The 1941 Buffalo

PUBLISHED ANNUALLY BY THE STUDENTS OF
MILLIGAN COLLEGE, MILLIGAN COLLEGE, TENN.

ANNUAL STAFF

HENRY KEGLEY—Business Manager

BRYAN STONE—Editor

The Class of '41...

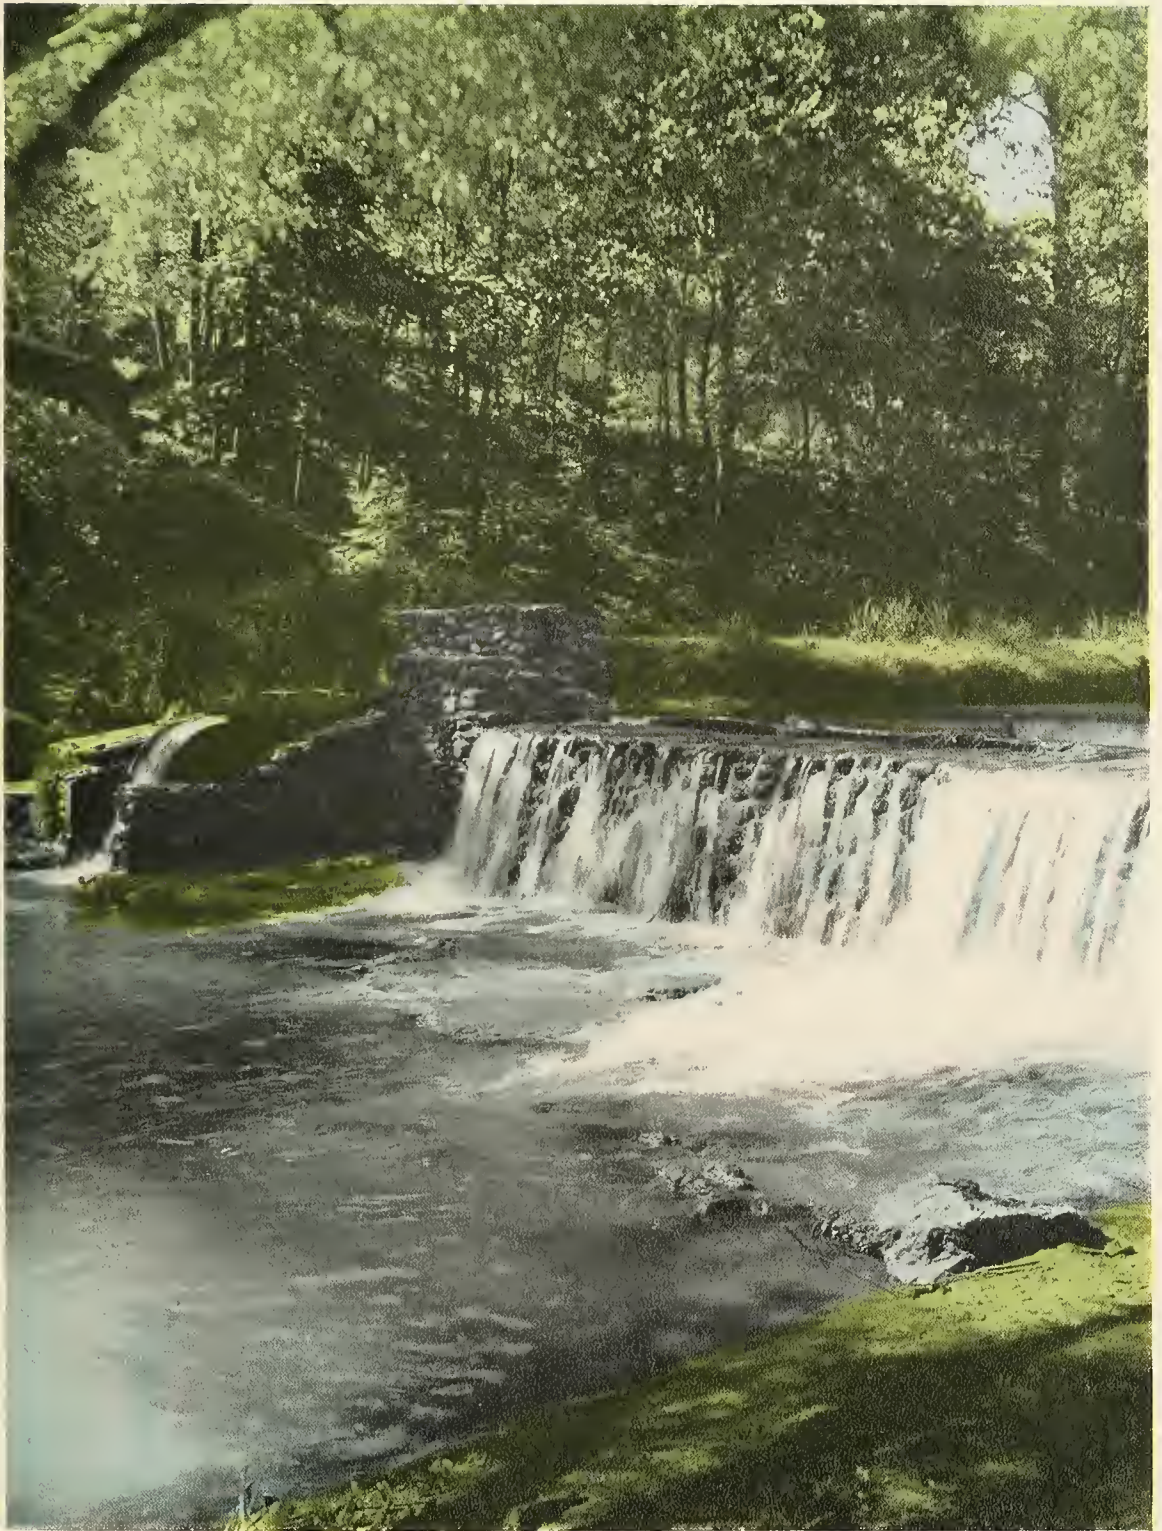

sincerely hopes that you may enjoy many happy hours with your Buffalo.

We have endeavored to present a publication which reflects the ideals and aspirations of Milligan, and those who make it possible.

The surging waters splashing over the dam, give
a tranquil melody to countless couples who find a
haven in this natural retreat.

Pardee Hall, where ambition, hope, and faith in
the future, reside in the hearts of youthful manhood.

The Administration Building, where learning is held in esteem, and new concepts of life are inculcated into the mind and heart.

Hardin Hall, where echoes the blissful chant of
girlish glee, and where youthful swains daily tread
at 6:45 these sequestered halls.

