Dedication

The Senior Class of
1930 affectionately ded-
icates this volume of
"The Buffalo" to

Mr. & Mrs. Josephus Hopwood

the founders of
Milligan College, whose
noble sacrifice and un-
tiring efforts have made
us all see the truth of
their motto, "Christian
Education, the Hope of
the World."

Foreword

Amidst life's changes
the old must ever give
way to the new. So as
memories fade and recol-
lections grow dim, may
this panorama of the
past year's happy days
help renew the Spirit of
Milligan and recall
pleasantly, "with that
olden, golden glory,
the days gone
by."

The College

ADMINISTRATION BUILDING

HARDIN HALL

PARDEF HALL.

*In Tennessee's fair eastern mountains
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.*

*Forward ever be our watch-word,
Conquer and prevail.
Hail to thee! Our Alma Mater,
Milligan, all hail!*

*Cherished by her sons and daughters
Memories sweet shall throng,
Round our hearts, O Alma Mater,
As we sing this song.*

*Forward ever be our watch-word,
Conquer and prevail,
Hail to thee! Our Alma Mater,
Milligan, all hail!*

HER MAJESTY, MILLIGAN THE BEAUTIFUL

WHERE WATERS PLAY AND LOVERS ROAM

J. O. CHEEK ACTIVITY BUILDING

A Sonnet

Inscribed to President and Mrs. Derthick

By Prof. W. A. Wright

*The sky is clear and crisp as the morning air.
The golden rod, its mission to fulfill,
Now flaunts its beauty over vale and hill.
The song of silence, to my heart most rare,
Is phrased in harmony to banish care,
As if an interlude before the thrill
Of some new act the Master plans, until
The masque he rearrange, the stage prepare.
And so in life are wonders ever new,
Our adolescent souls to satisfy.
New scenes are ever coming into view;
Discarded toys along our pathway lie.
Thus nature lures us on, and makes us see,
That just ahead the best is yet to be.*

Classes

Savior

MARTIN L. PIERCE, JR.
B.S. in Commerce
 NORTH CANTON, OHIO

Dramatic Club 1; Masque 2, 3, 4; President Boy's Sunday School Class 4; Cheer Leader 4; American Literary Society 4; Quartet 3, 4; "M" Club 4.

England has her Prince of Wales—Milligan has her Martin Pierce. He is a true gentleman, a good sport, and a natural born "cheer leader." He helped to lead the "Buffaloes" to success many times. His pleasant smile bestowed so generously on all (especially the fairer sex), his willingness to lend a hand in everything, his keen sense of humor and abiding friendliness, make up a composite that is hard to beat.

ARCHIE GRANT, B.S.
 SODDY, TENN.

Basketball 1, 2, 3, 4; Capt. 3; Capt. and Coach 4; Baseball 1; "M" Club 1, 2, 3, 4; President 4; American Literary Society 1, 2, 3, 4; President 4; Student Council 4; President of Senior Class; Best all-round Junior.

Milligan's only regret in being the Alma Mater of Archie is that he wasn't twins. Archie is the true sportsman in both defeat and victory. His capability and popularity is realized only when we say that he was Coach and Captain of basketball and yet retained the admiration of the team and school.

JUNE HUMPHRIES, A.B.

ORMOND BEACH, FLA.

Basketball 3, 4; "M" Club 3, 4; Ossolian Literary Society 3, 4; President 4; Volunteer Band 3, 4; President 4; Life Guard and Swimming Instructor for girls 3, 4; Dramatic Club 3, 4; Forensic Council 3, 4; Senior Debate Team 4; Member Annual Staff 4; Life Saving Corps 4.

Is an ideal ever too high for a mere mortal to attain? June's ideals are like steps, each one leads her still higher and will eventually lead her to the highest type of service—that of a missionary to foreign fields. Versatility, sincerity, and capability linked to ambition prophesies fair weather for the forward march.

VIRGIL M. GILLUM, B.S.

BURKE, KY.

Athenian Literary Society 4; Transferred from Christian Normal Institute, Grayson, Ky.; Western State Normal and Teachers' College, Bowling Green, Ky.

Virgil has only been with us one year, but he has accomplished so much in such a short time that we wonder what might have happened had he been here the other three. Every fellow has his weakness whether it be brown eyes or blue—and Gillum has his—it's blue. But here's to Virgil, he's as patient, as painstaking, as accurate and ambitious in the classroom as he is in the parlor. Bring on the laurels for the victor—Gillum awaits the crown.

FRED W. KEGLEY, B.S.
WYTHEVILLE, VA.

American Literary Society 1, 2, 3, 4; Class Secretary and Treasurer 2; Member of "The Buffalo" staff 4; Chemistry Laboratory Assistant 2; Member Student Council 4; General Manager of Buffalo Pressing Club 1, 2, 3, 4.

"Keg" is the last word in all that can be said of efficiency. He was planned by nature to be a "letter man" in the business world. He is studious—yet he believes that all work and no play will make Fred a dull boy. Then what can we say but that he strives to, and does, strike a happy medium between business and mischievousness.

STANLEY J. CARPENTER, B.S.
OMER, KY.

Athenian Literary Society 1, 2, 3, 4; Secretary and Treasurer 4; President of Boy's Student Council 4; Vice-President of Senior Class; Assistant in Biology 2, 3, 4; Superintendent of Campus Work 4; Best Citizen in Sophomore Class.

Too much cannot be said of Stanley—for he can be depended upon for any task that is to be done. Whether it be to chase "bugs" for the laboratory or be "superintendent" of the campus. When we think of Biology we think of Stanley and when we think of Stanley we think of Biology and we predict a great future for "Superintendent" in originating and naming a new species of bugs—in fact he has already tried it.

CARRIE PETERS, A.B.

CLARRANGE, TENN.

Ossolian Literary Society 1, 2, 3, 4; Vice-President 4; Home Economics Club 3; Modern Language Club 1.

Carrie Peters—and a recipe for another like her. Smiles for everyone who is met. Good humor immeasurable, steady, cheerful and ever dependable. These are the essential ingredients that go to make the pleasing concoction of good comradeship to be served to the kings of the earth—that is Carrie.

