An Alumnus of Milligan College who exemplifies the fine ideals and possesses the rich inheritance of her best traditions; a Christian business man who is outstanding in ability, in business ethics, integrity and honor; a Trustee whose loyalty, foresight, faith and gifts have advanced the standards of Christian education; we, the Senior Class of 1929, in appreciative recognition of his abiding interest, untiring efforts and cordial co-operation for a greater and better Milligan, dedicate this our 1929 Buffalo

FOREWORD

In years to come, when you turn the pages of this book, we hope that you will remember that through inexperienced amateurs, we have done our best to present the real Milligan College. Looking forward to the rise of a greater Milligan, looking backward to note how far down the road of progress we have come, pausing for a while to view the campus and its many activities, in that list our aims in compiling the 1929
Buffalo.

COLLEGE

BOOK I

Down by the Old Mill Stream

More like the beauty of a dream, truly Milligan the beautiful

Across the shaded hills our path leads to the Boys' Home . . . ivory white against the morning sky

Hardin Hall, the home of our Milligan Girls

J. O. Check Activity Building—The home of our stampeding Buffaloes and Buffalettes

Nestled among the celestial trees, the home of our President

A bird's-eye view, yet motives even higher

Where beauty sleeps, and lovers dream

The Happy Valley Trail

BY PROF. W. A. WRIGHT, PH.D.

*I see the throngs go sweeping by each day
As lazy summer bids me come and rest
Beneath the oaks. The road with graceful curves
Now plain to view, now playing hide and seek
As leafy boughs sway to and fro, is lost
Around the hill. The sound of horns is heard
That signal speeding cars. And still they come;
And still they come, far into night. But where?
And why such haste, as if to reach some goal
That yearning hearts must find and find at once!
It is the Happy Valley Trail. O now
I know and understand it all. And so
I say to those who've journeyed far in quest
Of beauty, such as nature spreads for all,
With lavish hand; Go on, you're almost there!
I see the peaks of Smoky Mountain Park
From where I sit and seem to hear the sound
Of splashing waters as they fall, and then
Go rushing on to fall again. The sky
Above is blue today. That cloud now floats
Like silent sail on Summer Sea. But soon
Perchance the lightning and the thunder's crash
May mirror Nature's other mood. Go on;
You'll soon be there; then rest until the thrill
Shall make you feel you are in Paradise.*

SENIORS

Now WHAT?

NANCY CANTRELL, A.B.
FULTON, KENTUCKY

President Senior Class; President Girls' Senior Council; Forensic Council; Masque; Philomathean Literary Society; Elected Best All-round Girl of the school.

The best way to judge one's popularity is by the number of friends that she has. Nancy numbers her friends with her acquaintances. She is quiet and unassuming, but there is no moving her where her ideals and convictions are involved. Truly the gods smiled on her.

C. C. ALBERT, B.S.
EMORY, VIRGINIA

American Literary Society 1, 2, 3, 4; "M" Club 4; Football 4.

Our "Gallant Man" from Virginia as Dean Boyd calls him. Clifford closes with his Senior year an honorable career of four years at Milligan College. He did not become afflicted with the almost fatal disease which attacks many sophomores, nor is he going out into the world like some Seniors to solve all of its vexing problems. Albert has many friends in Milligan who wish him a world of success in his chosen career. Wherever Clifford goes, Milligan will always have a true friend.

ELIZABETH GUNDER CROW, A.B.
ASHEVILLE, NORTH CAROLINA

Philomathean Literary Society 2, 3, 4, President 4; Dramatic Club 3; Masque 4; Kappa Epsilon 4; Forensic Council 4; Foreign Language Club 2; "M" Club 3, 4; Basketball 3, 4, Captain 4; Debate Team 3, 4.

As Betty would say, "I may be only a Crow" now, but someday I hope to be a real "Byrd." However, we like the name as it is, and not only the name, but the girl. Betty is one of our few all-round students. In our college activities she holds an important place; in our social life she is popular; in the class-room she is an admirable student.

WADE B. DENNIS, B.S.
ERWIN, TENNESSEE

President American Literary Society 3; President "M" Club 4; Captain Football 3, Football 1, 2, 3, 4; Manager Basketball 3; Masque; President Student Council; Treasurer Senior Class; Pre-Med Club 4, President Pre-Med 4; Baseball 2, 3; Dramatic Club 2, 3.

Wade came to Milligan with a reputation in Athletic Circles. Since he has been here he has made a name for himself in all branches of college activities, truly proving that it can be done. On the gridiron he is a hero, in the classroom a scholar; but above all a gentleman. Our best wishes attend him in whatever profession he chooses to follow.

LESLIE L. LUMSDEN, A.B.
ASHLAND, VIRGINIA

President Sunday School Class 2; Business Manager Stampede 3; Business Manager Buffalo 4; Athenian Literary Society 1, 2, 3, 4; Cheer Leader 2, 3, 4; "M" Club 4.

At times in one's college career there are diversities which lead that one from the straight and narrow academic path. This has happened to Less. Having a devout belief in the adage that "Cleanliness is next to Godliness," Less decided to help in the process of keeping the section in clean shirts. He has succeeded to the extent that he could place the third-finger head-light on the hand of his Juliet. Regardless of the fact that Less has engaged in outside interests he has maintained his prominent position on the campus. As he leaves, the best wishes of all go with him that he may continue to have the rich success he deserves.

BESS STRICKLAND, A.B.
CLIFTON, TENNESSEE

President Ossolian Literary Society 2, 3; Ossolian Literary Society 1, 2, 3, 4; Forensic Council 2, 3, 4.

"O, Young Lochinvar is come out of the West" and has captured this maiden, but unlike the ballad hero he has no steed. Bess has taken a conspicuous part in the activities of the college, and her departure will leave a gap for some ambitious student to fill. When her partner allowed himself to slip in class work, Bess felt it her obligation to continue to step on the academic gas so that the fall would not be too great. Milligan rejoices that you have made your commendable record, and her wishes are that you will continue to make A's in your chosen "Profession." Let your motto be "Regardless, Less will always be Less, never more, never less."

