## Alumni Dinner

With this number of the Buffalo Range we close the year of 1939-1940. We appreciate very much the interest taken by the various members in their alumni publication. However we do feel that in order to justify the publication of the alumni news we should have more subscriptions.

Each year we have sponsored the annual Alumni Dinner and thus far the record attendance has been about 95. We trust that you are planning to attend the dinner this year. It is to be held on May 25 at 5 o'clock, P. M. The dinner will be over in time for all alumni members to attend the annual commencement play. The cast is now working on the play and you are assured of an hour's entertainment. Make your plans to come but be sure to fill in the blank and send your reservation. The dinner will be served by the ladies of the Hopwood Memorial Church and it is extremely important that you make your reservation so that the ladies will know the number of plates to prepare. We cannot guarantee a plate unless you send us notice of your intention to attend. Without further delay please fill in the blank and send it to us.

Mr. and Mrs. Horace M. Burleson, class of 1900, write reserving plates to the Alumni dinner on May 25.

We urge all members to notify us so that we can take care of everyone. We have thus far received ten reservations among whom is James A. Tate, the only living member of the first graduating class of Milligan College. Mr. Tate is still active and looks forward to attend the alumni dinner. This will be especially interesting to all members beyond 1900. May we expect your reservation?

Harry Easterly, class 1938, Lebanon Virginia sends one dollar for a year's subscription to The Buffalo Range.

Ivor Jones, Class 1926, Piney Flats, Tenn. sends check for payment in full on her pledge of \$12. to Endowment Fund.

A. R. Raney, class 1898 now located in University of Oklahoma in Department of English, sends his check for \$12. to be applied to the Endowment Fund.

Noah Sayers, class 1932, who is now teaching at Mouthcard Kentucky, sends Money order for \$12. which is payment in full on his pledge to the Endowment Fund.

Tom Kegley, class 1926, Wytheville Va. sends his check for \$12. which is payment in full on his pledge to the Milligan Endowment Fund.

Tom is one of our most loyal alumni.

Dale Honeycutt, class 1933 New Castle Virginia sends check for \$12 payment in full on pledge to Endowment Fund. Also \$1. was enclosed for a years Subscription to the Buffalo Range.

Dale will also attend the Alumni on May 25th.

Dr. J. H. Hagy sends his reservation for the Alumni Dinner to be held on May 25, at 5 p.m.

For the past three years Dr. Hagy has been the first alumni to send his reservation for this event.

We appreciate the loyalty of all alumni.

### Milligan College Pre-Med Club

Within the past ten years Milligan College has emerged as a leader in the field of pre medical courses. The college offers preparatory courses for students aspiring to be physicians and thus far has established a splended record. Not a single graduate of the college entering the University Medical Schools has failed or dropped the course. Only four institutions in the South have maintained such a record. The college has sent nine students to the school of medicine at the University of Vanderbilt on the Commonwealth Fund scholarship. The scholarships were won on the competitive basis. After their records were measured with the students from other under graduate schools over the area of Tennessee.

Among those who have entered Medical Schools are F. D. Owen, class of 1930, who is now a surgeon at Rockwood; Harlis Bolling class of 1932; Velda Cox, technician now associated with the Johnson City hospital. Ben Chambers, 1933; Robert Elder, 1933, who is now practicing in Sparta, Tennessee; Shelburne Wilson now doing interne work; Ed Lacey, class of 1936; James Hale, class of 1938; J. R. Wood, class of 1938; Howard Johnson, class of 1939; and Florence Burns, daughter of C. E. Burns,

a member of the Milligan College faculty.

Also at Vanderbilt the following students from Milligan are attending on Laboratory scholarships: Sam Cecil, J. R. Woods, Shelburne Wilson and Ed Lacey. Those attending Vanderbilt but not on a scholarship are William Davis, class of 1938; Rudolph Dralle, class 1939; Robert Hilsenbeck, class of 1937; Robert Bowman, class of 1929, now practicing medicine in Johnson City; and John C. McKissick, class of 1924, now a surgeon in the United States Army. Dr. Myrtle Smith of the class of 1922 attended the University of Tenn. The Pre-Medical students of Milligan College are active members of the Pre-Med club which is under the sponsorship of Professor A. F. Cochrane.

Of the class of 1940, Abe Gabriele will attend the University of Virginia during the school year of 1940-41.

Milligan is proud of this enviable record in the medical field.

Mr. and Mrs. Hex'e McNeal of Kingsport have reserved plate for the Annual Alumni Dinner.

### Track Team

At the beginning of the year the track team had only two experienced boys to report Floyd Childers and "Jo-Jo" Dellinger. New members reporting were Frank Spraker, Charlie D'Agata, Ralph Morrell, David Trotter, Walt Dorricott, Jack Ankeny, Jack Cregger, Hugh Blessing, Kenneth Kennedy, Bob Easterling and Alvin Williams.

The team was off with a good start, defeating Concord College, Athens, West Virginia, April 12. In this meet D'Agata scored 24 points. He took first place with the javelin, 100 yard dash, and the 220 dash. Dellinger scored 10 points, Childers 15 points. The final score was 68  $\frac{2}{3}$  for Milligan and 57  $\frac{1}{3}$  for Concord.

On April 19 the Milligan team met at L. M. U. This time Milligan won 80 - 50. D'Agata scored 28 points; Childers 24 points; Dellinger, 13 points. These were the hight point men.

Our next meet was with Emory and Henry on April 27. Emory defeated Milliagn 72  $\frac{1}{2}$  to 53  $\frac{1}{2}$ . D'Agata again scored 25 points for high point man in the meet.

On April 30 Milligan defeated Bluefield 74  $\frac{1}{2}$ -36  $\frac{1}{2}$ . This time D'Agata kept his usual 25 point record. Childers scored 13 points and Dellinger scored 10 points.

The following boys are showing good possibilities of being good track stars next year: Kenneth Kennedy Easterling, Morrell, Trotter, Cregger, Ankeny, and Blessing.

### Milligan Couple To Wed

The Johnson City Press-Chronicle a few Sundays ago carried the announcement of the approaching marriage of Minnie E. Burns of the class of 1940 to John N. Fugate of the class of 1939. Minnie is the daughter of Professor C. E. Burns of the Milligan Faculty. John Fugate's home is at Tazewell, Tennessee.

The ceremony will be held in the new Hopwood Memorial Church at 4 o'clock, May 27, 1940.

Blessing has already proved his ability as a track star in several of the meets and will be a good man to rely on next year.

# HOME - COMING

On Saturday afternoon, May 25 at 5 o'clock the regular annual alumni dinner will be held in the basement of the Hopwood Memorial Church. This meeting will be over in time to permit all those who desire to attend the annual commencement play at 8 o'clock.

"What a Life" by Clifford Goldsmith will be given as this year's selection. This is a fast moving comedy of high school life. It was a recent Broadway success and has just been released for amateur production. Practice on the play has been in progress for some time and all the alumni are assured a splendid entertainment.

It may not be of interest to all alumni but surely to some to give the cast of characters which is as follows:

Send in your coupon or reservation now.
