*Together,
yet apart,
we stand . . .
United, still alone.*

*One in hope
and faith
and love . . .
Each must find his own.*

*College days
soon are gone;
but something
there remains.*

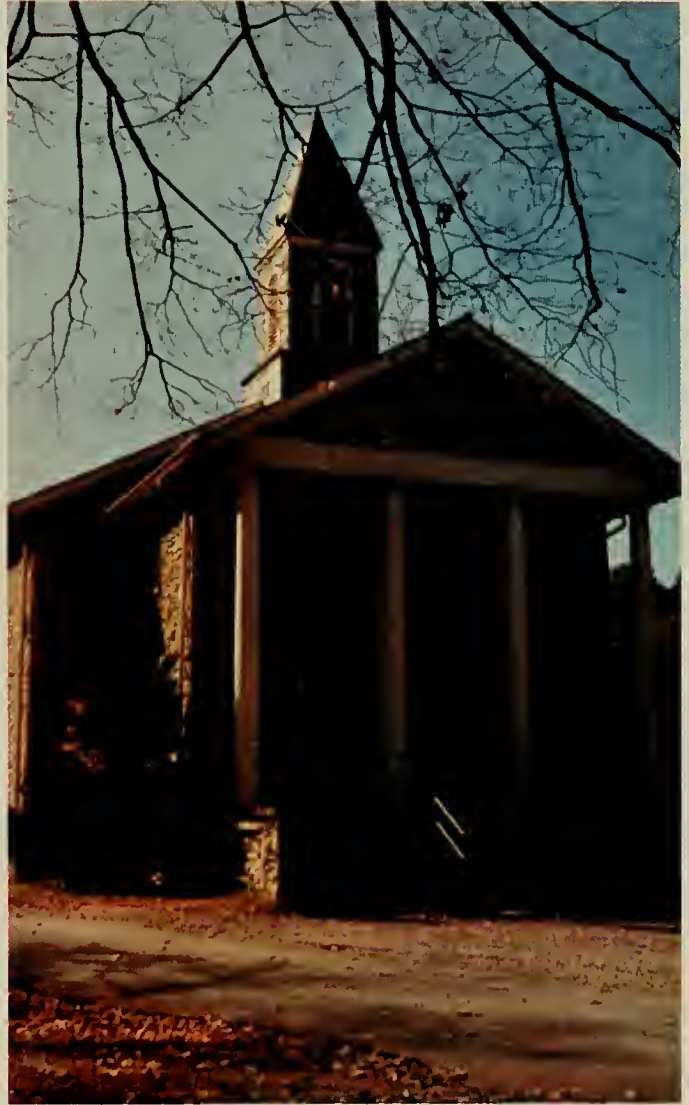

*Now
a part
of you and me,
the Spirit never wanes.*

*We venture forth
on the
road of life . . .
destinies unknown.*

*Together in mem'ries
we'll always be,
though apart
our paths have grown.*

DEAN E. WALKER

President

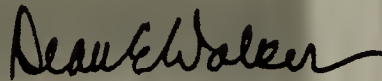

president's message

Buffalo 1966

May I express to each member individually of the graduating class of 1966 my warmest congratulations, and my prayer that your life may be invested in activities beneficial to mankind and pleasing to God our Father.

