WHERE TO GET HELP	23

Dear Students:

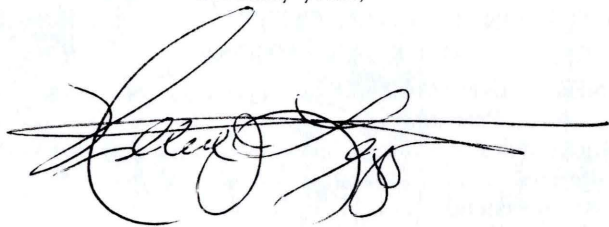

Let me welcome you to Milligan College. We believe wholeheartedly in its philosophy of education. It is a college of arts and sciences in which students can pursue career opportunities in a community of Christian commitment. The school has an able faculty to implement this philosophy, and you should seek every opportunity to learn from them. Let me emphasize that Milligan is a Christian college. Both faculty and administrative persons are committed Christians. Everyone here is expected to exemplify the virtues Christ taught.

This next statement may sound negative and seem out of place, but I feel constrained to say it out of fairness to those who enroll here. Drinking, use of illicit drugs, profanity, and other questionable activities of a similiar nature have no place at Milligan College. Those who want to participate in these should not enroll. We believe that the most abundant, satisfying life is the one in Christ. Milligan strives to be a community of those who seek His lifestyle.

Your years at Milligan will be those in which you will grow, intellectually and spiritually, more than in any others. They should also be your happiest years. You will make friends and have experiences that will give you many happy memories. Let me urge you to make the most of these days that you have on campus!

We want to help you do this.

Cordially yours,

Marshall J. Leggett
President

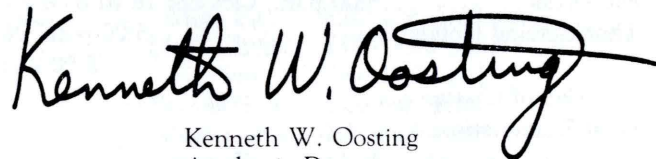

Dear Students:

Your time at Milligan is an investment of time and energy in your future by you, your family and College personnel. The result of the investment will depend largely upon you. The more you are willing to invest of yourself, the more you can expect in return.

The college will do its part. Milligan has a Christian faculty committed with you toward your educational objectives, backed by a Christian administration and staff with an equal commitment to you. In addition to our belief in Christ as our Lord and Savior, we at Milligan place a high priority upon liberal arts, acknowledging that your work in the various disciplines will assist you as you seek success in life. Your major and minor will provide you with the specific knowledge, skills, and attitudes needed in your career choice.

Please stop by to talk or let us know how we might assist you with advice. We want to do whatever we can to help you.

In His Service,

Kenneth W. Oosting
Academic Dean

Dear Students:

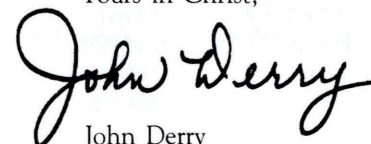

We are anticipating a great year at Milligan with this being "The Year of the Student." Exciting things are happening with the addition of new facilities and programs to assist you in your educational experience.

You will find numerous opportunities for Christian fellowship and spiritual growth. We encourage you to get involved and take advantage of what Milligan has to offer. Please let us know of any needs you may have. We are here to serve you and enable you to work toward your full potential academically, spiritually, socially, and physically.

The student handbook is written with you in mind, to answer questions and explain the campus policies that will be enforced. If you are not clear on any point, please ask.

May God bless you this year in all that you undertake.

Yours in Christ,

John Derry
Dean of Students

ALMA MATER

In Tennessee's fair eastern mountains
 Reared against the sky,
 Proudly stands our Alma Mater
 As the years go by.

CHORUS

Forward ever be our watchword,
 Conquer and prevail;
 Hail to thee! Our Alma Mater,
 Milligan, all hail!

Cherished by her sons and daughters
 Memories sweet shall throng
 Round our hearts, O Alma Mater
 As we sing this song.

