To

PROF. AND MRS. A. F. COCHRANE

OUR College "Father and Mother", who
make Milligan seem like home to us.

A good sport, a clean living man,
always a booster, interested in ever boy at
Milligan, a real gentleman—Prof. Cochrane;
a loyal Milliganite, sympathetic and helpful
when we are sick, always patient with us, a
genuine lady—Mrs. Cochrane. To these two
friends whom we treasure and love, The Senior
Class of 1931 dedicates "The Buffalo."

DEDICATION

PROF. AND MRS. A. F. COCHRANE

NESTLED in the hills of East Tennessee, Milligan College is the epitome of the hopes and higher aspirations of the modern mountaineer . . . With this background in mind, we have chosen a theme which will convey the genuineness and high ideals of the brave men who first cleared the way and settled this once wild but now beautifully peaceful section. May this book ever be a golden source of pleasant memories to us in the future, even when we also start the climb into those celestial heights of eternal bliss.

A Personal Message from Our President

66 **M**ILLIGAN COLLEGE is an undenominational Christian institution, organized for the purpose of enriching the world's life by sending out students who have not only careful scholastic training and learning, but also sincere forceful Christian purposes.

"Having accepted the slogan of President Hopwood, 'Christian Education, the hope of the world', and believing that the small college is a vital agency in building up the highest type of manhood and womanhood, Milligan College seeks to equip men and women for maximum good. Milligan College has cause for pride and gratitude in the splendid family she has given to service in all honorable fields.

"To think of our alumni and old students is to thank God that they not only have brought honor, high ideals, and a consciousness of civic righteousness, but also that they have entered into high positions of leadership and power in community, state, and national life. We think, too, of the lengthening line of students who, in the providence of God, will pass through our portals in the years to come. We shall steadfastly hold to the ideal that Christian culture is of greater value than intellectual attainment. We shall, when the drift seems away from it, call our students always to the sincere, sacred things—belief in the Bible, faith in the deity of Jesus, and realization of the necessity of righteous living.

"The College has an ideal location; its property and equipment are worth over \$600,000 with no current indebtedness. The buildings are surrounded by a campus made beautiful by fountains, drives, walks, grass, shrubbery and flowers.

"Milligan College is generously supported by men and women of strong Christian character who are interested in the Appalachian section of America, which section has an exceptionally strong appeal to those who have faith in the early Anglo-Saxon stock of our country. Mrs. MacLean, one of the trustees, truly says, 'In my opinion, the preservation of our American ideals and the safety of this nation, as conceived by our fathers, will be safeguarded by the Anglo-Saxon people of the Southern Appalachian section. We can do no greater work than to make it possible for them to secure a Christian education that they may be fitted to serve our America as they alone may be fitted to do.'

"Here into our college halls, upon our attractive campus, and into our family life, a welcome awaits the student of vision—the seeker of the higher things of life."

BOOK TWO
THE CLASSES

SENIOR

Vertical text on the right side of the page, likely bleed-through from the reverse side. The text is mostly illegible but appears to contain names and possibly dates.

ROBERT G. ADKISSON

B.S.

HARRIMAN, TENNESSEE

President Sophomore Class; Treasurer Senior Class; Athenian Literary Society 1, 2, 3, 4, Secretary-Treasurer 3; Dramatic Club 2; Masque 3, 4, President 4; Assistant in Chemistry 4; Assistant Editor "Buffalo" 4; Manager Picture Show 2, 3, 4.

Bob is the school "pest." He has this reputation so established that whenever a girl gets a gentle punch in the ribs or hears a big noise in her ear, and Bob is nearby, she instantly blames it on him. He has another reputation here also, and it is even greater than the first. It is that he is always a gentleman. Everyone likes Bob because he is ready to help anybody who needs help at any time.

DWIGHT B. BILLINGS

A.B.

NORTON, VIRGINIA

American Literary Society 1, 2, 3, Critic 2; Dean's List of Distinguished Students, University of Virginia 3.

Dwight is our scholastic star. All his classmates know that when he is in their class they have to work hard to make an "A." He always makes around 98 on all exams, and that makes their efforts look small. Dwight decided to leave us at the end of his sophomore year, but he became so homesick that he came back the second semester. A hard and persistent worker, a loyal Milligan supporter, a true student! We are expecting great things of him in the future.

WILLIAM BOWMAN

B.S.

ERWIN, TENNESSEE

Football 1, 2, 3, 4; "M" Club 1, 2, 3, 4, President 3; Pre-Med Club 1, 2, 3, 4, President 2; Dramatic Club 2, 3; Masque 4; American Literary Society 1, 2, 3, Secretary-Treasurer 3; Vice-President Sunday School Class 3; Manager Basketball 4.

"Bill" is a mighty easy name to say according to Kathleen Adams. The name suits him, not because he is short in height like his name, but because "Bill" sounds just like a real boy with no sissiness within fifty miles. He is always glad to do anything he can to help anyone. For instance, he was Dr. DeJonge's right hand man. "Bill", we wish you success.

CHESTER BROWN

B.S.

EUCHEE, TENNESSEE

Football 1, 2, 3, 4, Captain 3; All-Conference Tackle 2, 3; "M" Club 1, 2, 3, 4, President 4; Pre-Med Club 2, 3, 4, President 3; American Literary Society 1, 2, 3, President 3; Student Council 3, 4; President Sunday School Class 3.

Mighty of arm and body has he been for four years at Milligan College; a bulwark of strength in the Buffalo line, and a capable leader in things footballish. Chet's smiling countenance and amiable disposition have won friends for him wherever he has gone. At times he may seem a little rough, but he always has a heart for the fellow who is not so fortunate. Good luck to you, Chet; your name is brightly written in the records of Milligan College.

CLYDE E. BURNS
A.B.

MILLIGAN COLLEGE, TENNESSEE

Transferred from DePauw University 2; Athenian Literary Society 3, 4, President 3; Dramatic Club 3; Masque 4; Business Manager and Art Editor "Buffalo" 4; Band 4; Orchestra 3, 4; Forensic Council 3, 4; Oratory 3, 4; Instructor in High School Mathematics 3, 4; Minstrel 3; Annual Play 3; President of Christian Endeavor 4; Second Place Oratorical Contest 4.

Clyde has only been with us two years, but he has tried his hand at almost everything around the college from painting buffaloes to being president of the Christian Endeavor. When you come to think about it, he has succeeded in all the things he has tried. He is one of the leading scholars of the class, but aside from that, he can be just about as funny as anyone we know of outside a circus. We hope that he will be like Oliver Wendell Holmes and never dare to be as funny as he can.

JORDAN J. CROUCH
A.B.

JOHNSON CITY, TENNESSEE

American Literary Society 1, 2, 3, Secretary-Treasurer 2, 3; Dramatic Club 2, 3, 4; Associate Business Manager "Buffalo" 2, 4; Business Manager "Buffalo" 3; Business Manager "Stampede" 2.

"Genial Jordan" he might be called. The sky seems always blue for Jordan, but certainly no one in his company could long be blue. And yet, this young man can be serious too, as his scholastic record shows. Nowhere in the student body can be found one who is more loyal to old Milligan.

IRENE ELDER

A.B.

MANCHESTER, TENNESSEE

Philomathean Literary Society 1, 2, 3, 4; Volunteer Band 1, 2, 3, 4, President 4; Forensic Council 1, 2, 3, 4, Vice-President 3, Secretary 4; Music Club 3, 4; Dramatic Club 2, 3; Secretary to Treasurer 3, 4; Teacher in Junior Department of Sunday School 3, 4.

