Deep in the sun-searched

loosened from the sky:
So this Wing'd hour is dropt to
us from above.

In winter say the snow-bound, "She shall
come with the spring leaping upon the hills."
And in the summer heat the reapers say,
"We have seen her dancing with the autumn
leaves, and we saw a drift of snow in her
hair."

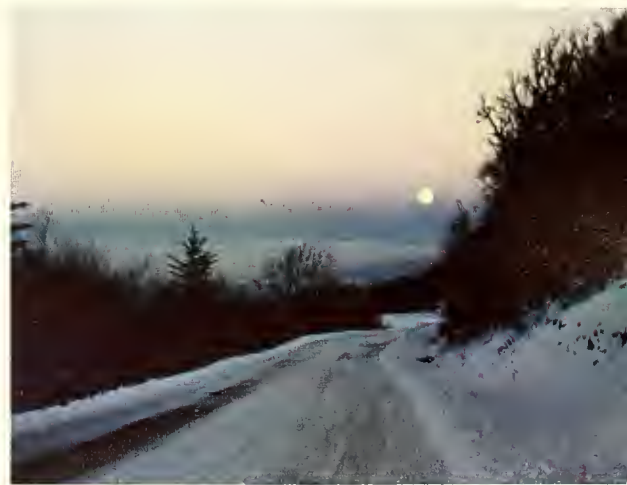

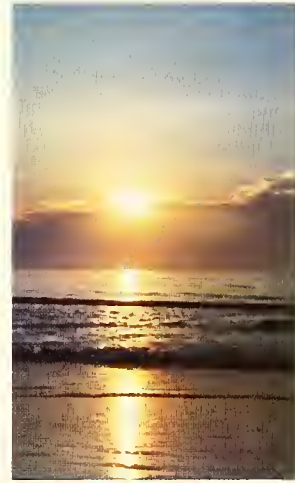

Kahlil Gibran

And beauty is not a need but an ecstasy.

Kahlil Gibran

Born to Fly—
perched high
and beyond—
he waits;
and with an alert
eye he views
the ground;
and free as
he is to
fly—he sits,
perfectly still,
without a sound,
for his world
is free

If a man has a talent and learns somehow to use the whole of it, he has gloriously succeeded, and won a satisfaction and a triumph few men ever know.

Thomas Wolfe

Which can say more than
this rich praise,—that you
alone are you.

William Shakespeare

Your own gift you can present every moment with the cumulative force of a whole life's cultivation; but of the adopted talent of another you have only an extemporaneous half possession. That which each can do best, none but his maker can teach him.

1976 VSAC Champions

The 1975-76 Milligan College Basketball team made history this year. Traveling to Nashville, Tennessee for the Volunteer State Athletic Conference Tournament, the Buffs returned with the Championship trophy.

Having compiled a 24-11 season record, the Buffs provided the Milligan community with exciting sports action on the court. For the first time in many years, students did not have to travel off-campus to attend home basketball games. This fact accounts for the packed bleachers at all games.

Buffs, thanks for a great and memorable season.

Milligan Buffs Second in VSAC

Milligan's 1975-76 Baseball team excelled again, especially in the Volunteer State Athletic Conference, where they won the eastern division championship and finished second in the VSAC playoff.