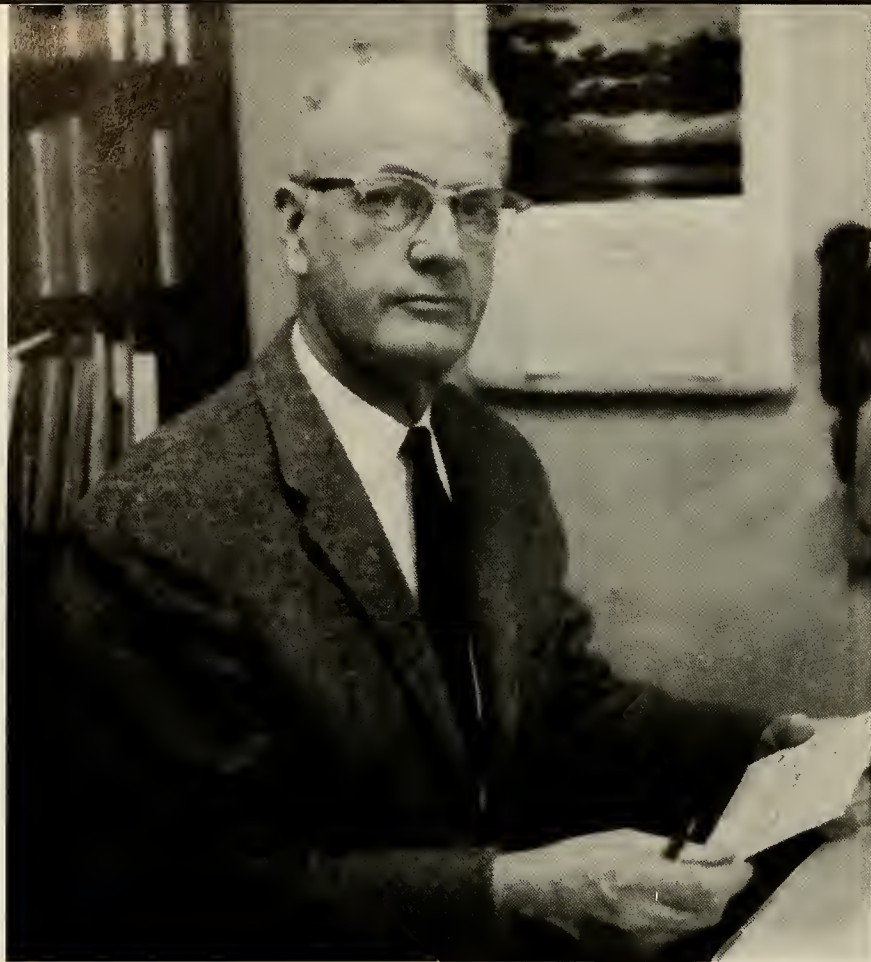

With your diplomas, Milligan extends to you the use of her name. That name stands not only for scholarship and vocational proficiency but also for character, and for Christian understanding and active witness through word and work. The reformation of the world, so that it may be fit for God's reign, depends upon such transformation of each individual as to enable him to become a member of the divine family. Achievement of this goal is the final victory of life.

Our hope is that God will bless your experiences at Milligan toward this final achievement.

dedication

Teacher, Minister, World Church Leader, Author and Administrator can best describe the person in whose honor we dedicate this 1966 yearbook. Because of his shining standards of honor, dignity, and integrity, he makes possible a Milligan motto: "Christian Education—The Hope of the World." His first dedication has been to the principles of his definite educational philosophy, which are Christianity as a whole and the historical position of the Christian Church. These he feels go hand in hand. He is a scholarly individual, who is dedicated to love and charity and who holds to the tenets of sentimentalism. He is a determined individual. Because of this great rapport and his fine attributes, the Senior Class of 1966 proudly dedicates this volume of the Milligan College Buffalo to Milligan's President, Dr. Dean Everest Walker.

Dean Everest Walker was born in Chardon, Ohio, May 18, 1898, to the late William Russell and Ina Mae Walker.

Upon receipt of his Bachelor's degree, Dr. Walker began teaching in the high schools of Ohio and Indiana. In 1926, he was the well-known pastor of the Little Flatrock Christian Church in Indiana. Two years later he joined the staff of Butler University as Professor of Church History. From

1935 to 1950 he was Head of the Church History Department at Butler. In 1935 he was given the honor of lecturing at Overdale College in Birmingham, England. In 1950, when Milligan College was under terrific strain, Dean Everest Walker consented to become the administrative head of the college.

Being an illustrious and eloquent man, Dr. Walker has received many honors. He has been the past president of the Christian Missionary Fellowship and past president of the European Evangelistic Society. In 1944 he also served as president of the North American Christian Convention. He has also served on the Executive Committee of the World Convention of Churches of Christ. He has written two books and one heavily circulated pamphlet. He holds membership in four fraternities, one social fraternity and three honorary fraternities.