GRACE CANTRELL, A.B.

WAYNESBORO, TENN.

Philomathean Literary Society 1, 2, 3, 4; Music Club 1, 2, 3.

Grace has all the virtues that the word G-R-A-C-E implies. During her four years spent at Milligan, she has done good work in the class room. Quiet and unassuming, she has won a place in the esteem of everyone. Though somewhat reserved she has many friends who have learned from their association with her to love and respect her.

F. D. OWINGS, B.S.
ROCKWOOD, TENN.

Athenian Literary Society 1, 2, 3, 4; Secretary and Treasurer 3; Foreign Language Club 1; Dramatic Club 2; Masque 3, 4; President Pre-Med Club 3, 4; Assistant in Chemistry 4; Editor-in-Chief of "The Buffalo" 4.

F. D. hails from Rockwood, and from what we can learn from his past history he has always had a fondness for rocks and Chemistry. At this particular stage of the game he seems to be trying to analyze a "Stone" that he may have a valuable assistant in the medical world as a technician. Little need be said of his achievements on the campus as "The Buffalo" speaks for him. We are sure that F. D. with initiative and energy will succeed in his chosen field of work.

BETTY STONE, B.S.
PINEVILLE, KY.

Class Secretary 1; President of Class 3; Basketball 2; "M" Club 2, 3, 4; Secretary and Treasurer 4; Intercollegiate debating 1, 2; Forensic Council 1, 2, 3, 4; Dramatic Club 1; Masque 2, 3, 4, Secretary and Treasurer 3, President 4; Ossolian Literary Society 1, 2, 3, 4, President 3, 4; Art Editor of "The Buffalo" 4.

Betty tells the story of a successful college career pursued both along the romantic walks and within the classroom. Betty, the analytical, the versatile and the studious—in fact no adjective can describe her. However, just because she is graduating does not mean that her education has been complete for she has hopes of being a technician and a certain doctor's assistant.

LANTA STRUNK, A.B.
PINEVILLE, KY

Modern Language Club 1; Ossolian Literary Society 1, 2, 3, 4, President 4; Music Club 1, 2, 3; Dramatic Club 1, 2, 3, 4; Volunteer Band 2, 3, 4, President 4; Assistant Librarian 2, 3; Forensic Council 1, 2, 3, 4; Intercollegiate Debating 1, 2, 4; President Forensic Council 4; Assistant Registrar 4; Social Editor of "The Buffalo" 4.

Lanta is a combination of perseverance, efficiency, capability, industry, loyalty and ambition. The only mark against her record at Milligan is that she has stolen the heart of a certain young preacher. Stolen? Well anyway she has it!

HERBERT Y. LIVESAY, A.B.
GREENEVILLE, TENN.

Athenian Literary Society 1, 2, 3, 4, President 4; Ministerial Association 1, 2, 3, 4, Secretary and Treasurer 2, Vice-President 3, President 4; Forensic Council 1, 2, 3, 4; Dramatic Club 2, 3, 4; Orchestra 2, 3; Masque 4; Assistant Librarian 2, 3; Assistant Editor of "The Buffalo" 4; Intercollegiate Debate 1, 3; Assistant Buyer 4.

Preacher, business man, actor, student, lover—these are Herbert's five chief professions. He excels in all of them and the combination renders him efficient and admirable. His dependability, loyalty, ambition and high ideals make him a man who is a man.

J. WALTER CARPENTER, JR., A.B.
JOHNSON CITY, TENN.

Ministerial Association 1, 2, 3, 4, Secretary and Treasurer 2, Vice-President 2, 3, President 4; Athenian Literary Society 1; Forensic Council 1, 4; Intercollegiate Debate 4; Second Place in Oratorical Contest 2, Winner Oratorical Contest 4.

No man in our class studies for knowledge more zealously than Walter. He has a marked ability to apply himself, this trait being instrumental in bringing about his success as a debator, orator, preacher and student.

BERNICE CANTRELL, A.B.
WAYNESBORO, TENN.

Dramatic Club 2, 4; Philomathean Literary Society 1, 2, 4, President 4; President of Girls' Senior Council 4; Intercollegiate Debate 4; Graduate Expression Department 2; Forensic Council 4.

Coquettish, they say, but that is an art that is acquired with perfection only after four years of walks and talks on the college campus. Ambition, they say, and ambition is the happy possession of the talented. Here's to you, Bernice, "May you sail smoothly 'round the Cape of Good Hope to the Cove of heart's desire."

DOUGLAS VON CANNON, B.S.
BANNER ELK, N. C.

American Literary Society 1, 2, 3, 4;
Manager Basketball 3; "M" Club 3, 4;
Pre-Law Club 2.

Douglas, supposed to be a ladies man and yet we wonder. He has been here four years and we haven't seen the girl yet who could attach him to her host of suitors. He is friendly to almost all of them, but somehow he has kept his head and has refused to fall. Had he lived in the good old days he would have been a Beau Brummel. He is certainly courteous, well-dressed and is the possessor of a winning personality.

RUBYEE LEE COCHRAN, A.B.
ETOWAH, TENN.

Philomathean Literary Society 1, 2, 3, 4,
President 4, Vice-President 4; President
Girls' Senior Council 4; Dramatic Club
1, 3, 4; Secretary and Treasurer of Sen-
ior Class; Life Saving Corps 4; Or-
chestra 1, 3, 4; Best All-around Girl 4.

Miss Vivacious—from Etowah. If your friends are worth their weight in gold, you've found the foot of the rainbow and the mythical treasure there. Personality reinforced by popularity and the energy that is yours has guided you well along the "Little trail to being friends, that never, never ends."

Review of Football Season

For the first time in the athletic history of Milligan College, she won the Football Championship of the Smoky Mountain Conference. The fighting Buffaloes won six games, tied one, and lost one, winning from Mars Hill, Concord, Carson-Newman, T. P. I., King and Tusculum. They tied Maryville and lost to Emory-Henry. It was indeed a golden year in football for the Buffaloes.