EXPECTATIONS AND RESPONSIBILITIES FOR COMMUNITY LIFE AT MILLIGAN COLLEGE

Membership in an academic community of Christians carries with it certain responsibilities. Because Milligan College seeks to provide a quality education in an appropriate Christian setting, it is assumed that a member is both committed to Christ and willing to grow and develop not only academically, but also socially and spiritually. Therefore, by virtue of their enrollment, students agree to accept the responsibilities of membership in the Milligan community.

Historically, individuals, groups and communities have developed rules as a guide toward their goals. Rules also help us to put into practice our basic moral and social principles. They help us provide order and structure in relationships with others in the community. What basis is there for Milligan rules?

We at Milligan adopt specific rules on the basis of our belief that God's Word, as final rule of faith and practice, speaks specifically on many matters. Behavior that conflicts with Scripture is unacceptable at Milligan.

Included are specific acts such as drunkenness, stealing, the use of slanderous or profane language, all forms of dishonesty including cheating, occult practices, and sexual sins.

In addition, Scripture condemns such attitudes as greed, jealousy, pride, lust, bitterness, needless anger, an unforgiving spirit and harmful discrimination. The Milligan community is obliged to renounce these behaviors and attitudes and seek God's forgiveness and help so that we may grow in grace and righteousness.

Other rules are based on civil law. As Christians, we do not normally disobey the government, except in rare instances where obedience to civil authorities would conflict with Scriptural teachings. Even then, each individual would submit to the consequences of such behavior. Members of the Milligan community are expected to uphold the laws of the local community, the state of Tennessee and the nation. Some examples of these are illegal entry, vandalism, assault and possession and use of alcohol and illegal drugs.

It is also wrong to do what is inexpedient because of potentially damaging consequences, even though it may not be wrong in itself. Being expedient involves concern for the influence of our behavior on our college community, and the town and larger society of which we are a part. Many of these rules reflect our concern of not giving unnecessary offense to others who find some things spiritually and morally questionable. Members of the Milligan community are expected to subject themselves to the self-discipline necessary to conform to these standards.

The college requires members of the community to refrain from the possession and use of alcoholic beverages, hallucinogenic substances (including marijuana) or narcotics not prescribed by a physician; pornography; profanity, expletives, obscenities, and demeaning gestures; threats of violence;

damage of property; and immodest dress. The use of tobacco in any form, is strongly discouraged. Furthermore, members of the community are expected to exercise discretion in extra-curricular and off-campus activities.

In addition, members of the community are expected to use the Lord's Day to give primary attention to worship, rest, fellowship, and Christian service. Likewise, regular attendance at Chapel is expected.

These rules apply to students while they are under the jurisdiction of the college, that is, while enrolled in a college program or residing in college-approved housing; and are expected to exercise restraint in these matters even when not under college jurisdiction.

We do not pretend that our rules are perfect. Neither do we expect everyone to agree about all our rules. We do ask an understanding of why we have rules, integrity in keeping them, a positive attitude, and the use of proper procedures in improving them.

Our rules, then, are not to be viewed as legalistic degrading impositions, but an attempt to do what is Biblically and morally right, to act out of love, to consider the effects of what we do on ourselves and the community, and to pursue our goals in an orderly structured fashion.

Those who for some reason refuse to accept this responsibilities, forfeit their privilege of membership in the Milligan community.

Those who accept the challenge of community living here at Milligan will not only realize academic growth, but satisfying personal relationships with others, and continuing spiritual growth and development.

Campus Guidelines

1. Milligan students are encouraged to select clothing which is suitable for the different activities of Milligan College. Shorts should not be worn to class or to offices on campus. Shorts may be worn in the cafeteria at meals on class days and on Saturdays. Sunday noon is considered a dressup affair for all students.
2. Students tempted to engage in pranks are urged to consider carefully such possible implications as property damage, disruption of individual rights and privacy, infringement of an orderly campus environment, unusual hardship to the college maintenance staff, and interruption of the normal functioning of the campus schedule.
3. Tampering with fire equipment on campus constitutes a serious threat to the safety and welfare of the community and is sufficient grounds for expulsion. Fire regulations require that passageways and fire exits remain clear at all times. No student shall knowingly disregard a fire alarm or refuse to evacuate a building. No student shall set off a false alarm.
4. Firearms such as rifles, shotguns, pistols, weapons, war souvenirs, explosives, ammunition, firecrackers, air guns, etc., are not permitted in any residence unit occupied by a student, nor are they permitted on the campus.

