The 1940

Published By The
Senior Class of Milligan College

Foreword

In the 1940 BUFFALO the staff has endeavored to present a work which will reflect the ideals and aspirations of those who make Milligan College possible.

When those who own this annual are reviving forgotten memories by each turn of the page, may they realize that its theme is service, loyalty, and an abounding interest in others.

MR. HAWKINS
Professor of
Mathematics
Science Hill

MOTHER GREY

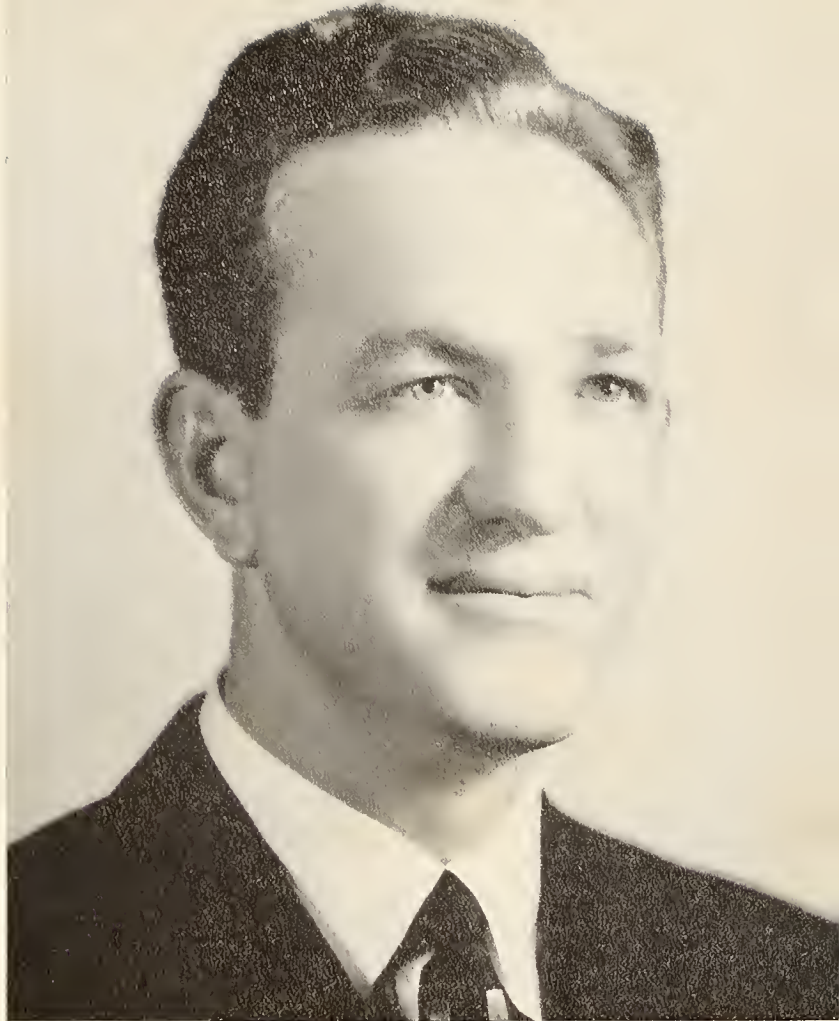

MR. TATE
Milligan's Oldest
Living Graduate

As a token of the great regard in which he is held by the student body of Milligan College, we, the Class of '40, affectionately dedicate this volume of the BUFFALO