The Buffaloes with many new recruits this fall and with a new Coach in place of Tobe Edwards, had an unknown voyage before them. They lost their first game to Emory-Henry. But with this defeat behind them, they set out on their successful season. Their greatest triumphs were against T. P. I. and Maryville. The boys went to Cookeville doped to lose by a large score because T. P. I. had not been defeated on their own field in four years. The Buffaloes rose in herd-form and trampled the Eagles under foot to the score of 13-0. In the Maryville game, the Buffaloes were the under dogs but they played the Highlanders to a scoreless tie. Most of the game was played in Maryville's territory. It was a moral victory for Milligan.

If we should begin to name the stars for Milligan it would take the rest of this volume, because everybody starred. Chet Brown, Bill Bowman, and Lew Taylor made All-Conference. Ironhead Irvin was elected to lead the 1930 Buffaloes. A better choice could not have been made. Fred Snodgrass was made alternate-captain. Only one man, Werking, was lost by graduation. Thus, in way of prophecy for next fall, we believe we can truthfully say, "a better machine yet."

HOWARD McCORKLE, Manager

Mac was always ready to attend to the wants and needs of the team. He was always on hand doing his duty. One of the main reasons that Milligan had such a good team was that Mac was on the job, looking after the many duties that go with a football team. When on trips, Mac saw that everything necessary to the comfort of the boys was given them. And when all the substitutes were used up, Mac would don a uniform and show his opponents how to play half-back. In other words, Mac was an ideal manager. He is from Johnson City. "Mac, we appreciate your loyal services."

J. G. McMURRAY, Coach

Coach came to Milligan last fall and made his debut as a college coach. As the season advanced his debut took the form of a triumph because it was under his tutelage that Milligan won the championship of the Smoky Mountain Conference for the first time in the history of the institution. He knew the game perfectly as he was one of the best athletes that ever graduated from Maryville College. Coach instilled courage and confidence in the boys and he is a natural leader of men. He maintained, at all times, his status of being a Christian gentleman. He was fairly worshipped by those with whom he came in contact. We firmly believe that he is the best coach in the South, or anywhere else, as for that matter. We are very happy to say that he will be at the helm again this fall, and if it depends wholly on him, we predict that history will repeat itself and the Buffaloes will have another victorious season. "So here's to you, Coach. May success ever be yours."

CAPTAIN CHESTER BROWN

195 lbs.—Tackle

Under the leadership of Captain Chet Brown, the Buffaloes swept to the Championship of the Smoky Mountain Conference. To Chet we cannot give too much credit. He, without a doubt, is one of the best tackles in the country. Standing six feet two, weighing one hundred ninety-five, and with a reach like a polar bear, he was a terror to the opposing linemen. His play in the T. P. I. game was a sight to behold. His efficiency as a player was attested by his being elected All-Conference Tackle for two successive years, an honor held by only a few. Chet is a hard fighter. He was always ready to give his best for his coach, his teammates, and his Alma Mater. There may be better tackles and better leaders but Milligan doubts it. He has forever endeared himself to the football fans of this section. He has one more year in which to fight for the Orange and Black. He hails from Rockwood, Tennessee. "Chet, the 1930 Buffalo extends its congratulations."

ROY IRVIN, Captain-Elect
155 Lbs. Halfback

Another reason that Milligan was Conference Champion was none other than "Ironhead" Irvin, the little blond giant from Wytneville, Virginia. He is one of the best backs that ever trod the sacred sod of Anglin Field. His blocking and tackling bordered on the miraculous at times. Whenever Milligan scored it was "Ironhead" that led the interference for Taylor or Edwards. His play was always consistent. Time and again he has thrown his opponents for heavy losses. He reached his heights in the T. P. L. Maryville, and Tusculum games. His great playing and popularity was shown when his teammates elected him to lead the 1930 Buffaloes. Next year will be his last and we are expecting him to lead another Championship team. So "Ironhead", Capt-elect, we pledge to you our loyalty and support. Here's to your success.

STEVE LACEY
155 Lbs. Guard

"Punkin" was a real sport. He brought with him on the football field the ideals of a student, a clean sport, and a gentleman. Never a player that would bring the fans to their feet yet he was a consistent player and that is what wins ball games. He had a pleasing voice. In fact, it was so pleasing that he was shifted to Quarterback in some games. He always had the necessary drive that was needed to make a play complete. He has one more year to fight for his Alma Mater. His home is at Fordtown, Tennessee. Here's to Punkin Lacey, the gentleman.

W. H. BOWMAN
185 Lbs.—End

Bill Bowman, the "Iron Man" from Erwin is one of the best football players that ever came to Milligan. In his three years he has played at every position in the line except center. He excelled at every position he played. This giant was down on every punt and he never failed to get his man. In the King game he was found, time and again, in King's backfield, throwing their men for heavy losses. The same was true in the Maryville game. His proficiency at the outpost was attested by his election as an All Conference End. Football is a rough game and Bill has established for himself fame as a real footballer. He finishes his career next year. "Bill, we're backing you."

PAUL COCHRAN
175 Lbs. Guard

"Hippo" was Milligan's Battering ram this year. After each play his opponents seemed to have come in contact with an ox. He could tear thru any line. He opened hole after hole for the backfield to go thru. Hippo was on hand for every play. Milligan can well claim him as a Gibraltar of the line. He is a product of Etowah High School. Hippo has two more years in which to fight for the Orange and Black. "Hippo, we are watching you."

LEW TAYLOR

175 Lbs.—Fullback

Lew played his second year for the Orange and Black and he acquitted himself in a notable fashion. Under Edwards he played at the end position but Coach McMurray shifted him to the back field. Lew was a triple threat man and so well did he show his skill that he was elected as All-Conference Fullback. His 95 yard punt at T. P. I. was but one of his many feats. His loyalty to his team, his coach, and his Colors was of the highest. Lew was our high scorer. He had the ability to stagger thru a line for ten yards. He will long be remembered as a gridiron hero. He has two more years in which to fight for the Orange and Black. He hails from Johnson City. "Here's to you, Lew."