5. Milligan students may not use or have in their possession any alcoholic beverages or illegal drugs, nor are they permitted on campus. Violators will be subject to disciplinary action, suspension, or dismissal.
6. Harassment, threats, or intimidation, whether verbal or physical, of resident hall staff, security personnel or any other member of the college community is considered a very serious offense and will be dealt with accordingly.
7. Social dancing is not permitted on campus. However, acceptable forms of expression include folk and square dancing, and the use of choreography in drama and musical productions.

Disciplinary Action

Disciplinary action at Milligan College is viewed as a means of guiding students toward developing Christian responsibility and maturity. Since such action does not affect the majority of students, details of procedures and appeal are found in the campus policy file available in the office of the Dean of Students.

The college reserves the right to refuse, suspend, or dismiss any student without assignment of reasons, if such action is deemed to be in the interest of the college. Public disclosure of reasons shall be at the discretion of the President.

Notification of disciplinary charges, or any ensuing correspondence, may be sent to the parents/guardians of any financially dependent student.

STUDENT GOVERNMENT ASSOCIATION

SGA exists to formulate and execute a Christian student government whose duties are to stimulate communication and cooperation among students, faculty and administration. It also helps to coordinate student activities, to participate in the determination of college procedures, to labor in the interest of improving academic standards and to develop a greater spirit of progressive citizenship. SGA holds open meetings and anyone can come and voice concern. Voting membership consists of class presidents and representatives, the dorm presidents, a commuter representative and the executive council. Non-voting members are the chairmen of Academic, Athletic, Religious and Social Affairs Committees and the Chief Judge of the Traffic Court.

RESIDENCE HALLS

The goal of the residence staff at Milligan College is to provide the physical environment and professional services to help students have an effective educational living/learning experience which will contribute to every aspect of student life — spiritual, social, academic, and physical. Interaction and cooperation are essential to growth in the residence hall experience. To this end, students and staff work together to communicate clearly, to encourage one another, and to uphold fairly the standards of communal living.

Head Residents are members of the student development staff, advised by the coordinators of Residence Life. Each Head Resident is responsible for administering and operating a resident hall and for supervising residents and taking care of needs.

Resident Assistants (RAs) are upperclass students who assist the Head Resident in the supervision, counsel, and direction of life and activities in the residence hall. They are resource people, liaisons, and informal counselors. By close contact with their peers, RAs challenge students to make the most of their college experience.

The Head Residents and their staffs are considered officials and they operate under the jurisdiction of the college administration. The Dean of Students is responsible for the administration, supervision, and coordination of the entire residence staff.

Each residence hall has a council that passes regulations affecting the welfare of residence hall students, hears complaints and requests from the students and makes an effort to relieve complaints and to meet such requests as far as possible.

The residence hall council works out a flexible system applied to offenders on the basis of reason and justice and passes regulations when such is deemed necessary by the council. Each council may work out a system of penalties when such is deemed necessary.

Information for Residence Hall Students

Milligan College has traditionally been a residential college and continues to support the concept that community living as a part of the college experience complements the academic experience and contributes to a student's total development. Consequently, all students are expected to take room and board on campus.

The college affirms the right of each student to a degree of privacy. Dorm rooms and furnishings are the property of the college, and the college has the obligation to insure the safety of its residents and their property, and to prevent the use of college rooms for purposes that are either illegal or in violation of campus regulations. Therefore, the college administration (or its authorized personnel) reserves the right to enter rooms at any time for inspection and search purposes. Any such room inspections or searches will be conducted with valid reasons and discretion. Students agree to take care of their rooms and furnishings in a satisfactory manner and pay for damages (beyond normal wear) which occur while they are assigned to that room.

Inspection-The entry by college officials into an occupied room in order to ascertain the general welfare of students, to determine health and safety conditions in the room, to check the physical condition of the room, to make repairs on facilities, or to perform cleaning and janitorial operations. Inspection is not necessarily conducted in the presence of the room occupant.