This is Irene Elder as she appears on graduation. Kindness, cheerfulness, patience, perseverance, intelligence, as exhibited in her face, cannot fail to impress you, if you have the eye of an artist. She is a lady of fine scholarship, and thoroughly equipped in every essential element of character for a useful career.

CARRIE DISHNER

A.B.

BRISTOL, VIRGINIA

Philomathean Literary Society 1, 2, 3, 4; Home Economics Club 1, 2, 3, 4.

Carrie is the seamstress of the class. She really can sew well. That is one of her attributes, but it is not the only one. She has a heart of gold and will do anything she can to help anyone in need. We hope that Carrie will always be as sweet and lovable as she has been here at Milligan, spreading her sunshine and optimism to everyone with whom she comes in contact.

DON NEIL EMERSON

B.S.

FRUITVALE, TENNESSEE

Athenian Literary Society 1, 2, 3, 4, President 4; Forensic Council 2, 3, 4; Manager Football 2; "M" Club 2, 3, 4; Dramatic Club 4; Pre-Med Club 3, 4, President 4; President Junior Class; Sports Editor "Stampede" 4; Publicity Manager of Athletics 4; Athletic Editor of "Buffalo" 4; Student Council 4.

"Skeeter" is one of those fellows that people can't help liking. He is rather quiet, except once in a while when he starts over to breakfast. We understand that sometimes he feels an urge to let Speedy know he is on his way so he won't be locked out. "Skeet" is the type that believes in his friends and sticks to them in time of need. He is preparing to be a doctor, and we hope that he will make a good one.

THELMA FOGLEMAN

A.B.

JOHNSON CITY, TENNESSEE

Philomathean Literary Society 1, 2, 4, President 4; Band Director 4; Orchestra 4; Volunteer Band 1, 2, 4.

Music! Thelma loves music and certainly knows how to make it too. She has been a very capable band leader this year besides furnishing us with some very pleasant cornet solos. We understand, though, that "carpentering" is one of her main hobbies. We are glad that she decided to return to Milligan this year, and as she leaves these halls, we hope she will use her talents to fill the hearts of others with cheer.

NEWELL FREEMAN
A.B.

CROCKETT MILLS, TENNESSEE

Ossolian Literary Society 1, 2, 3, 4, Vice-President 3, 4, President 4; Volunteer Band 4; Vice-President Girls' Sunday School Class 4; Dramatic Club 2, 3, 4; Graduate Expression Department 4.

The true spirit and ideals of Milligan are secure in the heart and life of Newell. The richness of her character is to be revealed in its entirety only after close acquaintance with her, but true wealth is there for those who are fortunate enough to be admitted into the vaults. Newell, in a quiet and unassuming manner, has accomplished much while a student at Milligan. Her work has been consistent and conscientious. As an embodiment of the finest womanly qualities, nobility, truth, modesty, she has won the esteem of all.

RICHARD H. GEAR
A.B.

STUART, IOWA

Ministerial Association 1, 2, 3, 4, Secretary 3, 4, President 4; Annual Staff 4; Forensic Council 2, 3, 4; Athenian Literary Society 1, 2, 3, 4, Vice-President 3, Secretary 4; Dramatic Club 1; Masque 2, 3, 4.

"Dick" has done a great work through his preaching since he has been at Milligan. During the summer he does evangelistic work in Georgia. It seems that he likes that section of the country very much since he writes so many letters destined to end there. A little bird told us that her name was Thelma. May you be as successful in everything else as you have been so far in your preaching.

W. CHAMBERLAIN HALE

B.S. IN COMMERCE

ERWIN, TENNESSEE

Basketball 1, 2, 3, 4; "M" Club 1, 2, 3, 4, Secretary 3; American Literary Society 1, 2, 3.

We would speak of Chamberlain as "a Hale fellow, well met" if it were not for our conviction that all punsters should be shot on sight. As a member of the basketball team, Chamberlain has learned the value of team-work; in fact he never plays a lone hand. The future should find the name Hale written large in the business world.

ANNA RUTH HONEYCUTT

A.B.

DUNGANNON, VIRGINIA

Ossolian Literary Society 1, 2, 3, 4, President 4; Volunteer Band 1, 2.

Anna Ruth is generally known as "Honey." Pet name though it is, this expresses the esteem in which she is held by teachers and fellow-students. She is a lady of versatile talents and we predict for her a life of useful service to humanity. May she carry the true Milligan Spirit wherever she goes.

ROY LEE IRVIN

B.S. IN COMMERCE

WYTHEVILLE, VIRGINIA

American Literary Society 1, 2, 3; Football 1, 2, 3, 4, Captain 4; "M" Club 2, 3, 4; Pre-Med Club 2, 3, 4; President Boys' Sunday School Class 4.

Soon after Roy entered Milligan, those qualities became apparent that have caused him to be known as a fine athlete, a good friend, and a real gentleman. Roy's four years of interference on the gridiron, while his team-mates were reaping acclaim and glory, show a commendable unselfishness. It was highly fitting that he should have been selected by the 1930 Buffaloes as their captain. He has been quite active in his class-room work, and from the social duties of the conference period he seems to have poise and "Grace."

EUGENE JONES

B.S.

JOHNSON CITY, TENNESSEE

Power House Club 1, 2, 3, 4.

If we should wish to compare Eugene's ability with that of his class-mates, we would have to consider not only his excellent record here, but also the splendid work he is doing in radio. He is one of the best liked men in school, in spite of the fact that he doesn't stay in the dormitory nor play on the athletic teams. He does not spend much thought nor time on the fair sex. However, we think this means little as to his future conduct, because we know that men of his type purr the loudest when the right hand strokes their backs.

HENRY M. JOHNSON, JR.

B.S. IN COMMERCE

LOUISVILLE, KENTUCKY

Forensic Council 2, 3, 4; Editor-in-Chief of "Buffalo" 4; Pre-Law Association 3, 4; "M" Club 3, 4; Manager Basketball 3; Dramatic Club 3, 4; Band 4; Second Place in Oratorical Contest 2; President of Christian Endeavor 3; Athenian Literary Society 4; American Literary Society 1, 2, 3; Annual Play 2; First Place in Oratorical Contest 4.

You will be struck, of course, by Henry's resemblance to Calvin Coolidge. One might almost call the resemblance a "speaking likeness", but for the fact that Calvin never did speak much. There is really no kinship involved, except the natural kinship which one great mind has for another. Henry would be an honor scholar anywhere.

JOE KEEFAUVER

A.B.

JONESBORO, TENNESSEE

Dramatic Club 1, 2, 3, 4; Basketball 1, 2, 3, 4; "M" Club 1, 2, 3, 4, Secretary 4; Manager Football 4; American Literary Society 1, 2, 3.

Joe is always immaculate in his dress, precise in his language, but a bit changing in his paramours. Yes, one could count a goodly number of the fair sex with whom "Joey" has held conference during his four years. Perhaps he was wise, as he graduates, perhaps not "cum laude", but at least, "heart free." Joe has a host of admirers and well-wishers, for all know him to be a gentleman. He is, by count, the All-American Substitute Extraordinary. Luck to you Joe!

CHASTINE KIRBY

A.B.