ELEANOR VAN WINKLE
CLEVELAND, OHIO

Philomathean Literary Society 4; Transferred from Hiram College.

Eleanor came to us from Hiram College, although she was with us only a short time we learned to love her. As an artist she showed great talent, both in painting and designing.

BILLY JOE CROUCH, A.B.
JOHNSON CITY, TENNESSEE

Secretary Freshman Class; President Sophomore Class; President Junior Class; Business Manager Stampede 3; "M" Club 2, 3, 4; Baseball 1, 2; Football 4; Forensic Council 2, 3, 4, President Forensic Council 4, Secretary 3; American Literary Society 1, 2, 3, 4, President 2; Pre-Med Club 4; Editor-in-Chief of Buffalo 4; Secretary and Treasurer "M" Club.

The Editor of the 1929 Buffalo deserves great credit for his untiring efforts and innumerable sacrifices. An athlete, playing for his Alma Mater, Billy Joe merits the love and respect of his team mates, the appreciation of all who love the Orange and Black. As a student he has come to be cherished by his classmates and honored by his instructors. As a debater he has won the pride and admiration of his colleagues, the fear and respect of his opponents.

A gentleman in every respect, upholding the highest ideals of Christian character, a good sport, willing to give and to take, and a fine fellow, co-operating with the groups for the common good of all. Billy Joe has won for himself many laurels and has made a coveted record during his stay on the Classic Hill. For you we predict a bright and prosperous future, a success in the highest sense of the word.

ELLEN FAY MONTGOMERY, A.B.
ROCKWOOD, TENNESSEE

Girls' "M" Club 2, 3, 4; Orchestra 2, 3, 4; Philomathean Literary Society 2, 3, 4; Dramatic Club 2, 3; Basketball 2; Masque 4; Kappa Epsilon Club 4; Volunteer Band 4; Latin Club 2; Modern Language Club 3.

Ellen is a representative co-ed with a sparkling personality and "a heart for any fate." We are proud of her because of her ability as a violinist. We admire her for her loyalty, unselfishness, and disposition.

VICTOR ALLEN, A.B.
SPRINGFIELD, TENNESSEE

Athenian Literary Society 1, 2, 3, 4; Forensic Council 2, 3, 4; President Athenian Literary Society 4; Student Council 3, 4.

A man among men, a gentleman, and a scholar, are the indelible impressions that Victor has made upon the Milligan Commonwealth. He has made a wonderful reputation as a college debater winning many victories and we confidently expect him to be one of our greatest business men and statesmen. Victor is young in years but old in experience, to take his advice one would not venture into the pitfalls of life. Victor can be depended upon, and that is what the world wants, so Victor we are backing you.

NELLE GRAY, A.B.

BILTMORE, NORTH CAROLINA

President Girls' Forensic Council 3, 4; President Christian Endeavor 4; President Sunday School Class 4; Graduate Home Economics; Winner of The Anne Lucas Reading Contest 3; Forensic Council 3; Philomathean Literary Society 2, 3, 4; Dramatic Club 2, 3, 4; Volunteer Band 2, 3, 4.

In this age of hobbled hair and business women, it is refreshing to find a girl who devotes her time to strictly feminine pursuits. We shall remember her because of her high principles and winning personality. As a student she takes pains with her work and is rewarded by the high grades which come as a result of it.

JOSEPH ROBERT BOWMAN, B.S.

JONESBORO, TENNESSEE

R. F. D. 4

President Freshman Class 1; Athenian Literary Society 1, 2, 3, 4, President 3, 4; Editor-in-Chief "Stampede"; Dramatic Club 3, 4; Annual Play 3; Pre-Med Club 4, President 4; Member Student Council 3; Masque 4.

Robert came to us four years ago from Boone's Creek. Like the old pioneer, Daniel Boone, Robert has overcome all difficulties in a quiet, unassuming, forceful manner. A hard working and brilliant student. We all are sure that Bob will make a marked success, and to you, Bob, we wish you luck.

LUCILE LUMSDEN, A.B.
ASHLAND, VIRGINIA

Volunteer Band 1, 2, 3, 4, President 3;
Philomathean Literary Society 1, 2, 3, 4,
President 3; President Girls' Senior
Council 4.

Nature formed but one such as she—
"then broke the die." She is bright,
friendly, witty, intelligent, attractive, and
charming—what we are trying to say is
that she is an all-round good sport, and
we love her.

J. DAVID KIDWELL, A.B.
MARTINSBURG, WEST VIRGINIA

Athenian Literary Society 1, 2, 3, 4, Presi-
dent 2; Ministerial Association 1, 2, 3,
4, President 1, 2; Forensic Council
2, 3, 4; Masque 3, 4.

In 1925 out of the mountains of Vir-
ginia came "Our Dave." His four years
at Milligan have been clean, manly, and
he has always stood for the right things.
David has chosen for his life's work the
calling of Christ, and he is taking the
Torch of Christianity with him wherever
he goes. Nowhere can a finer Christian
character be found and to David goes
our best wishes.

HERSCHEL J. SPRINGFIELD, B.S.
SODDY, TENNESSEE

American Literary Society 1, 2, 3, 4;
"M" Club 2, 3, 4; Football 2, 3, 4, Cap-
tain 4; Basketball 2, 3, 4.

Just another great fellow from Soddy, Tennessee and to know him is to know a true friend. "Springy" is a man you can depend upon at all times, and with such men as this you will always have a great school. He was Captain of the 1928 stampeding Buffaloes, one of the best basketball guards ever seen upon a basketball court, in short an all-round good fellow. Springfield whether in athletics, school or wherever he is will be a success, and Herschel, old boy, we are betting on you.

GEORGIA FIELDS, A.B.
GREENEVILLE, TENNESSEE

Philomathean Literary Society 1, 2, 3, 4;
Dramatic Club 1, 2; Masque 3, 4; Latin
Club 1, 2; Foreign Club 3.