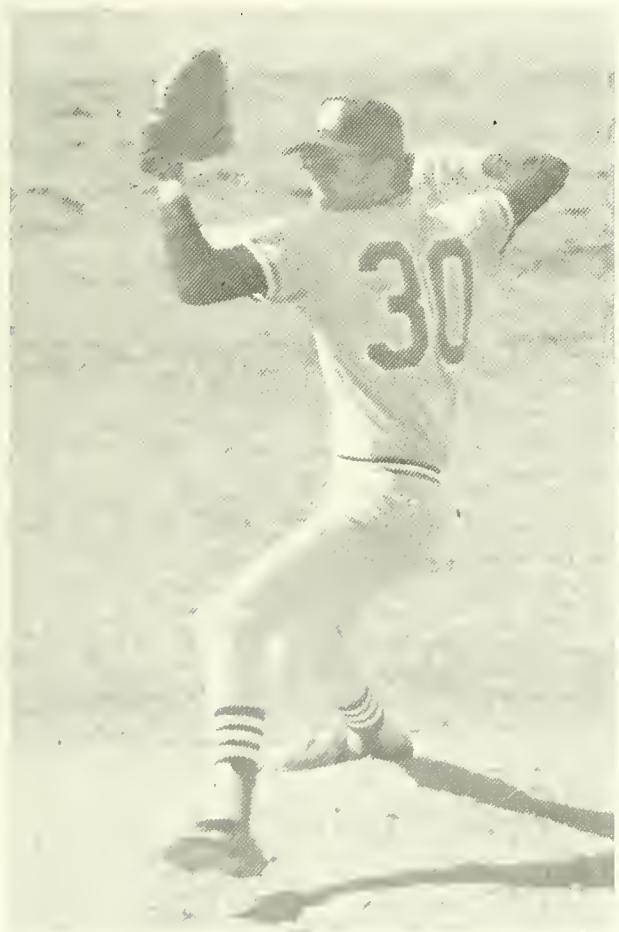

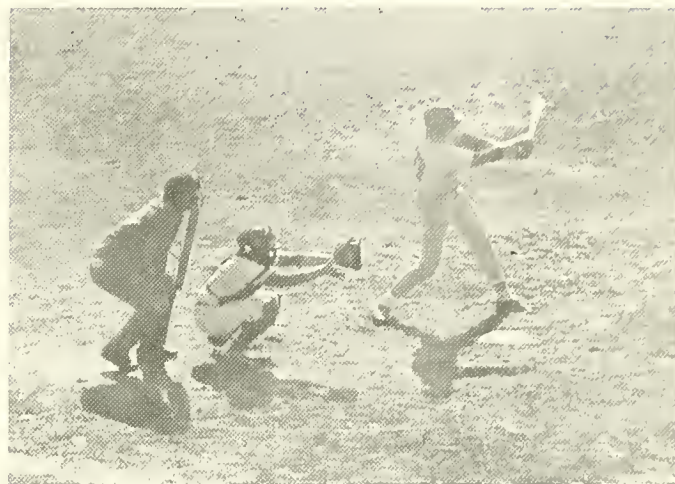

Winding up second is not bad at all for the Buffs, who ended the season with a 20-23 record.

Coach Stout achieved the honor of being named "Coach of the Year" in the eastern division.

Over the 41-game regular season route, Milligan had six .300 hitters, with Ronnie Doss out in front. The others were Beaver Young, Lynn Deskins, Tony Mitchell, Danny Roller, and Mike Weston.

Mike Cline led the club in home runs with 5. Beaver Young and Ronnie Doss had fifteen doubles and batted 34 runs respectively.

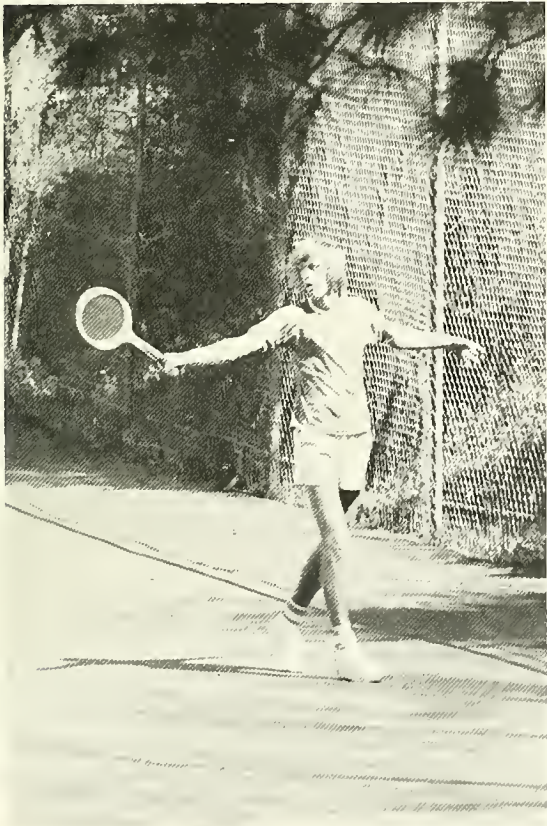

Pitcher Steve Hypes struck out seventy-one batters.

