By Staff Reports

Dobyns-Bennett jumper J.B. Huff will attend Milligan College next year on a track and field scholarship.

Huff is a state qualifier in the long jump and triple jump and will be competing this week at the Spring Fling in Murfreesboro. He has a personal best of 22.2 in the long jump and won the event at the inaugural Johnson City Invitational, the Big Eight Conference meet and Times News Relays.

He also finished runner-up in the sectional meet in both the long jump and triple jump.

"J.B. will bring a ton of athleticism to the next level," said Milligan coach Chris Layne, "and he also takes care of business away from the field of play. He is the type of young man we're looking for across the board."

Huff will join former D-B standouts Lauren Hubbard and Walter Hendrickson on the Milligan roster team.
