MILLIGAN COLLEGE

Milligan College, Tennessee 37682

"MEMBERS ONLY"

BUFFALO 1986

AN ELITE GROUP

Nestled in the majestic mountains of breathtaking Upper-East Tennessee, one of the fastest growing areas in the nation, lies Milligan College, an academic community of Christians.

Affiliated with the Christian churches and Churches of Christ, Milligan allows membership to those motivated to grow and develop not only academically but also socially and spiritually.

TABLE OF CONTENTS

Student Life	17

Academics	67
Clubs	77
People	97
Community	161

A CHALLENGED GROUP

Academically, Milligan College offers its members an excellent educational background to prepare them for future challenges. A fully accredited educational institution, Milligan offers twenty-four majors in a variety of subject areas from Youth ministry to its newest addition, Communications. The

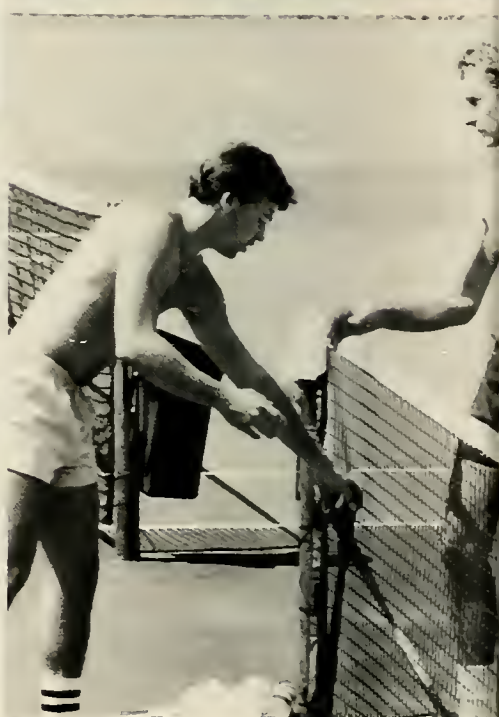

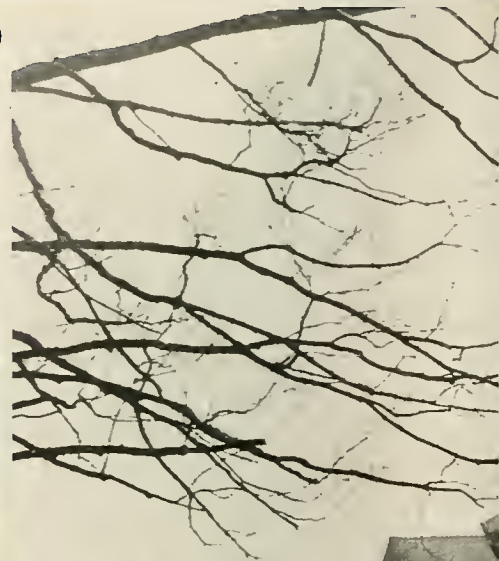

college faculty, over fifty percent of whom have earned doctorate degrees, and the administration stress Christian activity in all professional fields on campus. In addition, the student/faculty ratio is thirteen to one providing for concentrated individual attention to each member of the student body.

“Milligan challenges me to do my best.”
—Mrs. Pat Magness

A UNIQUE GROUP

“My professors always tell me ‘You can do it.’ ”

—Adeline Prophete

A SPECIAL GROUP

“Milligan is friendships that continue to grow.”

—Donna Phipps

AN ACTIVE GROUP

The nearly 700 members of the Milligan community can choose from an abundance of social activities both on and off campus. The athletic program offers both intercollegiate and intramural competition for men and women in basketball, baseball, softball, volleyball, tennis,

swimming, and cross-country. In addition, students may participate in the Student Government Association, yearbook staff, Science club and International Club as well as several service organizations including Circle K, Delta Kappa, and Student Council for Exceptional Children.

“The faculty is Milligan’s best feature!”
—Roger Roberts

A TALENTED GROUP

Musical opportunities, including the nationally known singing group, Heritage, are plentiful and available to everyone. As an added bonus, the Social Affairs Committee schedules special activities such as concerts, lectures, and films which fill

each weekend with fellowship opportunities. Furthermore, members searching for off-campus adventures can raid the various local malls, theaters and civic centers or escape to nearby resort areas such as Gatlinburg or Roan Mountain.

"The faculty is really concerned about their students."

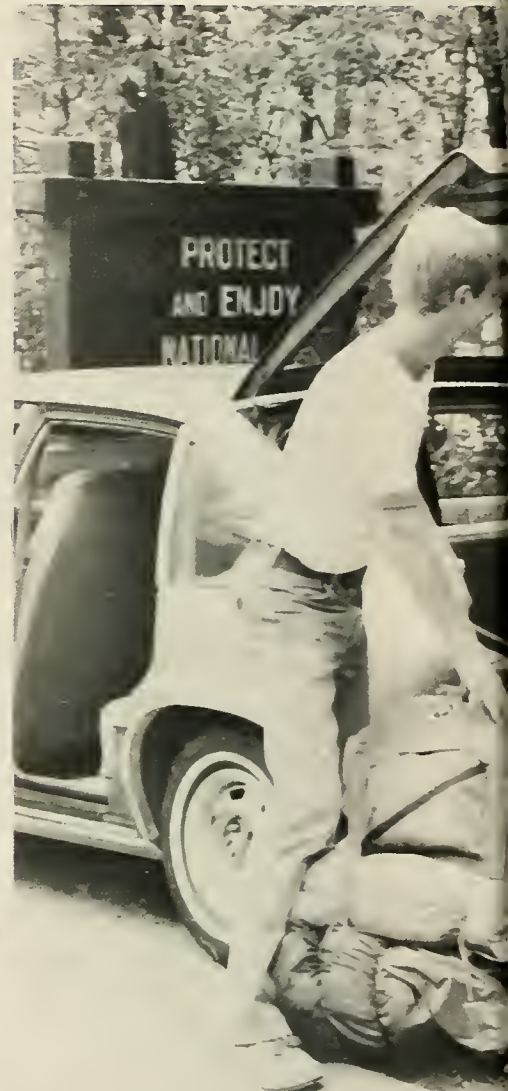

—Brian Jones

A QUALITY GROUP

Milligan College invites its members to become involved in the many spiritual activities available.

Students are encouraged to attend weekly church services provided at many local churches as well as on campus and the nearby Hopwood Christian Church. In addition, biweekly chapel and convocation services, which all students are required to attend, provide opportunities for stimulating

thought and discussion of spiritual ideals. Vesper services offer worthwhile and unique Sunday evening programs. Still other opportunities for worship include ICU groups, dorm devotions and numerous Bible study groups. The campus frequently hosts prominent speakers and Seeger Chapel serves as the headquarters for a variety of contemporary Christian concerts presented throughout the year.

“A genuine concern for quality and desire to let God lead us . . . ”

—Dean John Derry

A photograph of a brick archway set against a dark background. The arch is constructed from reddish-brown bricks. A light-colored rectangular sign is mounted across the center of the arch, featuring the words "MILLIGAN" and "COLLEGE" in a bold, serif, all-caps font, stacked vertically.

MILLIGAN COLLEGE

We here at Milligan College are very fortunate to be a part of such an elite group, unified by the sharing of our faith in Jesus Christ. Throughout the years, Milligan has been not only the alma mater, but the home of many students—a place of refuge as well as a source of challenge. We come together as friends to form the membership of our school. Although we are a privileged group, we invite members from every walk of life. And once a member, one is always a member. Members of a group bound for success!

STUDENT LIFE

Sutton Sensations

Good morning Sue.

Sutton dorm has encountered a couple of significant changes this year. The first of many was the new head residents, Jim and Nancy (Mom and Dad) Knowles. Welcoming them to Sutton was an exciting event. They helped add a sense of family and love to the dorm to make it a home away from home.

Another change that Sutton girls have dealt with is the new addition to the cafeteria. This was met with a little less enthusiasm. Sometimes the price paid for living in Sutton was waking up at 3:00 A.M. to hear construction workers hammering down below or at 7:00 A.M. on a peaceful Saturday to a crane just outside the window. Dorm members hung in there and managed to

survive without too many harmful side affects. As the year went on and completion came closer, they were pleased to see a different look to Sutton.

A number of dorm activities kept Sutton girls busy. For the first time a freshman initiation was held and proved to be enjoyable to everyone involved. The Christmas party held this year brought the spirit of the holidays to Sutton dorm. A large pine tree filled the lobby and was eagerly decorated by the dorm members. Open houses, prayer breakfasts and a football game with Hart enabled the girls to combine both worship and fun throughout the year.

Kim does a great Christmas tree impersonation.

Go ahead darling, whistle at those construction workers.

I wanna ROCK!

Will the real men please stand up?

One of the studious Pardee Rowdies strolls to class.

- Pardee Rowdies -

Pardee Hall recorded another banner year as its rooms were full of Rowdies, both old and new. Two of the "Newest" Rowdies came to us from Georgia to be our new head residents—John and Debbie Houchens. Pardee continued in its time-honored tradition of being a "Newsworthy" dorm as the Rowdies rallied to rescue a stranded kitten from the jaws of a Lance candy machine gone mad! The complete story with accompanying photographs were carried by our own Johnson City Press, and rumors stirred that even the wire services picked up the story. At any rate, Pardee continues to exhibit those distinctive traits that make it to

hard to ignore as it sits astride a gently rolling slope (Which provides the site for Pardee's annual "Water slide"—an event to which all incoming freshmen look forward.) commanding the center of the Milligan campus. A new institution began this year—the bi-weekly Pardee Prayer Breakfast! Provisioned by our own cafeteria and attracting many outstanding speakers, this event became a much-looked-forward-to event.

The Rowdies of Pardee Hall provide a unique flair to the mix that constitutes the Student body of Milligan and it is hoped that this tradition will continue for many years to come.

By Dave Siebenaler

Although Hardin has the luxury of their own washers, they still have to make an occasional trip to the drycleaners.