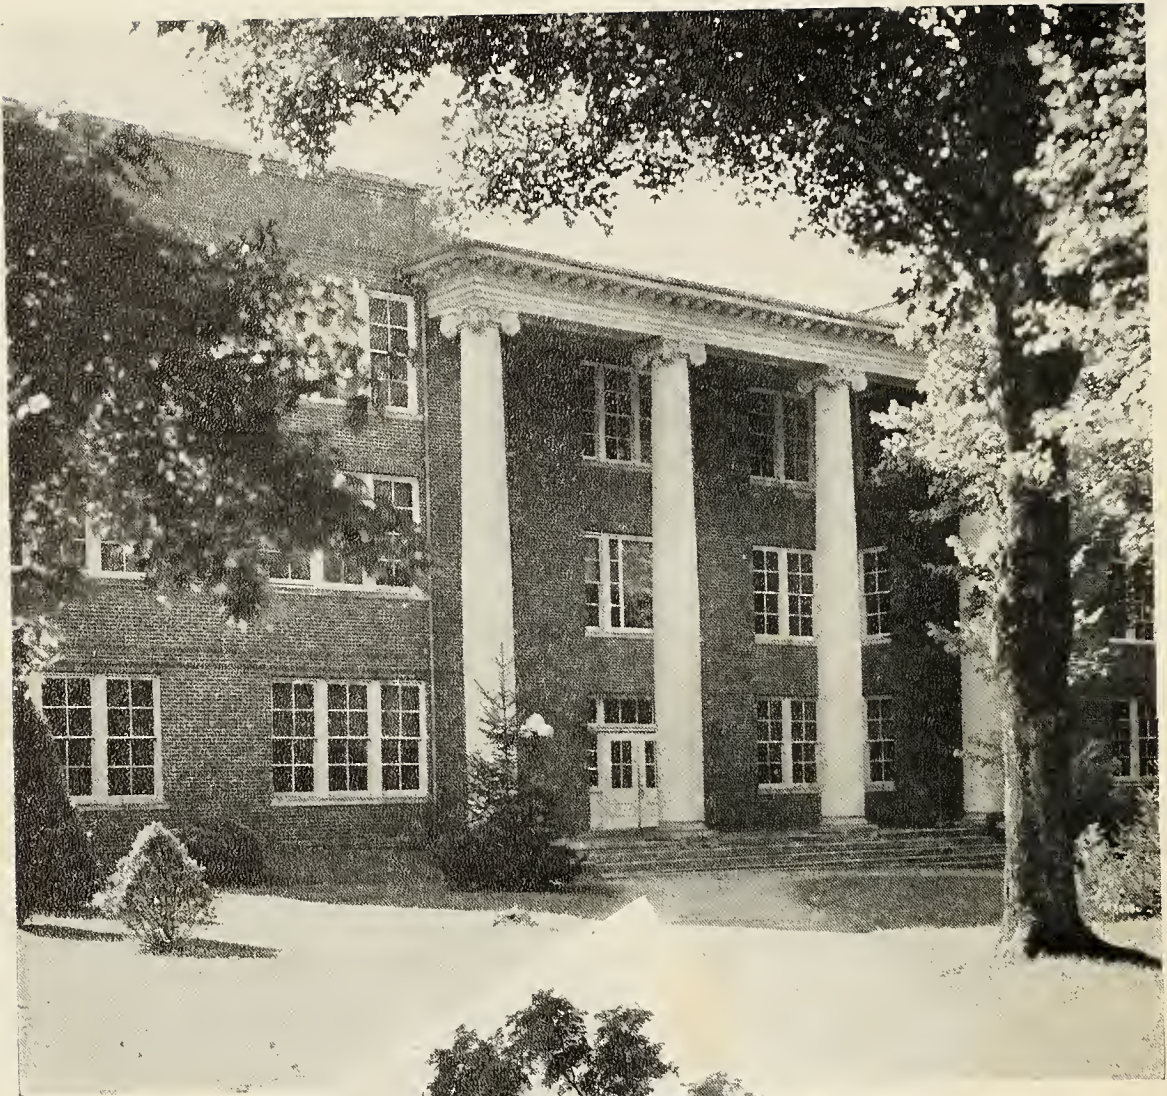

to

*Coach
Steve Lacey*

—who, through his example of courage, service, and sportsmanship, has made our school a better one; who through his perseverance and ability has contributed greatly toward making the athletic program of Milligan College one of which we are justly proud.