CROCKETT MILLS, TENNESSEE

Ossolian Literary Society 1, 2, 3, 4, Critic 2, Secretary 2, Vice-President 4; Dramatic Club 2, 3, 4.

Chastine is usually a very quiet and industrious girl, but sometimes she has to let off a little excess energy. When this happens, she can be just about as lively as any of the Gym girls, and that is saying a great deal. Chastine is planning to be a teacher. We hope she will be as great a success as some of the other girls whom Milligan has received from Crockett Mills.

STEVE LACEY

A.B.

FORDTOWN, TENNESSEE

Football 3,4; Basketball 1, 2, 3, 4, Captain 4; "M" Club 1, 2, 3, 4, Secretary 3; Dramatic Club 1; Masque 2, 3, 4; Forensic Council 2, 3, 4, President 4; Vice-President Senior Class; Student Assistant in Biology 4; President Sunday School Class 4.

Our "little Stephen" is one of these all-round boys, who is anything from a first class actor to a star on the basketball floor. Besides this, Steve is good in his classes. He has a convincing personality, especially in debates and at conference. Steve generally goes by the name "Punkin." If you beg him a long time he might consent to sing you a song, but we warn you that he is a little bashful—sometimes!

HERMAN E. MILHORN

B.S. IN COMMERCE

JOHNSON CITY, TENNESSEE

President Senior Class; Dramatic Club 2; American Literary Society 1, 2, 3, President 3; Varsity Football 3, 4; "M" Club 3, 4; Associate Business Manager "Buffalo" 3; Most Versatile Man 4; Masque 3, 4, Secretary 3.

Herman, through a four-year college career of service as student, athlete, actor, cheer leader, and president of the class of '31, has well merited his distinction as the most versatile member of his class. In all of these varied relationships he has been capable, trustworthy, and diplomatic. Scarcely ever has it been Milligan's good fortune to claim a son with so many native talents, which education has not spoiled, but quickened and strengthened.

HOWARD McCORKLE

B.S. IN COMMERCE

JOHNSON CITY, TENNESSEE

American Literary Society 1, 2, 3; Football 3, 4, Manager 3; "M" Club 3, 4; Ping-Pong Club 4.

"Mac" is our fleet-footed football phantom, who shows plenty of speed in both outdoor and indoor sports. Here is a fellow who appreciates a good hearty laugh, even at his own expense. We predict that "Mac" will make a name for himself in the business world because, as far as we can see, his powers of persuasion are plenty strong, and they seem to produce results. Success, here's to you and "Mac"!

HAZEL NICHOLS

A.B.

CROCKETT MILLS, TENNESSEE

Ossolian Literary Society 1, 2, 3, 4; Dramatic Club 2, 3; Masque 4; "M" Club 4; Manager Basketball 4.

Blonde curls, a coy smile, dates—that's Hazel. But it isn't all of her. Every department of college life has received its share of her attention. From French verbs to the latest prank in the dormitory, Hazel is always enthusiastically present. Her friendliness and happy spirit will bring her friends and success.

IRENE PACE

A.B.

LEAKSVILLE, NORTH CAROLINA

Ossolian Literary Society 1, 2, 3, 4, President 3, 4; Basketball 1, 2, 3, 4, Captain 4; Girls' "M" Club 1, 2, 3, 4, President 3, 4; Home Economics Club 4; Secretary Senior Class.

A lively pace for anyone to follow in college life has been set by Irene. In scholarship, athletics, and personality, Irene has established standards difficult of attainment. Pace has a way of slipping unobtrusively into the high estimation of her associates, faculty, and students. While never making a big noise about things, she manages to get them done in the best possible way. Whenever a job needs handling, somehow Irene's capable fingers are given its custody. She accepts the task with a grin, and that is the end of the worry.

GALILEE PHELPS

A.B.

PULASKI, VIRGINIA

Dramatic Club 2, 3, 4; Philomathean Literary Society 2, 3, 4, President 3, 4.

"Jerusalem" is always ready with an answer, no matter what you say to her. Galilee will succeed at most anything she tries, because she is a good mixer and has such a fine personality. Her ambition is to teach in the Philippines. We hope she likes it over there.

ROB'T. L. SHUPE

B.S.

MILLIGAN COLLEGE, TENNESSEE

American Literary Society 2, 3; Dramatic Club 2, 3, 4; Art Editor "Buffalo" 2.

Bob is one of our most able students. He is not without some appeal to the ladies either, as is shown by the fact that he may be seen daily trying his psychology on some small fry. His mind is very inquisitive and original. It would be no surprise to his many friends if he should go far in scientific work, his chosen field.

HAZEL TALLENT

A.B.

RHEA SPRINGS, TENNESSEE

Volunteer Band 1, 2, 3, 4, President 4; Girls' Forensic Council 1, 2, 3, 4, President 4; Philomathean Literary Society 1, 2, 3; Music Club 4; Dramatic Club 2, 3.

"Lere" is one of these efficient persons who plans every minute of her time. She has much ambition and is taking advantage of the opportunities at Milligan to learn all she can to help her in later life. Hazel is not socially inclined in a very great degree, but she is a true friend to those whom she considers her friends.

Individuality is popping out all over Charlotte. She is different from everyone else. Among her other accomplishments she is a fine soloist on the comb in the Literary Society Jazz Band. Charlotte also paints well. We think she is planning to study art later on. Some day we may be glad to say, "Charlotte Watson went to the same school I did."

Edith has made a large contribution to the school life at Milligan. She has to her credit a scholastic record of which any student might be proud. Behind those dark, lustrous eyes is a soul of refinement and beauty; and fortunate will be the community that may claim her services as a teacher.

Pauline is truly an optimist. No matter how bad the thing is, she can always find something to like about it. She even likes examinations! Pauline is ambitious and has done much to realize her ambitions. With all that, she has time to be friendly and sweet to everyone. The natural result is that everyone loves her.

ACTIVITIES

Masque and Dramatic Club

THE MASQUE, the senior organization, and the Dramatic Club have come to the close of a most successful year. The membership of the club this year has increased greatly, and interest has been manifested throughout the year. More than ever, our Director is gratified by the initiative, eagerness, and dependability of the members of the Club.

The Club, under the leadership of Miss Dimple Hart, endeavors to train its members not only to be competent actors, but also to be well versed through knowledge and experience, in the production of plays, stage make-up, costuming, stage setting, and many other subjects necessary to the amateur actor.

The outstanding aim of this Club is the production of its plays. It is justly proud of the type of presentations it gives, made possible only by the vital interest of its Director and the willingness of its talented members.

The leading successes of the year were:

Mid-Summer Night's Dream	- - - - -	Shakespeare
Escape	- - - - -	John Galsworthy
White Elephants	- - - - -	Key Nicholson
His Japanese Wife	- - - - -	Grace Griswold
Pair of Lunatics	- - - - -	W. R. Walkes

Home Economics Club

WITH the modern trend in education toward practical lines, it is no wonder that the schools are paying more attention to the departments that prepare young women for teaching practical arts, for going into interior decorating, for nutrition work, and for home life. Milligan too has kept pace with this progress, and the department of Home Economics has grown to a major place in the curriculum of the school.

Naturally along with this growth has come the development of the Home Economics Club, an organization of all the girls who take courses in Home Economics. The Home Economics Cottage is needed for a model practice house, and discussion often centers around the problems of making it more attractive. In this way the girls, of their own initiative, can pool their ideas and gain practical benefits. By affiliation with the state and national associations, the members of the Milligan College Home Economics Club have opportunity to study the nation-wide work in this field. The real value of such an organization formed by the girls themselves is great. Here at the informal meetings they feel more free to voice their own opinions and ideas, which, in the classroom, are more or less restrained.