Search-The entry by college officials into an occupied room for the purpose of (1) investigating suspected violations of campus regulations and/or city, state or federal law and (2) investigating circumstances which require immediate attention. In order to enforce college policies, college officials upon "reasonable cause to believe" may enter an individual room, make a search and seizure of illegal or otherwise forbidden items which may be

used as evidence in any subsequent disciplinary proceedings. Such searches will be in the presence of the student concerned except in situations that require immediate attention thus making said presence impractical. Searches will be conducted by a college official, accompanied by at least one other person. Searches conducted by local, state or federal police without a college official's request to do so will require a valid search warrant or consent of the party whose person or property is to be searched.

Emergency-The entry by college authorities into an occupied room when there is imminent danger to persons, properties or buildings. Emergency entry is not necessarily conducted in the presence of the room occupant.

Residence Hall Guidelines

1. Persons leaving the dormitory at the end of the year must check out with the Head Resident. Students will pay a \$10 deposit for their room key which should be valued and is not to be duplicated.
2. In order to save student costs, the student is responsible for the cleaning of his/her room. If students are properly checked out with the Resident and there is no room damage, the \$10 key deposit and the \$50 room deposit will be returned when the student has completed his/her program at Milligan College and returned the key.
3. Dormitory walls may not be painted by students. Tacks, staples, and nails are not permitted in walls, wood trim, or furniture. Each dormitory has individual regulations regarding the materials which may be used in decorating dormitory rooms.
4. College furniture, including lounge and study room furnishings, must not be taken to student rooms, shifted from one room to another, or taken from the buildings for any purpose. Furniture should remain in the student room in which it has been placed.
5. Public property such as signs, furniture from the residence hall lobby, etc. will not be allowed in any residence room.
6. Dismantling or reconstructing beds or other furniture provided in the room is prohibited. This includes the unbolting of backrests, standing of beds on end, stacking of furniture, etc.
7. Because of limitations in the wiring, electrical appliances for cooking and refrigerating will be used in centrally located areas designated in the dormitories (2 cu. ft. units are permitted in some dormitories). The electrical service in the rooms will allow for small appliances, such as hairdryers, electric razors, electric typewriters, clocks, record players, TVs, and radios. Women have ironing rooms in their dormitories.
8. Residents of the dormitories may wish to consider personal property insurance for their belongings, especially if they bring to campus expensive electronic equipment (e.g. stereos, televisions, radios, etc.). The college carries no insurance on student property and accepts no responsibility or liability for its security.
9. Students are not permitted to affix antennas to the building or to attach leads to college antennas or existing TV cables. There is a \$20

fine for attaching leads to the TV cables. Other infractions will be dealt with according to the severity of the violation.

10. All maintenance requests from the individual students or residence hall councils are to be channelled to the Maintenance Department through a Resident Assistant to the Head Resident.
11. Overnight guests are welcome, but they should pay a \$3.50 fee per night if they stay longer than two nights. The student host will be responsible for the collection of the fee which should then be given to the Head Resident.
12. Students are expected to be away from the campus during designated all-school holidays. Students should be out of their dormitories at the time set by the Dean of Students and should not return to the dormitory more than 18 hours prior to the beginning of classes. Any student finding it an absolute necessity to remain in the dormitory after official holiday closing times must present a written request to the Dean of Students at least two weeks before the holiday begins.
13. There will be sign-out cards in each of the dormitory rooms. Students are to leave word on this sign-out card so that they can be found in case of some emergency. When leaving the campus overnight due to an emergency, contact the Head Resident. If the Head Resident cannot be located, the student must contact the Head Resident in another dormitory or his/her Resident Assistant.
14. The Milligan dormitories will be locked at 12:00 midnight Sunday through Thursday nights and at 1:00 a.m. on Friday and Saturday nights. All students are encouraged to be in their dormitories by the time the doors are locked. For late entrance into dormitories, see Security Procedures.
All freshmen will be on Requirement B during the first semester at Milligan College. Students under Requirement B are to be in their rooms by the closing hour each night and must have parental permission to be away overnight. These students may come in no later than one hour after closing, not more than five times during the semester.
15. The residence halls will be open at 6 a.m. each morning. Men may call on women students after 9 a.m. on Sunday. Guests in all dormitories may be entertained in the reception rooms from 11 a.m. until closing time. Both men and women visiting other dormitories should always use the main entrance.
16. The Dean of Students and Head Residents will plan a series of open houses in the dormitories. During these open houses, students may open their rooms and other students may come to visit. This tradition seems to provide excellent fellowship and to encourage students to take greater pride in their living areas.
17. Water battles inside the dormitories always cause extra cleanup for the student custodial staff, and often result in damage to personal belongings and serious personal injury. Please be considerate of others.
18. Pets are not allowed in the dormitory. Carefully maintained aquariums are permissible.