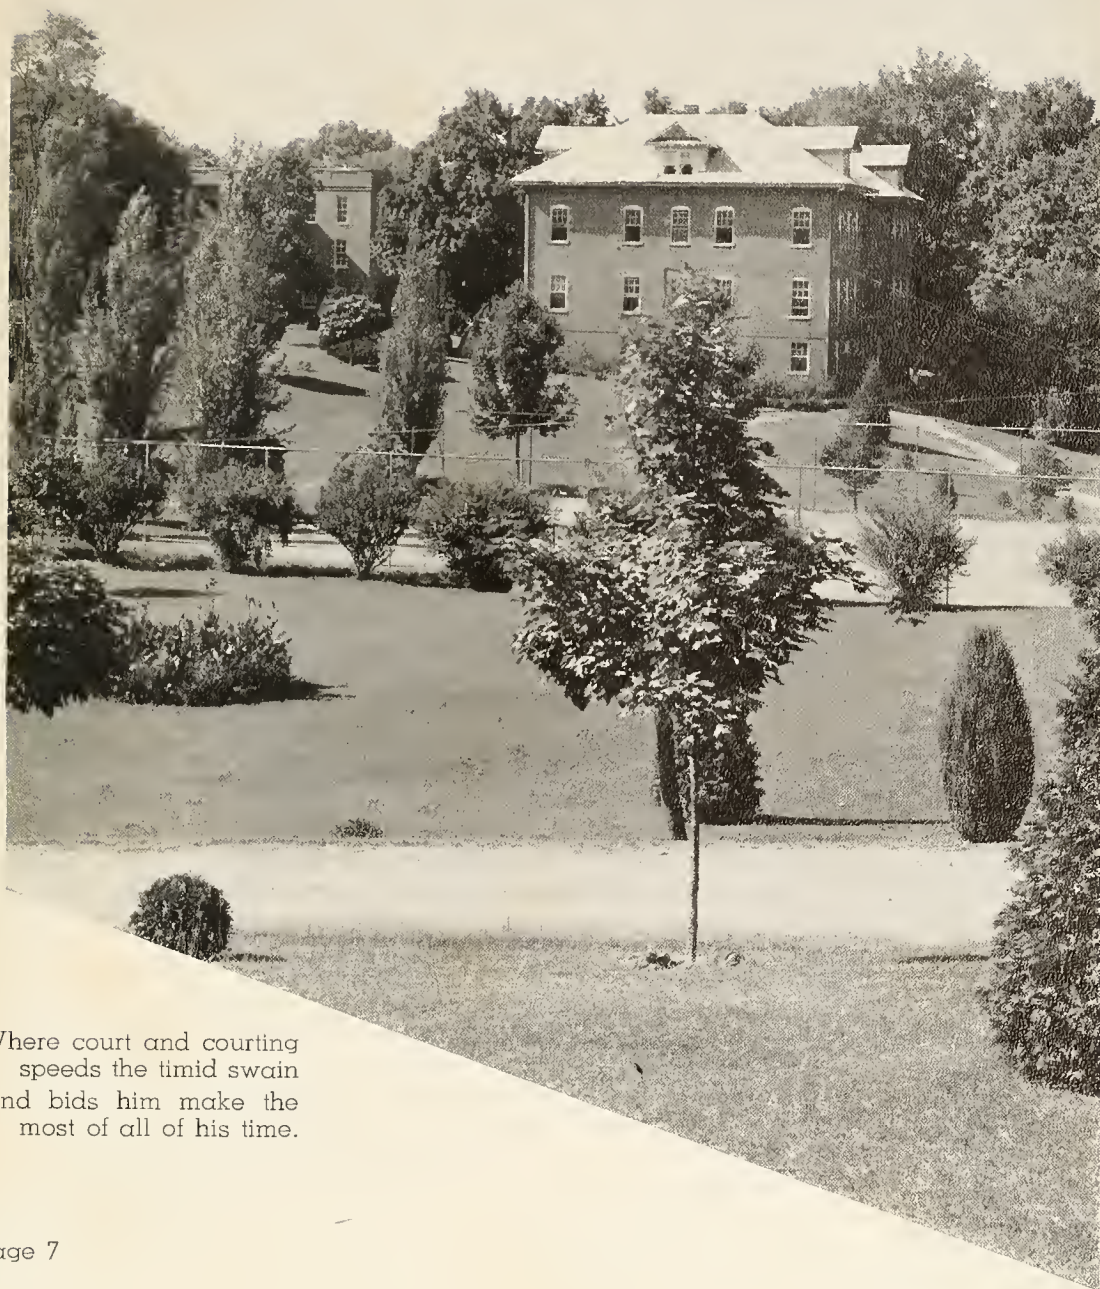

Dedication

A place where Knowledge holds a royal seat
And rules the courses of
our destiny.

A tree, sprung from the
greatness of God's
hand,
A symbol of His great,
eternal goodness.

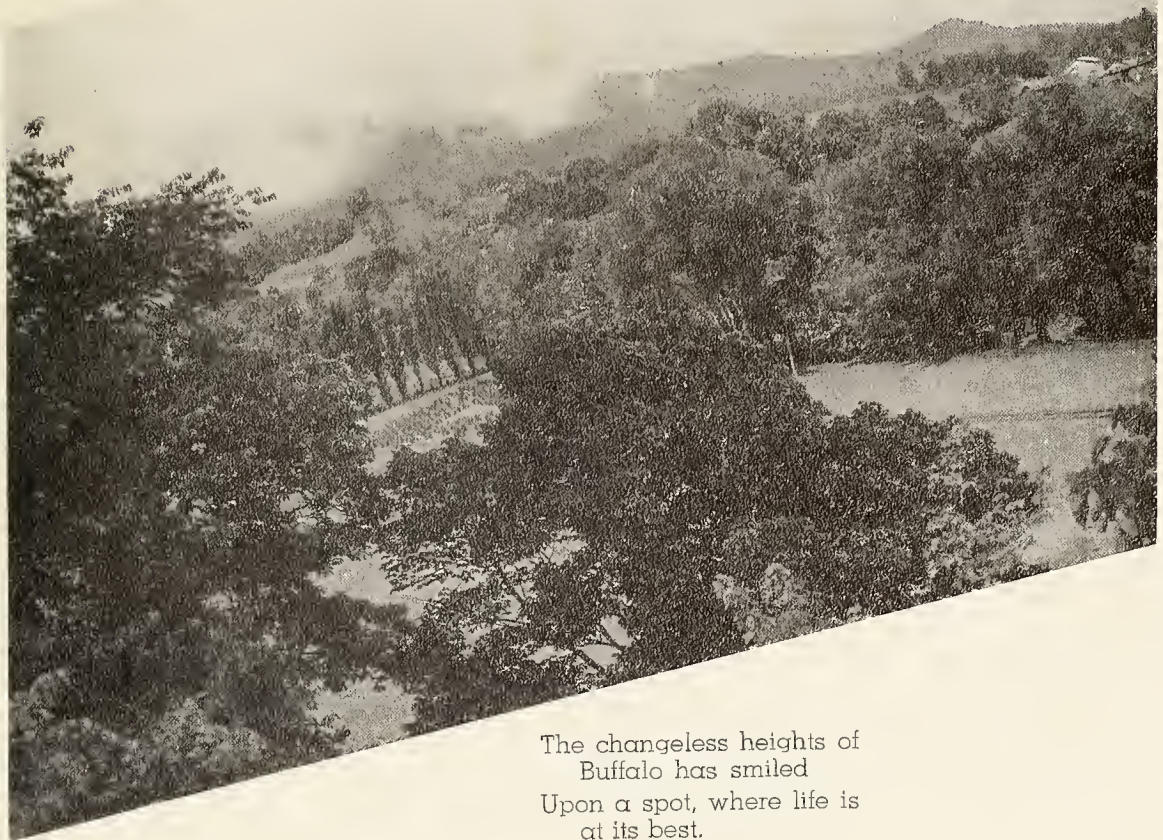

Where court and courting
speeds the timid swain
And bids him make the
most of all of his time.

The mirrored beauty of
this quiet scene
Lies on the tranquil sur-
face of a pool.

Here play becomes the
center of our lives
And sportsmanship a test
which we must pass.

The changeless heights of
Buffalo has smiled
Upon a spot, where life is
at its best.

These friendly portals
open to the west,
A home for those of stern-
er habits made.

A home with Welcome al-
ways on the door,
Where dwell our true
friends and our
counselors.

Behind these walls lie all our dreams,
Things beautiful and things hoped for.

Where warrior poplars fight the tyrant
wind,
Our heroes battle for the good of all.

ADMINIS

Faculty

To the faculty members of Milligan College we wish to express our appreciation for their interest, their cooperation and their constant inspiration. We realize that we have not always been good students, nor have we arisen to the many challenges that they have presented us. Nevertheless, we thank them for their patience and their willingness to bear with us.

They have been wise counselors in time of need; sympathetic comrades in time of joy and always our friends. And so we would like to say: Milligan College faculty, we salute you.