FRED SNODGRASS

165 Lbs.—Center

"Snoddy" was one of the best centers that Milligan has produced in many years. When he snapped the ball it was perfect. He was never known to give a bad pass. He was a terror on defense as well as on offense. He played the King game like a wizard. He treated their giant center like a baby. When necessary he could play guard and still let his opponents know that he was in the game. Football is a rough game and it takes a man to play it. His ability as a player and as a man was attested when he was elected Alternate Captain for next year. His home is Elizabethton.

PAUL MORLEY

163 Lbs.—End

Morley played the first football of his career for Milligan last fall. It takes a man to go out and make a team the first year that he is out. Well, Morley made the team with flying colors. He snagged a pass and ran forty yards for a touchdown and made the Buffaloes safe for another victory. Going down under punts and getting his man was just one of his many specialties. He never failed to get his man out of the play. When interference was needed, Morley was ready to give it. He was always ready to give his best for his Alma Mater. "Here's to you, Morley."

HOWARD SAGE

155 Lbs.—Half Back

"Curly" was like a wild man when he carried the old rock, because nothing could stop him. Injured at the beginning of the season and thus off to a late start he went like a house afire when he did get started. Sometimes nobody knew where he was going, not even himself, but when he was downed he had gained yardage for his Alma Mater. He had drive in his legs like a battering ram. "Curly" came to us from New Castle, Pennsylvania. This flaxen-haired boy bids fair to be one of Milligan's best backs ere he ends his career. "Curly" has two more years on the hill.

BUENOS BAKER
140 Lbs.—Quarterback

"Irishman" was the smallest man on the squad. In fact, he looked like a midget among the rest of the boys. But the old saying "that precious things come in small packages" was proved true in his case. He could go thru a hole that a larger man couldn't stick his hand thru. As a field general, he was wonderful. Never was he known to lose his head while in the conflict. They say that it takes an Irishman to put up a good fight and Baker is a real red-headed Irishman. You just couldn't keep Irishman down. His cheerful countenance has saved the day for Milligan many times. He worked like a dynamo to keep up the spirits of the boys.

HORACE STANFIELD
180 Lbs.—Center

"Hoss" was a player that any school could be proud of. He snapped the ball as true as a machine gun. On defense he was a terror. On every play he would make a backfield man out of the center that opposed him. This blond giant was never caught napping. Although just a freshman, he played like a veteran. He was a major cog in the Buffalo machine. "Hoss" will long be remembered as one of Milligan's stellar athletes. He gave his best for his Colors. He claims as his home, Newbern, away out in West Tennessee.

FRANK BROWN
170 Lbs.—Tackle

"Little Jug" played his first year for the Orange and Black. He turned in some of the best games that have ever been witnessed on Anglin Field. When one says that he is the brother to Chet that is a sure sign that he knows how to play football. Every team feared the fighting Brown brothers. "Little Jug" seldom failed to get his man. When his opponents wanted to rough it up he was at home. He turned in his best games against Concord, King, and Tusculum. This giant could plow through a line as though it was not there. His home is in Rockwood, Tennessee.

HERMAN MILHORN
155 Lbs. Halfback

"Lear" was an outstanding player of the Buffalo squad. He was good at carrying the ball or running interference for the man with the ball. When a few extra yards were needed Coach called on "Lear" and he always delivered the goods. He was always ready to do his best for the cause. He would have been one of the best backs that ever trod Anglin Field if he had not been handicapped by an old high school injury. "Lear" is a home product as his home is in Johnson City. He has one more year to fight for the Orange and Black.

"JACK"

JACK EDWARDS
150 Lbs.—Quarterback

Jack was one of the best field generals that ever played on the Buffalo squad. He had the ability to pick his opponents' weakest points. When carrying the ball, all Jack would ask of his mates was for them to open up a hole just big enough for him to get his head thru. He would do the rest. His cool judgement while calling signals was one of the reasons that Milligan won the Conference Championship. His drop kick put the King game on ice. He starred in all the games. He hails from Etowah, Tennessee.

DAVID JOHNSON
160 Lbs.—End

"Little Eddie", the boy from Knoxville, came to Milligan last fall and showed the lovers of football what a real end could do. His covering punts and snagging of passes bordered on the miraculous at times. He was in on every play, spilling the beans for his opponents. He played the game like a man, and nothing more could be said of any one. So here's to the "Wild Man" from McNally Flats.

ELMER SOLOMON
195 Lbs.—Guard

"Sol" brought his 195 lbs. of bulk and brawn to Milligan in the fall of '28 and under Coach Edwards he made the Buffaloes a real tackle. Last fall Coach McMurray shifted him to guard. "Sol" made as good a guard as he did a tackle. "Sol" was always ready to give his best for his Colors. He received an injury to his knee in the King game that hindered him the rest of the season. Next year we expect great things of him. The King claims Mosheim, Tennessee, as his home. "Here's to you, "Sol."

GERALD WERKING
155 Lbs.—Guard

Werking was the only senior on the squad. Always in his position, he smeared many a play that otherwise might have been touch-downs. Although just a small man, he had the grit and pluck to win his place on the squad. He was always in condition for every game. He will long be remembered as one of the best sports that ever played on Anglin Field. We regret that Werking must leave us but we hope that he gets the best that the world affords. His home is in Port Gibson, Mississippi. "Here's to your success in life, Werking."

Boys' Basketball Review

For the second consecutive time, the Hardwood Artists from Milligan won the Championship of the Smoky Mountain Conference. The season was the best ever experienced by a basketball team at Milligan. The team that was only an easy trotting bunch last December became a wild, stampeding herd in February. After days of long, hard practice the Buffaloes took the floor against the five from Erwin Y, beating them by a tremendous score. From this good start they swept on to victory. In January, the team resembled a well oiled, high-powered machine. When points were needed, points were made without delay. This was the greatest basketball aggregation that has ever played in East Tennessee College circles.

The Buffaloes won twenty out of twenty-three games. They lost to King, Maryville, and Olson's Terrible Swedes. They won from Erwin Y (2), Union College (2), L. M. U. (3), Tusculum (3), Carson-Newman (2), Emory-Henry (2), Johnson Bible (2), Teachers College, Maryville, King, and University of Chattanooga. Milligan won from Teachers' College, L. M. U. and Tusculum in the Tournament at Kingsport.

Milligan challenges the world to show her a college of her size that has made such a record or has such a team.