19. Any resident who is required to take special medications should make this known to the Head Resident and to the college nurse.
20. The use of tobacco is strongly discouraged. Smoking may be permitted in dormitories if approved by residents.
21. Obscene language, literature, or pictures are not tolerated in and around the residence hall.
22. Advertisements advocating the use of beer, liquor and wine as well as paraphernalia showing the trademarks or slogans of these beverages have not been, nor will be, permitted on the College property.
23. Due respect should be paid to all other residence hall students. Reasonable quiet should be maintained in the residence hall at all times and a study time will be from 7:30 p.m. to 8:00 a.m. Musical instruments, radios, stereos, TV sets, etc. must be played on low volume in order not to disturb other students, staff or neighbors and to help create a good study environment. The use of headphones is encouraged.
24. Conduct within the dormitories that deprives the rights of others or damages college property is subject to disciplinary action.
25. Sunbathing is permitted only in designated areas.
26. Every case of illness, accident or other medical emergency should be reported at once.

CAMPUS SECURITY

Campus security is everyone's responsibility. It is necessary to maintain sound and sensible precautions. While the college is private, small, and intimate, it is at the same time a part of a larger community and subject to occasional outside visitors and guests with highly divergent life-styles. It is therefore necessary for any member of the college community to report any and all questionable incidents, unlocked doors or windows, and suspicious activities on campus. During the day such reports should be made to the Head Residents or Director of Maintenance. In the evenings report any such alarming incidents to a Head Resident or the night security guard.

In regard to campus security, each student has certain individual responsibilities which lend themselves to an orderly campus environment. These responsibilities include the following:

1. Students are prohibited from entering rooms, building, and other restricted areas of the campus after their normal closing hour.
2. No student shall fail to comply with a reasonable and lawful request or direction by members of the faculty, administrative staff members, residence hall staff, or other college employees acting in the performance of their duties.
3. No student shall intentionally provide false information to a college faculty member or staff member acting in the performance of his/her duties.
4. It is against the law for adults to wear masks in public. Therefore, students are prohibited from wearing masks on campus or otherwise

concealing their identity. The only exception to this is when officially sanctioned college activities call for the participants to come in costume.

5. When requested by an official of the college (who properly identifies himself/herself) students must show proper identification or their ID card.

These are to be considered very important responsibilities and will be enforced as such.

In case of severe disruptive or threatening behavior on campus, or where the security of any campus personnel or the well being of college property is potentially in danger, the Dean of Students (or his official representative acting for the administration) is authorized to immediately remove a student from the campus to provide necessary campus security. Obviously, the student in such a situation will be informed of the reason for his removal which is subject to review.

Security Procedures

Each night, two security staff members who are equipped with radios, will be on campus. One of these will be on patrol in a marked automobile; the second will be at the switchboard in the business office.

After the residence halls are locked each night, students should go to the business office when they return to campus, tell the security person to which residence hall they are going and sign the security person's sign-in sheet. The security staff member will radio the person on patrol to go to the residence hall to admit the student. This will save the students time and bother to get into the buildings late at night.

The two radio-equipped security people will be able to respond much more quickly to campus emergencies and other calls for assistance. The person at the switchboard may be called from any telephone extension on campus and, in turn, may contact the person in the car immediately. The sheriff may be contacted by radio or telephone by the security person in the business office.

