**“... but the life he lives he lives to God.”** Romans 6:10

Every Youth has a quest to make,  
    For life is the King's Highway,  
And a joyous heart is the script we take,  
    On the road of Everyday.

Every Youth has his gifts to guard,  
    As he fares to a far-off goal;  
A body pure, and a mind unmarred,  
    And the light of a lovely soul.

Every youth has a task of his own,  
    For the Father has willed it so.  
Youth seeks the way, and He alone,  
    Can show him the path to go.

Every youth has a lovely Guide,  
    From the vale to the mountain crest,  
For the Unseen Friend who walks beside,  
    Is the Way and the End of the Quest.

Mary S. Edgar

## President's Message

Dedication of the P. H. Welshimer Memorial Library will unquestionably stand out as the most significant event of this year.

I am sure we all recognize our debt to the T. W. Phillips, Jr., Charitable Trust and to the Phillips family of Butler, Pennsylvania, along with the initial gift from the Kresge Foundation. These people who are interested in Christian higher education have done a service to many generations of students at Milligan College.

I am pleased with the response of the students to this stimulus to study. The entire faculty is impressed with the fine manner in which the students have utilized the library both in studying in the building and in the care they have taken of the beautiful appointments found therein.

It is a fitting memorial to a great man who was so pleased when he could stimulate young people to study for Christian service, whether in the ministry or in some other vocation.

The library will do its most significant service as it affords the means of enlarging and sharpening the mental and spiritual perceptions of Milligan people.

Let us use it faithfully and remember with prayerful thanks those who have made it available to us.

# BASKETBALL

## The 1962 Buffs

This year's edition of the Basketball Team was plagued with injury and misfortune so that the final season record was rather lean. Terry Black, a graduating senior, was a bright light and consistent scorer. He gave the Buffs four

years of fine ball playing and he should be congratulated on his fine sportsmanship. Gaining from their experience, Coach Walker should have a handful of fine players next year.

**Pictured below, Back row:** Coach Walker, Larry Sizemore, Dwight Barker, Steve Hayes, Terry Black, Wayne Herndan, Dana Young, Bob Karnes, Dave Fulks, Jerry Frasure, Ray Shepard, Coach

# CHEERLEADERS

Captain Pat Combs

Bob Dawson, Pat Combs, Nancy Conrad, Bonnie Allee, Diane Hubbard.

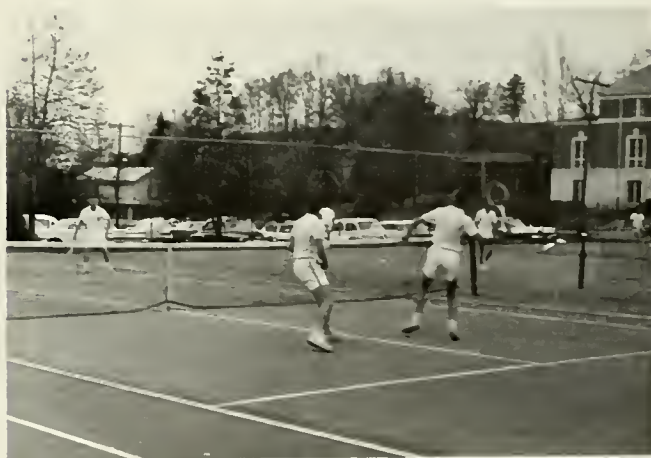

**Kneeling:** Jim Marshall, Don McConkey, Homer Neal. **Standing:** Randall Ervin, Dave Williams, John Wiggins, Lowell Williams, Coach Thompson.

## TENNIS

This year's tennis team will have a long way to go in order to beat last year's 12-2 record, but there is good reason for high hope for a championship team in this spring sport. Back from last year's conference champs are Homer Neal, Dove Williams, and Don McConkey, who compose a strong nucleus for another winner. Looking strongly improved from last year are Randall Ervin and Larry Johnson. Rounding out the top six is Bill Morison, a freshman with a good deal of experience on the courts already.

The pressure will be on this year at all times from the "B" team, which is always striving to break into the upper set. So we predict another great year for the Rocket Squad, which will try to surpass the record inherited from last year's team.

**Front row:** Jim Shields, David Herndon, Don Alexander, Ed Pierpont, Jim Dioi, Lorry Potterson. **Second row:** Steve Hill, Neil Conner, Don Lee, Robert "Andy" Lowe, Gory Nicholson, Jerry Frosure, Jim Frosure, Bill Smith. **Third**

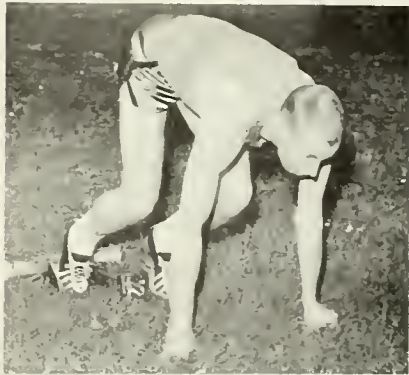

**row:** Lee Trout, Mgr., Bill Bianchi, David Sponseller, Earl Hobson, Jack Gelzleichter, Lorry Potterson, Sidney Johnson, Dick Howe, Cooch Duord Walker.