— Hardin Hilton —

Hardin Hall is a women's residence hall built in 1913. It was named in honor of Mr. and Mrs. George Hardin. The dormitory, affectionately referred to as the "Hardin Hilton", houses 33 girls, who had to make reservations in advance, in order to gain admittance. Additional residents include Rob and Jeannie Gardner, Nakoa, and the most recent arrival, Enolih.

watching soap operas, carving jack-o-lanterns, attending Halloween parties, and having flushing services for dead fish.

Despite the luxuries of the "Hardin Hilton", there are situations that require patience. One of these is dealing with the maintenance department which insists we paint our own dorm. Little do they know that we will leave the job unfinished; just as they would. Last but not least, it requires much patience to live with Pam Unger, as the girls in Hart Hall know.

By Loretta Jette

The girls enjoy a variety of activities such as engagements, sunbathing on the roof, open houses, community showers,

The few, the proud, the residents of Hardin Hall.

Just think, these men are members of Webb's distinguished legislative body known as dorm council.

What is Webb's illustrious head resident, Cort Mills, doing on the steps at Hart?

Webb Hall

Under the dynamic and authoritarian presidency of Mike Johnson, Webb Hall, like Milligan alumni, excelled in many ways during the 1985-86 academic year. Among Webb's many activities this year were the infamous cigar party to brighten up the yule-tide season and the hosting of the weightroom while the fieldhouse was being reconstructed.

The men of Webb Hall live in a truly unique environment. Where

else would one find such an assorted mixture of playboys, eggheads, jocs, immaculate housekeepers, and slobs. This shows that coexistence in a pluralistic world is possible, or that at best, life is a circus. The ringmasters of Webb Hall are Coach Duard Walker and Cort Mills. Contrary to popular belief, Webb Hall is named for Dr. Henry E. Webb.

By Walter Taylor

Go ahead, make my day!

Hart Throbs

Hart Hall is one of three women's dorms on the Milligan College campus. Head residents, Cal and Shari Lyford, the resident assistants, and the dorm council work together to make Hart a great place to live. Such activities as dorm devotions, open houses, Secret Pals, rummage sales, movies, and cram study sessions are all part of living in Hart Hall.

Hart Hall also offers many unique experiences for its residents. It is the only air-conditioned dorm on campus, but this ironically increases body temperature when a leak develops and damages clothes and

floors. But this increase in temperature could be dealt with this year by stepping into the shower and discovering only ice-cold water. Hart residents also shared the cold water with those who wished to serenade outside their windows. Security may not have been able to prevent the ensuing invasion by the serenaders, but they have prevented the garbage from being stolen by changing the locks on the trash chute (but who knows why?). But then again, you never know what will happen at Hart Hall, or why. Maybe the "delinquents" know.

Sarah Hasty gives a hug to the new man in her life.

Hart Dorm Council exhibits one of its many talents.

Hope Le Reau, Shari Lyford and Leslie Frasier show off their best smiles.

All of the Hart.

Kangaroo Court makes sure every freshman wears their dinks at all times.

Even Dean Derry has to don a dink.

Shawn Tandy wins first place in the "Marshall Leggett Look Alike Contest."

Newest Members

Orientation week found many freshman questioning their decision to come to the college. Kangaroo Court enforced rules concerning dinks, while the faculty had freshman testing every hour of the day.

Registration was a new and exciting adventure for most of the new students. After matriculation and consecration, classes began, and the freshmen became official members of the Milligan community.

"Gee, Seib, Do you think they would let us play?" inquires Rick Raines.

<i>Pardee</i>	<i>21</i>
<i>Webb</i>	<i>14</i>
<i>Hart</i>	<i>18</i>
<i>Sutton</i>	<i>0</i>

Pam Phillis and JoAnne McCracken are ready for a rematch.

Pardee has a great team with players like Brian Jackson and Craig Harper.

Ken McNeff, one of Webb's defensive linemen, gets ready for the "hike."

Punt, Pass, and Kick

Football was in the air this year on Milligan campus. Both male and female dorms challenged their rivals to a game of this rough sport. Practices were long and hard, but the rewards

made every minute worth the trouble. In every sport, there are winners and losers, but the fun had by all who participated meant no one felt the agony of defeat.

- Fad or Fashion? -

Milligan had a very unique way of expressing the clothes styles of students this year. Styles included preppy, casual, new wave, and of course, slobby. These fashions gave every personality a choice in selections of clothing.

One of the prominent fashions found on campus were sweatsuits. Pleasure was found in modern trends and returning fashions. Whether Levis or designer jeans, students were able to express their individual personalities through a variety of styles.

Are you sure this fits in with the Milligan tradition?

Andrea looks like she has just had a facial.

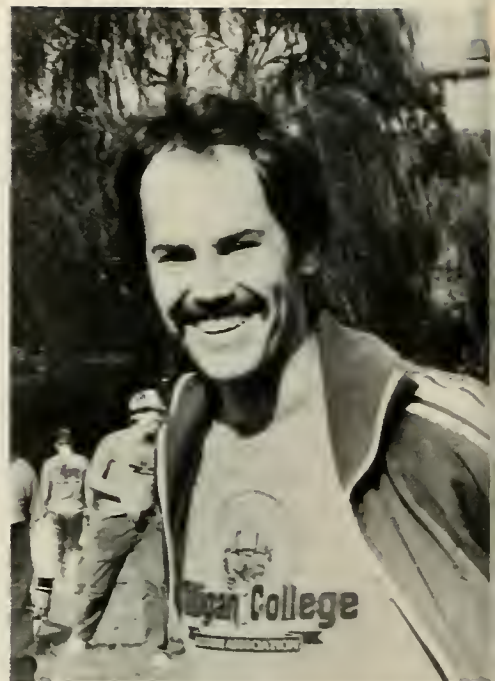

Sweats are the only thing to wear while Krogering.

Alan Meneely, Susan Bryant, and Becky Macki are fine examples of the casual life-style at Milligan.

Melissa Hall models the proper way to wear a headband.

On your mark, get set, GO!

Smile Dr. Knowles, you are on Candid Camera.

Here come the men on the lean, mean alumni team.

Alumni, students and local residents participated in the 5K road race.

Alma Mater

Alumni Weekend is always full of activities, and this year was no exception. There were football, basketball and volleyball games between alumni and students. The 5K road race was

enjoyed by the members of the surrounding community as well as alumni. The weekend was topped off with a formal dinner and program that was enjoyed by all.

Check out those tennis shoes.

Three runners are warming up for the race.

Founder's Daughter Pageant

Founder's Daughter is an honorary award presented to a senior girl chosen by the Milligan members. Senior girls are nominated to represent various organizations on campus. Mr. Price entertained the Milligan community as the emcee. When the votes were tallied,

Adeline Prophete was chosen as the 1985 Founder's Daughter, and Christy Adams was chosen as the runner-up. They received their awards during the halftime at a Buff's basketball game. It was definitely the highlight of the Founder's Day weekend.

Christy Adams, this year's runner-up is escorted by Brian Jackson.

Christy Holland, one of the many Founder's Daughter candidates. She was escorted by Steve Sims.

Dave Robinson escorts Shelby Steele, one of this year's nominees.

Adeline Prophete is all smiles on the arm of Sam Adams as she is announced as the 1985 Founder's Daughter.

This year's emcee, Mr. Price, entertains the audience as he announced the nominees.

Regina Cornett, escorted by Tim Smith, smiles proudly as one of the senior nominees.

The Junior Sweetheart candidates are all smiles.

The Freshmen Sweethearts: Rick Farmer, Barbi Stuart, Eric Hayden, Jane Weston, Tom Hendley, Amy Snyder, and Myrin Roberts

The Senior Sweethearts: Rick Raines, Dave Siebenaler, Martha Stoughton, Mike Johnson, Sam Addams, and Regina Cornett.

MISSOURI STATE UNIVERSITY
MARIETTA, MISSOURI

— Sweethearts! —

Sweetheart Banquet is an annual event held around Valentines Day. Each class votes for their "Sweetest" guy and gal. The winners are announced at the banquet along with other less

serious awards. Entertainment was provided by Bill Nicol at the piano. Derek Weaver had the honor of being the Master of Ceremonies for this grand occasion.

Cathy
&
Mike

A night never to forget.

The sophomore class Sweethearts act a little crazy.

Would someone please get the phone?

Some guys have all the luck

Watch Out Broadway

Milligan College's theatre arts department had two outstanding shows this year. Under the new direction of Mr. Dick Major, Milligan produced *The 1940's Radio Hour* and *Shakespeare's A Midsummer Night's Dream*. The fall production of *The 1940's Radio Hour* took its audience back to a cold Christmas Eve on Radio station WOV during World War II. Its variety of characters and music created a great show

enjoyed by all ages. The production of the Shakespearean comedy, *A Midsummer Night's Dream* made its audience realize that although it was written centuries ago, it is still enjoyable today. The theatre arts department had a good year because of the selection of shows, the direction, and the discipline of the actors. Milligan College needs to be proud of these accomplishments during the 85-86 school year.

What's the matter Jim? Cat got your tongue?

Strange things happen in the land of the fairies to Randy Landry.

The court jester, played by Becky Peil, entertains guests as she goes from table to table.

— Madrigals! —

Christmas is a very festive and enjoyable time at Milligan College each year. During the holiday season, Upper East Tennessee receives a performance fit for a king. The Madrigal Dinners take guests back in time to the Renaissance. Appetites are satisfied by roast

beef, Yorkshire pudding, and flaming plum pudding for dessert. Entertainment is provided by the Chamber Singers, strolling minstrels, and the court jester. It is considered one of the heights of the holiday season by all who attend this gala event.

The Chamber Singers love to eat Yorkshire pudding . . . Five times a week!

Everyone gets involved with the Madrigal festivities.

Cathy Griffith and Patty Bumgardner shop for T.V. dinners at Krogers.

Go Crazy

Who says that life at Milligan is boring? When the going gets tough, Milligan goes crazy. One release of the study blues is open house. All of the dorms have an open house approximately once a month. It gives friends a chance to clean their rooms and visit with students from other dorms. Practical jokes and freshmen

initiations are another popular outlet of frustration. Unsuspecting freshmen may be creeked or forced to go Krogering in their pajamas at 2:00 A.M. These activities are not destructive or harmful. They are just an escape from college pressures and problems. Sometimes one must let loose and go crazy.

