NUMBER 1

Study Period Has Begun

Mrs. Derthick contributed the \$52. realized from the Alumni Banquet held at Commencement time, to Hopwood Memorial Church. The money was to improve and beautify grounds.

A Message From President Derthick

To all our Former Students and Members of the Alumni:

It is with great pleasure that I greet you at the beginning of this our new year, 1939-40. All summer long we have been eagerly awaiting the incoming of another splendid freshman class to take the places of our seniors of last May, all of whom, to our great pride and joy, have secured

A Letter From Our President

Elizabethton, Tennessee
Oct. 15, 1939

We had a grand time at the "Homecoming Banquet", on May 27th. There were more Alumni and Former Students present than have ever before attended such a meeting. Interest and enthusiasm in the Association is growing steadily.

Those who attended enjoyed the fellowship to the utmost. All of them indicated that we should have some definite purpose as an organization other than just meeting once each year to have a good time, and that the program should be such as to bind us together and to the school. Then we can feel that we are a real and active part of the College and not just a "has been".

Wouldn't it be fine if we could do something to help guarantee the life of Milligan? Something that would go on through the years giving to others the opportunities we enjoyed? We want Milligan to live and prosper throughout the

Our President Writes

Elsewhere in this edition you will note the communication signed by Mr. Lew Taylor, President of Milligan College Alumni Association. Mr. Taylor has repeatedly said that an alumni organization has no excuse for existence unless it contributes something for the future welfare of our Alma Mater. In line with this reasoning he sends this message to you through the columns of the Buffalo Range. This same letter in typed form will be mailed to possibly five or six hundred alumni with the hope that our president's appeal will be loyally supported and the good speedily attained.

Each member of the executive council must raise \$144.00 in order to reach the goal of \$1000.00.

Let us all rally to the support of President Taylor!

Home Coming Game

The Home-Coming game will be on October 28, at Roosevelt Stadium. The Buffaloes will meet the strong Emory and Henry team. Visiting Alumni know they will see an interesting game and we are looking forward to that date to welcome them.

Special Bulletin To Alumnae Only

At 2:15 P M. on Saturday September 23, 1939 official communique No. 1 was issued. It announced that from this date Milligan College girls may don "sox" and that said apparel is hereby permissible in the class-room as well as on the campus.

Cupid Crashes Through Milligan Line Victims Seek Altar During Vacation

Among those found "missing" when September 5 roll call was made were:

Reba Durett, Pauline Smith Frieda Cecil, Nan Cody, Sibyl Mullins, Katheryn Kail, Lavada Bacon, Katheryn Chambers, and Nera Kennedy. It is reliably reported that the "missing" list fell victims of Cupid's dart, then the Altar. The Range has not been informed of the other contracting party, however if these former students will kindly notify us we shall be glad to make the change of names on our record.

Milligan Opens With Large Enrollment

The total enrollment of Milligan College, according to the latest report issued by Mrs. Bowman, school Registrar, is 321 students. This is the largest number of regular students enrolled in recent years.

While a total of 331 students enrolled at Milligan during the school year of 1938-1939, of this total 22 were boys from the CCC camp at Unicoi.

Two hundred and eleven students reside in the dormitories, the remaining one hundred and ten being off campus students.

There are 178 boys and 143 girls comprising the total enrollment.

Carter County has the largest number of representatives with a total of 90 students; Elizabethton the largest according to cities with 51; Tennessee the largest according to states with a total of 213.

In addition to Tennessee's 213 students, there are 79 students from Virginia, 9 from Kentucky, 7 from North Carolina, 4 from Massachusetts, and 3 from each of the states of Indiana, West Virginia, and Florida. Ohio and Puerto Rico have 2 each; while Delaware, Pennsylvania, Georgia, Alabama, Mississippi and Canada are each represented by one student.

Students Charter Bus For Maryville Game

The Buffaloes under the guiding hand of Coach Lacey will play Maryville College at Maryville on Saturday night Oct. 7th. Much interest in this game is being shown by the students. In fact they are chartering a bus for the trip. This year's Buffaloes hope to break the Maryville Jinx.

ASST. COACH STAR WOOD

Star Wood, class of 1935, is now a full fledged member of the faculty of Milligan College. His duties are Assistant Football Coach and head of the Personnel Department.

During the recent illness of Coach Lacy responsibility of coaching the Buffaloes fell upon the shoulders of Star and he carried on in an efficient manner. In addition to his other duties Mr. Woods does some teaching.