-PROF COCHRANE-

-ARCHIE-

-MORLEY-

-HENRY-

PROF. A. F. COCHRANE, JR.
Faculty Director

Prof. was one of the most helpful sponsors that it was possible for a team to have. He was one of the most enthusiastic followers of the game that was ever witnessed on the home floor. He was always ready to stand up for the rights of the team. In fact, Prof. stopped the game many times to argue a point that would help out the team. He was constant inspiration to the boys. His helpfulness on the trips was wonderful, especially at Maryville. His kindly guidance helped the boys win the Championship this year. He is a real sport and a Christian gentleman. "Prof., we appreciate your help."

ARCHIE GRANT
CAPTAIN AND COACH
Forward

"Smiling Archie," the best basketball player that has ever graced the classic hill. He, without a doubt is the most versatile man that has ever worn the Orange and Black. This is proven by the fact that he coached the best team that Milligan has ever produced in its history and was a stellar player besides. This year was the second consecutive season for Archie to be Captain of the Buffaloes. This year was the second consecutive season for the Buffaloes to win the Championship of the Smoky Mountain Conference. This year as Captain, Coach and Director of Physical Education, Archie showed his worth to his Alma Mater. He tackled an obstacle that few men would have dared to do, and he made a success. In his second year he was chosen on the All Conference Team. When one thinks of the fact that Milligan has not lost to a college team on her home floor in the past three years, he appreciates Archie more and more. One cannot say which game was Archie's best because of his consistency in all of them. This was his last year and he will go out into the world to play the great game of life. We predict a success for him. Milligan regrets the passing of Captain and Coach Grant, athlete and gentleman.

PAUL MORLEY
Forward

"Dead Eye", Morley hails from Erwin. A great place for great basketball players. This boy can do anything with that "pill", but eat it. He can pass, dribble and shoot with all the proficiency of a professional. Again and again his shots dipped the net to keep our team in the winning column. This young lad chalked up thirteen points in the tournament for the Championship against Tusculum. What people think of his playing was designated by the fact that he made the All Conference team. He is rated as one of the fastest men in the entire Conference. Morley is alternate captain next year.

HENRY JOHNSON, JR.
Manager

Henry was one of the best managers that the Buffaloes ever had. He was always ready to minister to the needs and worries of the team. He was a financial genius. When the boys left on a trip it was with the knowledge that they would have all the comforts possible. This season was the first that has been a financial success and we feel the credit is due Henry. "You have worked hard and the team thanks you."

W. C. HALE
Guard

Hale played his third year as a member of the Stamping Buffaloes. His dribbling brought back to one's mind the dribbling of the famous Jake Grant. If the opponents had a tight defense, Hale would shoot over it and the scorer would mark up two more points for Milligan. One never sees a better sport than Hale. He was noted for his cheerful and buoyant spirit. Hale was one of the major factors in the victorious Buffalo Machine. When a man made a point off of Hale, he had accomplished the impossible. He was an expert in every department of the game. Hale hails from Erwin, the home of stellar athletes. He turned in his best game in the Chattanooga fray.

STEVE LACEY
Guard

Steve was one of the best guards that Milligan ever had. His level head and coolness helped win many games for the Orange and Black. He always played the same brand of basketball which was good enough to down some of the best teams in East Tennessee. When an opponent scored over "Punkin" he had something to boast about when he got home. "Punkin" saved the day for Milligan in the Tournament against Lincoln Memorial when he shot a foul that tied the game at the end of the regular playing period. Milligan beat L. M. U. in the extra time, thanks to "Punkin." For his superior playing and ability, Lacey was chosen on the All Smoky Mountain Conference Quintet. His popularity and ability as a player won for him the Captaincy of the 1931 Buffaloes. A better choice could not have been made. Under his leadership the Buffaloes should win the championship for the third consecutive time. "Punkin, we're behind you."

LEW TAYLOR
Center

Lew is one of the best athletes that has graced the campus of Milligan in many years. He is excellent in every sport in which he participates. He isn't partial to any particular one. He plays them all with his usual ability, which rates high above the average. Lew could play as defensive game as well as an offensive one. He was respected and feared by his opponents. Seldom did he meet a man that could get the tip over him. This lanky lad was an artist in every sense of the word. Many times he would dribble down the floor and drop them in from behind the foul line. It was just two more points for the home club. Lew played like a wizard in the Chattanooga game. He was high point man of the season, scoring 240 points of Milligan's 800. Lew was able to make them from any angle and from any position on the floor.

JOE KEEFAUVER
Forward

"Joey" played his third year under the Buffalo standard, and we'll tell the world that he played it in a notable fashion. This former Boones Creek star was one of the best on the Buffalo squad. He was a wizard at freezing the ball. In this manner he saved many games for Milligan. Joey had the never-die spirit. He always fought till the final whistle. This flaxen-haired lad was certainly an asset to the Championship Buffaloes this year. When Joey was injected into a game the fans knew that they were going to see their money's worth. He helped keep up the spirit of the team. His floor work was worth going miles to see. He has one more year to fight for the Orange and Black. He should reach his heights next year.

BERNARD RANDOLPH

Center

"Barney" was the only freshman on the squad. This fact alone shows that he has the fighting spirit. As an under-study to Lew, he proved himself very capable. "Barney" seldom saw the man that he couldn't get the tip-off over. His passing was good, and for that matter, his entire floor work was excellent. Barney was always ready to do his best for his colors. With this year of experience behind him, he should develop into an "artist supreme" next year.

BILL WOODS

Forward

Bill, the Yankee from New Castle, Pennsylvania, played his second year under the Orange and Black standard. When Milligan needed points, Bill would take it upon himself to make them even if he had to do it from the middle of the floor. Many times the ball would appear from out of a tangle and "Swish"—two points. One of Bill's traits was saving a game for Milligan. Just remember the L. M. U. game in the tournament at Kingsport. If Bill had not played a minute before that game he would have earned his letter just the same. Bill is a real basketball player. He will probably take Archie's place at forward next year.