Women's Sports Gain Recognition

This year the Women's Volleyball, Basketball, Tennis and Softball teams had full schedules. Unlike previous years, the women were a major part of the college's sports program. Under the coaching of Miss Patricia Bonner, the female Buffs consistently met their opponents with determination to play their best game. Though still in the formative stages, the Buffette sports program promises to be an increasingly important part of Milligan life.

This year's Basketball team was very young, with only two Seniors graduating. Their record for the season was 6-12. During their season the team held a Christian College Tournament for Women's Basketball teams and co-hosted the State Large College Women's Basketball Tournament.

The Softball team was asked to represent East Tennessee at a Softball Tournament in Florida.

Intramurals

Under the direction of Mike Percifield, men's intramurals played an important part in Milligan's sports program this year. Football, basketball, and softball teams were organized and scheduled to play twice a week. After a hard day of classes and study, intramurals brought a welcome break in the routine.

The lines upon a finger are very much like our souls to God. Both the good and evil that one does is etched with an invisible mark which will fly to the judge's presence and Give testimony. But for those who call upon the Judge's Son, there will be justification. For upon these souls the Son is willing to place His own mark, so that the judge will pardon, and give life.

Service Seekers

As a club whose members clearly represent their title, the Service Seekers are involved in various off-campus activities. Under the leadership of President Debbie Murphy and Mrs. Yamamori, faculty sponsor, the club provides the residents of the Appalachian Christian Village with weekly devotional programs. These programs are rewarding to the girls themselves, as well as the Village folks who attend.

Missions Club

The *Missions Club* has found an important place in the East Tennessee area. This year the club has been actively involved with the East Tennessee Christian Children's Home and Appalachian Christian Village by visiting with the people and offering their time and love.

Some of the members of the club traveled to Grundy Mountain Mission and became interested in the work which has developed there.

With Debbie Piper as President, aided by sponsor, Dr. Taber, the club hosted the Faith-Promise Rally, raising finances through pledges for mission support.

Special guest speakers and slides of France provided the *French Club* with interesting and informative club meetings. President Cindy Crum and Mrs. Woolard, sponsor, worked together with the members in planning several activities which increased club membership and involvement.

A Christmas party in December and dinner in April offered delectable samplings of French cuisine, and by holding a bake sale, the club raised money to cover expenses. In order to improve their usage of the French language, members met in the SUB periodically for conversation with other interested students.

Mention *Zen and the Art of Motorcycle Maintenance* to anyone at Milligan College, and they'll know what you are talking about.

Because of the Philosophy Club's informal discussion on this contemporary book, several students became experts on the thoughts presented therein.

This year, with Kevin Huddleston as President, the Milligan Philosophy Club was made the Alpha chapter of Phi Sigma Tau.

SPLASH!

Because of the dedication of the Milligan chapter of *Alpha Phi Omega*, the fountain was made ready for its spring "function." Nancy Lauyer made a big splash as friends congratulated her for her election as the Secretary of the SGA.

When the Buffs Came Marchin' In . . .

. . . the *Pep Band* was there, providing the fans and team with great spirit-boosting songs. With Chris Harkey as head conductor, the crew of devoted musicians mastered a repertoire of pieces too lengthy to list on this page.

Thanks to the Pep Band's rendition of "Sweet Georgia Brown," Milligan is now able to host "The Harlem Buffaloes."