The girl with golden hair and blue dreamy eyes. She doesn't let books interfere too seriously with her college activities. You'll find her on the spot when there is a good time to be had. However, her excellent ability and originality in class-room, and her lovable personality have endeared her to the hearts of all.

THELMA INEZ BELL, A.B.
COLTEWAH, TENNESSEE

Varsity Basketball 1, 2, 3, 4; Captain 3, Manager 4; Girls' "M" Club 1, 2, 3, 4; Volunteer Band 2, 3, 4, President Volunteer Band 3; Philomathean Literary Society 1, 2, 3, 4; Home Economics Club 3, 4.

Thelma is the embodiment of all that is generous, noble, and good. She is friendly, nice and in other words the kind that you like and we like. The definiteness of her purpose, and the strength of her convictions make her life one of positive influence upon all with whom she comes in contact.

T. T. TRAVIS, A.B.
FAYETTEVILLE, GEORGIA

American Literary Society 1, 2, 3, 4, President 3; Dramatic Club 2, 3, 4; Masque 3, 4; "M" Club 2, 3, 4; President Sunday School Class; Football 2, 3, 4; Baseball 1, 2, 3, 4, Captain 4; Assistant Buyer; Elected Best All-round Student of the school.

"Firecracker" does not need an introduction to anyone on the hill. Truly, we can say he is loved by all who know him. He was elected the most representative boy in the school, and what we can say would only be a peep into his Christian character. Travis is a great football player, and our only rival of Walter Johnson, the great baseball pitcher. This Georgia Cracker will make his mark, so old world get ready.

POLLY HAWKINS, A.B.
GREENEVILLE, TENNESSEE

Ossolian Literary Society 1, 2, 3, 4, President 4; President Girls' "M" Club; President Kappa Epsilon 4; Basketball 2.

Those who know her best only those know "Polly." We like her. She is genuine and straight-forward. Merry, vivacious, always ready to help others—that's Polly.

EDRIC CLARENCE OWENS, A.B.
CURVE, TENNESSEE

Transferred from U. T. Junior College 1929; American Literary Society 4; Football 4; "M" Club 4; Ministerial Association 4.

It is with great regret that we have not had the privilege of having Bull with us for four years. Ours is the loss, Bull, the pride of "Curve", Tennessee, came to us last fall, and quickly won his way into the hearts of all. It was Edric who plunged through the opposing teams line for first down after first down, it was Edric who took the hard knocks for his Alma Mater, and Edric when you get out upon the battlefield of life, you carry with you the love of the 1929 Senior Class.

97736

MARY SUE JAYNES, A.B.
GREENEVILLE, TENNESSEE

Philomathean Literary Society 1, 2, 3, 4, President 4; Intercollegiate Debate 2; Latin Club 2, 3; Dramatic Club 3, 4; Kappa Epsilon 4; Foreign Language Club 2.

Mary Sue, the Society Editor of the 1929 Buffalo, elected the Prettiest Girl of the Senior Class, is the kind of a girl that you read about. Level-headed, dignified, capable, efficient, trustworthy, that's the Mary Sue we admire. Jolly, friendly, a good sport, that's the Mary Sue we love. Always in her four years at Milligan she has been dependable, and loved by all.

CLARK L. GRANT, B.S.
SODDY, TENNESSEE

American Literary Society 1, 2, 3, 4; "M" Club 2, 3, 4; Basketball 2, 3, 4; Baseball 1, 2; Football 4.

Another one of our great athletes who hails from Soddy, Tennessee. Jake, the "Old Reliable", who has given his best to his Alma Mater. A three letter man whom very few can equal. A great halfback, the best running guard in the Smoky Mountain Conference as voted by all of the coaches of the conference, the greatest college catcher to don a baseball uniform. Not only is Jake a great athlete, but he has won the heart of the fair sex in his conference tilts. Jake, old boy, we are watching you, and we know you will reach the top.

DOUGLAS VON CANON, B.S.
BANNER ELK, NORTH CAROLINA

American Literary Society 1, 2, 3, 4;
Manager Basketball 4; "M" Club 4;
Pre-Law Club 3.

Four years ago there "hailed" upon the Campus of Milligan a boy wearing knee pants. He was called the "Kid", and many of the boys thought he was a visitor, but not so for it turned out to be our own Blackball Von Canon. No one has been more faithful and conscientious than Douglas. He is dependable and willing to do all things when called upon. He is one of the youngest members of our class, and one of the finest. His most excellent disposition, and earnest industry have made him loved by all. Blackball is a true friend, and a cultured gentleman. There is no doubt that he will be a great success in years to come.

LENA SUE HARTMAN, A.B.
GATES, TENNESSEE

Philomathean Literary Society 1, 2, 3, 4;
Latin Club 1; Foreign Language Club 2;
Kappa Epsilon Club 3, 4.

If you want to tell anything, tell Lena. She is a good confidant, and is true as steel. To know Lena is to love her—knowing her, you find her a valuable friend.

BERT FRANKLIN WADDELL, B.S.
GREENEVILLE, TENNESSEE

American Literary Society 1, 2, 3, 4, 5;
"M" Club 2, 3, 4, 5, President 5; Foot-
ball 1, 2, 3, 4, Captain 3.

Bert came to Milligan in . . . ? No one here is able to give us this information. However, his place will be hard to fill, when he is gone. For several seasons he was one of the greatest football players Milligan has ever had. We are sorry that we haven't more friends like Bert. We wish him the greatest success and happiness that life has to offer.

EDDIE MAE HARTMAN, B.S.
GATES, TENNESSEE

Philomathean Literary Society 4; Assis-
tant Registrar; Transferred from Union
University.

Although Eddie Mae has been with us only a year, her lovable personality, her modest ways, and her sunny disposition have endeared her to each of us. As a friend, she is sympathetic—and somehow it is easy to put all one's faith in her. We hope that great success will be hers in life.