Michelle and Donna pick strange hours to go shopping.

Open houses provide the prime opportunity for some serious card games.

How do you know when an elephant ... ?

Do I use the whole box for one load?

I can't believe the white shirt is still white.

— Laundry! —

Sometimes being away from home has its disadvantages. When the dirty clothes engulf your closet, you realize it's time to go home or, unfortunately, do laundry. Many students are already experts at sorting lights and darks, but some learn this task

very painfully. Once your white socks turned pink, you realized that you shouldn't have put those red socks from Aunt Fran in hot water. One guarantee is that by the end of four years, students have the science of laundry down to an art.

The joy of laundry

Honey, don't take such a big bite.

A shaded bench provides a quiet place to talk.

Special Friends

Friendships are encountered at Milligan that last a lifetime. Many students find that special person that they will someday marry. One problem of being a small community is that relationships become everybody's business. Once seen with a member of the opposite sex, students can

expect questions like, "Are you two engaged?" and "When are you getting married?". Although many serious relationships do exist, being just friends is difficult. Friendships developed at Milligan are like those expressed by Michael W. Smith—"Friends are friends forever if the Lord's the lord of them".

Beauty and the beast

The highway leads away from Milligan to the great unknown.

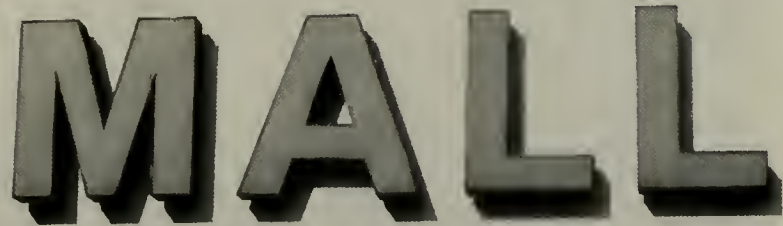

—Off Campus—

On rare occasion, the Milligan member wishes to leave the beauty and bustling activity of the campus in order to explore surrounding communities such as Johnson City, Kingsport, or Bristol. Upon this excursion the member soon finds that the Tri-Cities, although not the cultural hub of East Tennessee, offers quite a variety of activities for entertainment-starved college students. Although most members tend to restrict themselves to the simpler pleasures of P.R.'s, Pizza Hut, Little Caesar's, Reel to Reel, the Mall, and

Krogering, some members have discovered the joys of exploring local caves or seeing movie classics at an old-time theatre in Bristol.

During the warm-weather months, outdoor activities in East Tennessee are numerous. Camping, hiking, swimming, and rock sliding are among the favorite things to do in the early fall and spring. Whether it is rafting down the Nilichuckie, rope-swinging at Boone Lake, or enjoying the sights from Roan Mountain of Watauga Dam, Milligan members can find plenty of opportunities for enjoying the great outdoors.

—Roger Roberts—

MALL

"The Mall" is one of the hotspots in the Johnson City metropolis.

Movies are one of the fun activities students find in the Tri-cities area.

A Little Bit Country

It was Wednesday, April twenty-third when Milligan College's Social Affairs committee decided to announce that it was Wonderful Wednesday. It was the day that all students waited for during the second semester. The only problem was that it was only 30° outside that morning. Fortunately, it warmed up by the time brunch was served. The theme was country-western, and all of the activities scheduled were connected with this theme.

A faculty vs. students softball game was played at 1:00, just as most students rolled out of bed. Students signed up for assorted games such as the pie eating and cowchip chucking contests. Teams were formed for the obstacle course called the Pony Express Rides Again. The day was topped off with the movie "Silverado" shown in Hyder. The day proved to be a glorious success for all the cowboys and cowgirls at Milligan College.

Mom always said that an apple a day keeps the doctor away.

Dr. Gwaltney and Dr. Roberts enter their second childhoods on Wonderful Wednesday.

Volleyball is the sport to play.

The one, the only, Jeri Cook, struts her stuff.

The aftermath of the pie eating contest proves to be devastating to Sue Fitch and Mike Churchin.

Tom Wills is Milligan's own covergirl.

A special night with a special friend creates longlasting memories.

Special Evening

One of the highlights of being an upperclassman during the Spring semester is the Junior/Senior Banquet. This year's banquet was held at the Sheraton Inn. It was provided by the Junior class under the direction of their distinguished president, Jim Wood. The banquet gives students to dress their best and have fun with their best

friends. This year's theme, Friends, was best expressed through the special music provided by Karen Berry and Rick Raines. Dr. Jack Knowles welcomed those who attended this gala event and presented the Senior Superlatives. The main idea expressed on the evening of May 10, 1986 was that "Friends are friends forever if the Lord is the Lord of them."

It looks like Debbie and Pam are having fun.

Every girl is crazy about these sharp dressed men.

One of Milligan's favorite couples is enjoying the evening.

It looks like Dave knows a secret.

Caps and Gowns

The graduating class of 1986 fashioned themselves with the traditional black attire and proudly walked across the stage in Seeger Chapel to receive their long awaited for and well deserved diplomas on Sunday, May 18, 1986 at three o'clock. The excitement and anticipation in the air made every

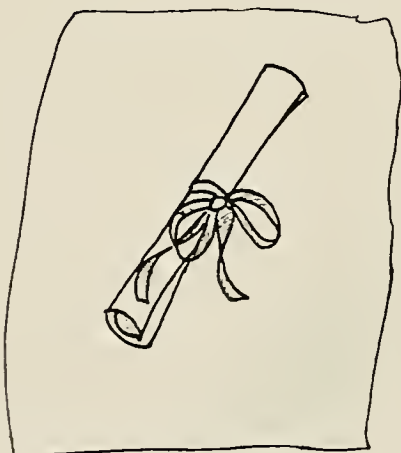

moment of the Baccalaureate Service and the Commencement Exercises a memory never to be forgotten. Graduation provided a moment for students to reflect upon their college careers and what awaits them after graduation. Those attending the Commencement Exercises were addresses by S. Truett Cathy, the

president and founder of Chick-fil-A, Inc. Before crossing the stage, the graduates were students, afterwards they became alumni. Whether students or alumni, they are always loved and welcomed members of the Milligan Community.

Dr. Marshall J. Leggett conferred the degrees.

An anthem performed by the Concert Choir includes its graduating members.

S. Truett Cathy was the guest speaker.

Even Brad Harvey looks distinguished as a graduate.

Graduation proved to be a grand occasion for everyone.

Pam Unger seems a little bit excited about the day's events.

A Family Affair

Not only is graduation a memorable time for the student, it means something special to the people who helped students make it.

Seeger Chapel is filled with family and friends of the graduating seniors.

The front steps of the Seeger Chapel is a popular place on graduation day.

SPORTS

Baseball HIT IT!

Buffs Off To A New Start ... The Buffaloes got off to a winning start this year with a tourney in Kentucky; coming home with a few wins under the belt made it all worth while. The Buffs did beat the ETSU Bucs this year. Senior David Hamilton pitched the entire nine innings to lead the Buffs to victory. Practice and determination will start the spring season with a new spirit—a spirit that wants to win!

First Row, Left: Steve Sims, Jim Hudson, Brock Anderson, Steve Hubbard, Dan Burkman, Kevin Bradley, Mark Duncan, John Gable, Steve Lambert. Back Row: Coach Doug Jennette, Bo Cox, Ed Benedict, Bill Wiedman, Tommy Miranda, Paul Fulks, Eric Neff, Pat Stuart, Dale Lynch, Tim Smith, and Brian Pursell.

Spring Baseball

Almost—but not quite—seemed to be the luck with the Buffs for the 1986 spring season. At present their record stands at 8-30. Despite the ups and downs, the Buffs maintained some records to be proud of. Pat Stuart, junior from Newburg, Oregon, leads the state of Tennessee in doubles hit with a batting average of .335. Steve Lambert, a sophomore from Kentucky, led the team with 5 home runs and 29 RBI's. Steve Sims, junior from Kentucky, pitched 5 of the 8 victories, and junior Dale Lynch was batting over .500.

The Buffs had the traditional Spring Break tourney in Florida. The Buffs schedule featured such noteworthy opponents as Salem State (Mass.), St. Leo (Fla.), Wright State (Ohio), and the rookie teams of the Chicago White Sox and New York Mets. At present the team has already signed 11 new contracts for the fall season. The Buffs welcomed the addition of new coaching assistants: Mike Hollowell & Brian Thomas. They also enjoyed the good fan support throughout the year. The Buffs will return with many new and experienced players next fall, watch out! 86-87 will be the year for BUFF BASEBALL.

Below—Front left: Steve Sims, Steve Hubbard, Damen Bratcher, Brian Pursell, Mark Duncan, Bill Wiedman. Back left: Steve Lambert, Pat Stuart, Bo Cox, Ed Bender, David Hamilton, Tom Smith, Eric Neff, Dale Lynch, Dan Burkeman.

SOFTBALL . . . BEATING THE ODDS

With three lettered starters returning from last year and plenty of newcomers the Lady Buffs softball team went into the 1986 season looking for success. At present their record stands at 15-15. Though not as well as Coach Linda King preferred, she comments that for their inexperience they have done a commendable job.

Defensively they were weak, many errors that occurred were because of their inexperience. The schedule was a little tougher this year, which was also a setback. They placed second in the Milligan Tourney and the team as a whole batted .355 for the season.

Some outstanding players include Kim Ross, senior for Kingsport, Tennessee. She has pitched all 4 years and maintained consistency throughout; according to Coach King, Kim is probably the best pitcher of all the teams played. Sharon Butler received the Batting Crown this year along with the 100% Award. This was voted by her teammates. Karen Barker, Judy Mason & Kim Ross are the three seniors which will be missed next season. They have been exceptionally consistent especially in extra bases hit. Already players are being signed for next season, along with the returnees the 1987 season will be one to remember.

Below—Front left: Jennifer Jones, Lanette Avant, Patti Hill, Susan Bryant, Kim Ross, Becky Macky, Terri Sievers, Chris Coleman, Back left: Karen Nave, Robin Gaugh, Micki Reeser, Coach Linda King, Sharon Butler, Becky Wagner, Martha Miller, Debbie Julian, Karen Barker.

