MILLIGAN COLLEGE
TENNESSEE

Dedicated to

Dr. Beauford H. Bryant

Left: Dr. Bryant watches as members of the college class of Oak Grove Christian Church put the finishing touches to his "home-made" Christmas tree.

Right: In the full academic dress of the University of Edinburgh, presented to him by his Oak Grove congregation as a Christmas present.

For his outstanding example, his superior scholastic ability, his rapport with the students and faculty, and his admirable character, we, the Class of 1963, proudly dedicate this edition of the Milligan College Buffalo to Dr. Beauford H. Bryant.

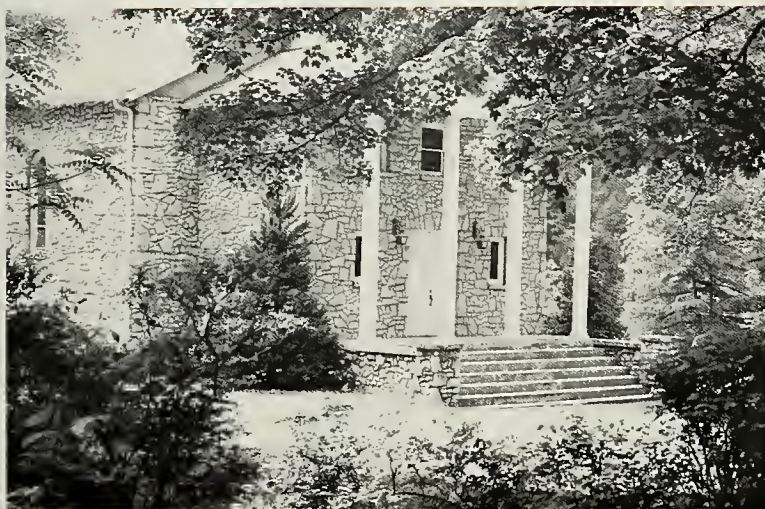

Dr. Bryant's deep interest in others is seen in his frequent visits to the boys' dormitories, where he spends many hours in discussion, and in his ministry at the Oak Grove Christian Church, where he faithfully tends to the needs of his congregation. In the classroom and in the pulpit he causes

Christianity and the Scriptures to come alive, moving his hearers to listen, to learn, and to live accordingly.

In our four years at Milligan, we have come to know and love Dr. Bryant—the way he laughs when enjoying a good joke, his particular use of the word "wee" when describing little things, his tender compassion in times of stress, his hearty handshake, his impassioned pleas for the cause of Christ. By his very life he exemplifies Christianity, and for all that he means to us and so many others, we gratefully honor him.

PRESIDENT'S MESSAGE

Pages in the Buffalo are like cards in an index. Each one records words or pictures recalling events and people. They stir imagination and quicken remembrance. In these memories we live again our treasured years at Milligan.

Changes in campus and facilities do not change the college. Milligan is a spirit. It is a spirit of curiosity and investigation. It is a spirit of discipline and resolution. It is a spirit of learning and service. It is a spirit of loyalty and affection. It is a spirit of devotion and commitment. It is a spirit of faith and hope. It is a spirit of prayer and confidence. Alumni are distinguished by such spirit.

Our Lord has blessed us during this year. We have high privilege in expressing our gratitude to Him. May His continued favor be with us, we pray, as we try to conform ourselves to His will in all our relationships in the family, in society, in our careers, and in His Church.

So shall we build for the future upon our inheritance, that we may assure Christian Education—the Hope of the World.

Dean E. Walker, President

On May 28, 1962, a few hours after graduation exercises were concluded, our President married Miss Dorothy Keister of Lock Haven, Pennsylvania. The Walkers flew to Europe immediately following the ceremony, spending the summer there.

Although Mrs. Walker is a very busy person, traveling extensively while presenting her well-known "Mission to Women," she has nevertheless taken the time to become well-acquainted with the faculty and students. On behalf of all of its members, we welcome her to the Milligan Family!

The Walkers en route to the airport for a European honeymoon.

Dr. and Mrs. Walker relax at home.

Any firm, public or private, to run smoothly must have a body to make policies and choose those who will carry out these policies. This body is the Board of Trustees. They perform many

duties, one of which is to authorize candidates for degrees upon recommendation of the faculty. Members of the Board are chosen for their interest in the ideas and ideals of the college.

Board of Trustees

Dr. Derthick and his "children."

Dear to the hearts of all those associated with Milligan, Dr. Henry J. Derthick has become a living tradition. His ever present liveliness and enthusiasm stand as a constant stimulus and encouragement to every student at Milligan.

Dr. Derthick's influence extends beyond Milligan. Since his retirement from the presidency of Milligan College, in which capacity he served for twenty-three years, he has become known in the area for his program of counseling and guidance which he takes to thirty schools in Upper East Tennessee. In this program he instructs about thirty thousand students. Dr. Derthick also teaches school and serves as minister of Hale's Chapel Christian Church.

This year Dr. Derthick celebrated his ninetieth birthday. He is looking forward to many more years of service.

The Student Council is the representative voice of the student body in all matters referring to student life. It is composed of representatives from each class, the class presidents, and the presidents of the dormitory and commuters' councils.

The function of the student government is to provide and maintain a well-balanced spiritual, social, and academic life and to facilitate communication and coordination between the student body and the administration.

We sincerely hope that this edition of the Buffalo will bring back many pleasant memories.

Mr. Stahl and Janet have a last minute conference—can we meet that deadline?