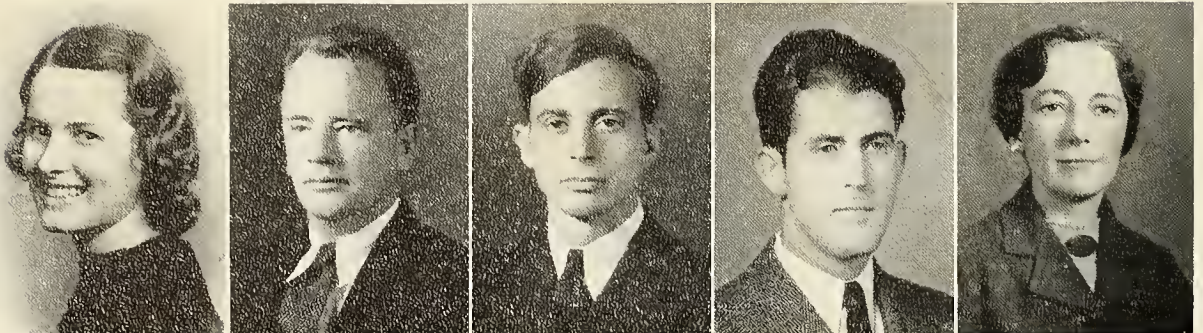

HELEN TRANUM NAVE, A. B.

Alma Mater

In Tennessee's fair eastern mountains
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword,
Conquer and prevail;
Hail to thee! Our Alma Mater,
Milligan, all hail!

Cherished by her sons and daughters
Memories sweet shall throng
Round our hearts, O Alma Mater,
As we sing this song.

Forward ever be our watchword,
Conquer and prevail,
Hail to thee! Our Alma Mater!
Milligan, all hail!

"The Stampede", a semi-monthly publication edited and printed by the students of Milligan College, entered its fifth year with determination on the part of the staff to fulfill this ideal of publication: ". . . to foster the ideals for which the student body is ever striving; namely, higher scholarship, cleaner sportsmanship, and finer comradeship."

Through news, features, and editorials, "The Stampede" endeavors to represent the school in all its aspects and to print in an accurate and engaging way everything of interest concerning it. The purpose of "The Stampede" is not only to interest its readers, but to give students practical training in both journalism and printing.

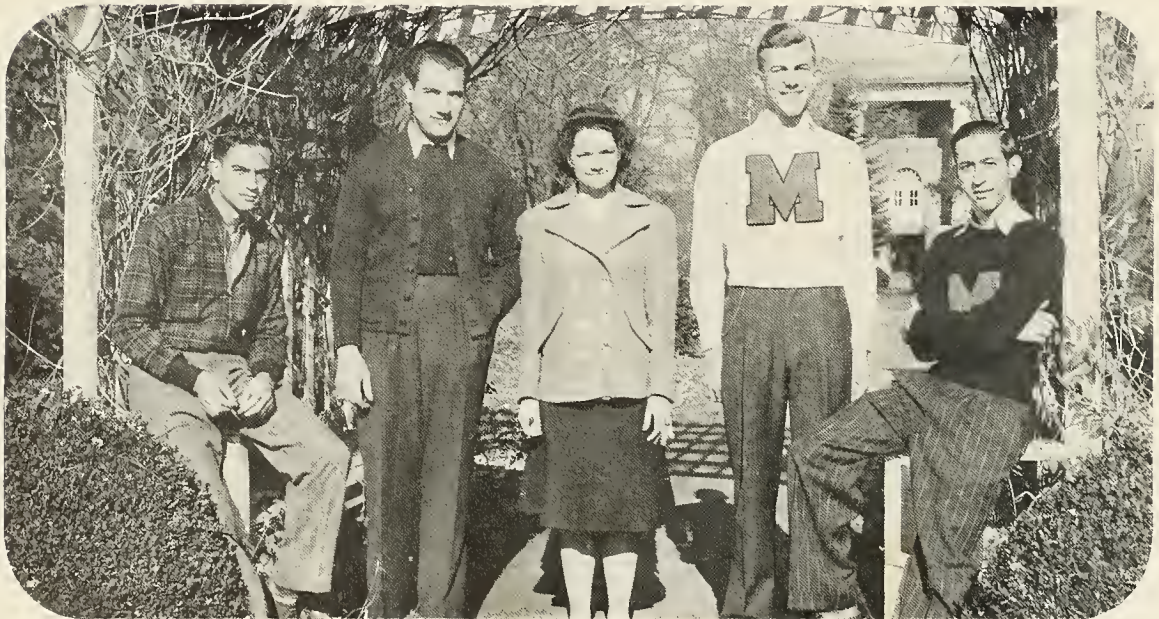

ALPHI PSI OMEGA

Milligan's only national honorary fraternity was handicapped early in the year due to a deficiency in membership. However, after the production of "Mr. Pim Passes By", under the direction of Miss Childs, the new faculty director, several valuable people were acquired. The new members were welcomed by a banquet which was enjoyed immensely.

By graduation the fraternity loses three of its most valuable members, Abe Gabriele, Glen Williams, and Gwendolyn Mathes.

The new members whose pictures do not appear are as follows: Walter Dorricott, Vince G. Tate, Ruth Clark, Jean Mitchell, Myra Cox, Floyd Childs, N. T. Williams, Donald Qualls.

The highlight of the cast's project for the year is the keeping of a "Green Book" which will contain clippings, programs, etc. The "Green Book" will be kept in the local "green room" as a permanent record of the club's activities.

THE MILLIGAN COLLEGE PLAYERS

ABRAHAM GABRIELE	President
BRYAN STONE	Vice-President
ROSE TILFORD	Secretary
MARY LOUISA JOHNSTON	Treasurer
MISS FLOYD CHILDS	Faculty Director

"The Milligan College Players"—a new name for an old organization—began the year 1939-1940 as "The Dramatic Club of Milligan College", with forty members returning from last year. This number was increased by new members until the club, always one of the largest on the campus, had around seventy members at the close of the year.

During the year the Milligan Players sponsored the production of two major plays, one near Christmas and the other at Commencement time. The Christmas play this year was A. A. Milne's comedy "Mr. Prim Passes By".

An outstanding accomplishment of the Dramatic Department this year was the new scene shop, in which the sets for plays are now made.

FORENSIC COUNCIL

One important group in the Milligan College Campus organization is the Forensic Council. As the new age has been ushered in and we have come to different standards and ways of living public speaking has leaped into a foremost position. Our educational system has recognized this necessity and speech departments have been inserted in the college curriculum to meet the growing need. Out of this has emerged the extra-curricular speech club, called at Milligan, the Forensic Council.