ELMER SOLOMON

Guard

"Sol" is just as good a basketball guard as he is a football guard. "Sol" showed the fans that he was still the efficient floor-man despite the football injuries that he received in the King game. His playing was a good example of "it can be done." "Sol" was a big cog in the victorious machine. This big guard will make a name for himself before he is through. He should reach his heights next year.

FRED SNODGRASS

Guard

This was Snoddy's second year as a member of the Stamping Buffaloes. Shifted from guard to forward, he showed his adeptness at either position. He is equally as good a basketball player as he is a football player. When he was in the game his opponents knew that they had a good man to guard. Snoddy was not a flashy player but he was a consistent one and that is what counts in the long run. Around this section Snoddy is regarded as a real basketball player. Milligan agrees. "Look-out for him next year."

Girls' Basketball Review

Under the leadership of Coach Hart the Buffalettes turned in the best season ever experienced at Milligan. They won six out of ten games. For the first time in the history of the institution the Buffalettes won a pair of games from their ancient rivals, Carson-Newman. It was not that the Parsonettes did not have a good team but it was the fact that the Buffalettes had a better. In other words, the Buffalettes have come into their own. They won all of their conference games.

The Buffalettes held the famous Middle Tennessee Teachers to a close score on the Murfreesboro floor. In fact it was so close, the Teachers said Milligan had one of the best girls teams that had ever played on their court. The Buffalettes dropped a pair to Biltmore by close margins. This North Carolina team has the best club east of the Mississippi River. Also the Buffalettes lost to the T. P. I. sextet at Cookeville but avenged the defeat on the Milligan floor. The season was a notable one when one views the fact that five of the girls were playing college basketball for the first time. The team should go thru next season without a defeat as only one girl, June Humphries, is lost by graduation.

Donnelly, Dyer, Cossaboom and Garrett exhibited some of the best shooting ever seen on the Milligan floor. The work of the guards, Captain Hyder, Pace, McFall, Humphries and Booth, is attested by the low scores of the opponents. "Here's to next year's success."

ADA BESS HART

Coach

A sunny smile, good comradeship,
 Patience and endurance, an understanding
 heart,
 Old Solomon's wisdom, for every weakness a
 balm—
 Constitutes Our Coach—Ada Bess Hart.

RUTH HYDER

Captain and Guard

Captain Ruth Hyder from Betsy town! A
 true representative of the Buffalette spirit;
 "a quitter never wins, and a winner never
 quits." With Ruth the fight was on from the
 first tip-off until the final whistle. Under her
 steady, dependable, daring leadership, the Buf-
 falettes have stampeded through a glorious sea-
 son. Ruth, you're all right!

EDITH WOODARD

Manager

Edith can square her shoulders and point
 to "her team"—the best bunch of Buffalettes
 that has ever stampeded for Milligan's glory—
 with pardonable pride. It was her hand that
 mapped out their season for them, smoothing
 out the rough places in a well planned schedule.
 Invincible team; inseparable manager; well
 suited to each other.

JUNE HUMPHRIES

Guard

A guard that is hard to beat. She is born a leader, a clean player and a good sport. Florida fought from the start to the finish and it was a rare occasion when a forward shot over her. Plenty of pep and plenty of fighting spirit made her the guard she is. How we hate to lose her.

IRENE GARRET

Forward

The game is on—the whistle blows—Garret in the center—It is ours. This tells the story of Garret's work as the center of the Buffalettes. The love of the game and the spirit of fight was the soul of her splendid exhibition of basketball during the past season. She is only a freshman and may laurels of victory continue to fall on her brow as she continues to fight for her Alma Mater.

"BILL" DONNELLY

Forward

The former Betsy town flasher that is like a streak of lightning. She is excelled in her position by none. She plays the floor like a machine and shoots from all angles of the court. "Bill" is everywhere at once and moves so fast that it makes the guards dizzy. Above all else this star forward has the true spirit of fight that will win anything she goes after.

IRENE PACE

Guard

It has been said that men are not born Artists. Maybe this is true, but they certainly do develop. Pace is our proof. She is an Artist in the skill she exhibits in her position as guard on the Buffalette six. With bulldog tenacity, Pace feeds the ball from the enemy's quarters to the Milligan forwards.

MABEL DYER

Forward

Dyer—red hair and a “red eye” for the basket, and many baskets were hers. Every point she scored for Milligan was underscored by grace and ease. “Ease is the happy result of toil.” Then three cheers for the efforts of Dyer and her good work.

ROMAINE McFALL

Forward and Guard

The Boones Creek star that plays one position as well as another. As a guard she plays her opponent like an impenetrable brick wall. As a forward you can always depend upon her adding to the Milligan score. Truly an athlete in all ways, for though she is out to win, she loves the game for the game's sake.

EVELYN BOOTH

Guard

Booth came to us from Crockett Mills this year. It took her some time to find herself but when she did she took a “main berth” on the team. Tell Booth to stay with her forward and you can rest assured she will. In the years to follow Booth will be a valuable player with the Buffalettes.

CLARA COSSABOOM

Center

Cossaboom came to us as an answer to our prayer for someone that could ring those baskets from the center line. This she did with ease. “Cossie” just seemed to fit in with the Buffalette: six as though she was made for them. With a little more experience this center can develop into an artist which shall be unsurpassed.

What the "M" Means

*A vig'rous youth with muscles strong
I aim to live for nothing wrong.
To Milligan I'll e'er be true
Oh! Milligan, I live for you.*

*Upon a rock I'll ever stand
When mighty tempters hold my hand.
My stand is firm what e'er I do,
Oh! Milligan, I stand for you.*

*Like Spartan I defend the right;
Allies may flee but still I fight.
I'm groggy now and blood-stained too;
Yet, Milligan, I fight for you.*

*One life I have, God give me more;
Divide my days that are in store.
A thousand lives and days a few,—
Yes, Milligan, they're all for you.*

Life Saving Corps

Among the serviceable activities on the hill is the Life Saving Corps which was reorganized this year with twenty-three members, all of whom had passed either the senior or examiner's test. The following officers were elected: President, Dean C. E. Burns; Vice-President, Howard Sage; Secretary and Treasurer, June Humphries; Physician, Dr. A. Cox; Instructor for men, Chet Brown, Instructor for women, June Humphries. It is the purpose of the Corps to sponsor safety swimming and life saving in the college pool. A class in First Aid was also conducted for the benefit of the members.