Our aim is to foster a true, wholesome interest in the work of the interior decorator, the nutrition expert, the teacher, the clothing expert, and the home-maker. We consider our time well spent if we can, in any of these ways, make of ourselves better citizens.

Athenian Literary Society

THE Athenian Literary Society has been in existence on the "Classic Hill" for eleven years, having been organized September 23, 1920 under the direction of Mr. William Hill. The literary work among the boys of Milligan College has been greatly advanced by this society. The prestige set by the former members is one held in high esteem by those following in their footsteps. The history of the Athenian Literary Society is one which is greatly revered by each of its members.

The society for this year has been hindered by the various programs interfering with its work. Yet it can be said that the programs presented have been instructive and educational, the latter being stressed. Each program and speaker is constructively criticized and thus a high type of work is being done by this group of young men in debate and oratory.

The members of this society can gladly recommend it to any student desiring the serious type of literary work which molds and builds the character of men today.

Pre-Med Club

THE Pre-Med Club ended its fourth year with greater success than ever enjoyed before. More helpful information, that will help the young "Medicos" in their life's work, was received through the lectures and teaching of the numerous doctors, dentists, and surgeons from Elizabethton, Johnson City, and Erwin, who appeared before the club during the year.

The Pre-Med Club has for its aim and purpose preliminary instruction and advice for those boys who intend to enter the medical profession. In the last four years the club has sent six young men into the medical colleges of the South.

The entire organization is built around its founder and faculty adviser, Professor Cochrane. The Pre-Med Club looks and works to a higher degree of attainment in that field which it represents.

Pre-Law Association

THE Milligan College Pre-Law Association was organized in 1929 to create a field of activity and interest for the young men of the College who are interested in law. It serves as a great agent in acquainting the members with court procedure and the fundamental legal principles. This is accomplished through contact with local members of the bar, as well as through a series of programs presented by the members on the first Thursday of each month. The programs consist of mock trials, political conventions, and sessions of Congress; in addition, the members make various addresses on legal subjects. Although the meetings are closed to all except members, the work of the Association has become a matter of interest throughout the student body.

The members believe that the legal profession offers a great opportunity for service to humanity. They believe that it is possible to be a lawyer and a Christian. Realizing the faults and accusations that confront the lawyer, this group of young men has set itself to the task of helping to place the profession on a higher plane. Their sentiment is well expressed in the obvious fact that happiness can prevail only where justice rules.

Boys' "M" Club

THE "M" Club, composed of all boys who have made their letters in varsity athletics, stands for clean sportsmanship and loyalty to the school. Such an organization of boys of like ideals and prowess on the athletic field and in the gymnasium does much to further the spirit of Milligan. In a chapel program this year the Club put itself and its activities before the student body in such a way that the school spirit was strengthened and the students made to realize more definitely the place of physical activity at Milligan.

This year the "M" Club entered into another field, making it possible for the varsity football men to get sweaters as awards for their achievements. With the help of Mr. Charlie Crouch and Dean Burns the necessary funds were secured from friends of Milligan whereby each man was given a token of Milligan College's esteem—a varsity "M" and a sweater. The "M" Club wishes to take this opportunity to thank Mr. Crouch and Dean Burns for their help, both in securing the awards and in aiding a clean and victorious athletic program at Milligan.

Girls' "M" Club

THE Girls' "M" Club has as members all of the girls who have made their letters at Milligan. Being an athletic organization, its aim is to promote clean sportsmanship, and to encourage the girls of the school to use their ability toward constructive lines of physical culture.

This year there was inaugurated a point system of winning letters. The girls of the school were divided into two teams, the Orange and the Black. These two teams compete for the highest number of total points, which are gained by participation and achievement in scholastic work, literary activities, athletics, and other activities of the school, the physical aspect taking up a major part of the program. A certain number of points are given in each field, and a total of 350 permits a girl to wear a monogram, whereas a total of 650 points makes the girl eligible to wear a letter.

Such a plan has done much to foster interest in all of the constructive activities of the school, as each girl can have a chance to gain distinction in her own line of work. We cannot praise too highly the work of Misses Hazel Nichols and Ada Bess Hart, active "M" Club members, and Bess Connell and Ruby Cochran, honorary members of the Club, in perfecting this plan.

Expression Department

THE Department of Expression, under the efficient leadership of Miss Dimple Hart, is one of the most appreciated departments of the college. Through this department comes the special training that has raised the quality of readings, debates, and orations to an exceedingly high standard. Every program sponsored by Miss Hart displays carefully trained talents of the individual performers and deserves the enthusiastic and hearty approval felt by all.

The real value of Expression comes when it awakens the students to their possibilities, when it enables a person to take his awkward body and tongue and make a thing of beauty. Being an agent of the soul, mind, and body, Expression brings about a coordination which no other field can accomplish.

Late in April, six of the young ladies of this department appeared in the "Annie Lee Lucas" contest. In May, Newell Freeman, the graduate, presented her Evening Recital. Also in the spring the junior members of the department appeared in a one-act play. The department supplemented by the Dramatic Club presented in December an evening of one-act plays: "Escape", "White Elephants", "His Japanese Wife", and "A Pair of Lunatics." Through the kind invitation from the Soldiers' Home and Erwin, a full evening play was staged for them. The annual play last year, "Mid-Summer Night's Dream", and many other performances give us an insight into the Department of Expression and its achievements.

Ossolian Literary Society

MOTTO—"Do or Die"

OSSOLIA, the oldest Literary Society on the hill, has proved an exception to the rule that "quantity and quality are not found together"; for she is not only large in numbers, but also aims high in quality.

During the school year 1930-31 Ossolia has shown even more enthusiasm in both work and play than ever before; even the "new" girls have quickly caught this spirit of loyalty and love for the society. Extra programs have been arranged and talent has been displayed on every hand. The Society as a group realizes that the talents of the members must be developed, that friendships should be formed, and that character must be built in youth. With this idea in mind, Ossolia has worked constantly to develop each member.

Philomathean Literary Society

IN order to have a well rounded college life, a student must not be denied the privilege of expressing her talents in organization, entertainment, and literary instruction of a generally cultural nature. The Philomathean Literary Society attempts to meet this need in making it possible for even the most reticent girl to take part in instructive and educational programs. Four times a year a new corps of officers leads the activities of the Society, giving many the opportunity to display their latent powers of leadership.

That this phase of school life is becoming recognized is shown by the fact that participation in a literary society is included in the steps in making a "letter" and being admitted into the Girls' "M" Club. The initiative of the student is being stressed more and more, and the ease and poise which we acquire at our meetings will help us to meet people and take part in community and social activities wherever we may desire to cast our lot.

Ministerial Association

THE Ministerial Association is composed of a group of young men who have definitely accepted the command to "Preach the Word." The above phrase is not merely a motto; it is a policy. All of the members of this Association are regularly engaged in the field of service in nearby churches. Actual experience is accepted as being the greatest of all instructors. Many of the members of this group have left at the expiration of their four years of service adequately prepared for a pleasant pastorate. The aim of the Association is to have a part in pointing young preachers toward a long and successful ministry. This aim has been richly realized in the past; it shall be realized in the future!