The program before the Forensic Council for 1940 includes trips to Bristol, debates at home, trips to Carson-Newman, to the state meet, to Boone, North Carolina, and Rock Hill, South Carolina. This last is the grand excursion and tournament, the trip alone well worth working for. There is exceptional ability among the Council and success is promised. Interest has been renewed and the Forensic Council is becoming one of the most important and influential groups on the Hill.

THE M CLUB

OFFICERS

"DUD" ROBERTS	----- President	----- JIM PEACE
JOHNCE HOWINGTON	----- Vice-President	----- BERNIE WEBB
"RED" MASON	----- Secretary-Treasurer	----- "RED" MASON
BOB RICE	----- Sergeant-at-Arms	----- SAM LAWSON

The Boys' M Club of Milligan College is composed of those young men of the College who, for athletic ability, have been awarded the coveted monogram of their Alma Mater in one or more sports. These letters are given to those who have participated in football, basket-ball, baseball, track or tennis. Letters are also awarded for the management of these sports and for cheer-leading.

The ideals to which the club ascribes are: the continuance of Milligan traditions of good sportsmanship both on the field of contest and in life; the promotion of individual friendships; the furtherance of the ideals for which the College and the club stand; and the whole-hearted support of any and all worthy causes which may come to the attention of its members.

The club has as its crowning activity the annual spring banquet. This is one of the outstanding social events of the school calendar. Other activities in which the club engaged during the year were the sponsoring of the Bachelor of Ugliness election and in the promotion of interest in every form of campus activity.

The club started the year as a relatively weak organization, but, through the determined efforts of the members and officers, a renaissance was effected and as the year passed the club grew rapidly stronger until it is now one of the most active organizations on the hill. But the end is not yet. The graduating few leave on the capable shoulders of the remaining many the responsibility and honor of continuing the work which the club has begun and of lifting it ever to new heights.

THE VOLUNTEER BAND

The Volunteer Band is a permanent organization for those interested in Christian service. Each Monday night, those who care to, gather in the Prayer Room for a period of quiet devotion and Christian fellowship. The motto of the group is "Before one can do, one must be", and so every program is planned to bring the members into a closer relationship with Christ and to give them a deeper urge to lead helpful Christian lives.

Each meeting is closed with the friendship circle and a prayer chorus which probably best expresses the common thought of the students who attend these meetings:

"Come into my heart, Come into my heart,
Come into my heart, Lord Jesus;
Come in today, Come in to stay,
Come into my heart, Lord Jesus.

"Shine out of my heart, Shine out of my heart,
Shine out of my heart, Lord Jesus;
Shine out today, Shine out alway,
Shine out of my heart, Lord Jesus."

During the school year of 1939-40, the Pre-Medical Club has endeavored to raise the scholastic and fraternal standards. Each member maintained and took an active part in the pre-medical work to achieve these standards.

Fraternally, the Pre-Medical Club acts as a force in binding together similarly interested students in their search for truth. As seekers of the truths of science, the members of the club appreciate the ideals, the principles, and the mysteries associated with medicine, and are looking forward to the day when they can do their share in revealing other truths.

The Home Economics Club of Milligan College has a membership comprised of girls enrolled in any of the home economics classes.

Programs presented by this group are varied and in accordance with the ideals and principles of the club, stress is placed upon practical home economics in everyday life. Talks, demonstrations, special activities, and addresses by outside speakers are presented at the meetings.

The Home Economics Club affords students an opportunity to develop a spirit of service and cooperation, to gain a closer contact with the greater organizations and activities of home economics in the state and nation, and to keep in touch with current discoveries in the field of homemaking.

With a membership of about fifty young men and women, the Glee Club is one of the largest organizations on the campus. Anyone who is interested in music, likes to sing, and can do so reasonably well, is eligible to membership in the club.

The activities of the group include participation in the general musical recitals, the presentation of a spring concert, participation in the annual May Festival, acting in the capacity of the church choir, and giving occasional special numbers for the church services.

This year for the first time, the Glee Club participated in Handel's oratorio, "Messiah", presented by the Appalachian Choral Society. The annual Christmas program consisted of the more familiar arias and choruses of the "Messiah". Also in the spring they gave a spring concert.

THE MILLIGAN COLLEGE PRESS

The Milligan College Press is a gift of Mr. E. W. Palmer of Kingsport and is under the direction of Mr. Archie Grey.

The purposes of the press are to do the college printing and book-binding and the other is to furnish students with valuable vocational training. The Press is a decided asset to the school and Milligan is justly proud of it and the work it does.

THE GERMAN CLUB

OFFICERS

WEBB DISHMAN	-----	President
DOROTHY GEISSLER	-----	Vice-President
DOROTHY FOX	-----	Secretary-Treasurer
DR. E. PAYTON WILLARD	-----	Sponsor

Although the German Club is probably the youngest organization on the Milligan College campus, it has made a definite impression.

The purpose of the club is to make a more profound study of the German people, their language, habits, and customs.

To be eligible for membership one must be enrolled in a German class or must have studied German at one time.

1939 FOOTBALL SQUAD

1939 BUFFALOES CHARGE TO VICTORY

Coach Steve Lacey greeted fifty football hopefuls on Anglin Field September 1. This tentative squad was composed of fifteen lettermen and the remaining number were mostly freshmen and sophomores.

The Buffaloes' first opponent of the season was the powerful eleven from Hiwassee College, which they trounced 20-7. The excellent playing ability exhibited by Lacey's grid machine received much favorable comment. Many believed that it would be the best in the history of the school.

The Buffs continued their march on to victory by winning from the Cumberland University team 12-0.

The cardinal point of the 1939 season was the victory over Maryville 7-2.