The college switchboard will be answered at all times that the security staff is on duty. If there is an emergency at the home of a student, parents may attempt to call the student in the residence hall via the college phone or the phone on the residence hall floor.

COUNSELING AND HEALTH SERVICES

Advisers

All students entering Milligan College are assigned a faculty adviser. At the beginning of his junior year the student automatically becomes the advisee of the chairman of the discipline in which the student is majoring. The student must have his schedule of classes approved by his adviser before he is eligible to complete registration. Mid-term and semester grade reports are made available to the student through his adviser. Students are encouraged to consult with their advisers on a regular basis.

Dean of Students

The Dean of Students provides counseling assistance for those students who need to share a concern with someone. The counseling relationship is one which gives the students support and assistance. Areas of difficulty or question which might be considered in counseling include social, academic, and personal issues. The dean may refer the student to the Director of Counseling for further assistance. The service is, with very limited exceptions, confidential. The counselor will explain those exceptions at the outset, if desired. There is no additional fee for the counseling service. To make an appointment, come to the Dean of Students' Office (Room 205, Derthick Hall). The dean will be pleased to talk with you and try to help you gain a fuller understanding of the concerns you have. The Academic Dean and Registrar are also available for counseling upon request.

College Clinic

The Milligan College Health Clinic is staffed by Opal Lyons, L.P.N.

Health services include health and physical assessment, health counseling, referral, emergency care, and treatment in collaboration with college physicians.

In case of illness in which the student is unable to attend class or Chapel/Convocation, an excuse must be obtained from the Doctor, Clinic Nurse, or Resident Assistant, and taken to the Academic Dean's Office for approval.

Students requiring special diets may contact the Food Services Director for the necessary arrangements.

CLUBS AND ORGANIZATIONS

The following is a listing and description of opportunities for religious and social activities on the Milligan College campus. All college-sponsored activities strive to develop the individual as a Christian.

RELIGIOUS ACTIVITIES

Collegiate Church

Collegiate Church is a congregation of students that chooses to participate in Sunday morning worship on the college campus. The purpose of Collegiate Church is to provide students who do not wish to join local congregations in regular Sunday worship the opportunity to seek a personally satisfying worship experience. Students lead and plan the services themselves under the guidance of a faculty sponsor. They help to support various missions and occasional religious affairs. Any student wishing to find a special church home is welcome to join the fellowship of Collegiate Church. Services are in Lower Seeger at 10:15 on Sunday mornings.

Convocation

Twice-weekly convocation services are held on Tuesdays and Thursdays for the entire Milligan community. These programs, held at 9:30 a.m. in Upper Seeger, consist of religious services, local and worldwide speakers, current affairs, debates, and musical groups. Convocations are planned and led by the Convocation Committee which is made up of members of the administration, faculty, and student body. Attendance is required. See the catalog for attendance regulations at convocation.

ICU Groups

Intensive Care Units are small groups of students who meet weekly for a time of personalized Bible study/discussion and interpersonal fellowship. The groups are organized to meet at various times convenient for each member.

Vespers

Sunday evenings at 9:00 p.m. are set aside by many Milligan students for Vespers under the direction of SGA's Religious Affairs Committee. This is an informal time for worship in which all students are invited to participate. The program is varied, incorporating singing, sharing, speaking, special programs and fellowship. Vespers has been an important part of the spiritual activities at Milligan College. This event is held in Lower Seeger.

MUSIC ORGANIZATIONS

Chamber Singers

The Chamber Singers is a small mixed ensemble of 12 to 16 voices selected through audition each year on the basis of their vocal and musical excellence. This ensemble performs limited outside engagements in addition to the annual presentation of the Christmas Madrigal Dinners and spring musicum collegium concert. The repertoire consists of Christmas music appropriate to the Madrigal Feast as well as madrigals and chamber music literature.

Concert Choir

The Milligan College Concert Choir is a mixed chorus of 30 to 40 voices selected through audition each year on the basis of their vocal technique and musicianship. This ensemble performs a variety of standard choral literature and major choral works. In addition to several individual concert engagements in and around East Tennessee, the Concert Choir spends 10 days each spring touring Christian Churches and Churches of Christ outside the East Tennessee region.