It has been said of Dean E. Walker that "he had as much effect as a teacher on preachers in the Church as any one living man." He is described as possessing an "uncanny ability to pick out men and make them think independently and to interest these men in the things of interest to him." His interests lay in concepts he has formulated as a result of study

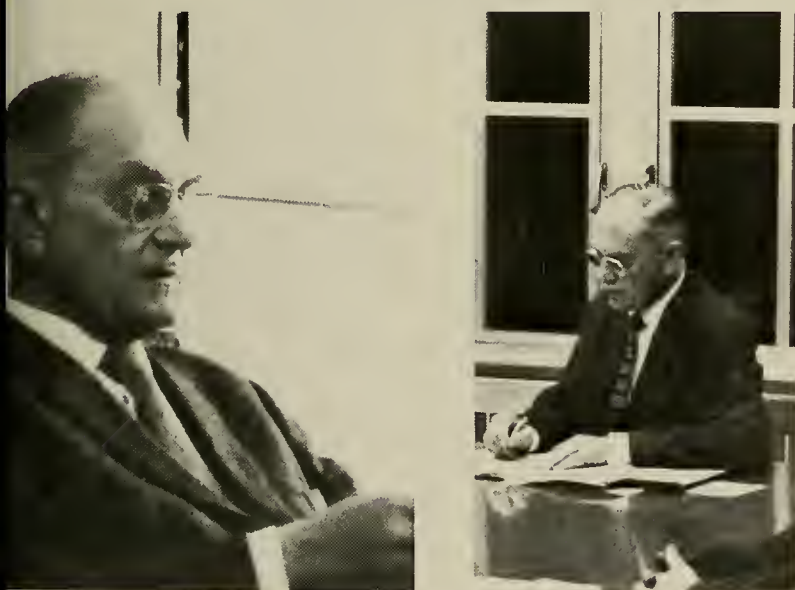

of the History of the Disciples of Christ. The students stamped by Dr. Walker, known to the brotherhood as "Walker's Boys," feel he is the best teacher the brotherhood has ever known. These "Boys" are almost all influential churchmen, thus indicating what a dynamic teacher he was.

Dean Walker possesses a keen sense of dry humor not always perfectly obvious to people. He is all heart and a man dedicated to God and his principles.

May 28, 1962, Dr. Walker married Miss Dorothy Keister of Lock Haven, Pennsylvania. Mrs. Walker too is dedicated to things of interest to her husband and the Milligan Community. Her famous "Mission to Women" is extensively known. She adds a woman's touch to the President's Home and stands beside Dr. Walker as the Milligan family's "first lady."

Dr. Walker once said, "So shall we build for the future upon our inheritance, that we may assume Christian Education—the Hope of the World."

For all Dean Everest Walker means to his wife, to Milligan, to the teaching profession, to his friends and the Church, we gratefully honor him.

fine arts series enriches culture on the milligan campus . . .

No liberal college education is complete which does not incorporate fine arts into its curriculum.

At Milligan College fine arts play an integral part in the education of all students. Emphasis is given not only to outside and professional talent, but also to student and amateur talent. Periodically throughout the year Milligan introduces famous or new performers who energetically and enthusiastically enthrall receptive Milligan audiences. These concerts stress the arts of dancing, acting, singing, and playing musical instruments. Milligan not only offers these things, but more, often faculty members and students of the Music Department present concerts or music recitals. Feeling a need for challenging independent thinking and also recognizing the ideas and philosophies of others, Milligan too offers a lecture series. Through such channels of cultural opportunity Milligan College aspires to develop well-rounded tastes in all of the fine arts.

Stomp cheer

Pep Rally

Tryouts for cheerleaders always overflow with spirit, pep, and enthusiasm. Cheering calls for hard work and cooperation. As soon as the cheerleaders were elected, they started regular practice. They were advised by Mrs. Bowers, who took them to a number of away games. The girls did an outstanding job of keeping the spirit alive whether in victory or in defeat.

The highlight of the year for the cheerleaders was the trip to the VSAC tournament in Nashville. The 1965-66 cheerleaders must be commended for their efforts in improving school spirit at Milligan.