The winning streak of the Buffaloes was increased to four straight when they defeated Bluefield 19-6.

The Eagles of Carson-Newman were the first to place Milligan in the losing column when they checked the Buffalo stampede by the close score of 7-6.

The Homecoming Game with Emory and Henry proved to be another defeat for the Buffaloes. The Emory eleven accounted for twenty-nine points, while the Buffs crossed the final stripe only once.

Passing their way to victory, the Milligan eleven trounced the Tusculum Pioneers 19-0.

The Tornadoes from King swept the Orange and Black off their feet by scoring in every period. Milligan's lone tally came in the last few minutes of the game. The final score was 34-6.

What might be called a fitting climax to their current season was the Buffs' victory over Teachers College, 14-0. It seems that the annual clash with Teachers determines whether the season has been good, mediocre or poor. This season it closed with this overwhelming defeat of Teachers, and Milligan was proud to claim this victory.

It is difficult to name any outstanding player wearing the orange and black, for every man played fine ball. Rice and O'Donnell exhibited exceptionally powerful line play, while at the same time Webb and Showalter accounted for many yards.

The 1940 team will miss the efforts of Captain O'Donnell, Captain Pike, Lawson, Howington, Peace, Roberts and Webb. Needless to say Coach Lacey will find it hard to replace these men even from a group of fine prospects.

The Class of 1940 wish Coach Lacey all possible success in the future and wish to compliment him, as well as his assistants, Star Wood and Jim Senter, for their fine work this season.

VARSITY BASKET-BALL

THE VARSITY TEAM

HIGHLIGHTS OF THE SEASON

Three members of last year's varsity, Clyde Cooper, Johnce Howington and Bernie Webb, returned to the Buffalo squad this year and were aided by such promising prospects as Harry Stallard, Hugh Blessing, "Jocko" Hayes, Norman Torbett, Boyce Cross, Raymond Cure and Charles Akard. The chances for Milligan to retain a high standing in the Smoky Mountain Conference were thought to be reasonably good at the beginning of the season.

Preliminary games were played with the Norton Kiwanians, Tennessee Eastman and during the holidays a game with the University of Tennessee, in which Milligan lost by the score of 35-23.

The Buffaloes' first appearance against a conference foe was marked by a loss to L. M. U., 32-28. After this defeat the Buffs showed the earmarks of a winning team by trouncing Maryville 46-36, and later Tusculum, 39-31. But this winning streak was short-lived for they were defeated by L. M. U., 49-31; by King, 49-36 and 40-33.

In their annual conflict with their traditional rivals, Teachers College, the Buffaloes seemed to take on new life. They disregarded the fact that they were considered the underdogs and came out victorious, 41-36.

FRESHMAN BASKET-BALL

THE FRESHMAN TEAM

COT PRESSNELL, JOHN LARGE, FRED PRESSNELL, TOM JENKINS,
DAVE TROTTER, ED KILGORE, G. B. PIERCE, JOHNNY JOHNSON

Probably the most unusual game here in many seasons was the game with the Mexico City Y. M. C. A. on February 20. Milligan considered itself quite fortunate in being the only Tennessee team scheduled to be played on the team's tour of the United States. The scheduling of this game was made possible by Coach C. M. Eyler during his tour of Mexico last summer. Although the Mexicans handed the boys from Eyler's camp a defeat, the fine exhibition of sportsmanship by both teams attracted much attention.

The four remaining games brought the Buffaloes three defeats and one victory. The three losses were to Tusculum, Teachers College and Maryville, and the victory was over Carson-Newman.

Three of the team's most valuable men, Captain Clyde Cooper, Bernie Webb and Johnce Howington, are Seniors, and this loss will be felt next year. But even so, many prospects are being carefully developed by Coach Eyler.

We wish the retiring members of the squad success in all they endeavor; to those returning we wish for them a victorious season, for they promise to provide plenty of trouble for their opponents during the coming season.

VARSITY BASEBALL

The return of Captain Roberts and other veterans as Fraser, McNeeley, O'Donnell, Webb, Brummitt and Alexander as a nucleus for this year's baseball squad and aided by many promising rookies, brings the hope that Milligan will have the strongest team in years.

Exhibition and fine sportsmanship and teamwork has been evident at the beginning of the season, thus placing the squad high in the esteem of fans—win or lose.

Games in this year's schedule included Teachers, University of Tennessee, Lincoln Memorial, Tusculum, Carson-Newman, and Maryville.

Due to a conflict in schedules several members of the squad do not appear in the above group.