VOLLEYBALL

*Below: Becci Craft sets for a slam!
Right: Lori Gibson spikes the ball!
F. Right: Kim Hogan serves with concentration.*

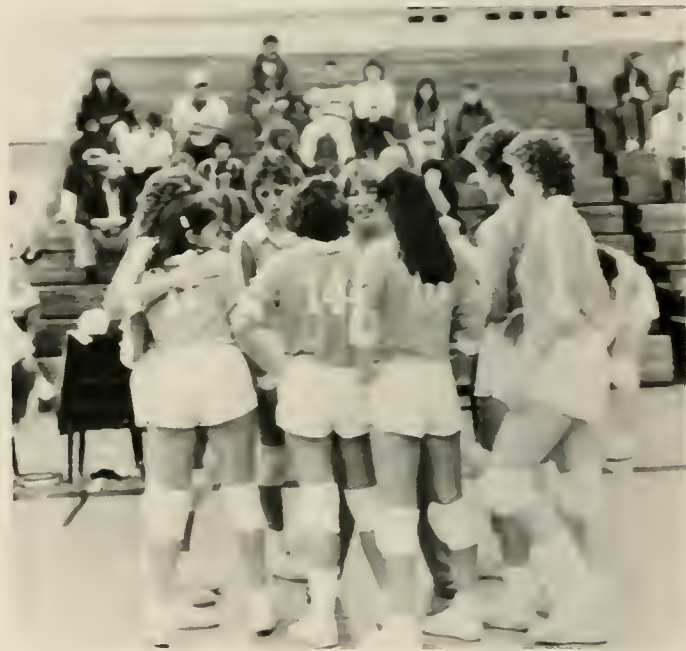

The Women's Volleyball team finished with an impressive record, 13-12. Overall they saw a rise of scores for the season 14-17 compared to last season's 12-25. The Volleyball team was very strong this year and improved with each game. Coach Linda King said this may have been the result of the incentive plan they created this season. Three team members advanced to All-Conference

Championships. Lori Gibson was on the 1st team, Robin Gaugh and Kim Ross were on the 2nd.

Captain Kim Ross, the only senior and a very strong player, indeed will be missed by the entire team next season.

The team as a whole worked together to produce many close games and devastating comebacks. With new additions to the squad—only good things can be expected for the '86 season that lies ahead.

Lady Buffs rank high

The Lady Buffs front: Bethany Eversole, Linda Pierson, Cindy Stuck, Regina Cornett. Coach Becky Corzine. Back left: Rebecca Dougherty, Janet Richmond, Tammi Kinnerson, Shari Lyford, Julie Ray, not pictured: Leslie Fowler.

The Lady Buffs did an exceptional job this year. Second in the conference only to Carson-Newman. The Lady Buffs had a strong experienced team which was very advantageous. The seniors this year are Julie Ray, Tammi Kinnerson, Regina Cornett, & Rebecca Dougherty. The 1986 fall season will be the last for Shari Lyford and Linda Pierson. The team went to the NIAA Invitational Tournament in Nashville, TN. Regina

Cornett, senior from Greenville, TN won in first round divisions, second and then was defeated in Semi-final competitions. Senior Linda Pierson also won in first and second round competitions. Doubles Shari Lyford and Janet Richmond won first and second also before getting defeated in semi-finals. Overall the team improved from last year, some experience will return next fall for a successful year in 1987. The 1986 closed with a 7-5 record.

A NEW SET

From left: Steve Cummins, Rich Hall, Ron Dove, Ron Blackmore, Tim Kerr, Keith Tolbert and Coach Duard Walker.

A New Set . . . that is what the 1986 Buff tennis team was hoping for. Five players returned from last year and one additional walk on made up the six member team. The record for this season stands at 6-10. Though not as well as expected the men did a commendable job. Some

inexperience still shows in a few of the players and hopefully through determination and practice 1987 will be a success. The seniors which will be missed are Steve Cummins who has lettered four years and Tim Kerr who has lettered two years. Good luck in '87 Buffs.

SPLASHING UP A STORM . . .

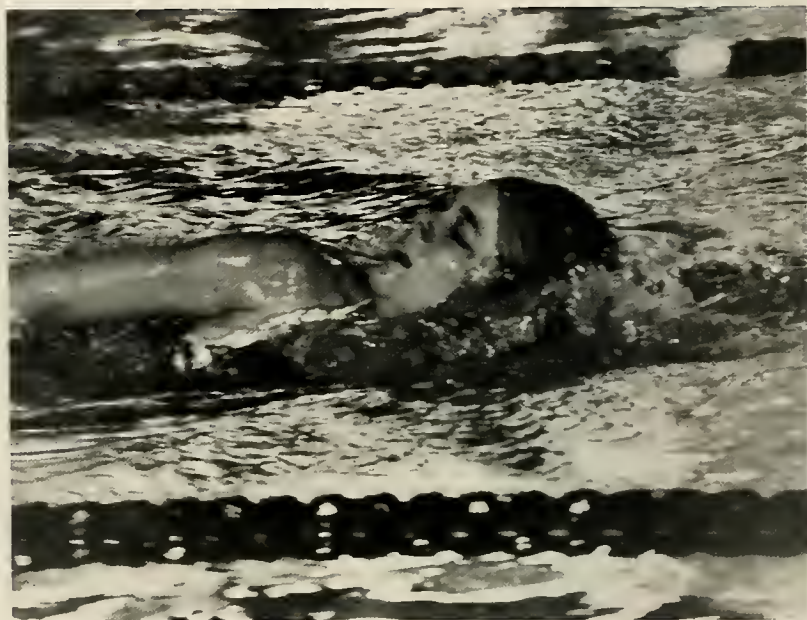

SWIMMING

The Water Buffs Swim Team under the guidance of Dr. & Mrs. Charles Gee, had several high finishes in various competitions. The team was hurt by the drop in swimmers this year, but the quality and endurance of the members made it all worth while. There were only 3 meets this year, the largest being held at Milligan on Dec 6, 1985 against Lees-McRae and Appalachian State University.

Milligan placed second with 90 points under Appy State who lead

with 196, LMC had 50. Senior, Dave Robinson, placed 1st in the 200 meter, and seniors, Pam Baumgardner and Steve Cummins, placed first in 400 meters free-style and 50 meters free-style. Senior, Tammi Kinnerson, placed 2nd in the 100 meter butterfly and 50 meter breast-stroke.

The Swim team will miss the efforts and time put into the swim club by the seniors, but with the determination and hard work 1986 will bring new challenges and goals to be set!

LADY BUFF BASKETBALL

Below: Karen Barker, Sr. is aiming high as she shoots in the ETSU-Milligan game. Right: Toy White comes down the court looking for an opening. Bottom: Becky Wagner looks toward the goal one on one during the East Tennessee game against Milligan.

The Lady Buffs had quite a remarkable season in 1985-86. With the addition of 6 new players, two being from last years team just not eligible yet—Milligan had a very good head start in the season. The team looked

very promising in October thru November, then a slight drop occurred during January after Christmas break. The seniors of this year are Retta Harris, Judy Mason, Karen Barker, and Regina Cornett.

LADY BUFF BASKETBALL

Front row: Regina Cornett, Kristi Robinson, Judy Mason, Janet Richmond, Karen Barker, and Amy Grimes. Back row: Sharon Butler, Sue Fitch, Retta Harris, Debbie Julian, Coach Joe Lewis, Lori Gibson, Toy White, Becky Wagner, and Mgr. Chris Coleman.

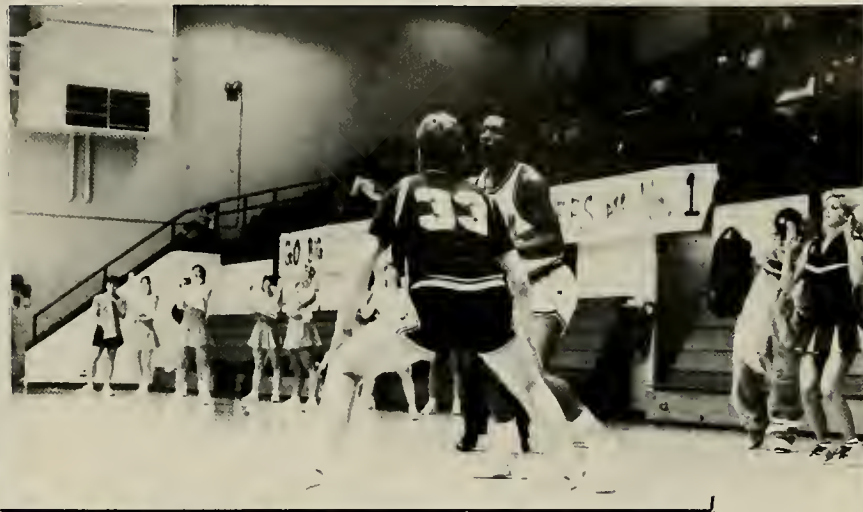

The Lady Buffs were very competitive and worked well as a team. Many of their games were lost by only two or four points. They were both determined and enthusiastic about each game and gave 100% throughout the season. Though the loss of seniors—Harris, Mason, Cornett, and Barker will be crucial, the team still has a good attitude toward next year. With

the efforts of Freshman Becky Wagner and Junior Toy White, along with Kristi Robinson, Sharon Butler and Sue Fitch—who all showed great improvement this season—1986-87 should prove to be very challenging. Coach Lewis and the Milligan fans are anxiously awaiting the next season and the opportunity to be no. 1 again.

BASKETBALL 85-86

Top left: As the center of attention, Jr., Brad Moorehouse, adds two points to the Buffalo scoreboard. Top: One on one against Bristol, (22) Byron Cox searches for a teammate. Above: The Bristol defense won't take the ball away from Roby Witcher as he drives in toward the goal. Left: Up for a field goal just outside the key, Trevor White, a 6-4 junior from Shelbyville, KY, is against the Bristol defense.