To augment the other advantages of this group, there is extended a Ministerial Scholarship by the college. This aid proves valuable to many young men who would otherwise be unable to prepare themselves for the work.

Each Monday evening finds the "Prayer Room" filled with the members of the Ministerial Association and Volunteer Band for a program of devotion and worship. These meetings are always beneficial and inspiring. This year has seen the attendance records of all previous years surpassed. Both organizations are facing forward toward the future with eager hope.

Volunteer Band

THE Volunteer Band is, for its members, the most beloved organization on the campus. As its name indicates, it is a group of Christian young women who have dedicated themselves to some form of definite service for the Master. Some are planning to go to the foreign field, others to engage in evangelistic work. Among its active workers in training and already in the field now are Misses Florine Cantrell, Myrtle Smith, Lucille Lumsden, June Humphries, and Mrs. Paul Slater.

Our Band has profited by the growth of the student body, and is proud to report that its enrollment for the year 1930-31 approximates fifty. The programs, which are arranged from week to week by various members, are built on some vital theme which is both helpful and inspiring.

In addition to these weekly meetings held in our prayer room in conjunction with the Ministerial Association, we have visited the churches at Limestone, Tenn., and Hampton, Tenn., where we have conducted in full the Sunday evening services. We anticipate trips to the churches at Elizabethton, Johnson City, Bristol, and Erwin before the close of the year.

The Band

MILLIGAN made another step forward with the organization of the Milligan Band. During the football season the band supplemented the pep and enthusiasm which enabled the boys to hit the line just a little harder. Later in the year the band met the need of music at the basketball games. If at any of the games the band has supplied the additional stimulus needed to bring out the best in a "Buffalo" player, we count our efforts successful.

The manner in which the student body and the Administration have supported the band has been notable. Both have been a source of encouragement and financial aid.

The success of the new organization is largely measured by the ability of the leader. In this case a great deal of credit is due Miss Thelma Fogleman, the student-director of the band. To her effort and experience may be attributed many of our accomplishments.

The improvement of Milligan's band, that will surely come with the future, is going to place this particular musical organization among the best of its kind.

Opus Music Club

THE Opus Music Club, formerly the Milligan Piano Club, was organized during the college year of 1929, with the aim to teach the music students of Milligan College a better appreciation of music, and with the greater aim to make Milligan the outstanding music center of East Tennessee. Milligan College hopes to be able to give a degree in music in the near future and is earnestly working toward that aim. There are eight music majors at Milligan, a remarkable number for a small college. The music department has almost trebled its number of students since last year. There are fifteen members of the Opus Music Club, not including the several special students in and around Milligan.

Boys' Forensic Council

IN order to place debating at Milligan on a higher plane, a competitive plan was adopted for Freshman and Varsity debaters this year. Sixteen men tried out for the team and out of this number, eight were chosen by a select group of the faculty to represent Milligan on the forensic platform this year. Such a plan is just a further step toward placing public speaking on the same high plane of selectivity that athletics have occupied, and it is hoped that time will aid in bringing about a better adjustment of interest, financial aid, and encouragement given to different extra-curricular activities. Another forward step was the procuring of a debate coach, Mr. Edwin Crouch, and the Forensic Council wishes to express to him and the administration their deep appreciation for all the help given this year.

Believing that the college youth of today gains much of his concept of life through by-products, the Forensic Council has arranged debates that are instructive in their character. Formerly it was the practice to expound on subjects of local interest, but now as we are living in a world of inter-dependence, we must look further than our local communities, towns, or states. A world view is needed, and we can see the tendency toward national and international questions of concern. And so we have tried to take this broader view in selecting the the subjects for debate.

The Freshman team went into the subject of a Federal Department of Education, a topic which is a live issue at the present time, touching nearly every home in America. Two questions of international character absorbed the interests of the Varsity Debaters. With the great changes that have taken place in the last decade in Russia, it is no wonder that the topic of Soviet Recognition should have been debated. The other team had the question of World Free Trade, a subect which has been brewing in the minds of economists for many years, and is now coming to a head in international circles.

The following resume of the season will help us to bear in mind the past season with its entertainment and instruction.

Girls' Forensic Council

FOR several years the Girls' Forensic Council has been one of the most active organizations at Milligan. Last year the Council carried out very successfully a rather large and representative debating program. Milligan was represented by three teams in that year. The Junior-Senior team, composed of Hazel Tallent, Lanta Strunk, June Humphries, and Bernice Cantrell, opened the season with a triangular debate between Milligan, Maryville, and Tusculum. In this debate a new plan was tried, each team debating on a neutral floor. This contest was followed by a dual debate between East Radford College and the Sophomore team of Milligan. The members of this team were Ruby Stone and Bernice Farmer on the Affirmative, and Bess Connell and Joy Gillenwater on the Negative. Later in the season the Freshman teams, composed of Grace Hilsenbeck, Dorothy Burgess, Margaret Loveless, and Frances Cartwright, proved to be very efficient by winning a double victory over Tennessee Wesleyan College. Then the Junior-Senior team closed the season in a debate with Carson-Newman.

This year the council attempted a more extensive program under the direction of its very efficient coach, Miss Graham Belcher. Although Milligan was represented by two teams this year, the number of debates exceeded that of last year. The members of one team were:

Affirmative

RUBY STONE
MABEL COYLE

Negative

JOY GILLENWATER
BESS CONNELL

The team debated the question:

"Resolved: That all nations should adopt a policy
of Free Trade."

The members of the other team were:

Affirmative

GRACE HILSENBECK
IRENE SHIRLEY

Negative

MARY EDYTHE KEYS
ESTHER KING

The team debated the question:

"Resolved: That the Jury System should be abolished
in the United States."

At the present time only one girl, Hazel Tallent, is wearing a diamond in her debating pin, an award granted for debating three years. However, this year two other girls, Ruby Stone and Joy Gillenwater, will receive this award.

ATHLETICS

1930 Football Season

THE "Stampeding Buffaloes" had a good season. They won half of their games, a record that any team might be proud of having. They battled against insurmountable odds and won games. They faced the toughest games with their best men out on account of injuries, but the team carried on. Victories were won from King and Concord, both of whom boasted of having the best teams they have had in years. Coach McMurray ended his second season at the helm of the Buffalo machine, and the athletic conditions at Milligan made another great step forward toward loyalty to school, true sportsmanship, and courage in the face of obstacles—the ultimate goals of all competitive athletics.

The Buffaloes were very lucky in having Captain Roy Irvin and Manager Joe Keefauver to lead and take care of them. Both performed their duties like gentlemen and earnest workers that they are. Under their guidance the Buffaloes won from Tennessee Wesleyan, Biltmore, King, and Concord, and were defeated by Maryville, T. P. I., Carson-Newman, and Lenoir-Rhyne. The game with the Pioneers of Tusculum, ending in a scoreless tie, brought the season to a close.

MILLIGAN 19—TENNESSEE WESLEYAN 7

The Buffaloes won their first game of the season. The superior fight and driving punch carried the boys to victory over the much larger team. "Country" Campbell

was the great Milligan threat in this battle. Brown and Brown, tackles de luxe, were in every play. The Orange and Black line never wavered, and the Wesleyan giant backfield never made any consistent gains during the game. The boys kept the Athens lads guessing every minute whether they would go around end, through the line, drop-kick, pass, or punt. They held when it was necessary, and the Wesleyan boys were helpless. It was a great victory for Milligan.