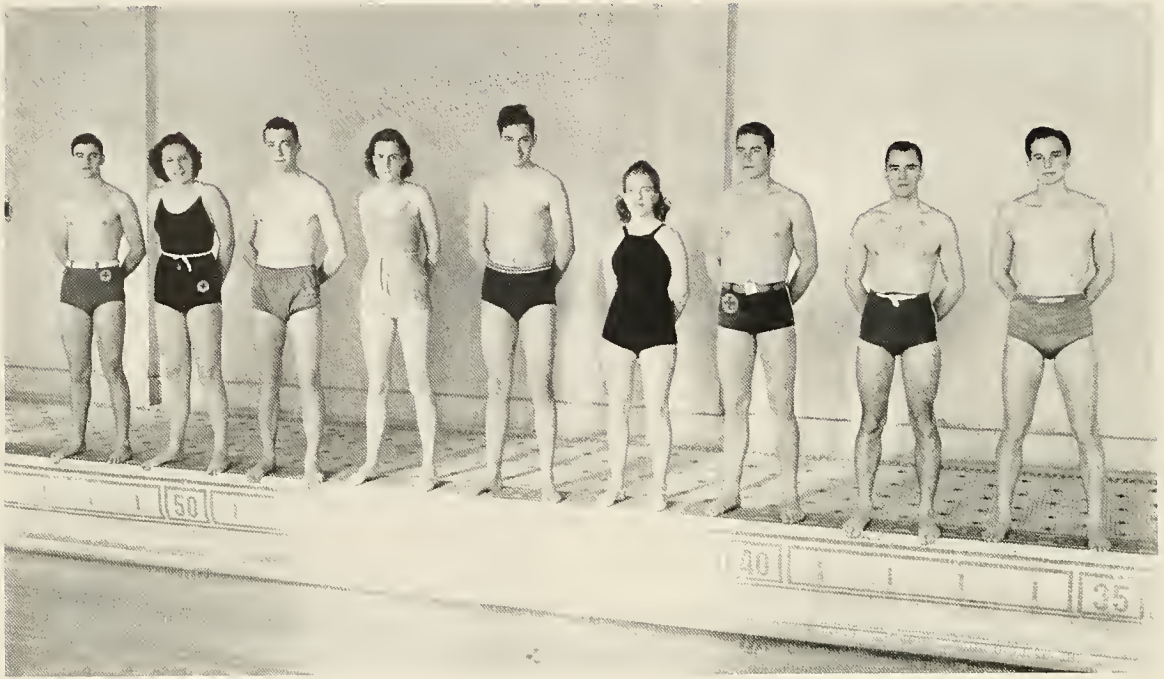

TENNIS TEAM

With the return of only three lettermen, Oris Hyder, Frazier Cochrane, and Aubrey Painter, the prospects for a successful season are none too bright. Coach Hugh M. Thompson assures us though that there are a good number that have reported for practice and perhaps by hard work and the desire to win the team will be among the leaders. In the opinion of the editor this is very true and to show at least that they are very sincere the following matches have been scheduled: University of Tennessee, Appalachian State Teachers College, East Tennessee State Teachers College, Carson-Newman, Emory and Henry, Lincoln Memorial University, Tusculum, Maryville, Mars Hill, and Kingsport Country Club.

The BUFFALO Staff wishes to commend them for their efforts and success in the past and sincerely hope that we will be among the leaders.