EFFIE KATE KIRBO, A.B.
CAMILLA, GEORGIA

Philomathean Literary Society 1, 2, 3, 4, President 4; Dramatic Club 3; Home Economics Club 3, 4; Masque 4; Girls' "M" Club 4; Basketball 4.

Modest of speech, womanly in manner, and of unblemished character. She always wears a smile and is ready at any time to lend a helping hand. She is much loved by all the girls.

GRACE PHELPS, A.B.
JOHNSON CITY, TENNESSEE

Philomathean Literary Society 2, 3, 4, President 3; Kappa Epsilon Club 4; Dramatic Club 3, 4; Masque 4; Latin Club 1, 2; Graduate of Expression 4.

Grace is one of our town girls of whom we are justly proud. She possesses a keen and ready wit, an attractive appearance, magnetic personality, and high ambitions. We expect great things of her unless—some sheik captures her.

MAUDE WHITLOCK, B.S.
BAILEYTON, TENNESSEE

Ossolian Literary Society 1, 2, 3, 4; Sewing Club 3, 4.

There is something about the quiet, steady, conscientious individual which commands, and demands the love and respect of his fellow-men—such a girl we affectionately know as Maude. In her school work she has ever been rated as a good student. We predict for her success in her chosen profession, whatever it may be.

HARVEY BULLINGTON, A.B.
ERWIN, TENNESSEE

American Literary Society 1, 2, 3, 4; "M" Club 1, 2, 3, 4; Basketball 1, 2, 3; Football 1, 2, 3; Baseball 1, 2, 3, 4.

"Little Harvey" comes to us from Erwin, the home of so many of our distinguished students and athletes. Harvey, or "Little Napoleon", as he is known to many of his friends is one of the few men who have made letters in three sports at Milligan. Whether on the football field, baseball field, or basketball court Harvey excels. Milligan will miss this athlete who has contributed so much to her record—we predict great things for Harvey in the athletic world.

DAISY COOK, A.B.

CONNELLY SPRINGS, NORTH CAROLINA

Ossolian Literary Society 3, 4, President 4; Volunteer Band 3, 4, President 4; Dramatic Club 4; Home Economics Club.

Daisy is quiet and modest, but full of fun whether at work or play. She has an attractive personality, and makes friends wherever she goes. She belongs to the "Kappa Epsilon" and from all appearances she will soon be putting her domestic arts to a practical application. We know that she will make an excellent wife for some preacher.

ANN LITTLE, A.B.

CLARKRANGE, TENNESSEE

Basketball 1, 2, 3, Captain 1, 3; "M" Club 1, 2, 3, 4, President 4; Dramatic Club 2, 3; Masque 4; Kappa Epsilon Club 4; Foreign Language Club 2.

One of the most noted characteristics of Anne is that she will give her opinion when one asks her for it, sometimes when not asked for it. When you want an earnest reliable thinker and worker who is dependable, conscientious and sure, we present Anne. Quality doesn't always come in small packages.

VIRGINIA M. REYNOLDS, A.B.
ERWIN, TENNESSEE

Ossolian Literary Society 2, 3, 4, President 4; Basketball 2; "M" Club 2, 3, 4; Latin Club 2; Modern Language Club 3.

Level-headed, dignified, smiling—that's the Virginia we see; capable, efficient, trustworthy—that's the Virginia we admire; jolly, friendly, a good sport—that's the Virginia we love. These qualities have won for her the respect and esteem of all who have known her—both teachers and students alike.

RUTH ELIZABETH REYNOLDS, A.B.
ERWIN, TENNESSEE

Philomathean Literary Society 1, 2, 3, 4; Latin Club 2, 3; Glee Club 1, 2, 3, 4.

Ruth is best known, perhaps for her talent in music. She has a good personality, and her loving smile and tender kindness have won for her many friends. It has been proven that she is a "one man girl." Lucky man.

GRACE DEAN, A.B.
CROCKETT MILLS, TENNESSEE

President Home Economics Club 3, 4;
President Ossolian Literary Society 4;
Graduated in Home Economics 3; Ossolian
Literary Society 1, 2, 3, 4; Home
Economics Club 2, 3, 4; Kappa Epsilon 4.

Silently she slips across the campus and
tenderly glides into our hearts. The two
great characteristics of womanhood, pa-
tience and gentleness, are portrayed in
her character as she performs her daily
tasks.

GERALDINE PARKER, A.B.
COVINGTON, GEORGIA

Volunteer Band 1, 2, 3, 4; Philomathean
Literary Society 1, 2, 3, 4.

Jerry is one of our Georgia girls. When
her friends were so unlucky as to fall ill,
they were very lucky to have her pre-
scribe for them. She is a diligent
student with a sterling character and
high ideals, and a determination to
achieve success. She has been efficient
as a religious worker and leader on the
campus.

Kappa Epsilon

COLORS: Green and White

1927-'28 witnessed the creation of the Kappa Epsilon, the first organization of this nature on the hill. The Club was organized with this purpose in view: To further study the different phases of Home Economics, American Arts, and the application of art in everyday life. This study was based on field trips, reports from current magazines, and information furnished by the Director of the State Home Economics Club.

Any girl having taken a course in Home Economics is an eligible candidate for membership in Kappa Epsilon and, upon application, the vote of the club determines acceptance. And as Keats has divinely stated: *Art is truth, and truth beauty; beauty is truth; truth, beauty; that is all ye know on earth, and all ye need to know.*

Commercial Department

The Commercial Department has become the "workshop" of Milligan College. Under the direction of Miss Pearl C. Wildermuth, (A.B. "cum laude", University of Buffalo, N. Y.) the department has undergone complete reorganization. With the addition of new equipment—typewriters, a mimeograph, a phonograph, filing cabinet, new desk furniture, effective display charts, and a large, well-lighted room facing the College Campus. The Commercial Department takes on the aspect of a well-polished locomotive which has the possibility of reaching a powerful, smooth pull.