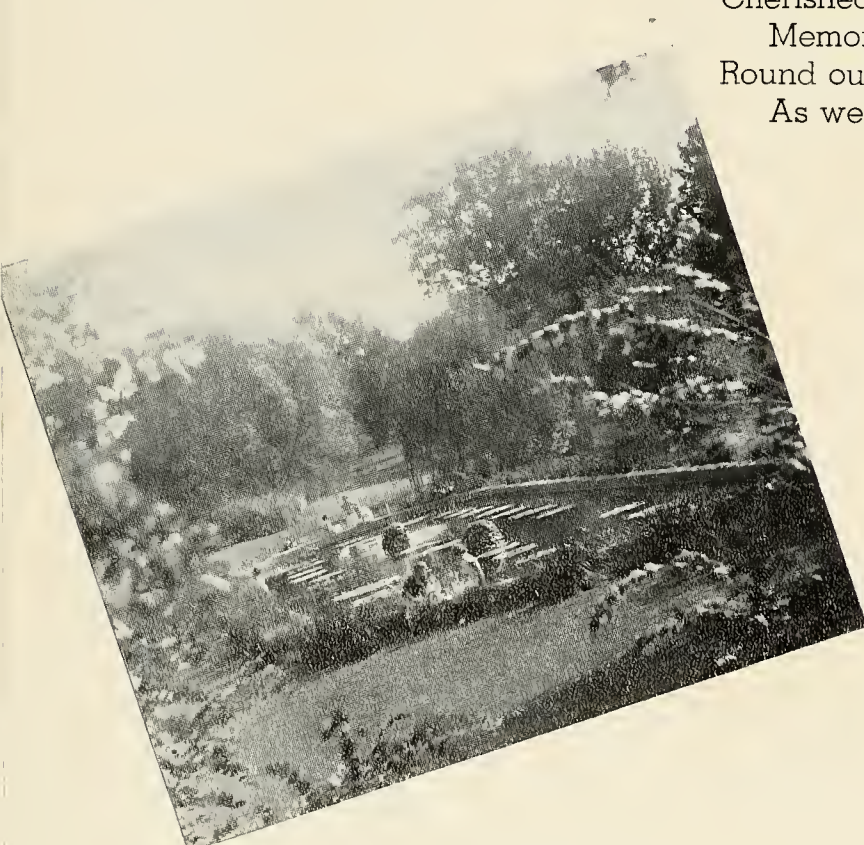

ALMA MATER

In Tennessee's fair eastern mountains
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword,
Conquer and prevail;
Hail to thee! Our Alma Mater,
Milligan, all hail!

Cherished by her sons and daughters
Memories sweet shall throng
Round our hearts, O Alma Mater,
As we sing this song.

Forward ever be our watchword,
Conquer and prevail;
Hail to thee! Our Alma Mater,
Milligan, all hail!

DEDICATION

As a token of highest esteem, we, the Class of '41 affectionately dedicate this volume of the BUFFALO to

WILLIAM FRANKLIN WAGNER

—who through his courage, determination, and high standards of manhood has given much to Milligan College.

INFORMAL MOMENTS

AT MILLIGAN

MR. and MRS. HENRY J. DERTHICK

President Emeritis and Mrs. H. J. Derthick, for whom the Milligan family holds the highest esteem. The qualities which they have instilled within us will be perpetuated throughout the generation.

CHARLES E. BURNS

Acting President

A. B., A. M.

Milligan College counts herself extremely fortunate in securing Charles E. Burns as president. For several years Mr. Burns has served Milligan College in the capacity of teacher and pastor. In addition to his experience at Milligan, Mr. Burns served on the staff of Bob Jones College.

He is a man of stern Christian character, unswerving loyalty to any cause which he sincerely believes to be in accord with Christian principles. He is a man of courage, vision, and his contribution to the education and religious fields are positive proof of his leadership, executive and administrative ability.

Mr. Burns received his A. B. degree from Hiram College, and M. A. from University of Chicago.

This year has been one of unparalleled success for Milligan College, and both administration and student body are confident of greater achievement under this new leader, Mr. Charles E. Burns, whose very life embodies the principles upon which Milligan College is founded.

THE STAMPEDE

"The Stampede", a semi-monthly publication, edited and printed by the students of Milligan College, entered its sixth year under the capable leadership of Miss Reable Griffith, whose hard work and ability has given Milligan its best publication in its history.

"The Stampede" attempts at all times to foster the aims and ideals of Milligan and the student body, and to present the activities of the college as well as furnish much entertainment through the column entitled "Buffalo He(ard)," in which all the "scandal" is aired.

We are proud of the work that has been done this year and predict even greater activity by Milligan "journalists" in the future.

THE MILLIGAN COLLEGE PRESS

The Milligan College Press was made possible through the generosity of Mr. E. W. Palmer of Kingsport, and is under the direction of Mr. Archie Grey.

In addition to serving the college in printing and book-binding, it affords the students an opportunity for valuable vocational training.

The college is justly proud of the Press and the splendid work which it is doing.

ALPHI PSI OMEGA

This organization, Milligan's only national honorary fraternity, has grown from a very small beginning to its present dynamic and ever increasing state.

Under the direction of Miss Childs, faculty director, much work has been done. The members are obtaining valuable training in play directing and costume designing. In addition several major productions have been staged.

For this group, we predict even greater achievement in the future.