Chapel Crew

Every student who has ever attended a convocation service has experienced the fine workmanship of the Chapel Crew. The lighting, sound, stagework, and noise that the Chapel Crew provides for Convocation, concerts, movies and shows are beyond compare. This year, the Chapel Crew installed a new cable in the building and received new shirts from Dr. Dowd for their efforts.

Student Union Board

By asking five dollars as a student activity fee, the Student Union Board provided students with eleven movies and a concert. Movies were selected according to the polled expressions of students. Each person who had a bright green sticker on his student I.D. was admitted to the functions free of charge. This method of raising money was quite a success.

The Concert Choir was on the go with a Spring Tour into the states of Ohio, Indiana, Virginia and West Virginia. They performed a total of eleven concerts during this time. The choir also sang at the Preaching Mission in Freedom Hall and at various churches and high schools in the area.

Foreign Students

Milligan has been fortunate this year in having as a part of the family a large number of foreign students. Coming from Japan, Jamaica, Puerto Rico, East Africa, Lagos, Ethiopia, Brazil, just to name a few. These students allow the native American students to experience the customs and philosophies of other countries.

This year the foreign students attending both Milligan and ETSU have participated in joint activities.

Phi Beta Lambda

The Milligan chapter of *Phi Beta Lambda* made their annual presentation to their choice for Business Leader of the year. This year, the award was given to that familiar smiling face of the Milligan College Post Office—Postmaster, Don Maskola.

The entire school expressed their congratulations and appreciation to Mr. Maskola at a luncheon in Sutton following the presentation.

Hart Dorm Council

Hart Hall Dorm Council Has been dedicated to providing activities and Get-Togethers within the dorm. This year Hart had a new resident, Mrs. Millar. Anna Wiley, President, encouraged each dorm counsellor to plan section parties, which included jaunts to "Maxine's," pizza parties and pretzel bakes in the kitchen. Christmas found a large number of girls (and guys) in the main lobby, decorating the tree and door and tables and clock and shrubs (?). The girls also provided a family with all the trimmings for a Christmas feast.

Other activities included an all-dorm camp-out, dorm devotions and spring cleaning in the main lobby.

Dorm Activities Led by Councils

Sutton Dorm Council

Sutton Hall's lobby has a new look this year. Because of the dorm council's hard work, under the leadership of the President Julie McNett and Head Resident Mrs. Robinson, the cushions have been recovered and the drapes have been cleaned.

Money was raised for these projects through Bake Sales and a Christmas Bizarre. The dorm residents also participated in the Toys for Tots drive and assisted a needy family at Christmas.

Milligan Well Represented By Traveling Singing Groups

In an earnest effort to spread the gospel through music, four singing groups from Milligan have been hard at work during the past year. During the summer of 1975 the groups "God's Hands," "Great Exchange," and "Sound Idea" traveled throughout the nation, performing nightly concerts in numerous churches. "God's Hands" and "Sound Idea," supported financially by the school, were responsible for attracting many prospective students through their appearances at church camps. Although they received the financing from private pledges and were not technically representing the school, "Great Exchange" was also instrumental in exemplifying the high caliber of people which make up the body of Milligan College.

In the fall of 1975 a group intended to present Milligan to area high school audiences came into existence. "Holiday" performed in numerous high schools and also provided entertainment for the 1976 Miss Johnson City Pageant. Because of the group's strong testimony for Christ, "Holiday" was asked to perform on the program of the North American Christian Convention in Denver, Colorado.

**AND MAY RICH

LORD JESUS CHRIST
BE WITH YOU, EVERYONE.**

I Thes. 5:28

E. Duggins
5/6/76

Yes, this is the end of the 1976 *Buffalo*. Yet our purpose in creating this book is that the memories which are stirred by this collection of pictures and thoughts will never end. This is our gift to you.

We have all experienced different things at Milligan—some wonderful things, some unpleasant things. If, in years to come, you flip through these pages and are able to relive the pleasantries, we have succeeded.