The Commercial Department is proud of its "workshop" spirit. The students have learned to turn hard work into romance. The hard work has comprised research from textbooks and from printed material coming into the various college departments, that has been given to the students for criticism and revision. Methods of style and psychological experiments have been studied and put into practice. The students have enjoyed the romance of serving as amanuenses, reporters, stenographers, typists and secretaries whenever the demand has come from the faculty.

The Masque, which is one of the recent organizations, is a higher step in the dramatic field representing the highest interests of Dramatic Art. Members of the Dramatic Club may be promoted to this organization only after they have proved their ability and pledged their unfailing interest and service by hard work. Those who belong to the Masque have a genuine love of the drama. Although they are amateur players they endeavor to approach their field from the point of view of the critic as well as that of pleasurable entertainment. The Masque is one of the most animated organizations on the Hill.

This organization has met with both success and defeat for this season. However the experience gained has been very helpful and it is hoped, profitable. The lesson learned has been that success comes only by hard work and much effort.

Under the leadership of Billy Joe Crouch and Victor Allen, the council has enjoyed real co-operation of all its members. The council wishes to express its appreciation to Dean Burns and Professor Eyler for their untiring efforts in the aid and assistance given. President and Mrs. Derthick have also shown a fine spirit both in the interest and the co-operation given.

We wish for the Forensic Council a very successful year in 1930.

“M” Club

The “M” Club enjoyed one of the largest memberships in its history during the past year. Many were admitted on their varsity “M’s” and many lettermen of last year returned. Their activities during the year aside from the regular weekly meetings included, a banquet in honor of the Senior members of the club, an ugly man contest, a chapel program, and two warm initiations thrown in. The men were all enthusiastic making any project go over with a bang. They carry out the ideals of the “M” Club in their every day life. They are all true clean athletes, and loyal sons of Milligan.

Milligan Pre-Med Club

The Milligan Pre-Med Club was organized at the beginning of the present school year, for the purpose of creating and maintaining an interest in the medical sciences—Dentistry, Pharmacy, and the various branches of General Medicine. Since its organization, the Club has been very successful, local physicians having gratefully given their services in rendering inspiring and instructive lectures. And, too, the Club Members have been congenial, and have shown their loyalty by giving their time and efforts in promoting interesting and purposeful programs. Such consecration of purpose presages an exceptionally bright future for the Pre-Med Club and its Members.

Girls' "M" Club

This Club is made up of those girls who win the privilege of wearing the official "M" by virtue of athletic ability in basketball or any other form of athletics for which the "M" may be awarded at Milligan College.

The Club stands for clean and wholesome athletic principles and true sportsmanship.

American Literary Society

The American Literary Society enjoyed a most active year in every branch of society work. The meetings were interfered with during the fall by night football, but the society was active at every opportunity. The programs were varied and interesting with a mingling of musical numbers along with the regular literary work, this feature elevated the programs greatly and added to their entertaining qualities. The literary standards of the society were held high throughout the year. We were represented in the oratorical contest by Henry Johnson, and in the inter-collegiate debates by the following, Lacy, Johnson, Gillispie, and Jewell. All in all the American Literary Society enjoyed an exceptionally good year.

Athenians

Athenian Literary Society

The Athenian Literary Society has enjoyed a very successful year. This society has been fortunate indeed in securing the cream of the Freshman Class. Many interesting and instructive programs have been rendered which have been enjoyed by all.

The programs which have been rendered consisted in debates, orations, declamations, etc. All the members have displayed some real talent in the many literary activities.

More interest has been shown in literary work than ever before in the history of the society. Attendance has been unusually good which further demonstrates the growing interest and appreciation of society work. The society has also been fortunate in having real, wide awake officers to guide its destinies. The future promises to be even more successful for the Athenian Literary Society.

Ministerial Association and Volunteer Band

This year, as in previous years, the Ministerial Association and Volunteer Band have met together. The members of the Volunteer Band are girls who have planned some definite religious work as their life calling.

Each Monday night, during the hour from 6:45 to 7:45, the group meets together, rendering programs consisting of topics vital to the Christian life in general and the Minister and Missionary in particular. To the members of this group these services are the most spiritual, the most inspirational and uplifting of all the religious activities on the Hill.

The State Volunteer Convention convened at the University of Tennessee in February, and the Volunteer Band of Milligan College was represented by one member of the Faculty and five young ladies of the student body.

Special features of the activities of this band are outside programs, the first one of the year being rendered in the First Christian Church of Greeneville, Tennessee; another in the College Chapel, and another in Hardin Hall.

All the members of the Ministerial Association are employed regularly in nearby churches, and these young men practice preaching in the group meetings on Monday night.

Eight members of this group of young people graduate this year, and it is one of their greatest pleasures and privileges to leave as a gift to the Prayer Room, a handsome Bible, expressing only in a feeble way the love and appreciation of the Sacred hours spent in this Room of Prayer.

Our words are better expressed in the following lines:

“Christ has no hands but our hands
To do His work today;
He has no feet but our feet
To lead men in His way.
What if our hands are busy
With other things than His?
What if our feet are walking
Where sin's allurements is?
What if our tongues are speaking
Of things His lips would spurn?
How can we hope to help Him
And hasten His return?”

CLUB

"The Dramatic Club"

The Dramatic Club began the year with a small number on the roll. Many members were lost through graduation last year. However the small number seemed only to give greater enthusiasm to the organization which united its forces for a larger and better Dramatic Club. The roll increased by forty-one, making the total number on the roll, fifty-one.

The Dramatic Club is the workshop of the Senior organization the Masque. By a years membership in the Dramatic Club and playing in one leading role or in three minor roles, a member of the Dramatic Club becomes a member of the Masque.

The Club meets each month on the second Tuesday night of the month. The officers for the Dramatic Club are chosen from the Masque which is the ruling organization.

The Club has had a very prosperous year in Dramatic work, giving its annual open program before Christmas, and also giving the same program at Erwin, Tennessee during the month of January.