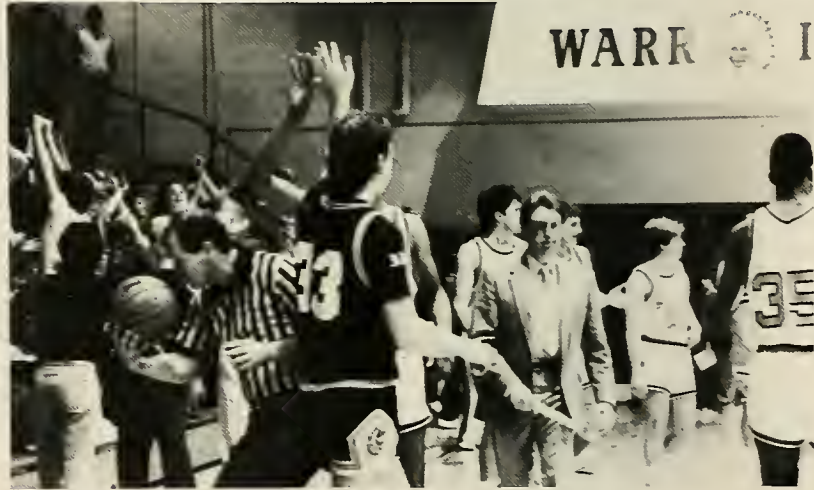

LOOKING FOR A SEASON OF PROGRESS

“What kind of team will Milligan have in basketball this year?” That question started making the rounds late in May of 1985 when a new head coach was selected, and by the season opener November 13, 1985 people weren't sure what to expect of the Buffs.

The 1985-86 Milligan Basketball season had a lot of “news” in it. New head coach, new players, and new **ENTHUSIASM!** The first two home games for Milligan were successful against Bluefield and Tocco Falls. Then a weekend tourney in Ky, against Transylvania and then Berea was somewhat disappointing, but the Buffs were very optimistic and pressed onward. A home game against UNC-Asheville provided crowd enthusiasm

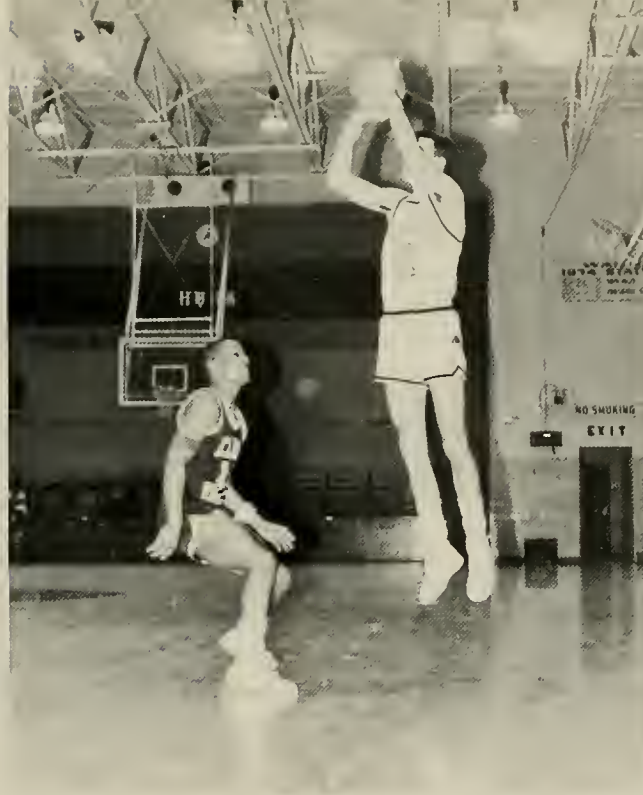

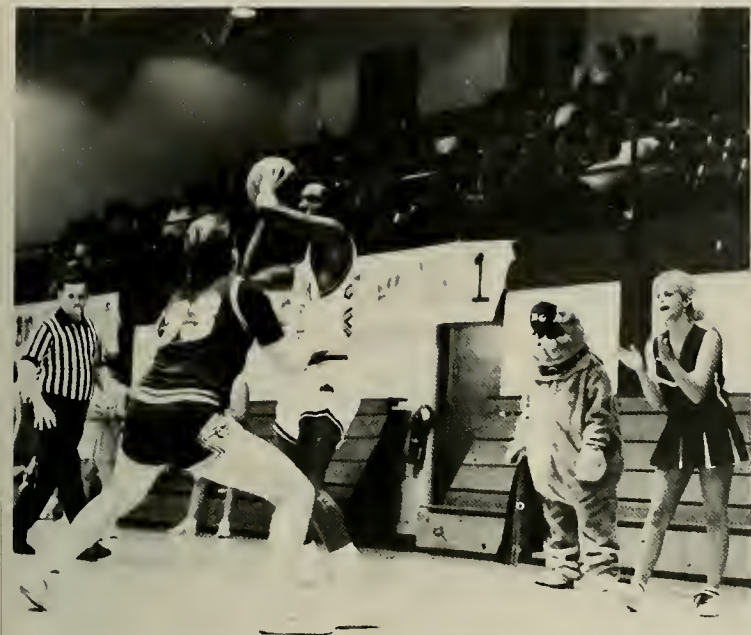

when a victory ended for the Buffs. The next four games before Christmas break ended in defeat.

Coming back in 86 seemed hopeful when the Buffs defeated Covenant College of Chattanooga & Emory & Henry of Virginia. The Buffs then lost to UNC-Asheville by a mere 2 pts in Asheville. The Carson-Newman game was somewhat devastating to the morale of the team and fans, but it quickly rekindled with two victories over Tennessee—Wesleyan & Tusculum. The season ended with a game against Indiana University-Southeast in New Albany, IN. The Buffs did a remarkable job on defense and kept within a four-point range the entire game. In OT the Buffs lost by 12, though disappointed they had a lot to be proud of.

Above: J. Freeman sacrifices for 2 pts. Side: B. Moorehouse stretches for the rebound. Middle: A glance at a disappointed Coach Tuell.

Above: Clinch Valley opponent looks in awe as Sr. R. Witcher levitates another ball toward the goal. Upper left: Byron Cox searches for a teammate. Aside: S. Tandy outmaneuvers Bristol for 2 pts.

The record stands at 11-21. A new team and new coach, they have only to progress forward. The unity of this year's was greater than any year in the past.

The only senior this year was Roby Witcher of Bristol, TN. Roby played all 4 years at Milligan, progressively improving each season. He has scored a total of 1500 pts. while at Milligan. He was chosen Most Valuable Player this season along with Trevor White. Roby will be remembered for his effort on and off the court, always giving 110%.

Some other awards given this year went to Byron Cox—Most Christian Athlete, Wilbur Reid—Academic Award, Jim Freeman—Coaches Award, Brad Moorehouse—Most Improved, Myrin Roberts—Most Outstanding Player.

Myrin Roberts & Shawn Tandy were both chosen for the all Freshman Conference Team of VSAC.

The team has already signed with various recruits for next fall. There will be four starters returning and many experienced juniors and sophomores. With this potential hopefully the enthusiasm which aspired this season to be of progress will push forward and the Buffs will reach the success they so deserve.

SPIRIT
SPIRIT

Front Left: Co-Capt. Diane Down-
hour, Lori Fields, Ellen Fouser, Julie
Pirkl, Capt. Whitney Smith. Back
left: Lance Adams, Leslie Fowler,
Jonathan Kinnick, Stacey Dro-
gowski, Gerret Gover, Jene Ray,
Dave Bostic.

The 1985-86 Milligan Cheerleaders led by Capt. Whitney Smith, gained distinction early because of their dedication, talent, loyalty, ability, and most importantly, SPIRIT! Combining traditional Milligan chants with many exciting new ideas, their excellence was evident to all who witnessed the orange and black in action. The 12-member squad made up of 8 women and 4 men contributed to the spirit at men and womens' basketball games.

SPIRIT BUFF SPIRIT

Unity was a notable characteristic of this year's squad. They performed well together and enjoyed a closeness few groups can ever experience. Whether it was driving 50 miles to away games or meeting for weekly practices, there was never a dull moment among the twelve "unique" personalities comprising this year's squad.

The cheerleaders wish to express their thanks to the fans and alumni who were so consistent with their support for the Buffs. For 1987 the enthusiasm and SPIRIT should be at an all time high.

GOLF . . . Putting Along . . .

Putting along, the Milligan Golf Team is in their first season of being recognized as a team. In previous years, only a club existed. Due to efforts from Alumni and the determination of their coach/advisor, Cal Lyford, they are showing some outstanding talent and promise.

The team consists of eight members: Mike Hogan, Tom Roberts, Dave Robinson, Jim Wood, Russ Garrett, Jon Stacey, Kevin Truesdale & Brent Portell. Usually the top 5 golfers go to a match and the four highest scores are collected for a team score. At the pre-season match against King College, Milligan won after 9 holes with a score of 164 and King 11 strokes behind. This, of

course, was a shock to King and quite a boost in confidence for the Buffs.

Since Milligan is not a scholarship team, anyone can join; Milligan is quite fortunate to have such a solid team in its first year of existence. Sr., Mike Hogan, who is Capt., will be missed next season; his efforts have been greatly appreciated. The talents of 3 freshmen—B. Portell, K. Truesdale, & J. Stacey look very promising for 1986.

Though Milligan has never been considered strong enough to compete with other teams in the TVAC conference, the determination and steadfast efforts of team mates will prove different in seasons ahead.

Mike Hogan lining up his putt; Above: Brent Portell watches in anticipation as his ball approaches the ninth hole. Group: left, M. Hogan, D. Robinson, B. Portell and Coach Lyford.

Running Away with it!

Cross-country '85 from left: Jason Doting, Cathy Griffith, Cort Mills. Back row: Bill Webb, Lanette Avant, Patti Baumgardner, Melody Vestal, Jeff Voudrie, Darian Taylor, Susan Bryant, and Cathy Mullinax.

Faster than a speeding bullet? Not quite, but they made quite an impression for their first year. The team has a coach/advisor, Cort Mills, who is really dedicated to his job as well as enthusiastic about it. The track and field events at Milligan had been dropped; through his effort they are getting back on their feet again.

Since most colleges our size have also dropped their cross-country team there is little competition nearby. Our Buffs traveled around the state to 3 different meets and running against many major universities including: Vanderbilt, Louisville, Georgia, Lincoln Memorial, David Liscomb, Covenant,

Oglethorpe, Rhodes, Belmont and others.