Tryout time

. . . armed with spirit

Football was a favorite sport for both player and spectator.

At Milligan the intramural program has been organized to provide extracurricular sports for the entire student body. The program aims to give the students healthful activities in which they can enjoy themselves.

Intramurals, a program for skilled and unskilled players, consists of the following sports: volleyball, basketball, softball, swimming, ping-pong, badminton, shuffleboard, bowling, tennis, horseshoes, and golf. Individual awards are given for winners in each sport, and at the end of the year, awards are given for the accumulation of points based on participation and achievement.

Ah, come on coach, lets play!

Volleyball was enjoyed by all the girls.

Oh, please go over.

Come on, Dicey, we need that point.

Prof. Sisk presents the trophies to Barry Wallace and Billy Judd. Looking on are John Lippard, Roger Smith, and Charlie Dobson (with Coach Walker peeping in).

cross country

Milligan's 1965 cross country team completed a successful season with six wins to one loss (its the low score that wins). The team was led by Barry Wallace and Billy Judd. Barry was the number one runner all year and was awarded the first place trophy. The cross country team won the VSAC Championship for the fourth consecutive year. Our salute to Barry Wallace and the cross country team.

How much time?

Right guard?

Under the direction of Coach Duard Walker and assisted by Coach Harold Stout, the Milligan basketball team provided some exciting moments for the spectators. Matched against some stiff competition, the Buffs fought hard to secure their few victories. Several of the games were decided by a very close margin.

A total of 399 points for an average of 18 points per game placed Gene Honeycutt as the season's leading scorer. Next in line was Frank Hare with a total of 236. Honeycutt also proved to be the most accurate from the free throw line, making 127 out of 167 attempts for a .760 percentage. He was closely followed in free throw scoring by Alan Hoffman.

wrestling

Again this year the Milligan wrestling team, coached by Dr. Orvel Crowder, ended up with an outstanding record of eight wins against only two losses. These losses were to Appalachian State and Morehead State—always tough competition in wrestling. The team placed third in the quadrangular with Chattanooga, University of the South, and Maryville. The season was climaxed with a second place victory in the Southeastern Conference. Rex Jackson was again named Southeastern Intercollege and Southern Open Champion at 177 pounds.

tennis

The Milligan tennis team finished the season with five wins against five losses. They faced some stiff competition all the way through the season. The VSAC tournament began in Nashville but was changed to the indoor courts of the University of the South at Sewanee. The team made a good showing at the tournament. Ken McCullough and Kermit Looney went all the way to the finals where they were defeated by opponents from Tennessee Wesleyan. Jack Sale and Thad Sale both went as far as the semi-finals. In doubles, Jerry Judd and Thad Sale went all the way to capture the tournament championship.

baseball

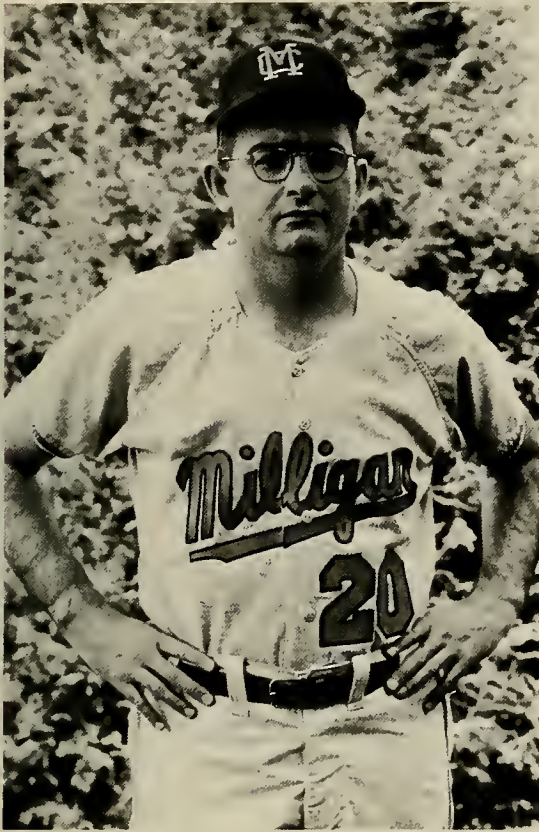

The 1966 Milligan College baseball team finished the season with a 10—15 record and a comparatively young club. Three seniors, Dick Ryan, Harold Golding, and Lonnie Lowe, graduated. The season was interrupted badly by rain and several of the scheduled games were not played.