The Administration with a great deal of pleasure announced the college's connections with the services of Mr. Wood. Star made an enviable record at Milligan College and the present student body rejoices in the fact that Star will remain on the hill permanently.

Milligan Alumnus Writes About Mosquito Problem

Stanley Carpenter class of 1930 and who did graduate work at the University of Tennessee is now entomologist of the Arkansas board of health. Recently he has written a bulletin entitled "The Mosquitoes of Arkansas". This publication contains 89 pages. It is a thorough discussion of malaria control in Arkansas.

 Leslie Wood, class 1936 and who recently completed work for the D. D. degree in Yale Divinity School was again a pleasant visitor on the hill, Leslie usually visits us at least once a year. He gave an interesting talk in chapel on the subject "Pictures Ahead".

 A man's pessimistic views are often caused by an intimate acquaintance with himself.

President and Mrs. Derthick Entertain Faculty Members

On Tuesday night, September 26, President and Mrs. Derthick entertained the faculty members, their husbands and wives. The decorations and program carried out the idea of Constitution Day and the anniversary of The Star Spangled Banner. Rooms were decorated with beautiful autumn leaves, rich in many colors, American flags, and flags of the state of Tennessee.

Mrs. W. H. Bowman and Mrs. Nave presided at the punch bowl, after which a social hour was enjoyed and then a program, patriotic in nature was rendered. Mr. and Mrs. George Norton sang a selection of patriotic songs; Mrs. George Keys sang beautifully a number of selections, Miss Childs gave a very interesting reading Mrs. McCowan on the origin of the flag and history of the anthem, The Star Spangled Banner.

Patriotic color schemes were carried out in refreshments, ice cream in the form and color of Old Glory was served.

The faculty enjoyed this social hour and the members always look forward to any entertainment of which President and Mrs. Derthick are host and hostess.

A Real Gift

 Fifty-two dollars were realized from the Alumni Banquet held during last Commencement week. The executive committee thought that seventy-five cents per plate would be a very reasonable charge and so things moved along.

When this and that familiar face entered the dining room, beaming with joy at the thought of a visit on the hill, Mrs. Derthick would not accept the price of the meal from her "boys and girls" and so the fifty-two dollars were turned over to the church to be used in beautification of the grounds.

years to come.

In a meeting of the Executive Committee of the Alumni Association, composed of R. B. Lappin, J. Goff Long, L. L. Lumsden, Nancy Cantrell, A. W. Payne, Dwight Billings, and the writer, it was agreed that the Association would begin a movement to increase the Endowment Fund of the College and that during the coming year, the Alumni and Former Students raise \$1,000.00 to present to President and Mrs. Derthick at next years banquet, TO BE ADDED TO THE PRESENT SMALL ENDOWMENT FUND.

Here's how we can do it! If each one of us will lay aside a dollar a month (\$12.00 for the year), we can have the THOUSAND DOLLARS which we will proudly present at the banquet next May.

I wish I could see you personally so we could talk and plan together. Every Alumnus and Former Student with whom I have talked thinks this is a good plan and is eager to do his part. Your advice and help will be needed to make this a success. Send in your suggestions. Check the proper squares on the enclosed card and put it in the mail today.

I am counting on you.

Sincerely yours,

Lew Taylor

positions of honor and trust.

Our Freshmen are no veterans, and we are pleased with them. They came with enthusiasm and high purpose, and have settled down to routine work with the determination to make their college education by doing their best. Our enrollment has reached 320 which is ten more than last year for our regular students. Each succeeding year seems to be happier and more promising than the last, and the joy of the work at Milligan College keeps increasing.

In the midst of our activities on the campus, we are thinking of the many strong and purposeful young men and young women who have spent one, two, three or four years in the past, and who are now making the name of Milligan College glorious by their achievements and through their contacts with the professional and the business world. One of the most pleasing features of Milligan College family life is that "once a student, always a student." Those who are absent are always in our minds. We sympathize with you in all your difficulties and hardships; we share with you in your aspiration and ambitions; we rejoice with you in your success. We want you to feel that Milligan College is your home, that your interests are ours, and our interests are yours. We depend on you as enthusiastic advocates of the college. It would surprise you how many of each of our Freshman classes come because of the cordial recommendation and kindly words that you have spoken. Many of our new students are your personal friends. We pledge you that we shall do everything in our power to make their work with us pleasant and profitable. They are already a part of our family life, and are following after you, seeking to make a record equally as good as yours.

Come to see us frequently; think of us daily; pray for us continually; and write to us of (Continued in preceding column)