LIFE SAVING GROUP

BOXING TEAM

TRACK TEAM

GIRLS' BASKET-BALL AND M CLUB

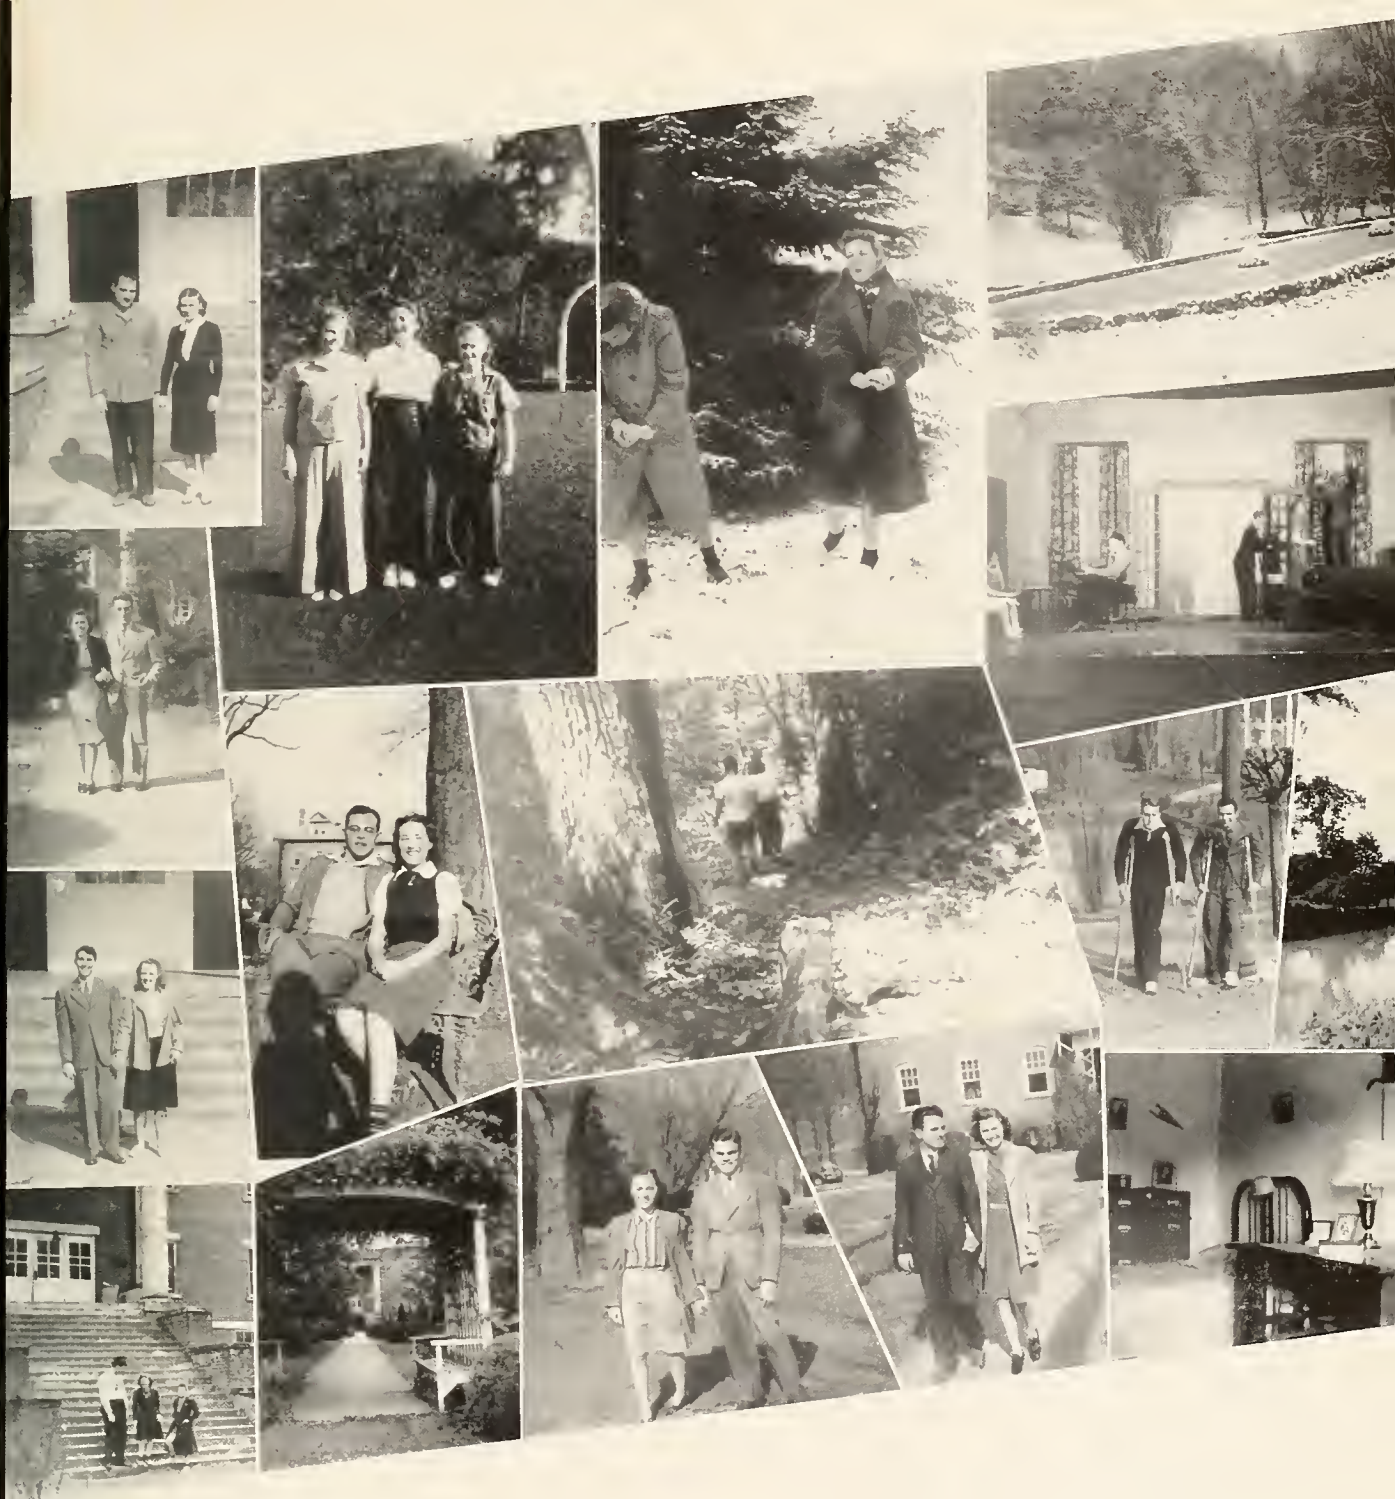

A system of intra-murals that supplements and aids the Division of Physical Education in bringing about the aims of physical education is in use at Milligan College. The scope of activities is wide and a wide range of choice is allowed. It gives honors or points for the various types of competition and leadership.

One of the important requisites taken into consideration when candidates for awards are chosen is that they shall fulfill, besides proficiency in sports, full attendance at practices, required scholarship standard, and above all, SPORTSMANSHIP.

Book IV

F e a t u r e s

TO MRS. CARL R. GRAY

In recognition of a delightful visit of a woman who has given her life in most beautiful service to her Master and Lord as a wife, a mother, Bible teacher, and a wonderful counselor in spiritual interpretation—"Mother Gray"—we, the Senior Class of Milligan College, dedicate this page of our annual.

The faculty, entire student body, and friends around about shared with us the inspiration of her sweet and loving spirit, the enthusiasm of her unselfish, Christ-like life, and the greater insight into the deeper truths she brought to us out of her daily companionship with her God.

In 1938, she was unanimously selected as the Golden Rule Mother of America. In 1939, we crowned her Mother of Milligan. We will always be richer in faith, holier in life, more devoted in service, and more conscious of the Christ's presence through our comradeship with her as she revealed to us the heart and life of our Christ. We rejoice that she now belongs to us and has forever become a part of us. Through her we have learned to know and love her husband who for over fifty years shared with her in fruitful service.

She left with us a beautiful poem which came out of her own heart after many years of rich experience with life, which we are passing on to our readers as a part of this dedication.

“THE GARDEN OF LIFE”

Do you know that each life is a garden,
And we sow as the days go by
Seeds, for a future harvest
To be gathered with smiles, or a sigh?

Then what of the soil of our garden,
Is it fertile, or stoney and old?
Will it bring forth the thorn and the thistle
“Or the grain of a thousand fold”?

Have we planted the rose of “forgiveness”
And the lily of purest white,
That sends forth its sweetest fragrance
Through the long-dark hours of the night?

Is the pansy there with its pleasant thoughts
And the violet, modest and true;
And the sunflower bright, with its face toward God,
A lesson for me, and you?

Have we planted that rare little blossom
That blooms when the days are hot;
Ever echoing the voice of its master,
“Dear friends, forget me not”?

Have we planted much in our garden
From His wonderful book of Life?
Have we sown the seeds of “obedience”,
His assurance of help through the strife?

Have we also sown the seeds of “truth”,
Have we done the best that we can
Toward sowing that marvelous seed of “love”—
Love for both God and man?

You know that in this world’s sowing,
’Tis true, and will ever be,
There will come into every garden
Some grief—from Gethsemane.

But after the grief in the garden,
The harvest we’d hoped to see
Will blossom in all of its beauty,
Through the glory of Calvary.

Then know that your life is a garden,
And you sow as the days go by
Seeds—for future harvest,
To be gathered with smiles, or a sigh.