Leading the team this year were Phil Favreau in hitting (.333) and Lonnie Lowe in pitching with an E.R.A. of 2.44. Paul Molchan, a freshman and newcomer to the team, was chosen as the team's outstanding player.

Under the very capable and respected leadership of Coach Harold Stout, the team looks forward to a very successful year next year.

Phil Favreau makes it to first.

For a number of years the Milligan baseball team has not been able to play its home games on its own field due to a drainage problem. Last spring work was begun to correct the problem and to make possible a fine, new ball field. Buffalo Creek was re-routed and the lower campus was elevated and filled with drainage tile to take care of any excess water. A lot of money and time were put into the renovation of the field. This year the beauty of the campus has been enhanced with the completion of the field and the willow trees and shrubs that were added for beautification. The students and the team are proud that this year they were able to enjoy the home games on their own field. The long awaited facility should do much for the development of baseball prospects at our school.

L to R: Larry Huff, Gary Meredith, Jerry Plummer, Danny Arnold, Wayne Moore, John Bullington.

Milligan is very proud of its golf team. Despite having participated in collegiate golf only a few years and despite many set-backs at the beginning of the season, the golf team ended up with a pretty good record.

The team, coached by Ray Stahl, lost most of its players from last year but came up with some fine new players this year. Congratulations to the golf team for taking fourth place in the VSAC tournament at the Memphis Country Club.

One of the highlights of the school year was the winning of the VSAC Track and Field Championship. It was the first time for Milligan to win a track championship. Congratulations go to the team and also to Tim Lanzer for being awarded the individual trophy for the most points with 27 1/4.

Several previous records were bettered this year. Barry Wallace ran the one mile in 4:30.6. Tim Lanzer bettered the broad jump at 22 feet 3 inches. Dennis Dotson completed the triple jump at 41 feet 3 inches. The overall season record was four wins against two losses plus capturing the championship. The score at the VSAC meet was Milligan 100, Union 82, and Carson Newman 61.

women's dorm council

The Dormitory Councils are composed of men and women who endeavor to maintain, in the dormitories, an atmosphere conducive to study. They are also responsible for creating a spiritual environment and suggesting regulations and providing their enforcement as the need arises. Meeting once a week to discuss matters concerning dormitory life, the Councils establish a spirit of cooperation between the administration and the students.

commuter's council

The Commuters' Council represents those students who are not dormitory residents. Its function is to keep fellow commuters informed as to the social events, religious activities, and changes in rules and regulations of the college. Its ultimate purpose is to bring about a closer unity of thought and spirit between the commuting students and the dormitory students.

stampede

Stampede Staff

The Stampede, the Milligan newspaper, was created for the purpose of providing practical experience in journalism to students who are interested in this field. It also provides editorials, items of entertainment, and important information pertaining to the activities and accomplishments of our student body and college. This newspaper is published once a month and is available to the student body, to local colleges, and to alumni.

young democrats club

The Young Democrat's Club was established this year for the purpose of furthering political interest on the Milligan College campus. Its main objective is to discuss the ideas of the Democratic Party in both national and local affairs. All those students who share in the political views of this party are invited to all the meetings.

Stefan Beck, Robert Williams, Robert Hoffman. *SECOND ROW:* Harley Stallard, Bill Johnson, Trig McNew.

young republican club

One of the newest organizations on campus is the Young Republican's Club. This club was organized early in January by a group of students who were interested in promoting Republican principles on the Milligan campus. Initial response to this new club was very strong, and the club now has approximately thirty members. A charter banquet was held at Raymond's in Elizabethton in February. Several outstanding Republican leaders spoke to the group this year, including Lodge Evans, Louise Goff Reece, and Dayton Phillips.