Milligan Men Ensemble

The Milligan Men Ensemble is designed to offer the men of Milligan College the opportunity to participate in the vocal performances in the surrounding area and a spring tour in other portions of the United States. The music presented by the choir is composed of a gentle mix of religious, secular and a capella numbers.

Milligan Women's Ensemble

The Milligan Women's Ensemble is a group of approximately 30 committed young women who praise God through music. Membership in the Ensemble is open to anyone by audition; it meets to practice four afternoons per week. Performances are at Milligan and on a spring tour.

The HELICON concert is held each spring to raise funds for publication. All students and faculty are invited to participate or attend.

Newspaper

The student newspaper, better known as the STAMPEDE, is an open forum from which students can learn about campus events as well as express their opinions. Articles cover a variety of topics including news, sports, features and editorials. The paper is compiled by students in cooperation with a faculty advisor and under the direction of Publications Committee. The editor is chosen from among the student body and is paid a salary, while student contributors are paid through advertising revenues. The STAMPEDE is committed to concepts of freedom of the press and an attitude of open communication among faculty, students and administrators alike.

Yearbook

The Milligan College yearbook, the BUFFALO, is published in cooperation with the faculty, administration and students. The editor is chosen yearly by the Publications Committee and is paid for the year's work. The staff is on a completely voluntary basis. Interested students with or without experience are welcomed. Darkroom facilities are available for staff photographers. The staff is responsible for \$500 in advertisements each year.

SERVICE ORGANIZATIONS

Circle K

Circle K is an international college organization sponsored by Kiwanis International. Milligan's local sponsor is the Johnson City Metropolitan Kiwanis Club. Its purpose is to serve the campus and the community. Fundraisers, such as car washes and candy sales, help facilitate service projects, such as contributions to local charities and the East Tennessee Christian Children's Home. Membership is open to those willing to serve.

Delta Kappa

Delta Kappa is an organization for young women who are striving to serve the school and the community. In this capacity they can set a Christian example by helping others. Club activities include sponsoring a walkathon to raise money for St. Jude's Children's Hospital, delivering food baskets to needy families and sponsoring the Bloodmobile. Delta Kappa sponsors several campus activities during the year including the Easter Egg Hunt. The club also offers a student loan fund to those on campus who need to borrow money.

Service Seekers

The members of this group believe that ministering to the needs of others is an important part of the Christian life. Consequently, Service Seekers strives to spread Christ's love through various service activities on and off campus. Anyone with a desire to serve the Lord and others is welcome for membership.

PROFESSIONAL ORGANIZATIONS

Fine Arts Club

As Christians we believe that the entirety of our existence is intended to bring praise and honor to God. This is accomplished through the actions of our lives; both those which are called "religious" and those which are called "secular". Unfortunately, many Christians fail to see creativity as the reflection, in man, of God's omnificent abilities. As a result, we wish to promote all forms of creativity and the arts on the campus of Milligan College as they are a part of our worship to the Great Creator.

Association of Christian Ministries

The Association gives students an opportunity to meet and discuss topics which are related to Christian ministries. Many qualified speakers are invited to discuss issues which are relevant to this area. The Association holds three meetings each semester and at least one trip to Bethany College and Cane Ridge during the year. Any Milligan student is invited to attend. All Bible majors and minors are encouraged to join.

Music Educators National Conference

M.E.N.C. gives students an opportunity for professional musical orientation and development while still in school. Many planned activities are sponsored by M.E.N.C. each year. Membership is open to any Milligan student interested in music or music education. Yearly dues are \$7 which entitles the member to receive both the national and state magazines.

Phi Beta Lambda

Phi Beta Lambda is a club organized to expand the member's knowledge of the business community. Activities include guest speakers, field trips, service projects and social events. Members must complete an application form and pay \$5 national and state dues.