The roll of the Dramatic Club is as follows:

Review of the Football Season

Tobe Edwards—Coaching the Buffaloes for the fifth year, put out a great team. Handicapped by lack of material, Edwards put out a team that was in the fight from the first whistle. The team of 1928 was the cleanest, hardest fighting, hardest training team ever put out by the Buffaloes. The season started off with great promise of a winning season. The first four games were easily won, but due to the occurrence of injuries and lack of experience the rest of the games were lost, but not without a struggle. The team was made up of youngsters with a sprinkling of veterans. This lack of experience bobbed up many times during the season. All in all the season was a success. Mars Hill, Atlantic Christian, Carson-Newman and Bennett Colleges were defeated. The Buffaloes were rebuffed by Catawba, King, Emory and Henry, and Tusculum Colleges.

JAMES T. (TOBE) EDWARDS

Coach

For the fifth year he has guided the Buffaloes and for the fifth time his efforts have met with success. He is a well liked fellow and his loss next year will be sorely missed. His success has been due to his understanding of the boys and his untiring efforts in the field. He is a prince of a good fellow and our wish for his success in whatever field he takes up goes with him as he goes from us.

CAPTAIN SPRINGFIELD

End

"Goat" played a brilliant game during the entire season. His aggressiveness counted for many scores. His play was above par all season and he was a great leader for the Buffaloes. His play in the early games was phenomenal. The Buffaloes lose a great athlete when "Springy" goes from us.

DON EMERSON

Manager

"Skeeter" was an able manager. Ever on the job in administering to the worries and wants of the players. He was economical and thoughtful in his many duties. A friend to all. Don lives in Fruitvale, Tennessee.

T. T. TRAVIS

Guard

"Buck" played both guard and end and played them well. One of the most versatile and valuable men on the team. "Buck" played his last year for the Orange and Black and sure did a noble job of it. His covering of punts from the guard position was uncanny. We wish you every success possible "Buck." "Firecracker" blew in from Fayetteville, Georgia.

EDWARD HARRY

Guard

"Cadillac" played his third year with the Buffaloes and did good work in the line. He is big and a smart football player. He played a good brand of ball throughout the season. His experience and coolness helped him to be of great aid to the Buffaloes. "Cadillac" has one more year. He hails from Pompano, Florida.

WADE DENNIS

Quarterback

Some schools may boast of their great football players, but Wade is as good as any of them. For four years "Hippo" has been the main cog of Milligan's football machine. Our opposing teams have learned to respect Dennis. He has never met a line that he could not tear into shreds. Milligan will miss "Hippo" next year, for he is one of her greatest athletes.

BASIL CASEY

Guard

Valuable goods come in small packages. A little man but a big fighting spirit. Casey played along beside Brown and this pair sure could open up a hole. Casey could come out in the interference or break through the opponents line to drag down a runner. In short he is an ideal guard. His play was hard and consistent and bordered on the brilliant. Casey is another Erwin man.

BILLY JOE CROUCH

End

"Hammer" had to wait until his Senior year to come out, due to injuries. But he came out in his last year and made things hum around the end positions. He was good on covering punts and receiving passes. Not many yards were registered around his end. Much praise is due a fellow who can come back as "Hammer" did. He will be missed when he goes from us this spring.

GEORGE BYRD

Center

George, our big lanky, dependable center played great ball from start to finish. George was especially good on diagnosing the enemy's plays. He was also good on offense. This was George's third year on the squad and he certainly did snap out of it. He is a dependable and accurate passer to the backs. He has one more year as a Buffalo. George came from Jonesboro.

CHESTER BROWN

CAPTAIN-ELECT

Tackle

One of the best men in the line to ever play on a Buffalo eleven. He can certainly play tackle to a queen's taste. His aggressiveness has won for him the honor of Captain for 1929.

HOWARD SAGE

Halfback

"Curly" made things hum in the backfield. He is a fast, aggressive back and much is expected of him in the coming seasons. He was also used at quarter part of the time. His playing all season was good and many long gains went down to his credit.

FRED FERGUSON

End

Ferguson came to us from the U. T. rats. His ready smile, steady work, along with his extraordinary punting ability, won him a place on the Buffaloes squad. Fred is a good end, both on defense and offense. His playing in every game was above reproach. He has two more years on the squad and we are expecting great things of him. Fred is a resident of Knoxville.

CLARK GRANT

Fullback

"Jake" waited until his Senior year to begin football, but when he did start, he developed into a hard-hitting back and had the side line saying "what if he had been out all four years?" "Jake" played like a veteran all year and has shown us that Soddy is where good athletes grow. We are sure he will be a successful Coach wherever he goes.

BILL BOWMAN

Tackle

Bill was a tower of defense and a steam roller on offense. Bill played consistently all season. In the latter part of the season he was shifted to quarterback due to his experience. Bill played brilliantly at each position. He is indeed a great tackle and has two more years on the squad. Bill hails from Erwin, another place like the renowned Soddy. We will be watching you, Bill.

FRED SNODGRASS

Center

Fred put up a scrappy game all season. He was a hard trainer and consistent player. He played equally well at guard but served chiefly as Byrd's understudy. Fred just lives for football and you can look out for him next year and the years to come. His passes are accurate and his defense is splendid. Fred lives in Elizabethton.

EDRIC OWEN

Fullback

"Bull" came to us this year from a Junior College in West Tennessee and engraved his name into the hearts of Milligan fans. "Bull" started as a fullback, but was later shifted to tackle, where he performed with equal brilliance. He is a hard, consistent player and will be sorely missed next year.

ROY ERWIN

Halfback

"Ironhead" turned in some mighty sweet games during the season of 1928. We are of the opinion that when this boy finds himself he will be hard to cope with. Roy has two more years on the squad. He is fast and aggressive and should have enough experience by now to make a wonderful player next year. His playing in the past two years has been good, but just watch him go next year.