The purpose of the Young Republican's Club is to create a greater political interest on the Milligan campus. It also has as its purpose the promotion of the principles of the Republican Party.

Mr. Neth and Dr. Gwaltney served as co-sponsors this year.

ski club

As winter dropped the first full snowfall on the Milligan Campus, different students reacted in different ways. Those who had never seen snow before reacted exuberantly to their acquaintance with this new form of precipitation. A diversity of winter sports found a way to the campus . . . sledders and skiers both found a winter wonderland.

Sledding had to go no farther than the campus. Employed were old bed springs, tin, and sometimes cafeteria trays.

Skiing had to go farther than the campus. An organized campus ski club traveled to Blowing Rock, North Carolina, and indulged in much fun for the ski lover.

Each year the Ski Club makes a two day trip to the lodge at Blowing Rock. Some members of the club are experienced skiers and others are completely new at the sport. Membership in the club is open to all Milligan students.

buffalo ramblers

The Buffalo Ramblers devote every Saturday to a scenic hike—usually through a river gorge, to a waterfall, or to the summit of a mountain—and occasionally explore a cave. They make ample use of the Appalachian Trail and other footpaths in the region, hiking usually between six and twelve miles. The Ramblers hold no business meetings, collect no dues, and have a very flexible membership. All members of the Milligan and Emmanuel communities who are willing to comply with the Ramblers' Code are welcome to join in these outings.

footlighters

Footlighters is open to all students who are interested in the arts of acting and stage production. It provides the student an excellent opportunity to develop his own abilities in the field of the theater. This group sponsors, produces, and helps with most of the production on campus. Alpha Psi Omega is the honorary dramatic fraternity. Membership is gained by compiling points earned in acting.

the buffalo

The 1965-66 BUFFALO staff, in an effort to acquaint new students with this Milligan publication, sponsored sign-up campaigns for all persons interested in working on the yearbook. Throughout the year the staff has been busy selling ads, snapping pictures, writing copy, and doing page layouts. These things were all done in an effort to capture day by day living at Milligan College.

Such words as change, improvement, and perfection were the watchwords of the 1966 BUFFALO staff as the editors and sponsor sought to produce a yearbook with a realistic presentation of life at Milligan College, 1966. Under the direction of Mrs. Young, Skip Maiden, Mary Bencoter, and Jay Kleinfeldt, the sponsor and editorial staff, plus the section editors, the photographers, and the copy and layout editors, the 1966 BUFFALO staff strived diligently to make vast improvements in photography, layout, and copy writing.

The section editors were urged to utilize creative talents in making their work original and imaginative. The photographers attempted to get pictures which best captured the expressions of every day living in the Milligan community. Faculty members and students jointly gave unceasingly to help the staff create a quality publication.

Words are not really needed to express the many changes which were envisioned and carried out by the 1966 BUFFALO staff, for the book which you now hold in your hands is evidence of this transition.

missionary fellowship

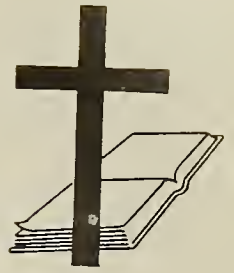

The Missionary Fellowship is a group of young Christian men and women who study the various aspects of missions, both at home and abroad. The aim of the club is to help all students to realize the significance of their motto, "Every Christian a missionary."

The Missionary Fellowship strives to spread the Gospel through the activities of its members. Services held at the Washington County Old Folk's Home and gathering clothes for the needy at Christmas are two of the activities done in Christian love by this organization.

service seekers

The Service Seekers is a club originally organized in 1949 by Miss Welshimer for young women who wished to enter some field of church work. Since this time, the club has been opened to all girls who wish to serve Christ, whether in the home, the school, the community, or the church.

Lectures, discussions, and activities are the basis for the meetings of the Service Seekers. These meetings are designed for practical application in the various fields of service. During the year, the members find many ways in which to encourage and increase in Christian service, one of which is visiting the children at the East Tennessee Christian Home in Elizabethton.

bykota

The Bykota Club, formerly known as the Ministerial Association, is designed to aid the spiritual growth and to provide knowledge and experience to the men of Milligan who plan to enter some phase of Christian service. The members not only benefit others, but also develop the Kingdom of God and themselves as they strive to follow their motto, "Be ye kind, one to another."