Much has been done in helping both girls and boys learn how to swim. Early in February Mr. H. A. Kenning, Red Cross Representative, conducted classes in swimming and life saving for a week. Since then swimming campaigns have been fostered and the number of non-swimmers has been greatly diminished.

Boys' "M" Club

The Boys' "M" Club is composed of those making letters in any of the major sports. Its purpose is to sponsor clean athletics and sportsman-like attitudes.

This year the club had two warm initiations, one just after the close of the football season and the other after the close of basketball. A "knockout" program was given in the college chapel in April.

For the first time in its history the "M" Club can boast of having within its membership two championship teams, one football and the other basketball, something the club should be, and is, very proud of. Few organizations can claim such an honor.

The "M" Club is alive, awake, teeming with life and vigor, ruled by the strongest of character. Its influence is felt by all those who come in contact with its members.

Girls' "M" Club

The Girls' "M" Club is made up of girls who win the privilege of wearing the official "M" by virtue of athletic ability in basketball. It awards all letters given to girls.

Its purpose is to foster clean athletics, true sportsmanship, and to instil in the minds of those wearing the "M" loyalty to the Orange and Black.

Pre-Law Association

The Milligan College Pre-Law Association was organized in the fall of 1929 for the purpose of interesting young men in law and aiding those who plan to study law. Its aim is to acquaint such men with court procedure and the general principles of law, through contact with local courts and representatives of the bar.

This organization is based on a sound, flexible constitution and detailed by-laws, products of the best thinking of its legal-minded members. It is well regulated and conducted by the rules used in superior societies of this type.

Its members are young men who believe that it is possible to be a lawyer and a Christian. Realizing that pecuniary returns are not the best rewards of life, they are preparing themselves for service to their fellowmen. These young men, conscious of the stigma that has been placed upon the honorable law profession by unworthy representatives, are becoming educated not only to interpret technicalities, but to resist temptation. A fine sense of justice and a respect for it characterizes this group and it is their aim to eradicate, so far as their power permits the present mutilation of justice.

These embryonic citizens are answering the call of that broad field which is full of so many glaring faults and yet presents countless opportunities for service to society.

Their sentiment is well expressed in these words: "By our works we shall be known."

Pre-Med Club

The Milligan Pre-Med Club was organized in 1928 for the purpose of interesting students in the medical sciences—Dentistry, Pharmacy, and the various branches of General Medicine. The club is exclusive, as only those seriously contemplating entering some field of medical science are admitted to membership. Interest is maintained by the presentation of a purposeful program each Monday evening. These programs consist of speeches by the members on medical and other scientific subjects. Important issues, such as the best medical schools to attend and the desirability of two or four years pre-med training are discussed. Then too, there is an occasional visit from some local physician. These inspiring lectures are gratefully received.

Three of last year's members are attending medical school this year and the same number are planning to attend next year.

The club desires to inculcate in its members the true spirit of service and to promote higher moral and ethical ideals in the medical profession.

ATHENIAN

Athenian Literary Society

Backed by an imposing history, guided by leaders of ability, composed of straight-thinking, earnest young men of the college, the Athenian Literary Society is a model of serious, literary endeavor. The Athenian Society presents unique educational and literary programs which are stressed rather than mere passing entertainment, although a dash of humor at times is well-received. Not only do the members engage whole-heartedly in the society programs, but also they are prominent in oratory, debate, and speeches in other extra-curricular organizations. Although by no means perfect, the Athenian Literary Society has set a higher standard of literary work on the campus than ever before in the history of literary societies at Milligan. The members are proud to recommend the Athenian Literary Society to all students who desire literary training.

Ossolian Literary Society

The oldest society on the hill, the Ossolian, has accomplished much this year. Besides the regular weekly programs it has given an entertainment for all the girls entering Milligan, an annual open program, and a special program for the Athenians, our brother society.

Our aim is development of our members rather than their entertainment. How well we have succeeded in this is shown by the fact that out of the twelve girls taking part in intercollegiate debating, nine were Ossolians. We were also well represented in dramatics, athletics, and the other activities. Our membership has always been characterized by the hard work, ability, and cooperation of all rather than the brilliance of a few.

American Literary Society

The American Literary Society is one of the oldest societies for Young men. Its spectacular history and coveted record bring the vision of a great future in parliamentary training and literary feats. It sponsors programs that are made varied and interesting by debates, declamations, speeches and various kinds of unique amusement. This society recognizes the value of dignified and well prepared programs through which an invaluable knowledge of "Robert's Rules of Order" is acquired. The true spirit and ideals of Milligan are inculcated into the lives of all who share in its fellowship. All members are encouraged to take an active participation from which a double benefit is derived by the sympathetic evaluation offered. Under the leadership of some of Milligan's best all-round students this society has set an enviable precedent and has taken great strides toward the development of the ideal student.

PHILOMATHEAN

Philomathean Literary Society

In the society hall where the banner of purple and gold is unfurled an earnest band of pilgrims "ad astra per aspera" sit at the feet of Philomatheia—the Goddess of Learning. And every pilgrim's face is a picture of hope and trust in Philomatheia; each reflects the wisdom she lends.

Good fellowship and the common aim to attain the ideal in the world of fine arts moulds the Philomatheans into one strong body. Each meeting with Philomatheia forms a new link in the chain of happy memories that will always bind the Philomathean to Milligan the Beautiful.

O, Philomatheia, the light you hold bids us to follow its gleam. In its glow there flicker things unknown for us to know. We pledge ourselves to reach your height and to do our bit to trim the wick of your light that it may brighter shine for those who trudge behind us.

Masque

The Masque of Milligan College, composed of former members of the Dramatic Club who have participated in at least one major or three minor roles in plays, has just closed one of its most successful and active years. In sponsoring the Minstrel, it portrayed its ability as the premier dramatic organization of Milligan.

In its exclusiveness the Masque is held as the goal of all Dramatic Club members, and those who have attained membership in this organization have truly demonstrated their talent in dramatic presentation.