The team's effort and determination to practice with the unfamiliarity of cross-country competition is very commendable. It is a very young team with much promise for the seasons ahead.

The Men's team was led by Wild Bill Webb, and the Women's team by Susan Bryant, both who are freshman and will be strong assets to Milligan in coming years.

Overall, their performance and effort was quite a success; for Milligan hopefully the experience gained will turn them into a highly competitive collegiate team.

Milligan College

MILLIGAN COLLEGE, TENNESSEE 37682

1986

INTRAMURALS

Some people skydive. Some people drive race cars; all want the same thing. That is why Intramurals exist.

There is something that makes the blood turn to ice and the mind burn like magnesium when you step out on the football field or the basketball court and know perfectly well that someone might have to carry you off, strapped to a stretcher.

It is definitely a thrill. You see, there are people who play Intramurals who take these games very seriously. These ex-high school jocks who don't play inter-collegiate sports are

out to win at all costs. To them nothing is fun but victory.

You've seen them. They're the ones who have actual baseball uniforms during softball. Some have fun. Some get exercise while having fun. Some want to win and will kill to do so.

Of course these athletes could stop playing anytime if it got to be too much stress. They probably didn't come to Milligan to play Intramurals. However, they all want to have a good time, they want to stand close enough to death to feel its icy breath—for in Intramurals, only the strongest survive.

ACADEMICS

— Let's Buy Books —

One of the expenses of being a college student is buying books. You can count on spending time and bucks in the bookstore. An average semester's books cost between \$100.00 and \$200.00. Lines are long and people are grabbing

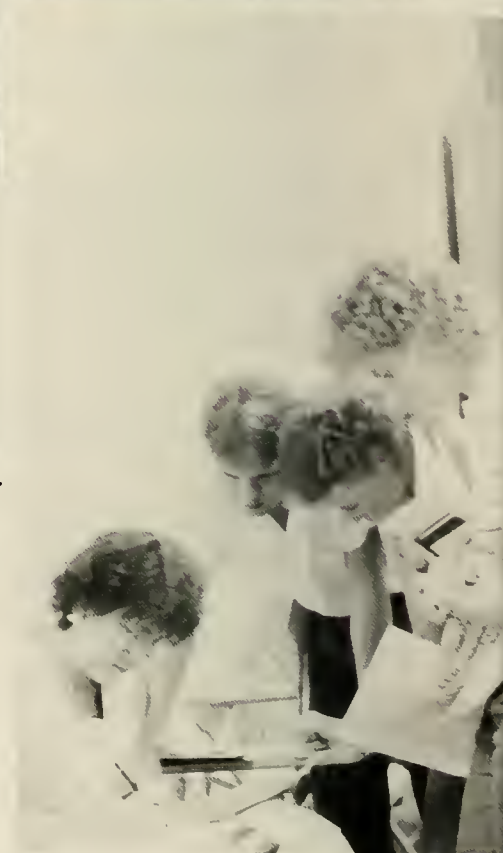

the less expensive used books. Books may be charged, paid for in cash or VISA. Many students save money by buying books from fellow students. Buying books is a tedious and sometimes painful procedure faced by the students at Milligan College.

The bookstore has broadened itself by selling contemporary Christian albums and tapes.

Long lines are found in every room during registration.

That's right, your books cost \$189.56.

Three Milligan students barely survive the ordeal of registration and purchasing books.

Registration Blues

Registration is one of the least enjoyable things a student has to go through every semester. Although Milligan College is a smaller school, the hassles and aggravations are still present. This year the registrar's office used computers in the registration

process, which meant problems from the beginning. The lines for required courses grew lengthy and frustrating. Each check point meant confusion, but once students received their sticker for the semester, they were released from this terrible ordeal.

The Semester Abroad students visit Siebenaler, Luxembourg, the ancestral home of Sieb.

Mrs. Billie Oakes shares with the Milligan community during one convocation service.

Convo!

Convocation services are a requirement of all Milligan College students. This year's convo committee produced a variety of speakers and presentations. Students heard from missionaries, faculty, established ministers, and even from other students.

One of the most enjoyable convocation services was the one set aside for students who studied abroad the previous se-

mester at Springdale College in Birmingham, England. Each student was given the opportunity to tell of their valuables of being overseas. Not only do these students study, they are able to see Europe at a relaxing speed. The classes they take count as credit here at Milligan, so no time or money is lost. This convocation service proved to be one of the most memorable of the whole year.

Trip Fetter and Dave Siebenaler are in the garden of the Brussels, home of Erasmus.

Marcia Baldwin brought a taste of the Metropolis. . . Opera to Milligan College.

Entertainment

Milligan College has a unique fund for the Concert Lecture Series. Many entertainers and lecturers are invited to perform and speak for the Milligan Community and its surrounding area. Many big names such as Maynard Ferguson and Marcia Baldwin were among the many entertainers who came to Milligan this year.

Not only does the

Concert Lecture Series bring top names to Milligan College, but the Student Government Association schedules many Contemporary Christian concerts each year. This year's guests include Glad, Randy Stonehill and Leslie Phillips, Larry Bryant, and White Heart. Milligan College offers the well-rounded cultural experience if students choose to attend the scheduled events.

Randy Stonehill and Leslie Phillips performed "The Common Vision Tour" in Upper Seeger during the Fall Semester.

One of the best known trumpeteers in the world, Maynard Ferguson, performed one of the best concerts all year.

Schools In

Although college life involves dates, dorms, and the weekend, the real reason for school is to learn. A student may know what classes he needs for his chosen career, but he must take required courses to be eligible for graduation. Fun classes like Humanities enlighten the Milligan student and prepare him for the ominous void

known as "the world." Once graduation requirements are met, classes towards a major area of study begin. They are not any easier than required courses, but they tend to be more enjoyable. Once the semester is over, students realize that although they had to pull some "Late Nights", it was worth it.

Jonathon Chambers, a Milligan intellectual, obviously enjoys his classes.

Ken McNeff is enthusiastic about learning the functions of the family in Dr. Hall's class.

Ellen lounges in the library with Heritage of Western Civilization.

_ Study, Read, or _

• • •

One of the most popular places on campus is the P.H. Weshimer Library. Milligan subscribes to numerous periodicals and journals. It has sufficient research material for the students who use

its facilities. The library provides a haven to study when dorms become noisy and distracting. Surrounded by books of literary merit, the serious student has the proper environment to study, read, or even sleep???

Sarah Beth Simmons is resting her eyes in the library.

The tour guides:
Professor Terry
Dibble and his wife,
Kathleen

The Leaning Tower
of Pisa

Humanities Tour

The 1985 Humanities Tour will go down as one of the greatest events in the history of mankind (At least for the eight Milligan students involved and the beloved tour guides—Terry and Kathleen Dibble). Touring twelve countries over a 42-day span in a bright orange van and a little blue car, the trip combined the best elements of culture, art, history, natural scenery, fun, and excitement.

From the beautiful castles of Germany to the beaches and ruins of Greece . . . From friendship and oppression in Hungary to the scenic Alps of Switzerland . . . From Renaissance art in Italy to the green grass of Wimbledon tennis championship in London, the 1985 Humanities Tour can best

be described in terms of variety, diversity, and contrasting images. To see the beauty of God's creation manifested in nature, art, and human kindness side by side with Dachau concentration camp, closed Hungarian borders and the home and hiding place of Anne Frank makes one ponder the paradoxical realities of our universe. On the other hand, to see Brian Nix dressed in a skirt so that he can be allowed in a cathedral simply makes one ponder the sanity of the tour members (who survived reasonably intact, but with a different view of the world and a burning desire to return and conquer the continent once more . . .)

Becky Peil, and
Christy Adams*

Eat It!

What is the most important necessity to the existence of life besides sleep—Food! The cafeteria provides the cuisine and atmosphere of a quaint dinner with friends. When students can

not identify the meal, the S.U.B. is the other alternative for nourishment. It has a grill and numerous snack foods to curb those munchies. It is therefore impossible for a Milligan student to go hungry on campus.

The long lines are an everyday occurrence students must deal with.

Sarah Beth Fretwell and Jane Weston seem to be enjoying the fine cuisine.

If all else fails, go eat at the S.U.B.

Art!

Art presented itself in a new and exciting way on Milligan College's campus this year. Mr. David Knoecklein, a new member on the faculty's art and humanities departments, was the featured artist in an art

show presented in lower Seeger in April of 1986. His many paintings and drawings represent many years of hard work. Milligan College is very fortunate to have such a talented and respected artist as a member of its community.

Mr. Knoecklein has many different types of artwork on display.

My, don't we look sharp?

Many of the students and faculty attended this special artshow.

Pep Band serves the college community by furnishing Milligan Basketball games with a band that promotes the spirit of players and spectators alike. Also, it proves beneficial to the individuals involved, as they are able to retain their skills by continuing to play their musical instruments.

PEP BAND

Back row, left to right: Anita LaVallee, Bert Cross, Jonathan Chambers, Lisa Slater, Wendy Bloemker, RonnAnn Naedele, Rebecca True, Christy Pippin, Rick Dunn, Front row, Left to right: Debbie Bechtel, Jamie Smith, Mark Madden, and Becky Mackie.

INTERNATIONAL CLUB

The International Club gives students from different cultures the chance to exchange customs and life styles. This organization seeks to encourage an interest and understanding, and a growing interaction among students from different countries. Many foreign customs are observed in each meeting through discussion, presentations, and various food preparations.

Back row, left to right: Tim Getter, Kevin Main, Sarah Beth Simmons, Middle Row, left to right: Kim Coleman, Beth Wolfe, Kim Bays, Front row, left to right: Tanya Mullins and Cathy Brown.

CIRCLE K

The Circle K Club at Milligan is part of an international college organization, sponsored locally by the Johnson City Metropolitan Kiwanis Club. Circle K gives students the chance to be actively involved with the community, as well as the campus. Their service is evidenced through various club activities.

Back row, left to right: Dee Dee Glidewell, Rebecca True, Jeff Bourn, Third row, left to right: Keith Tolbert, Connie Cooper, Tammy Johnson, Second row, left to right: Wendy Bloemker, Phillis Gower, Front row, left to right: Christy Pippin and Kathy Gable.