The activities of the organization include the individual services and activities performed in the churches of the area, such as those of assistant minister, youth director, and other positions. The club encourages the ministerial students to maintain the highest possible standards of Christian character at all times.

intramural council

At Milligan the Intramural Council has been formed to set up an extra-curricular program in sports for the student body. The council is very interested in giving the students healthful activities in which they can enjoy themselves. This year approximately half of the student body participated, making this year one of the more successful ones.

Intramurals, a program for skilled and unskilled players, consists of the following sports: volleyball, basketball, softball, swimming, ping-pong, badminton, shuffle-board, foul shooting, bowling, tennis, horseshoes, and golf. All-Star teams are chosen also from the better players who participate in the program. Individual awards are given for winners in each sport, and at the end of the year, awards are given for the accumulation of points based on participation and achievement.

CIVITAN

In 1962, the Milligan College Collegiate Civitan Club was chartered by the Johnson City Nativic Civitan Club. The Collegiate Civitan Club is open to all male members of the student body. Membership is on an elective basis with the club itself and the Board of Directors serving as membership officials.

Collegiate Civitan is affiliated with Civitan International and is one of Milligan's oldest service clubs.

The purpose of the club is to emphasize the advantages of the American-Canadian way of life, to promote good fellowship and high scholarship, to serve on the campus and in the community, to provide an opportunity for leadership training through service, and to encourage the daily living of the "Golden Rule" in all human relationships. Collegiate Civitans are "Builders of Good Citizenship."

civinette

“My pledge is to practice the Golden Rule; to make it pay dividends both material and spiritual; to bridge with it the road to better understanding between faculty, administration, and student; to build upon it a finer and nobler citizenship.” This is the pledge of the newest Service Club on campus—Civinettes. The Milligan College Civinette Club received its charter in the spring of 1966. Civinettes is the women’s collegiate branch of Civitan International, and the club works in conjunction with the Collegiate Civitan Chapter at Milligan and with the Civitan Club of Johnson City in performing various service projects for the campus and community.

The fifty-five-voice Concert Choir has enjoyed a very profitable year. Spring Tour took the Choir south through the Carolinas and Georgia and into Florida, where sun and fun, not to mention work, were had by all. The Choir has participated in many activities on campus this year, including Founder's Day and May Day. The highlights of the Choir's campus appearances were the presentations of two major works, the Bach *Magnificat* at Christmas-time, and in May the *German Requiem* by Brahms.

modern-madrigal choir

A new choral group on campus this year is the Milligan Modern-Madrigal Choir, fondly known as the "Milligan Mods". Organized and directed by Professor Glen Owens, the Modern-Madrigals have participated in both campus and local civic functions. The Modern-Madrigal Choir specializes in songs from the modern repertoire and in madrigals sung in French, Italian, German and English.

it began four years ago . . .

Four years ago two hundred bustling freshmen entered under the arch of Buffalo Creek Bridge. Bewildered, scared, and excited, they anticipated what would ensue the following week.

Teams, dinks, work, play . . . and the dread of Holocaust. Yet all lived to pursue some course of study.

As time passed, such activities as class projects, Milligras, Twirp Week, Fall Revival, Faculty Entertainments, and Dramatics were completed.