OFFICERS

JEAN MITCHELL President
VINCE TATE Vice-President
WALTER DORRICOTT Secretary-Treasurer

THE MILLIGAN COLLEGE PLAYERS

The Milligan College players is an organization whose aim is to create interest in dramatics. This organization serves as the training corps for those who later will star in the productions of the Alpha Psi Omega. Here those who aspire to become accomplished actors on the campus are given every encouragement, and when sufficient progress has been made the student is given membership in the national fraternity, Alpha Psi Omega.

The Milligan College Players is an important organization on the campus, and much credit should go to Miss Floyd Childs, faculty adviser, who has worked diligently to bring this group to its present state.

THE M CLUB

The boys' M Club of Milligan College is composed of young men who have won the Milligan monogram for athletic ability in one or more sports. These letters are given to those participating in football, basket-ball, baseball, track or tennis. The cheer leaders and team managers are also given letters.

The primary purpose of this organization is to perpetuate the ideals upon which all Milligan athletics are based, namely, good sportsmanship, both on the field of activity and upon the battle field of life; the promotion of individual friendships, and the the whole-hearted support of all worthy causes that may come to the attention of the members.

An outstanding event on the Milligan social calendar is the annual Spring banquet sponsored by the M Club.

This outstanding organization is one that all Milligan is justly proud of, and the progressive attitude shown by all members is a manifestation of its worth to Milligan College.

FORUM CLUB

The Forum Club is an organization entirely new to Milligan, and was brought into being through the efforts of one of our new faculty members, Professor J. Fred Holly, who is one of our own, having graduated from Milligan in the class of '37.

This discussion group was organized for those who are interested in any phase of Social Science, and for those who desire some medium of expression on current events and economic trends.

At each meeting an attempt is made to furnish something of special interest to the group. One meeting each month is given to student discussion, the other, an outstanding professional man discusses problems related to his particular field.

The work done by this dynamic organization this year deserves much credit, and to Professor Holly, the student body and administration are very grateful for his splendid work and cooperation which have made this work a success. We believe with one year of valuable experience, the club will achieve greater accomplishment next year.

HENRY KEGLEY ----- President
WILLIAM NORTON ----- Vice-President

THE VOLUNTEER BAND

The Volunteer Band is composed of students who are interested in Christian service. Each Monday evening a meeting is held in the Prayer Room, which furnishes opportunity for a quiet devotion.

The purpose of the Volunteer Band is to raise the spiritual outlook of the students and to give a deeper fellowship in Christ. Probably the idea is best expressed in the prayer which is sung at the end of each meeting.

"Come into my heart,
 Come into my heart,
 Come into my heart,
 Lord Jesus;
 Come in today, come
 In to stay,
 Come into my heart
 Lord Jesus".

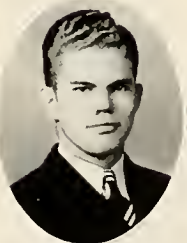

"Shine out of my heart,
 Shine out of my heart,
 Shine out of my heart,
 Lord Jesus.
 Shine out today, shine
 Out always,
 Shine out of my heart,
 Lord Jesus".

PRE-MEDICAL CLUB

The Pre-Medical Club is composed of students who plan to study medicine in the future, or who have an interest in the field of medicine.

Many outstanding men give inspirational lectures to the young men and lead group discussions on matters related to medicine.

Fraternally, the Pre-Medical Club acts as a force which binds those of similar interest in their search for truth, enabling them to keep in sight that coveted gleam that leads them on.

Each Spring this club has as its major social feature a banquet, at which the future "Medicoes" exchange their professional air of seriousness to one of frivolity.

HOME ECONOMICS CLUB

The Home Economics Club of Milligan College is comprised of girls enrolled in any of the home economics classes.

This group gives various programs which are in accordance with the ideals and principles of the club. Practical home economics in every day life is the primary aim of the group. Talks, demonstrations, special activities, and addresses by outstanding speakers are presented at the meetings.

The Home Economics Club affords students an opportunity to develop a spirit of service and cooperation, to gain a closer contact with the greater organizations and activities of home economics in the state and nation and to keep in closer touch with current discoveries in the field of homemaking.