## TRACK

The 1962 Track Team will be especially strong this year for many reasons. One of the big factors in the hopes of increased success over previous team records is the addition of Cross-Country to the Milligan athletic program. The results of this first year's fall sport led Coach Walker to believe that Milligan will be especially strong in the distance races with some good depth for a change. The only place the Buff thin-

clads will be weak in numbers is in a couple of the field events. Most of last year's speedsters will be back again and there are always several promising freshmen to add to the bright outlook; this will also be a veteran year for many of last year's stars. Track, as well as the other spring sports, should have one of its prime years.

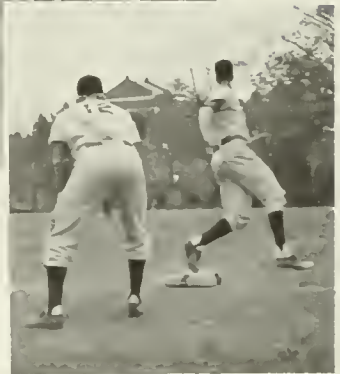

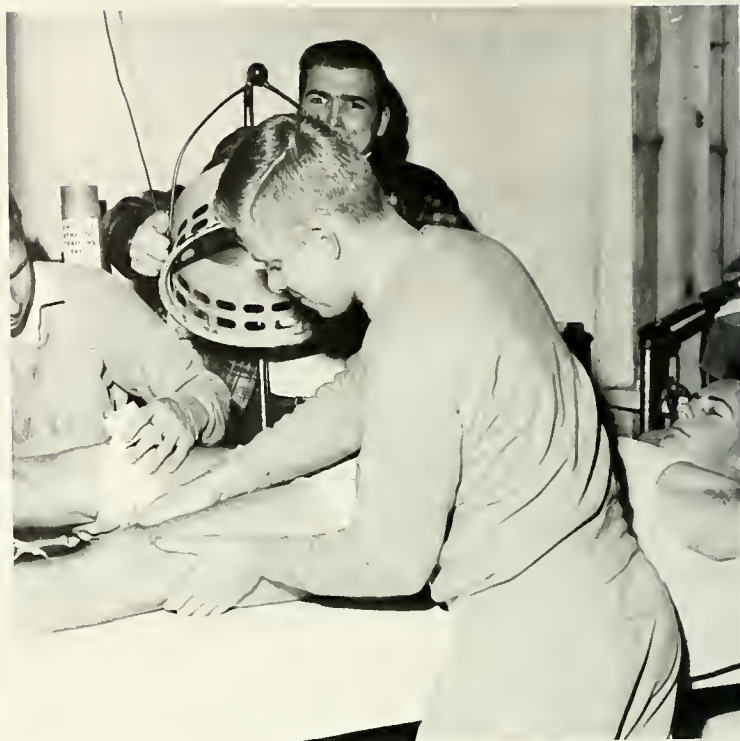

## BASEBALL

This year's edition of the Milligan College baseball team should be the best in many a year. With only a handful of non-returnees of last year's team, which won more games than the combined wins of the previous four years, the hopes are high for a solid pennant contender. Some fine freshmen and transfer students also brighten the picture for Coach Stout and his Buffs.

Pitching, as well as power, appears to be strong this year. Confidence will be high because of the apparent great depth, which encourages healthy, fierce competition among the players on the Buff squad. If all the possible prospects are on the team for the entire season, barring injury, and they get a few breaks, the 1962 baseball team should be "loaded."

**First row:** Sanford Dutton, Randy Wright, Russell Stevens. **Second row:** Wiley Butterworth, Bobby Warren, Richard Forrester, Bobby Hines. **Third row:** Buddy Sokol, Mgr.; Gary Aldridge, Capt.; Fran Yark, John Pickford, Phil Webster, Paul Hall, Coach Stout. **Not pictured:** Ken Bell, Charlie Golding, Robert Green, Dan McClain.

## WRESTLING

The campus ping-pong players get a little practice during the dreary winter weather.

The girls show off their spring form in a healthy game of softball.

Basketball, volleyball, and girls' baseball were the intramural sports that were given enthusiasm this year by the Intramural Council and the student body. Ping-pong was popular this year. Men's intramural basketball drew a record number of twelve teams this year.

## INTRAMURALS

**Intramural Council:** Claudia Saylor, Francis Shipley, Dave Spanseller, Beverly Weller, Dave Brandon, Bonnie Allee, and Nancy Gray.

## CROSS COUNTRY

## MISS JUNIOR

Maturity has come—though slow,  
But still there is that teen-age glow.  
A shining light which calls to mind  
How dear she is, how sweet, how kind!

# SENIOR CLASS BEAUTY

## MISS SENIOR

She stands so tall and proud and sure,  
And seems to say with heart so pure—  
"Make me, oh Lord, with love and care,  
Older—not old, would be my prayer."

# KNOWLEDGE

"Whoever loves discipline loves knowledge, but he who hates reproof is stupid."

Proverbs 12:1

# TO THEE . . . MILLIGAN COLLEGE

Oh massive walls! What storms you've stood,  
What mighty blasts you've borne,  
To show to us that life is good  
When we have felt forlorn.

When first your long, grey halls we walked,  
Excitement filled the air;  
We walked then where others had walked  
And others still would dare.

The way seemed lone and long and steep,  
But then the light shone through  
Giving traditions we'll always keep,  
For they stand strong like you.

Ideals, like walls, aren't built in a day  
Nor swayed by a passing wind,  
Though many a wind may blow our way,  
We'll strengthen, but never bend.

So we, the class of sixty-two,  
Will make our aim to be:  
Good lives, like walls, to build so true  
That we may stand like thee.

Pat Combs