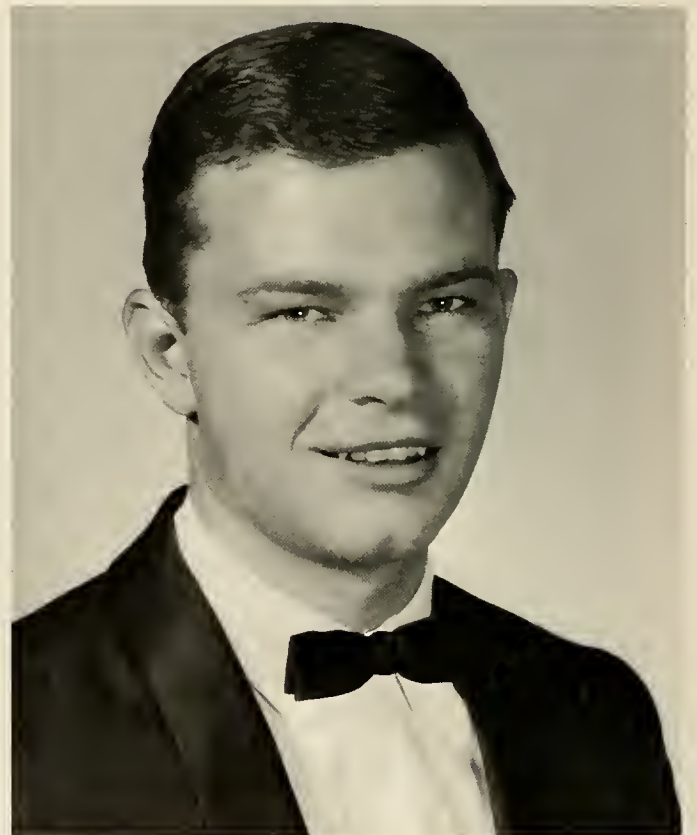

Maturity came, and with it came decisions as to what the future should include. Practice teaching and off-campus work also added to the sum total of events.

Realization of obligations and independent thought directed individuals to that shining goal . . . graduation.

Claude Melvin Shockley was born in Mount Airy, North Carolina, on July 8, 1944. He passed away suddenly at his home, Route 4, Hillsville, Virginia, November 20, 1965.

He was a 1962 graduate of Hillsville High School and attended Ferrum Junior College, Ferrum, Virginia, for two years. At the time of his death, he was a fulltime student at Milligan College.

Melvin is survived by his parents, Mr. and Mrs. Claude Swanson Shockley, of Route 4, Hillsville, Virginia.

ALONE

*Some day I want to be all alone
With not a care, not a worry;
And the north wind will moan,
But I'll not have to hurry.*

*Some day I want to see the world;
Some day I want to go to sea,
In a small boat with sails unfurled—
And the only sailor will be me.*

(written by Melvin Shockley
2-25-63)

A SALUTE TO THE CLASS OF 1966

The interflow of life with life in the name of Jesus Christ is life abundant.

It has been the privilege of the faculty to share such interflow with the Class of 1966.

Life has been given and received as truth adorned by faith, hope, and love has been sought, claimed, shared.

In the fellowship of learning the faculty has received much from the Class of 1966. For this reason something of each member remains in the life of the faculty to be shared with those who follow.

But something of the faculty goes with the Class of 1966. We trust that this represents our highest and best gifts.

In recognition of the fellowship we have known, and in fond expectation of fruition to come,

The Faculty salutes the Class of 1966.

When your future's on the line, use your pen to better advantage than for circling through the classified sections.

Drop us a note instead and tell us why you think you would like to work for a \$160,000,000 fiber and textile company that has grown 11% in the past year. And has plans to do a lot more growing with guys like you in key posi-

tions. In research. In engineering. In design. In merchandising. In sales. In areas both challenging and rewarding.

So if you want to leave your mark on the textiles/fibers world, write us first. It's a lot better way to do it than leaving your mark on the help wanted ads.

ELECTRICITY POWERS PROGRESS

Thomas A. Edison's dream of putting electricity to work for the benefit of mankind is a reality today. Every day, man's inventiveness and ingenuity develop more ways to increase electricity's contributions to progress.

Elizabethton Electric System is proud of its role in providing low-cost electricity to help power this progress.

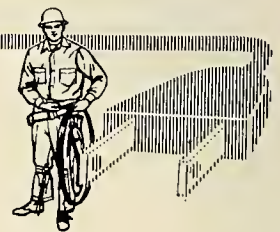

By building and maintaining a modern electric system and keeping alert to modern ideas, power for progress has been available.

Power for modern electric homes . . . power for developing better farms . . . power for attracting new industries and new jobs . . . power for the growth of dynamic new business.

WE HELP YOU

LIVE BETTER ELECTRICALLY