GLEE CLUB

The Glee Club is one of the largest organizations on the campus having a membership of about fifty boys and girls. Membership is open to all those who like to sing, who can do so reasonably well, and to those who have an interest in music.

The activities of this group are varied, in addition to acting as the church choir, they render special numbers for the church services, participate in the annual May festival, present a Spring concert, and give general recitals.

Perhaps their most outstanding performance of the year was the annual Christmas program, which consisted of the more familiar arias and choruses of the "Messiah".

FOOTBALL SEASON

**CO-CAPTAIN EASTERLING
COACH LACY
CO-CAPTAIN RIGGS**

1940 BUFFALOES WIN SMOKY MOUNTAIN CONFERENCE CHAMPIONSHIP

Coach Steve Lacy began by underestimating the strength of his men this fall. He said, "The team will not be as strong as it was last year, but it will give a good account of itself in every game."

Was Lacy just being modest or fearful? Well, at any rate, we believe him to be a man of action rather than words because he finished with the Smoky Mountain Championship and an unbeaten and untied team.

The Buffaloes began this most successful season by swamping the powerful Austin Peay eleven 12-0.

The first Smoky Mountain game was tucked away at the expense of Cumberland University, who fell under the stampeding march of the Buffaloes 13-0.

Austin Peay	0	Milligan	12
Cumberland University	0	Milligan	13
Teachers College	0	Milligan	6
Maryville	6	Milligan	20
Carson-Newman	0	Milligan	19
Emory and Henry	0	Milligan	34
Tusculum	0	Milligan	20
King College	6	Milligan	13
Bluefield College	21	Milligan	42

"SCOOP" MONAHAN
Publicity Manager

The most exciting game of the season came when Milligan defeated Teachers College on their own field 6-0. Milligan was enabled to win by taking advantage of the only break of the game, a fumble which Blessing recovered.

With three games in the win column, Milligan met and defeated the Maryville "Scotties" 20-6, at Roosevelt Stadium. This was also the "Home Coming" game.

Next the victory mad Buffaloes roared to a 19-0 victory over the Carson-Newman Eagles, which gave them the undisputed Smoky crown.

In a non-Conference game the Milligan warriors extracted the stinger from the Emory and Henry Wasps to the tune of 34-0. This game was in honor of the Milligan "Dads", who proudly, watched their sons march to victory.

Half swimming and half running, the Buffaloes overcame the stubborn Tusculum "Pioneers" 20-0 in a sea of mud.

The last home game of the season was with King on whom heavy odds were laid, however, the Buffaloes emerged the victors in true champion style 13-6.

The crowning year in Milligan football annals was completed with a spectacular win over Bluefield 42-21.

Four Milligan men made the all-conference team, Dagata, Spraker, Riggs, and Shwalter. The latter two also made the "Little All-American."

BASKET-BALL

Coach Eyler began the season with a limited number of experienced men, but "Doc" served quick notice on the basket-ball world that the "Buffaloes" would be in the thick of the skirmish for top honors in the Smoky loop. Perhaps it was a belief in himself and the boys that prompted such predictions. In true fashion the Eylermen ended the season in number two spot, however, it is a characteristic of Milligan teams to be in the top position in basket-ball.

Coach Eyler built his team around two veterans, "Bud Bud" Akard and "Jock" Hays, co-captains, whose example of sportsmanship, and fighting heart kept the team working as a unit, striving for one thing, to win ball games. No team in Milligan history has shown a greater will to win, or a greater spirit of co-operation.

With the promotion of Pierce from the freshman squad to the varsity gave Milligan a man who did much to keep Milligan in the top ranks. We predict that Pierce will make Milligan an outstanding man in the future.

The above, supported by McDowell and Cross enabled the Buffaloes to end what seemed in the beginning to be a hopeless season, into one of victory.

Much credit for the success of the Buffaloes should go to Coach Eyler, who ranks among the nations number one coaches and basket-ball authorities, serving at the present time as president of the National Rules Committee.