The Student Government Association is dedicated to the service of the students of Milligan College. S.G.A. is a major source of communication between students and administration, and offers a chance to discuss and act upon certain issues on campus.

The specific purpose of S.G.A. is stated in the Constitution as follows: The purpose of S.G.A. is to formulate and

execute a Christian Student Government whose duties and liberties shall be to stimulate communication and more empathetic cooperation among students, faculty, student activities on campus, to participate in the determination of college procedures, to labor in the interest of improving academic standards, and to develop a greater spirit of progressive citizenship.

Members: Back row: Bryanna Burbank, Phyllis Hill, Lora Hays, Laurie Cupp. Middle row: Kelly Beattie, Susie McNett, Jane Zieske, Dana Miller. Front row: Carol Baker, Chris Cottrell, Sharyl Powers, Bert Cross. Sheila Angel—not pictured.

The 1985-86 squad had a great year! Many thanks to all those who helped support the squad's fund raisers. With the money raised, sweaters and poms were purchased. Because the fieldhouse was shut down for repairs, the basketball team performed at Happy Valley. So the squad had the experience of performing somewhere other than our own Milligan fieldhouse. The squad performed to such songs as "Meeting in the Ladies' Room" and "Congo". A special number to "Sharp Dressed Man" was done with guest appearances by Dr. Knowles, Dean Derry, Coach Jennett, Shelburne Ferguson, and Jack Sale. The squad also did a special number to a 50's medley. The highlight of the year was traveling to New Albany, Indiana. During the exciting game at Indiana University Southeast, the squad performed two halftime numbers. All in all, it was a good season.

Student Council For Exceptional Children

The Student Council for Exceptional Children provides an opportunity for students interested in special education to learn more about this field, as well as about handicapped persons and related public agencies. The members gain a better understanding of these special children by helping with projects, actively and financially, and by listening to guest speakers.

Back row, left to right: Dana Henning, Laura Scruggs, Bryanna Burbank, Rebekah Berkley, Front row, left to right: Becky Taylor and Sue Shipp.

The Student National Educators Association

The Student National Educators Association provides assurance for the prospective elementary and secondary teachers at Milligan. Meetings include discussion of current issues in education and are often led by guest speakers active in this field. Yearly dues are paid to provide student teachers with insurance and supply them with newsletters and magazines.

Back row, left to right: Pam Phillis, Bryanna Burbank, Kim Bays, Middle row, left to right: Debbie Bechtel, Gaye Chalmers, Sharyl Powers, Front row, left to right: Debbie Rothrock and Dana Henning.

Phi Beta Lambda

Phi Beta Lambda is Milligan's business club. Business students are familiarized with current business trends, and given the chance to expand their knowledge about the business community. Membership requires \$5 national and state dues and completion of an application form. Club activities include trips to area industries, service projects, and guest speakers.

Back row, left to right: Brian Nix, Margie Trent, Becky Sweitzer, Wendy Bloemker, Scott Hobson, Front row, left to right: Julie Holden, Alison Bowers, and Pam Carden, Not pictured: Scott Dines.

ASSOCIATION OF CHRISTIAN MINISTRIES

The Association of Christian Ministries contends to serve all Milligan students, but especially those going into ministry. The Association holds meetings and seminars, led by many qualified speakers, which are open to all students. This club gives students a chance to discuss topics connected to Christian ministries.

Left to right: Rick Raines, Dave Mills, Debbie Bechtel, and Dave Siebenaler.

POLITICAL SCIENCE CLUB

The purpose of the Political Science Club is to increase political awareness and involvement among Milligan students, and to help prepare those students considering careers in government. The club invites many outside speakers, and meetings are open to anyone wishing to attend.

Left to right: Scott Hobson, Vincent Slabaugh, and Wally Taylor.

MUSIC EDUCATORS NATIONAL CONFERENCE

The Music Educators National Conference provides an opportunity for students involved in the professional or educational divisions of music to actively show their dedication to the uplifting of music standards, achievement, and appreciation in public schools. The M.E.N.C. sponsors many activities each year, and members pay yearly dues amounting \$7 in order to receive state and national music magazines.

Top: Mark Madden, Middle, left to right: Loretta Jette, Anita LaVallee, Front row, left to right: Christy Pippin, and Jonathan Chambers.

SCIENCE CLUB

The primary aim of the Science Club is to both advocate and encourage the curiosity of those concerned with science. Monthly meetings are scheduled, at which special guest speakers are featured to speak about different areas of science. Also, each April the club undertakes a trip to Washington, D.C. where they explore different museums, monuments, etc.

Back row, left to right: Becky Fry, Norma Nehren, Frank Drew, Randy Davis, Roger Roberts, Middle row, left to right: Laura Scruggs, Cathi Fowler, Margie Trent, Front row, left to right: Debbie Rothrock, Lynn Pottenger, Adeline Prophete, Karen Crites, and Carole Railey.

The Yearbook Staff is a group of students that get together to best portray Milligan College through the production of a book. They work long and hard hours to accomplish their goals. Studies and social life are, at times, sacrificed. The book is published by Herff Jones Yearbook Company each year in cooperation with the administration, faculty, and students. The members learn time budgeting skills, as well as management, creativity, writing, and photographic skills. The staff sold ads and patrons to businesses, families, administration, faculty, and students.

Being a senior, I would like to thank Milligan College for my education, as well as the great experience I have obtained from having the opportunity of being editor for the past two years. I have learned a lot about management, people, myself, and professionals. I

would especially like to thank Mrs. Ann Iles, our advisor, and Miss. Sandra Smith, our Herff Jones Representative, for the time, help, and support throughout the four years they gave me in the positions I held. The staff had its ups and downs before deadlines, but it was basically inexperienced. The freshmen caught on quickly, learned a lot, and were a great addition to our staff.

I hope you are pleased with this book. It takes a lot of time and effort from many people in the Milligan College community. GOOD LUCK TO THE CLASS OF 1986! I hope we have given you a collection of memories that will be remembered throughout the years.

God Bless You All.
Cynthia Kaye Rock
1985-1986 Editor

HELICON

The Helicon is a literary/artistic magazine that welcomes all short stories, poems, or artwork. One issue is published in the spring of each year. Also, there is a Helicon concert held in the spring to raise funds for the publication, and to give students who have talents in other areas the chance to reveal their gifts.

Left to right: Jim Potter, Cathy Brown, Phil Holdman, Debbie Turton, Beth Wolfe, and B.J. Harding.

PUBLICATIONS

STAMPEDE

The Stampede is Milligan's official student newspaper. This publication works to keep the students informed on current issues and activities around campus through the use of editorials, cartoons, letters to the editor, news stories, and feature articles.

Back row, left to right: Scott Hobson, Wally Taylor, Frank Drew, Norma Nehren, Front row, left to right: Becky Mackie, Phillis McAllister, and Carole Railey.

PEOPLE

SENIOR MEMBERS ONLY

When we came to Milligan four years ago no one ever expected that Mike Churchin would be Student Government President. No, instead we pinned all our hopes on Jeff Mullis. (By the way, where is Jeff Mullis?) To say the least we all have learned from experience and grown as individuals since our arrival to Milligan in August 1982. But more importantly we have grown together as a class where special friendships have been formed and will remain, although we go in our separate directions.

The times we have spent together, whether they be watching a Kenneth Clark premiere, skiing down the slopes at Gatlinburg, or listening to an A.I.D.S. lecture in Convo, will always be special and unique memories. And those memories will create a common bond between us, the Class of '86. Thanks to all who have made these four years an exciting, fun, and "educational" experience. And a special thanks to the great group of officers—Becky, Cathi, Dave, Rick, Phyllis, Regina, and Vice President Sam—who made the Senior Retreat a reality.

Congratulations to the Class of '86!

SENIORS RULE

CLASS OF 1986!

MILLIGAN EVENING COLLEGE

The Milligan Evening College, with centers in Kingsport and Milligan College, has a new and different scheduling of courses at night designed to meet the needs of working adults and other nontraditional students—those persons too busy living and working to pack up their families and go away to college. The

Milligan Evening College offers basic and advanced courses leading to majors and minors in Accounting, Business Administration and Computer Science. In addition, courses, workshops and seminars are available to upgrade present job skills and to prepare the adult learner for career advancement.

The 1985-86 school year has come and gone faster than the blink of an eye. It seems as though it was just yesterday we began registering with our new modern "quicker" computer systems. Although the year has vanished quickly, the class of 1987 definitely has had their hands full. Raising money and preparing for the Junior-Senior Banquet took up much of this year's activities, but there was room for some fun evident in the Junior-Senior "clash". All in all, the year proved to be a growing and learning experience. Learning the need "to be concerned about one another . . . help one another . . . and to encourage one another" (Hebrew 10:25-26) has proved to be a priceless lesson for me and the people I've worked with. Cooperation is essential to the success of any person or organization.

Most importantly, I've learned that I can do all things" . . . not by might, not by power, but by his spirit" says the Lord (Zechariah 4:6). After nearly 16 years of education, only one more year remains for the class of 1987. Let's make it the BEST!

In Christ who strengthens me,
Jim

FRIENDS

Friendship

Ecclesiastes 4:9—"Two are better than one, because they have a good return for their work." Milligan College is the place where lasting relationships are continually being formed. Milligan is host to all kinds of people from all over the world. The uniqueness of every individual is an added advantage to friendships formed here. The friendships we have made as students at Milligan have helped us through hard times as well as shared with us during the good times. Friendships are evident in every aspect of Milligan life, on campus as well as off. The Milligan cafeteria has almost become a social institution for

students.

For those interested in a more private meal, Burger King or Arby's serve the purpose well. Common classes often are the initiators of friendships that can grow and prosper. Dorm life aids in bringing friends closer as they learn to live in harmony with one another. The classes, meals, study breaks, dates and social gatherings we will always remember because of the friendships that make these aspects of college life so very special. It is true that two are better than one, but God has blessed the Milligan community with an abundance of friends.

“No More Human Agonies”

SOPHOMORES

Officers: (top): Brian Nix, male rep.; Dee Ann Taylor, vice-pres.; Dave Hubbard, male rep.; (bottom) Patti Morgan, sec/treas.; Jene Ray, female rep.; LauraLynn Hull, female rep.