It is traditional for the editor to thank the staff; yet a mere “thank you” to the 1975-76 *Buffalo* Staff would be inadequate. Without their assistance, this book would be 160 blank pages. They taught me all I know.

Thank you,

Ed Charlton, for your patience with me, expertise with the camera, your long hard hours in the dark room and your listening ability.

Shumpei Kato, for your stick-to-itiveness in taking faculty pictures, your cooperation in taking pictures at *Godspell* and your beautiful pictures in the introduction.

Tim Brady, for your dedication to the Senior Section, unique ideas and photographic assistance.

Jan Jones, for being an understanding and sympathetic roommate, for helping out at deadline time, for your ideas and beautiful smile.

Nancy Lauyer, for your initiative and unwavering dependability as the Business Manager.

Eric Duggins, for your smiling face and beautiful artistic expressions.

Trisha Scott, for your devotion to the Senior Section and willingness to work.

Kitty Becker, for your courage to stay in the Staff room overnight and for having the stamina to plow through twenty years of Student Council minutes.

Linda Gindlesperger, for your creative talents with layout sheets, hearts and balloon men.

Karen Huber, for your hard work on Clubs and Organizations.

Linda Horn, for your knowledge of the baseball team and work as Sports Editor.

Nancy Morgan, for your sweet words of encouragement and typewriter.

Val Cook, for your ideas, knowledge of yearbook methodology and Student Life section.

Becky Coleman, for your loyalty, patience and flying fingers on the typewriter.

Mark Reidel, for your assistance on ads and Student Life.

Linda Cooper, for your successfulness as an Ad salesman and friendship.

Barb Elliott, for your great cartoons.

Mr. Wright, for listening to my gripes and problems.

Mr. Moore, for clearing up all the misunderstandings and foul-ups.

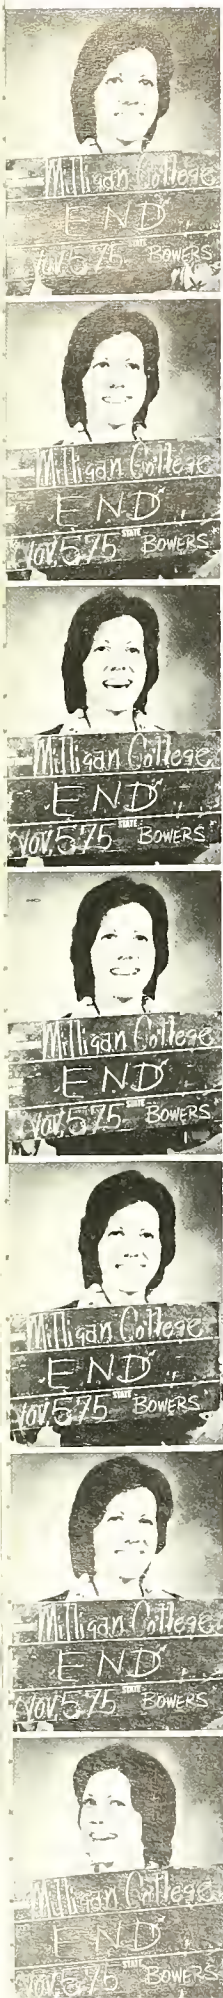

Especially Ron Wempe, for the chocolate bars, Super Dummy T-shirt, your patience and willingness to let me drive your jaguar.

Even though these two individuals were not directly connected with the yearbook, I offer my special thanks to Mrs. Fontaine, who has encouraged me in all my efforts, and Dr. Read, a beautiful person.

May Milligan College always remember the great class of 1976.

Graduated,

He put electricity to work for you

Thomas Edison, father of the electrical industry, didn't discover electricity; but he did develop its use for people like you. He patented almost 1,100 inventions that use electric power.

Today, electricity is still working to improve the quality of your life. Electricity runs equipment that purifies the water, cleans the air, recycles trash into usable material, and mashes trash. Edison put electricity to work for people. And we will keep it working. For you.
