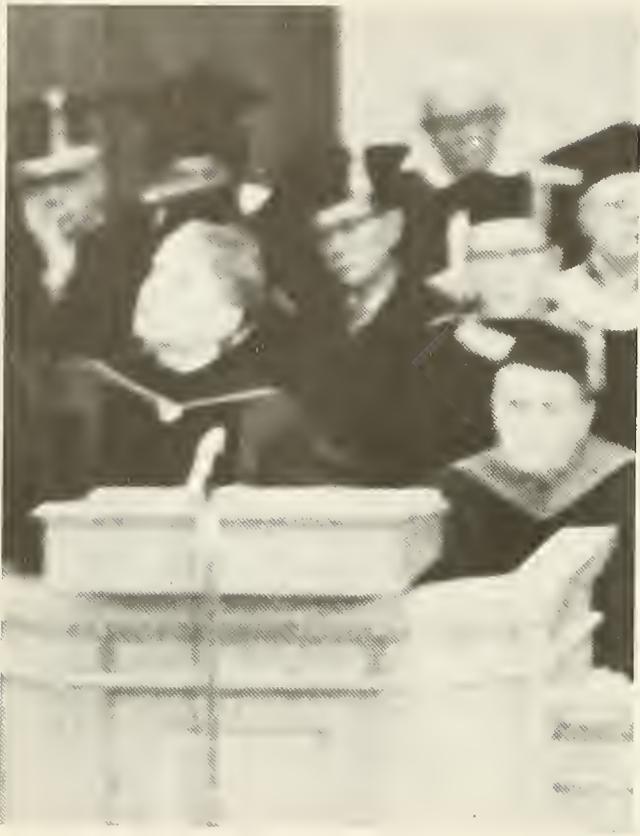

Saturday, time became crowded together with activities. Rehearsals are something that one must endure and a sense of humor makes it more tolerable. After finding out what would be required, the seniors hurried to get ready for the banquet that night. Entertainment was provided by the concert choir and much enjoyed. Then Bill Oates announced the senior class's gift to the school which will be equipment for the science building.

# *Commencement*

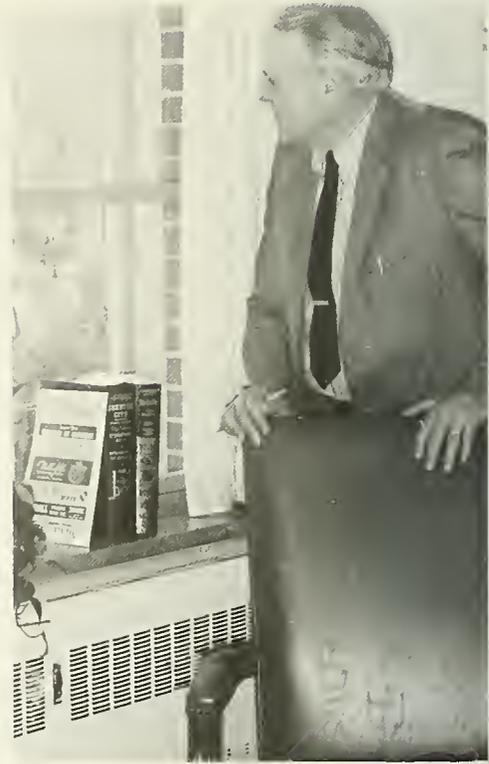

The day once dreamed about and long awaited finally arrived. Is it possible or true everyone asked. Even the sun shone after a rainy weekend as the long procession started up the hill with the seniors leading. After the message by Mr. Joseph Lawson, Dr. Wetzel presented the candidates for degrees. Parents, faculty and friends proudly watched 139 seniors receive their diplomas; needless to say the seniors were rather relieved.

*PEOPLE*

## *President of the College*

*Jess W. Johnson*

As President of the College, Dr. Johnson is concerned with Milligan's development in three areas: spiritual, academic, and social.

Milligan is trying to evidence an element of a deep commitment to Christ. Dr. Johnson feels that our lives should be the evidence of this commitment. "The quality of thought, word, and deed should be conclusive evidence of a Christian life."

"If we are committed Christians, the academic quality ought to be the highest possible." Dr. Johnson realizes that this would be an ideal situation, but it is that for which we must strive. "People committed to this high quest of learning, committed to the point of being dedicated and diligent" in sharing the responsibility of this quest are the kind of people Milligan should attract. Faculty and students must establish a good "rapport," and work together as friends.

Milligan tries to provide a "full, rich, and satisfying life" for the members of its family. Dr. Johnson feels that we must establish a "fellowship" which gives a "sense of sharing lives in a mutual adventure of Christian learning in a liberal arts context."

"Milligan is small, not in accomplishment or fulfillment, but in numbers." Therefore we should be able to come close to the ideal in fulfillment in "our relationships with each other, with society, and with our God."

Progress through electricity has brought a better life to all. To the workman and farmer, whose machines are powered by electricity, freeing them from other jobs. To the homemaker, freeing her from household drudgery. To all who flip a switch to get a job done, electricity has made the modern world a reality.