MILLIGAN 38—BILTMORE 0

The first home game of the season was played under the flood-lights of Anglin Field when Biltmore was trounced by a very decisive score. The Buffaloes scored at will over the boys from the "land of the sky", the pass, Edwards to Taylor, proving too much for the visitors. Morley was outstanding in his work at the out-post. Captain Irvin lead the interference in his usual brilliant fashion, and Baker hit the line for some great gains. Most of the touchdowns came by the air-line since this was the easiest route. The Buffaloes sustained injuries in this game which handicapped them the remainder of the season.

MILLIGAN 0—CARSON-NEWMAN 6

The Buffaloes journeyed down to Jefferson City and took a beating from the Carson-Newman "Fighting Eagles", the first time Milligan has lost to the Baptist school in four seasons. Injured in the Biltmore game, the Buffaloes could not get started in time. However they played a noble game

FOOTBALL

even though the Holt boys eked out a victory because of a lucky break. Such is football! Lollis, McCorkle, Stewart, Lane, and Solomon, our All-Conference center, played the best for the Orange and Black. The reserves came through in a great manner to uphold the standard for the Buffaloes.

MILLIGAN 0—LENOIR-RHYNE 12

The boys took a little jaunt over into North Carolina and were defeated by the Lenoir-Rhyne Bears by a margin of two touchdowns. Chet Brown and Steve Lacey were not able to even make the trip, due to injuries. The Buffaloes did not have the necessary punch at the right times, and were over-powered by the heavier team. Captain Irvin, Edwards, Milhorn, Lollis, and Bowman bore the brunt of the Bears' rushes in a formidable manner. Taylor did some fine passing, and time and again he rammed the line for sizeable gains.

MILLIGAN 13—CONCORD STATE 7

Doped to lose by three touchdowns, the Buffaloes mounted the insurmountable and rushed the Lions off their feet. It was Milligan's game from the start. The West Virginia giants were subdued by the forward rushes of the Orange and Black gridmen. Both touchdowns came by the air-line, Edwards to Taylor and vice-versa. Captain Irvin turned in his best game of the season, and Baker, Edwards, the Browns, Lacey, Bowman, Morley, and Solomon played like the veterans that they were. The Buffaloes simply were not to be denied. They were like a high powered machine with the fast charging line and the clicking back-

field, and passes completed for thirty-five yards were not out of the ordinary in this game. It was a victory by a great team.

MILLIGAN COLLEGE 3—KING 0

Again the vaulted King Tornado became only a gentle breeze before the mad stampede of the Buffaloes. The galaxy of imported stars and all their prowess could not subdue the Buffalo spirit. It was a game of thrills. Captain Irvin lead the interference in his usual fashion, and Milhorn set the world on fire with end runs. It was this same fleet back that intercepted a pass and ran some forty-five yards to set the ball in position for Edwards, the man with the educated toe, to drop-kick the ball through the bars for the only marker of the hard conflict. This happened in the last thirty seconds of play. Frank Brown, Solomon, Lollis, Morley, Gilley, and Stewart were towers of defense in the line, while Taylor and Baker plunged the line for much yardage. This game was just another mark of Milligan supremacy.

MILLIGAN 0—MARYVILLE 39

Just the same old story! Milligan journeyed down to Maryville and had its spirit broken before the game started. The odds were just too great. It proved only a hollow victory for Maryville. The Buffaloes fought till the final whistle ended the nightmare. The heavier Highlander team passed and ran for their six touchdowns only after they had worn out the Orange and Black squad. It was impossible for Milligan to win. None of the Buffaloes starred, yet

FOOTBALL

each deserves a special word of commendation for his true sportsmanship in this game. They knew they were beaten, yet they kept plunging and charging. The sooner forgotten, the better!

MILLIGAN 20—T. P. I. 25

In one of the most colorful games ever played on Anglin Field, the Buffaloes and the Fighting Eagles of Tennessee Tech played university style football. It was a game of surprises, thrills, and heartaches. By one lucky run of eighty yards the Techmen beat the Buffaloes, but if the game had lasted two more minutes it would have been another victory for the Orange and Black. Milligan played as inspired men. Everybody starred! The line from end to end was like a stone wall at times, and at other times like a battering ram. Passes were tossed and completed for large gains. Lane, Gilley, Brown Brothers, Lollis, Edwards, Bowman, Baker, Solomon, Morley, and Taylor were the special luminaries for Milligan. This was one of the best games the Buffaloes played during the whole season.

MILLIGAN 0—TUSCULUM 0

The Thanksgiving Game was played on the Pioneer Field at Tusculum. In a veritable snow storm the Buffaloes and the Pioneers battled, clawed, and froze to a scoreless tie. It was impossible for either team to score. The intense cold, the chilling gale, the frozen ground, all of these made play almost impossible. The true stamina of the players was shown when they played under such conditions. In spite of these

FOOTBALL—(continued)

handicaps, the boys exhibited some real football. Captain Irvin, halfback, Milhorn, halfback, Lacey, guard, McCorkle, halfback, Bowman, end, and ex-Captain Chet Brown, tackle, heard the final call of their Alma Mater and responded in a creditable manner. This game marked the passing of six football players, good sports, and true gentlemen. Brown and Bowman brought distinction to Milligan during their sojourn by making the All-Conference selection, Brown making it in his second and third years and Bowman in his third year.

In conclusion, allow the "Buffalo" to extend heartiest congratulations to Captain-Elect Lew Taylor, twice selected All-Conference fullback. Under his guidance next year the Buffaloes should win all their games. Also, the reserves come in for their share of the credit. Without them football would not be possible. A chain is just as strong as its weakest link. A football team is just as strong as its reserve material. They saved the day for Milligan many times. To the 1931 Edition of the Stamping Buffaloes, the "Buffalo" wishes every success possible.

1930-31 Boys' Basketball Season

With the return of Coach Eyler this year the season started off with a bang. Out of a squad of twenty-five or more it was hard to select a small squad of ten men. So in the first several games the fans were set back with astonishment when three complete teams trotted out on the floor and bombarded the baskets with their shots.

All three teams saw action in the first game of the season with Erwin "Y", and the "methods of Knute Rockne" worked well. In fact it was hard to tell which team was best, so we hung up a 54-25 score and let it go at that.

Two nights later the News Hounds from Johnson City made their appearance, and again Coach Eyler's teams, minus the services of Morley, came through with a great victory; and again it was a toss-up to see which men would remain on the squad. As will be remembered, we came out on the long end of a 42-16 score.

By the time the boys had gone home Christmas and filled up on fruit cake and turkey, it looked as though basketball would take second place. But three days later the boys put up a bold front against the Airdales from L. M. U. and the final score was 43 to 31 in favor of our Alma Mater.

The next night, January 10, Coach Bacon's team of Unionites came into town. Being Union men they did not care to work so hard on Saturday night, so the Buffaloes stampeded them to the tune of 43 to 29. This was the night when the so-called second team hit its stride and came through with most of the points. Morley was still a little shaky, but Roark and Randolph surely did hit the straps.

King came next with a bunch of Yankees, unknown in strength, but purported to be of great skill in the art of basketball. But lack of practice showed up on the boys from Bristol, and after a close game for the first seven minutes every Milligan man began to function, and there was another stampede from then on. As history now records it, the score was 47 to 15 in favor of the home team.