CLYDE CAMPBELL

Halfback

"Country" could sure show 'em a leg and take it away. His brilliance held out during the entire season. He was by far the most consistent ground gainer the Buffaloes had this year. His name will live long in the Milligan Hall of Fame. He is a true noble spirited athlete. Power to him.

VERNON HINDMAN

Halfback

"Buck" did not find himself until the middle of the season and when he did—Wow! Such runs we have never seen! His first one was for 65 yards. He was handicapped most of the time with skin eruptions and leg injuries. He has the makings of a good athlete. "Buck" comes to us from Murfreesboro, Tennessee.

LEWIS TAYLOR

End

Great shades! What a punt! and all eyes turned to Taylor. His punting kept the ball out of Buffalo territory many times. "Lew" is indeed a wonderful end, long, rangy, fast and a good pass receiver. Lew has three more years on the squad and will certainly make things buzz. He is truly a great athlete. Lew is from Johnson City.

Review of Basketball Season

The Milligan College Stamping Buffaloes have finished the best season ever recorded in Milligan Basketball History. At home and abroad they swept their opponents off their feet. When the "Big Five" started down the ole hardwood floor something was bound to happen and it did, in the form of "two more points" for Milligan. At no time during the entire season were the Buffaloes at a loss as to what to do in case of an emergency. Their motto was, "In case of doubt, SHOOT", which they did and invariably the score keeper would mark two more points for Milligan. True, they met defeat, four times, but it was glorious defeat for each man had given his all. What more can be expected of any team? If a substitution was to be made it was not looked upon as a handicap but as new strength going in to take the place of a hard-fighting comrade. Each new piece was a perfect fit, because it had been made to fit the place in which it was placed. The Buffaloes had no equal when it came to team spirit and machine-like precision. They were irresistible, none could stop them in their wild plunge for victory.

According to the official record the Buffaloes won fourteen out of eighteen games played. One loss was to one of the best Professional teams in the South, the "St. Louis Americans", by the score of 23-33. Later the "Americans" swamped the "Chattanooga Raillights" by a margin of 12 points. The games won are as follows: Tusculum (2), Carson-Newman (2), Emory and Henry (2), King, Maryville, Johnson Bible, Olson's "Terrible" Nordies, Lenoir-Rhyne, Erwin "Y" (2). There were only three games lost during the regular season, they are as follows: St. Louis Americans, King, and Maryville. These games were lost only by a few points, the largest negative score being the one with the Americans. For the first time in several years the Buffaloes met every team in the Smoky Mountain Conference, losing only two games, the best Conference record in Milligan's history. Because of the best seasonal record the Buffaloes were given the Conference Championship. Last year Milligan and Emory-Henry tied for the championship, but this season Milligan won the undisputed right to the championship.

The 1929 basketball season saw the first Conference Tournament in the history of basketball of East Tennessee. The tournament was played at Kingsport and won by Emory and Henry. Since Coach Eyer has been at Milligan he has wished for a Conference Tournament. This year it came to pass. Although his team did not win the Tournament, Coach Eyer must be given the credit as the instigator of one of the greatest steps in the progress of Smoky Mountain Basketball. Milligan easily won from King, in the first game of the tournament. The second night the Buffaloes lost to Emory by a small margin. The Smoky Mountain Tournament is to be an annual affair. Thanks to Coach Eyer.

The past season was characterized by clean sportsmanship, hard work, loyalty, and clean living. The basketball squad, consisting of ten men of the highest type, do honor to their Alma Mater by possessing all these qualities. May they live as they have played! Jake and Hirschell will not be back another year, but they must remember, their teammates are with them, wherever they may be. Go to it boys, we are for you!

CLEMENT M. EYLER

Coach

Coach Eyer finished his third and most successful season at Milligan. He was always thinking, planning and working for the good of his team. The development of team spirit and playing ability was what he wanted, and he got it, because he was liked and respected by each and every man on the team. Coach Eyer was the same in defeat as in victory. His words were, "you look as good to me in defeat as you do in victory." He always had words of praise and encouragement for the team.

CAPTAIN ARCHIE GRANT

Forward

To Captain Archie Grant goes much of the praise for the success of the 1929 "Buffaloes." Archie is a natural leader of basketball men. He is one of the greatest basketball players that has ever graced the Milligan hardwood. There is something about Captain Grant that always commands the respect of his team-mates. His pleasing personality radiates a team spirit that has carried the Milligan team to many victories. He was appreciated by his team-mates as much as any captain could be, as was shown by his being re-elected to lead the Buffaloes next year.

DOUGLAS VON CANON

Manager

"Blackie" was always on the job. All you had to do was press a button and the manager was ready to serve you. No one could have served the team more loyally and faithfully than Douglas. He deserves all the credit possible to give an athletic manager. The comfort and the success of his team were always first with him. The team deeply appreciates his service.

HERSCHEL SPRINGFIELD

Guard

"Springy", the man with many motions, was one of the main cogs in the machine that brought Milligan many victories this year. Herschel has a patent on guarding that places him in a class all his own, superior to all others. He uses his feet, hands, legs, head, and psychology to check the flying opposition. He has every quality that any player could desire to have. He has quick action, keen judgment, fight, and all characteristics that a star basketeer possesses. Everyone regrets to see Springy go because his place cannot easily be filled.

JOE KEEFAUVER

Forward

"Little Joey" played his second year for the Buffaloes. This little dynamo of courage and optimism, from Boones Creek could always be counted on to give his all to his team, coach, and school. "Joey" should make a great little player with another season of practice and experience. Remembering the great game he played against Maryville is all one needs to prove "Whackers" worth to the Buffaloes.

BILL WOODS

Forward

Bill came to us from New Castle. He was unknown and untried, but it was not long before he broke into the "lime-light" and was looked upon by all as a great little forward. Fast, accurate, and hardworking Billy should become a main cog in the Buffalo wheel.