VARSITY BASKET-BALL

Coach Eyler began the season with what seemed to be the weakest team in years, but in true Eyler fashion "Doc" served notice on the sports world that the "Buffaloes" would be in the thick of the fight for the Smoky crown.

Building his team around that versatile "Jock" Hays and "Bud Bud" Akard the boys gave a good account of themselves and when the smoke of battle had cleared away the Buffaloes held number two spot.

FRESHMAN BASKET-BALL

Green they come, full of hope, eager to crash that hurdle into the varsity lineup, but few they be who enter that narrow gate during the freshman year.

This year Milligan inherited from some of the best High Schools in the South an outstanding freshman squad, who showed to the basket-ball world they will be heard from later.

TENNIS

Tennis, under the leadership of "Doc" Thompson has come to be a major sport at Milligan College.

The team this year was built around captain Hyder number one man on the squad and ably supported by the return of Mathes Painter, Qualls, and Greer.

As usual "Doc's" boys gave a good account of themselves, winning by far the larger majority of their games, and showing other opponents that Milligan has a truly great team.

GIRLS' INTRAMURAL GROUP

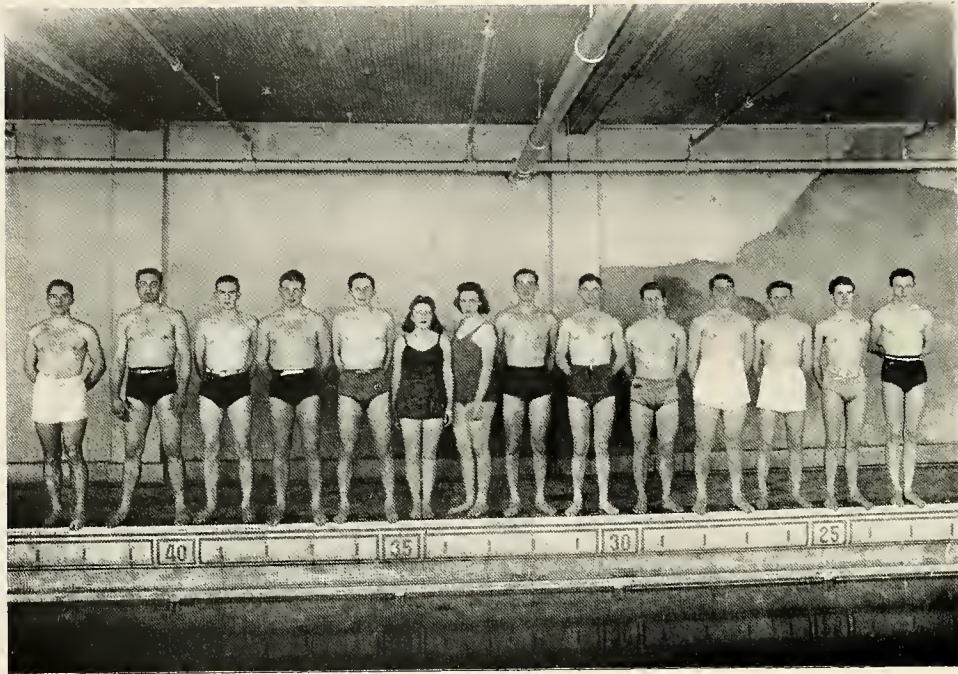

The Girls' Intramural Group of Milligan College is sponsored for those girls who have an interest in athletics, and at the same time fulfills the requirements for physical education.

"M" CLUB

Due to the spirit in which the girls enter these activities, a spirit of wholesome competition is developed which takes the place of inter-collegiate competition. Any girl who wins a certain number of points during one season is awarded the M, which corresponds to the letter awarded the boys for participation in major sports.

LIFE SAVING

Life Saving at Milligan College is a feature that we are all proud of, because Milligan is one of the few small schools to have each year an instructor from National Red Cross conduct a course.

It is chiefly through the efforts of Dr. Eyler that we are able to maintain this annual instruction and all are grateful for his interest, and especially those who find summer employment as a result of Red Cross instruction.