Then on the night after exams came the hair-raising battle with our Methodist friends from Emory, Va. As "one" sports writer said, it was nip and tuck all of the way. Things looked bad, and although Milligan was leading at several stages of the game, the excitement was too much for the Dean of Women, so she said. In a final spurt we managed to keep ahead and the score was 35 to 32. It was rumored about that exams would be abolished if they produced such games as this.

On Thursday morning, January 29, ten Buffalo players started on a three-day trip. The first game was with Union at Barbourville. Remembering the game last year when Union jumped ahead and froze the ball, the Milligan team got the jump right away and sank a couple of baskets before the Kentuckians could get their balance. From then on they kept out in front with their deadly long shots, and the Buffs carried away a game from Union for the fourth straight time, the score being 40 to 28.

L. M. U. was played on the next night, and what happened will be written in the glorious chronicle of the school at Harrogate. Never having defeated Milligan they were out for revenge. Concentrating their attack with Fulkerson and Johnson doing most of the shooting, the Airedales held the Buffs in check while they were rolling up the points, and Milligan lost its first game of the season, 43 to 36. The home crowd was so happy that it nearly shook down the gym, even giving yells for our team.

On Saturday night the Buffaloes opened up their heavy artillery on the Highlanders of Maryville, but the ball would roll around the rim of the basket and fall into the hands of an opponent. The Buffaloes kept on the heels of Maryville, however, and gave them a scare that won't be forgotten very soon. We lost, 31 to 26, but that means that we're getting closer to our goal, for the margin was more than twice that much last year.

On Monday night, February 2, a new team in the form of Lynchburg made its appearance in the Cheek Gymnasium. For three quarters the game was so close that no one would have wagered much on the outcome. The Virginia boys were hitting the hoops from the center of the floor, and it was not until the last seven minutes of play that the Buffaloes were able to pull away and bring their total to 50 while holding Lynchburg to 37.

Up to this time Milligan had not dropped a home collegiate game for four years, and the strain of forty-odd straight victories was getting to be too great. So it seemed to be up to Carson-Newman, with their best team in years, to squeeze out a one-point victory over our boys; but it was not without much trouble. With the lead shifting time and again the regular time ended with the score tied. In the overtime period the Buffs jumped into the lead by four points, and when the Eagles made a free throw with only two minutes to play, the Milligan boys began to freeze the ball; but they lost possession twice, and that meant four points against them, and the game ended, 39 to 38.

BASKETBALL

On Thursday, February 5, the Buffaloes jumped into a seven-point lead over T. P. I. before the boys from West Tennessee shot a point. Then things began happening, and the Engineers took a nine-point lead at the half. In the second spasm the Milligan team jumped back into the lead after crawling up on T. P. I. and held it until a couple of minutes before the end of the game. Three long shots put the game on ice for the visitors, and we were again on the short end of the score, 44 to 41.

On the following Monday the Buffs journeyed to King, and it was hard to tell whether it was a basketball game or a football game that the boys played. Head-gears would have been in order, but not to be outdone the boys from Milligan chalked up a 35 to 24 victory. Morley and Roark were the big shots with their deadly aim.

On Thursday morning, February 12, the team left for an invasion of Middle Tennessee. At Cookeville there was just too much T. P. I. and the squad from Milligan lost, 44 to 24.

The next night at M. T. S. T. C. the boys woke up. The second team started and jumped into a nine-point lead which was slowly cut down. The first team entered the fray and things just rocked along on even terms until the last few minutes of the game. Then Randolph and Roark, playing forwards, and Taylor at center began to click on their plays and Milligan pulled away for a 34 to 29 victory.

Monday night, February 16, we had a crack at a team in the Southern Conference, and it is an acknowledged fact that the University of Tennessee knows that it had a game. Coach Eyler started his entire second team which jumped into a 3 to 2 lead. Then the boys from Knoxville bore down from the middle of the floor and counted most of their points on long flips. The Buffalo first team came in but still the Volunteers stayed out in front at the half. In the second period Milligan came back strong and the game went along with never more than four points difference between the teams. In this half Milligan outplayed Tennessee, but it was not quite enough, and U. T. held its lead by freezing the ball the last three minutes and the game ended with Milligan right on Tennessee's heels, 36 to 33. It would be hard to pick any heroes. The game was not fast but it was deliberate, each team waiting for an opening. It was really a victory for Milligan as she showed Southern Conference class on a foreign floor. If the game had been at Milligan where the students could have cheered the team on, the Knoxville papers would have carried a different story the next morning.

On Saturday, February 21, the Buffaloes invaded Emory and Henry and for the fourth time in the same number of encounters the Milligan squad sent Emory's warriors to the shower-room in defeat. Emory led for most of the game, but in the last fifteen minutes the

BASKETBALL

Bufs "got hot" and passed up the Virginia boys to win 38 to 26. Roark counted twelve points and Taylor hit the straps consistently for the much needed counters to offset the one-handed shots of Cather and Mackey. By comparative scores we are now 17 points better than V. P. I., a strong Southern Conference contender.

Next came Tusculum on their home court on Monday and it was just a case of too much Milligan. Connecting with only two long shots the Buffs worked the ball around, every man handling it, and then some one would break under for a basket. Time and again they would work the hidden ball play and not even Taylor would know where it was many times. Anyway he did some mighty good work under the basket. Morley and Roark just burned the nets. Culvahouse played a good game until he got too rough and had to leave. Hale, Lacey, Campbell, and Keefauver held the Tusculum team well in check, and Woods, although not a high scorer, was an important cog in a Milligan machine of real teamwork. The score? 69 to 35!

On the following Thursday there was another track meet at the Check Gymnasium as the Buffaloes quadrupled the score on the Pioneers of Tusculum. Taylor and Randolph were bear-cats under the basket, while Woods, Culvahouse, and Morley sank them at will. As someone in the stands shouted, "Give it to Jeff!" that luminary took the ball under his own basket and dribbled through the entire Tusculum outfit for a field goal. Captain Lacey, Keefauver, and Hale, playing for the last time on the Milligan floor resulted in some splendid work. The score was 62 to 15.

Monday, March 2, the Buffaloes got another crack at Carson-Newman, this time on the Eagles' floor. Both teams, playing real basketball, fought all the way, the score being tied seven times. Randolph was so "hot" he could kick them in the basket. Taylor, Morley, and Roark accounted for most of the other points, but Keefauver, Campbell, Lacey, and Hale were right there on the defense and held the Baptist aces well. The Buffs just took the Eagles off their high perch and came back with a 51 to 47 score, a fitting revenge for an earlier defeat. Thus the regular season ended.

The Smoky Mountain Conference Tournament came next on March 5, 6, and 7 at Kingsport. The first night the Buffaloes turned the King Tornado into just an ordinary wind and the score was 44 to 25. Milligan jumped into a lead which King threatened at the half, the score being 17 to 14 with King trailing. In the second period the Buffs began to function and ran up such a lead that they just coasted along the last ten minutes. Roark and Morley were the big offensive shots of the game, while Lacey's guarding of Townley was little short of phenomenal. However these boys could not carry on alone and they were aided by Taylor, Campbell, Hale, Keefauver, Randolph, and Woods. The game was a little ragged, but it was not necessary to "put out" to win.