ELMER SOLOMON

Guard

"King" Solomon came to Milligan from Mosheim, with the "rep" of being an artist. But Coach Eyler had to be shown, so, naturally Elmer set out to show him, and as is his custom, he did it in big style. With a little more experience as a guard "Sol" should develop into a "sure 'nough" artist, that would make any coach feel proud to have him on his team.

LEW TAYLOR

Center

Just plain Ole Lew, as he is known far and wide, came from Johnson City High to prove his worth as a Buffalo. "Did he do it?" An' how! Lew just seemed to fit in as though he had been made for a Buffalo center. Under the goal he was a demon, rolling up the points promiscuously. With three more years to play, Lew should develop into a "super-bas-keteer" for the stampeding Buffaloes.

CLARK GRANT

Guard

Ex-Captain, "Jake" Grant, the "Pride of Soddy" has been a bulwark on the Milligan team for the last three years. However, this year he reached the culmination of fame as a basketball player. Jake is one of the most skillful hardwood artists that East Tennessee College circles have ever known, as is shown by his being placed on the All-Smoky Mountain Conference Team for two years. Jake's motto is, "wherever that ball goes, there I will be also." As this athlete makes his exit from Milligan, the world receives one of the greatest athletes ever produced by our Alma Mater.

CHAMBERLAIN HALE

Guard

"W. C.", playing his second season, proved to all that loyalty and hard work are the essentials for making a great athlete. "Jim" could always be depended on for his best, which is saying a great deal. Chamberlain will be one of the main cogs next year, probably filling Jake's place as guard.

PAUL MORLEY

Forward

Paul came to Milligan from Erwin, where he played center for the Erwin "Y" team one season. It did not take this lad long to cinch a berth on the "Big Five", for the coach realized his ability as a basketball player at the very beginning. Neither did he fail to notice and commend his fighting spirit. He played many games in the "winning column" for Milligan with his sensational side-shots.

STEVE LACY

Center

"Punkin" Lacy, another Sophomore who made the varsity "M" his first year, returned to his Buffalo comrades, to show them what he could do, and he did it, as only a genius could. The Buffs will be looking to "Punkin" for leadership in next season's activities.

Review of the Season

ADA BESS HART - - - - - *Coach*
 BETTY CROW - - - - - *Captain*
 THELMA BELL - - - - - *Manager*

Under the leadership of Coach Hart the Milligan Buffalettes experienced one of the most successful seasons ever witnessed on the historic Hill.

They had on their schedule some of the fastest teams in East Tennessee and Western North Carolina. Among them were such teams as the Canton "Y", Carson-Newman, and Biltmore Junior College.

The trip through North Carolina proved rather disastrous for the Buffalettes, yet the score does not always tell a true story in Basketball. The girls played exceedingly well considering everything and much honor is due them.

The eleven girls receiving letters this year are: Crow, Spivey, Gilly, Kirbo, T. Bell, C. Bell, Hyder, Pace, Stone, Humphreys, and Harbor.

ADA BESS HART

Coach

"Ada", our efficient and beloved Coach has been with us for two seasons. She showed herself as a Coach of marked ability when she took material that looked new, green, and undeveloped and moulded them into one of the most successful girls' teams Milligan has ever produced. She possessed a magnetic personality and was held in esteem by all who knew her. She knew and taught many of the fine points of the game which are sometimes over-looked by less experienced coaches. She possessed a never-dying spirit which she instilled into every member of her squad.

CAPTAIN CROW

Forward

You should see our Betty play ball. Now you're talking real basketball. "She's like a bird on the wing" when she goes down the floor. This is Betty's last year and we're wondering who is going to fill the worthy shoes of Captain Crow. If you have seen Betty play ball then you realize the true spirit of Milligan.

PACE

Guard

There's an old saying that dynamic comes in small packages. Consider Pace and agree. With the greatest of swiftness she intercepts passes, and covers an unbelievable amount of space with her one dribble and has the ball ready for the forwards use. She is always cool and calm and can be depended upon to do her part and more.

SPIVEY

Forward

Spivey is our happy, snappy, scrappy forward. She never acknowledges defeat, no matter if the score be against her. She is quick and always on the job. She has an unfailing eye for the basket and many times has saved Milligan from defeat by her long shots from the corner.

HYDER
Guard

Ruth is some scrapper and possesses that determination that is necessary to win ball games. More than once it has been her fighting spirit that turned the tide of battle our way. She is some guard and can always be depended on to intercept passes and get the ball to the forwards.

STONE
Guard

Ruhye always played a hard game. She played guard and showed marked ability in that position. She always tried to back the team to the limit and to bring home the bacon. We predict a bright future for her on the basketball court.

HUMPHRIES
Guard

"Florida", our faithful guard, always played a hard game and enjoyed the fight to the utmost. Any of her opposing forwards will tell you that it was almost impossible to get between her and the goal. When they did shoot, it was Florida that jumped and took the ball from out of the air.

BELL, THELMA

Guard

Thelma, our faithful guard, was manager this season and displayed great ability, both as a manager and as a player. It was always her desire to bring honor to the Orange and Black.

BELL

Center

Carrie came to us this fall and showed us her ability as an accurate shooter. She took the game seriously and is developing into one of Milligan's best.

GILLEY

Center

Gilley, our good old stand-by and determinedly consistent center. Gilley always played a great game and we're glad to know that this valuable player will return to us next fall.

—DIRT PER MINUTE

The accurate measure of electric cleaner efficiency is dirt per minute

They MEASURED *the dirt!*

The makers of the Hoover have long known that it could outstrip other cleaning methods by a very wide margin.

But they wanted to give electric cleaner purchasers really accurate evidence of this cleaning superiority.

So they put all the best known cleaners at work cleaning rugs. Rugs dirtied in use in homes, ho-

tels and clubs were used so that they would represent actual home conditions. At the end of five minutes, ten minutes, fifteen minutes, they measured the amount of dirt removed by each cleaner. And in every instance the Hoover had taken out more—far more.

You should have a demonstration of the Hoover in your home. There's no obligation. And it is interesting.