Two years ago when we arrived at Milligan the words of our parents were fresh in our ears, "Remember what you're here for, an education." Now with two years behind us, and our parents words fading away we realized the true meaning of college, to have a good time. Let's face it, only nerds are concerned about grades, "have a good time while you can" became the Sophomore class theme. Blowing off Humanities tests became a regular occurrence among the members of our class. Study time became a thing of the past, time once devoted to study became P.R.'s time or simply time spent with good friends. The immortal words of Neil Young became the basic foundation which most Sophomores built their college career on, "It's better to burn out than to fade away." The class of eighty-eight will always be remembered as going for the burnout.

PRACTICAL JOKES

Outside of the emphasis on academics for Milligan students, involvement in extra-curricular activities is necessary to maintain sanity. Of course, some of these activities are more widely practiced than others. Take practical jokes for instance. Originality in joking is characteristic of Milligan students. Soda cans or brooms outside someone's dorm door make the perfect boobie traps. Perhaps the adventure of relocating the Milligan buffalo is more appealing to some students.

Practical jokes at Milligan

serve several purposes. These jokes can bring people together as friends. Group efforts seem to produce the most effective results in the realm of practical joking. Yet another advantage of practical joking is the fact that it serves as a great outlet for tension and stress. By participating in the practical joking traditions, Milligan students can escape the monotony of life as a college student. As you can see, practical joking has always been a vital part of college life at Milligan and will continue to be so.

The arrival of the class of 1989 on the Milligan campus was accompanied by the return of the dinks. We wore them with pride but unlike the word out of Paris, they did not become a major fashion item. After establishing Thomas Moore as a "Christ-like" figure, we proceeded to be adjusted by psychology until we chose Kenneth Clark as our favorite historian. As Freshmen, we accomplished many things. We invaded Gatlinburg, sold M & M's, Feuded with the rest of the Family, and lit up Eastern Tennessee with a bonfire. Most important, we fused together our intellectual, social, and spiritual lives so that we are now responsible adults, or at least sophomores.

Nouveau Café

Eventhough in the end we will acquire more elbow room at the table, until its extension is completed, the cafeteria can be a claustrophbic experience. Trying to avoid putting our elbows in our neighbors plates, we patiently await the opening of the new Joe and Laura McCormick Dining Hall. Thanks to the McCormicks we will soon be able to dine comfortably.

Besides the cramped dining area, there have been other small nuisances that accompany the cafeteria. The obnoxious contruction workers are a threat to any females who dare to walk up the hill in a group less than five. The clamor of

the gigantic machines as well as the thunder of bricks deafen the unfortunate girls of the front side of Sutton.

Heaven forbid if you desire to sleep in past say . . . 8:00 am. Our already small roads became almost impassable in the presence of the construction vehicles. The broken pavement, gravel and mud are difficult to walk on with tennis shoes not to mention our Sunday best.

But dealing with these inconveniences will soon, hopefully, pay off with a bigger, more efficient cafeteria. Until then, we will eat in shifts, carry mace, wear earplugs, and stumble down the hill.

IN APPRECIATION

The Buffalo staff wishes to recognize and extend its appreciation to Mr. Charley Shuffler. As director of Maintenance and Security, Charley made significant strides toward improving campus facilities. Along with his workers, Charley, with hard work, determination, and extensive training, helped produce improvement in the electrical, heating, and air-conditioning

systems on campus. He also achieved his goal of helping his workers to become more self-sufficient. Charley was not only a dedicated and talented Maintenance Director, he was also a good friend to many in the Milligan Community. We wish him well in his new position as Plant Manager and Plant Engineer at the B.L.R. Corporation in Sanford, North Carolina, and in his new home.

A BIG THANKS TO A GREAT YEARBOOK STAFF!

This year's Yearbook Staff would like to thank the Student Government Association of 1985-86 for their \$400 contribution. We were able to have better quality paper, a professionally drawn cover, and Milligan College printed down the binder of the book. We greatly appreciate this contribution and without it the book could not have been what it is now.

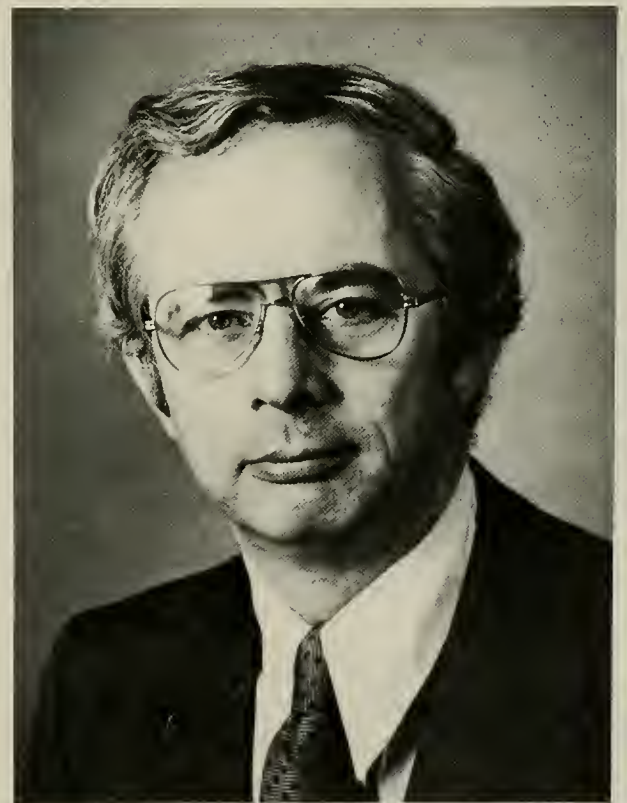

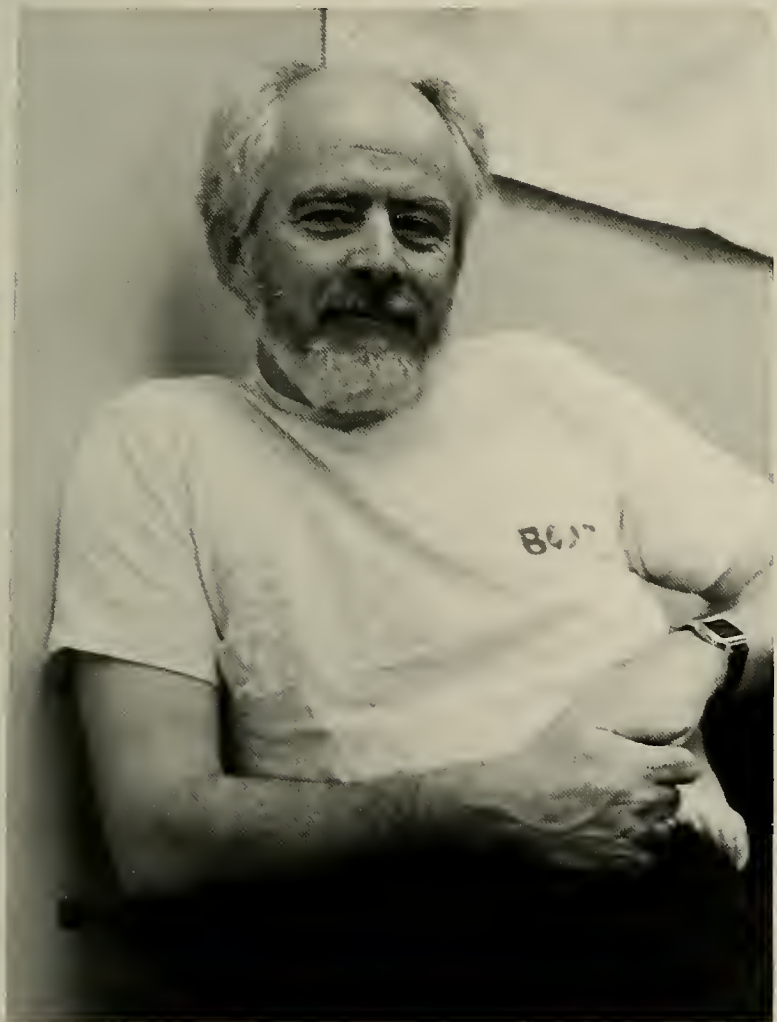

A special thanks to Mrs. Shields and Tom Tomlison for the use of their pictures throughout the year. Also, thanks to all who wrote copy who were not on the staff. We appreciate your help.

DEDICATION

The Buffalo staff respectfully dedicates the 1985-86 yearbook to Dr. Kenneth W. Oosting in recognition of his faithful service as Academic Dean from August 1976 to January 1986. During his tenure as Academic Dean, Dr. Oosting built a strong reputation as a highly capable administrator who was devoted to the best

interests of the student body. His contributions to the Milligan community in the academic area, as well as the spiritual and social areas, will be remembered as sincere and successful. Milligan appreciates his outstanding dedication to his former position and wishes him the best in his future endeavors.

The many faces of Dean Oosting!

SEPARATE, YET TOGETHER

Each year when the dogwood trees reach full bloom and the thermometer struggles toward warmer degrees, a sort of "epidemic" attacks Milligan College. It seems as if nearly everyone walks around campus in a euphoric daze, whispering about there being only three days until finals are over and then they are off for bigger and better things.

But while the students dream of pleasantly strolling along glistening sand and basking in the summer sun, they have not forgotten about all their wonderful experiences at Milligan. Though they will all eventually go their separate ways, they will remember the most important thing that they have shared: their membership in the body of Jesus Christ.

***A wonderful place to be . . .
... A wonderful place to grow.***

This membership sets us apart from other colleges and universities because we are all here for one purpose—dedicating our time and talents to the glory of God. We know that wherever we may be, we will continue to share this special bond—for members only. A song by Leslie Phillips expresses our thoughts exactly: “Sometimes fears can hide our vision, the loss of purpose chains us down. We think He’s forgotten all we’re dreaming

of, but how could He forget the ones He loves. It’s not by might, not by power, but by his Spirit, says the Lord.” And then we read in Philippians 2:2, “make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose.” This is where our motto of being for members only comes in. We are united together for the same purpose, and only those who desire to share the love of God with us may join in our quest.

Milligan College 1985-86
A final farewell.