On Friday night, March 6, in the semi-finals of the tournament the Buffaloes met L. M. U. which had drawn a bye in the first round of the tournament. The boys from Milligan jumped into the lead and kept six or eight points ahead until the second half when we began pulling away for a longer lead. Toward the end of the game Coach Eyler used his subs and L. M. U. tried to rally, but the spurt fell short and Milligan won out, 40 to 33. Jeff Roark and Taylor were the big shots on the offense while Captain Lacey was just unbeatable as a guard. For two nights now the total points registered by the men he guarded added up to a measly "one." These men, Johnson and Townley, are usually the high-point men, and that made it all the more remarkable. Campbell, Morley, and Hale were real cogs in the machine-like Milligan team, and Randolph, Keefauver, and Woods held up well for the short time they were in the game.

The last game of the Tournament was with Carson-Newman which had defeated Maryville and East Tennessee Teachers to enter the finals. Milligan took the lead at the start of the game, and although we were never overtaken, Carson-Newman crawled up within one point of us several times. At the half the Buffs had the edge, 18 to 13, and in one of the most exciting games ever seen we drew away slowly for a 34 to 24 victory, thereby winning the Conference Championship for the second straight time. Taylor displayed some beautiful floorwork, while Morley, Randolph, and Roark carried the burden of dropping the ball into the basket. Milligan played an extremely tight defensive game, and Lacey, Keefauver, and Hale held their men admirably. Lacey by his air-tight guarding, Roark by his deadly aim, and Taylor by his consistent work as pivot man were placed on the All-Conference team, Bailey of Teachers College and Smith of Carson-Newman occupying the other two positions on that mythical five. Such a fitting climax was an appropriate setting for Lacey, Hale, and Keefauver to play their last game for Milligan, and for the Buffaloes to again lead the Smoky Mountain Conference.

1930-31 Girls' Basketball Season

From the standpoint of games won and lost the Buffalettes had only a fairly successful season. But from the standpoint of loyalty to school and team, and the never-say-die spirit, the Buffalettes had a most successful season. They defeated Carson-Newman for the second consecutive year and gained hard-earned victories over the sextettes from Emory and Henry and T. P. I. The Buffalettes were handicapped from the very beginning by the lack of material. Many of last year's championship machine did not return, thus crippling the hopes of the team. But due to the tutelage of Coach Hart, a team that was above the average was placed on the floor. Captain Irene Pace and Manager Hazel Nichols deserve much praise and credit for the part they took in the cause of the Buffalettes. They worked for the success of the team all the time. Everybody, from the reserves to the starting sextette, played with the best they had at all times.

MILLIGAN 28—APPALACHIAN TEACHERS 37

The Buffalettes opened their collegiate season by losing a hard-fought game to the superior team from Boone. The more experienced girls from North Carolina were lucky to win from the inexperienced Buffalettes. Cossaboom, Dyer, and McFall were the shining lights for Milligan in this game. Captain Pace played her usual efficient game at guard. It was only in the last quarter that the visitors were able to get enough of a lead on the Buffalettes to win the game.

MILLIGAN 10—L. M. U. 36

The Buffalettes received a drubbing from the Lincoln Memorial team, the State Champions. This excellent team never allowed the

BASKETBALL

wearers of the Orange and Black to get started. Milligan does not alibi. L. M. U. was just a bit too good for them on this particular night. The Milligan guards played a good game. The Buffalettes can be complimented on the fact that they did not quit when the score was piled up against them. The true Milligan spirit came to the front and the Buffalettes went into the game with renewed vigor. It was an accomplishment to score ten points on L. M. U. the way they were playing that night.

MILLIGAN 30—EMORY AND HENRY 26

The Buffalettes hit their stride and led the Emory girls all the way. It was Milligan's game from the very start. Hyder, Dyer, Booth, and Cross were the best for Milligan in this battle. The game was close throughout and it was only through the excellent team-work that the Buffalettes were able to gain the victory.

MILLIGAN 32—CARSON-NEWMAN 14

Again excellent team-work beat the Eaglettes from Carson-Newman. For the second consecutive year the Buffalettes defeated the girls from Jefferson City. This was the best game that Milligan played during the whole season. Justis, Cossaboom, Donnelly and Captain Pace were the leading lights for Milligan. The Buffalettes were simply unbeatable in this important game and it was a great victory for Milligan.

MILLIGAN 22—EMORY AND HENRY 25

The Emory and Henry sextette came to Milligan to avenge the defeat handed them by the Buffalettes a week before and accomplished its purpose by a narrow margin of three points. Every Buffalette played like a veteran and the game was hard fought all the way. There was never more than four points difference between the teams at any time during the game. Cossa-

BASKETBALL

boom, Melton, and McFall played best for the Orange and Black.

MILLIGAN 21—MIDDLE TENN. TEACHERS 39

The Buffalettes were overwhelmed by the fast Teachers sextette. They battled all the way but to no avail. The fast, tricky forwards of the opponents were just too much for the Hart proteges. Dyer and Donnelly were the leading scorers for Milligan, while Cross and Captain Pace bore the brunt of the attack of the Teachers' forwards.

MILLIGAN 27—TENNESSEE TECH 13

Coach Hart's proteges avenged the defeat handed them at Cookeville by routing the Tech lassies at Milligan by a doubled score. The opponents seemed dazed by the floor-work of the Buffalettes, the half ending with Milligan in the lead, 16 to 4. The visitors tried a rally in the last quarter only to have the Buffalette guards nip it in the bud before it grew to any size. Everybody starred for Milligan, Melton, Shields, Dyer, McFall, and Cross were the outstanding ones. It was a great victory!

MILLIGAN 22—L. M. U. 41

The Buffalettes were overwhelmed the second time by the Championship sextette from Cumberland Gap. They just could not get started against this superior team. L. M. U. tripled the score on them during the first half, but the Buffalettes came back in the last half to battle them to a standstill. The L. M. U. forwards, Parsons and Parsons, were too fast for the Milligan guards, and our forwards were powerless with the L. M. U. guards on them. The Buffalettes never lost heart but kept fighting to the very end.

MILLIGAN 20—MIDDLE TENNESSEE TEACHERS 34

The Buffalettes lost their last home game in the last three minutes of play in one of the most heart-rending games ever played on the Milligan floor. The score was tied up to the last three minutes, but the Teachers' forwards made a few miracle shots to forge ahead and win the game. Captain Pace, Booth, Loveless, Dyer, and Justis were the luminaries for Milligan. The Buffalettes gave the best they had.

MILLIGAN 25—APPALACHIAN TEACHERS 44

The Buffalettes ended their season by losing to the fast, superior team from Appalachian Teachers. The Buffalettes could not get going against this team. Most of the Milligan players went out via the foul route and the Boone girls piled up the score. Captain Pace ended her college career by some real playing. She was one of the best guards that has ever played on the Milligan floor, never a star, but ever consistent. This quality makes best players in every instance. She is the only player lost through graduation this year, a great loss, yet a proud one.

RED BAND wins "SAVE" tests, too—
We're proud of the way **RED BAND** has been winning tests, week after week, throughout the South. And we're just as proud of **RED BAND'S** saving ways as of its winning ways.

RED BAND may cost a few pennies more. Yet in a thrift year, when extravagance just can't be tolerated, more **Red Band Flour** has been used than ever before! Remarkable! Not at all. If your recipe calls for a half cup of shortening use a quarter cup with **RED BAND**. You don't waste time and batter making tasters—it's already "kitchen-tested" and success-insured. No left-overs ever. Everything you bake with **RED BAND** tastes better. It's more wholesome and more digestible, too!
