DIRECTORY OF MILLIGAN COLLEGE ALUMNI

Many of our readers have asked for a list of the names and addresses of all alumni members, so it is with pleasure that we submit such information in this mid-winter number of the Range. Many of our alumni have thus far failed to send in blanks which we mailed to them on two former occasions, hence we regret not to be able to print the names of all the graduates of Milligan College.

We shall appreciate receiving information of any graduate whose name does not appear in this number.

The next issue of the Range will carry pictures and write-ups of graduates who have entered the profession of teaching (college) and medicine.