"TAMING OF THE SHREW"

THE MINSTREL CIRCLE

THE GRAND FINALE

Dramatic Club

The Dramatic Club, usually known as the workshop of the Masque, rounded out the first decade of its existence and started this, its eleventh year, with the largest membership of any organization on the hill. During the first few months, those desiring entrance into the club were given parts in various one-act plays as their try-outs. They were judged by a select committee of the Masque on their dramatic ability, and the ones who showed marked talent gained entrance into the Dramatic Club.

The regular meetings were held on the first Tuesday of each month. Programs dealing with stage make-up, directing of plays, and character analysis were given, and the members benefited by this knowledge in presenting their main plays of the year.

Departing from its usual custom of presenting one-act plays in December, the club staged its first Minstrel. Mid gales of laughter, the audience showed its hearty approval, and the Dramatic Club was assured full support in its future productions.

Enthusiasm and success cannot make us forget the untiring work of our instructor. To Miss Dimple Hart we owe our deepest appreciation, which can only be shown in our willing spirit and ready cooperation.

Ministerial Association and Volunteer Band

Every Monday evening the Ministerial Association and Volunteer Band meet together in the Prayer room, which is dedicated entirely to religious worship. The Volunteer Band generally has charge of the first half of the program, which is often of a missionary character. During the remaining half hour one of the Ministerial students preaches a gospel message. We have been fortunate in having second messages from foreign missionaries and ministers of the near-by churches.

The Ministerial Association is composed of seventeen young men who are now serving thirty of the near-by churches either full or part time. It is not uncommon for a student preacher to walk seven miles from the nearest railroad in order to preach the gospel to the mountain people.

The Volunteer Band is composed of young women who will serve their Lord in definite religious works whether it be at home or abroad. When occasion permits they give religious programs in the rural churches. This year two of their number attended the Student Volunteer State Convention at Maryville, Tennessee.

Although four of their number are graduating this year they are looking forward next year to one of the best years in their history.

Boys' Forensic Council

The Boys' Forensic Council, composed of boys who have participated in at least one inter-collegiate oratorical contest or debate, has just closed a very successful season. Although victories were not chalked up in every contest, a forward step was taken when debates were held with the University of Tennessee and Northwestern University. This is the first time in history that Milligan has attempted to match its prowess with that of institutions known and respected over the entire nation.

The debate program this year consisted of three dual freshman debates, and seven inter-collegiate contests. A variety of subjects presented themselves in questions concerning Disarmament, Chain Stores, Labor Problems and the Philippine Islands.

The feature of the year was the oratorical contest of the Eastern Division of the Tennessee Oratorical League, which took place in the Milligan auditorium Friday, April 18. Six schools were represented including the University of Tennessee, University of Chattanooga, Maryville, Tusculum, Carson-Newman and Milligan, each putting an orator on the platform who assured us that the days of Webster and Everett were not gone forever. Such activities as these are undoubtedly an asset to an educational institution, and should be supported and fostered by faculty, student body, and Milligan supporters.

Girls' Forensic Council

One of the most live organizations on the Milligan College campus is the Girls' Forensic Council. For several years this group of girls has done a great service in establishing a reputation for Milligan in the realm of debating.

During the season of 1929 debates were scheduled with Maryville College; Mars Hill College; East Radford College; Virginia Intermont. Of these eight debates only one was lost.

Interest this year was general. Debates were held with Maryville College, Tusculum College, Tennessee-Wesleyan College, Carson-Newman College and East Radford College. The season was a very successful one.

Mr. Henry M. Johnson, Sr., of Louisville, Kentucky, has made debating at Milligan, for both girls and boys, more attractive by presenting to every student who represents the college in debate a Forensic Council pin. After the second intercollegiate debate a guard is added, and the third event entitles the debater to a small diamond for his pin.

The Girls representing Milligan and the Forensic Council during the 1930 season were Bernice Cantrell, Lanta Strunk, June Humphries, Hazel Tallent, Ruby Stone, Bernice Farmer, Joy Gillenwater, Bess Connell, Pat Loveless, Frances Cartwright, Grace Hilsenbeck and Dorothy Burgess. These girls wish to express their appreciation to Miss Graham Belcher, their coach, for her assistance in their debating program.

Expression Department

The gift of tongues! A gift with which so many of us are endowed and yet are unaware of the possession. From the gift of tongues have sprung the lawyer of promise; the eloquent preacher; the brilliant and magnetic speaker; the orator, the actor, and the dramatic reader. The true mastery of linguistic power limits a profession of language to the simplicity of having something to say and then saying it. The art of doing this lies in the ability to feel and the ability to express what is felt.

The department of Expression or Dramatic Art is Milligan's means of helping her sons and daughters to acquire and to cultivate the gift of tongues. Although the department is only five years old it has kept its pace with the older courses of the college. It has been the open door through which we have enjoyed many delightful performances ranging from Shakespearean presentations to Black-face Minstrels. The dramatic students make themselves felt through the versatility of their art.

The graduates of this year offered for their recital a varied program of dramatic readings, character monologues, and one-act plays. Seven young ladies of the department appeared in the "Anna Lee Lucas" contest for young women. They used a cutting from the one act play "The Twelve Pound Look." The Junior members presented a play at Easter time, "Thy Kingdom Come."

Realizing the need of a permanent organization for music students, the Milligan Piano Club was organized. Its purpose is to study together such problems that can better be presented in class than in private lessons. Professor Joseph Ogle serves as advisor to the club. The meetings are held the first and third Wednesdays of each month.

Home Economics Department

The Home Economics Cottage was enlarged and remodeled at the beginning of the year. There was also an addition of equipment which has made good work possible. The classes are not so large but that there is an opportunity for much individual work.

Courses are given in the foods department which offer study in the choice, buying, care, preparation and serving of food. The present day trends and studies in nutrition are vitally important for the home-maker and are given thorough consideration.

In the study of clothing it is necessary for the woman of today to know much more than the construction of clothing. The department offers work in the planning, selection, buying and care of clothing from a practical as well as an artistic standpoint.

The aim of the department is not only to give training which will enable girls to teach or to manage a home systematically but to give to them information which meets their immediate needs.