Political Science Club

The political science organization was newly formed in 1981. The group consists of students majoring in government leadership and business administration, as well as a variety of other fields. Government officials such as Tennessee State Senator Robert Burleson and Juvenile Court Judge Shirley Underwood have spoken at organizational meetings. The group seeks to promote political awareness and involvement among Milligan students and to inform students preparing for government-related careers.

Psychology Club

The Psychology Club welcomes all who take an interest in the science and art of mental life. A major purpose is to keep abreast of current opportunities for professionals in the field.

Science Club

The purpose of the Science Club is to promote understanding and knowledge of science. Membership is open to any interested student at a cost of \$3 per year. The club's activities involve tutoring other students in science courses, helping to lead tours of the science building, a September picnic to get the year started, at least one meeting per month involving an outside speaker and a trip to Washington, D.C. each April.

Student National Educators Association

S.N.E.A. is composed of prospective teachers. They meet to discuss current issues in the education field. Yearly dues are designated to the national, state and local groups which supply members with newsletters and magazines. Dues also cover insurance for student teachers.

Student Council for Exceptional Children (SCEC)

S.C.E.C. is composed of students interested in working with and learning about special education, handicapped persons, and public agencies.

RECREATIONAL ORGANIZATIONS

Buffalo Ramblers

The Buffalo Ramblers organize and go on various outings to our local caves, hiking trails and waterfalls. East Tennessee is truly a great place for such activities.

Intramurals

The intramural program has added several new sports. Football, basketball, softball, volleyball, tennis and various tournaments will be available for the students who wish to compete in organized school athletics. This is an excellent opportunity for the students to have fun, fellowship and compete in the sports of their choice.

GENERAL INFORMATION

Academic Probation

Students who are on academic probation will be required to be in their dormitory before the closing hour each night. Some students on academic probation are required to spend at least five hours per week studying in the library during the term of their probation. A student must get these hours in by checking in or out with the evening supervisor (not a student at the desk) and studying in the area assigned by the supervisor.

Automobiles

Having a car on campus is considered a privilege — not a right. In order to regulate the cars that are present on campus, parking stickers will be assigned and a fee collected.

The college will not be responsible for any personal or public liability growing out of the student's use or possession of the car on or off campus.

Rules governing student use of motor vehicles are determined and administered by the Student Government, assisted by the Dean of Students.

Cafeteria

The purpose of the cafeteria is to provide the student with the best possible service. We know there is nothing like "Mom's Home Cooking," but we will make every effort to make your meals pleasant for you. Our goal is to offer a nutritionally well-balanced diet, served in a pleasant atmosphere, allowing you an opportunity to try something new from time to time. The serving hours are arranged to provide the best possible service for everyone. These hours will be posted in the cafeteria. Each student will be issued an ID card which will serve as his meal ticket. Sick trays may be supplied upon request when necessary. Food, dishes, trays, and silverware are to remain in the dining room. We ask that each person wear shoes and shirt while dining in the cafeteria for health and sanitary reasons. Please help us to avoid waste. Take only what you will eat - food is very expensive. We welcome all your suggestions, comments, and recipes.

Commuters

Students living away from home and who are permitted to live off campus are expected to live under the same standards of conduct as students living on campus. Commuting students are welcome to dine in the cafeteria to further enjoy fellowship with other students. The grill at the Student Union Building also operates during lunch.

Lost and Found

All articles found on the campus are to be turned in at the Registrar's Office.

Release of Information

The college makes every effort to keep student records in line with federal regulations. The Family Rights and Privacy Act stipulates the guidelines by which the college makes decisions in regards to the release and use of student records. Milligan follows the Family Rights and Privacy Act in releasing any information. Only directory information, such as name, address, etc. is released without the student's consent. Students can file a form in the Registrar's Office if they wish to be excluded from the directory. The directory is for use within the college. Anyone outside the college who desires student information is directed to the Registrar.

Solicitation

No one, including faculty, staff members, as well as outsiders, is permitted to sell, solicit, or conduct any business operation or distribute literature in the residence halls without written permission from the Office of the Dean of Students. The Head Resident and the dorm council must also be notified of the permission, and a note signed by the Head Resident or the Dean of Students must be placed on the bulletin board in each residence hall. The termination date of such permission shall be published and observed.