Stampede Staff

The Stampede, the Milligan newspaper, was created for the purpose of providing practical experience in journalism to students who are interested in this field. It also provides editorials, items of entertainment, and important information pertaining to the activities and accomplishments of our student body and college. This newspaper is published once a month, and is available to the student body, to local colleges, and to alumni.

Bykota

The Bykota Club, formerly known as the Ministerial Association, is designed to aid the spiritual growth and to provide practical knowledge and experience to the men of Milligan who plan to enter some phase of Christian service. The members not only benefit others, but also the Kingdom of God and themselves as they strive to follow their motto, "Be ye kind, one to another."

The activities of the organization include the individual services and activities performed in the churches of the area, such as those of assistant minister, youth director, and other positions. The club encourages the ministerial students to maintain the highest possible standards of Christian character at all times.

This organization meets weekly for song services, devotions, and Christian fellowship. Gospel Teams have been formed from the club to go to churches in the surrounding area and states to hold services.

This year the club sponsored a Minstrel Show, which contained possibly the most "original" talent of the year. It is hoped that this will become an annual event.

Service Seekers

The Service Seekers is a club originally organized in 1949 by Miss Welshimer for young women who wished to enter some field of church work. Since this time, the club has been opened to all girls who wish to serve Christ, whether in the home, the school, the community, or the church.

Lectures, discussions, and activities are the basis for the meetings of the Service Seekers. These meetings are designed for practical application in the various fields of service. During the year, the members find many ways in which to encourage and increase in Christian service, one of which is visiting the children at the East Tennessee Christian Home in Elizabethton.

Freshmen and other new members sign the membership roll at the installation services.

The Missionary Fellowship strives to spread the Gospel through the activities of its members. Services held at the Washington County Old Folks' Home and gathering clothes for the needy at Christmas are two of the activities done in Christian love by this organization.

Commerce Club

The Commerce Club provides an excellent opportunity for students interested in business administration and secretarial science to become better acquainted with the world of business. Films and conducted tours through business enterprises are ways in which the students gain a better understanding of the operation of commercial firms. On various occasions outstanding persons in the business world give lectures and answer questions pertaining to their chosen professions. The year's activities are concluded by an annual picnic.

Programs consist of discussions, debates, slides, movies, and several social activities which include a dinner with a dish from each represented country. Through this organization the members have attained understanding and knowledge of the customs, habits, environment, geography, beliefs, and ideas of the various countries.

Choir

Membership in the Milligan College Choir is open to those who can meet the rigorous requirements of the try-outs conducted by Dr. Dale Jorgenson, the director. In his first year at Milligan, Dr. Jorgenson has raised the standards and quality of music produced by the Choir.

The hard work and long practice sessions are rewarded by a tour conducted during the spring vacation.

Wind Ensemble

The Milligan College Wind Ensemble was organized by Dr. Dale Jorgenson in September, 1962. From this group developed also a Brass Choir. The limited number of players has kept the Ensemble from doing all it would like to do; it has, however, been used as a "pep" band at several home basketball games and has taken an active part in the Christmas program. Plans have now been made for a Spring Concert to be given in late April or early May. This will be the first formal appearance for both the Ensemble and the Brass Choir under the direction of Dr. Jorgenson.

FOUNDER'S DAY 1962

In 1881, Josephus Hopwood founded what is now Milligan College. In commemoration of this event, alumni return each November to reunite with old friends on the campus of their Alma Mater. This year's "homecoming weekend" began with a varsity-alumni basketball game, which was won by the varsity by the score of 80-76. Each of the classes, the dorm councils, and several of the clubs provided outdoor displays, giving a very festive air to the campus. The weekend was culminated in the annual Founder's Day Banquet, held Friday evening, November 23, at Sutton Hall and attended by some 700 persons. Those present at the banquet selected Miss Janet Knowles, a senior from Northfield, Ohio, and the candidate of the Christian Service Club, to reign as the Founder's Daughter for 1962.

WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES is a national organization designed to give recognition and lasting benefits to students of outstanding achievement. Approximately 775 universities and colleges participate in this program. Each institution is assigned a quota large enough to give a well-rounded representation of the student body, yet small enough to confine nominations to an exceptional group of students.

Selection of nominees is conducted by a campus committee, with their selections being based on scholarship, participation and leadership in academic and extra-curricular activities, citizenship and service to the school, and promise of future usefulness. The seven seniors on the following pages were elected to Who's Who from Milligan College for 1962-63.

BASKETBALL

The 1962-1963 basketball campaign turned out to be a rather disappointing one for the Milligan squad. The team was a rather "green" one, with a number of freshmen being moved into the starting five at different times throughout the season. Ken Robinson was a starting forward the entire season, thus becoming the first freshman to start every game in recent school history.

Rusty Stevens led the Buffs in scoring with a 16.9 points-per-game average, followed closely by Ken Robinson with a 15.1 points-per-game average. "Robby" led the team in field goal percentage and foul shot percentage, completing 111 of

258 attempts from the field, for a percentage of 43.0 and 48 of 57 attempts from the foul stripe, for an 84.2 percentage. Wayne Herndon led the Buffs in rebounds with a fine average of 11 per game.

Things look promising for next season, since the squad will be losing only two men—Ray Sheppard, a senior, and Billy Ray Harrell, a junior, but a senior in eligibility. Also, our promising freshmen will have gained more experience, and the team is expecting to be fortified with some top-notch graduating high school seniors.

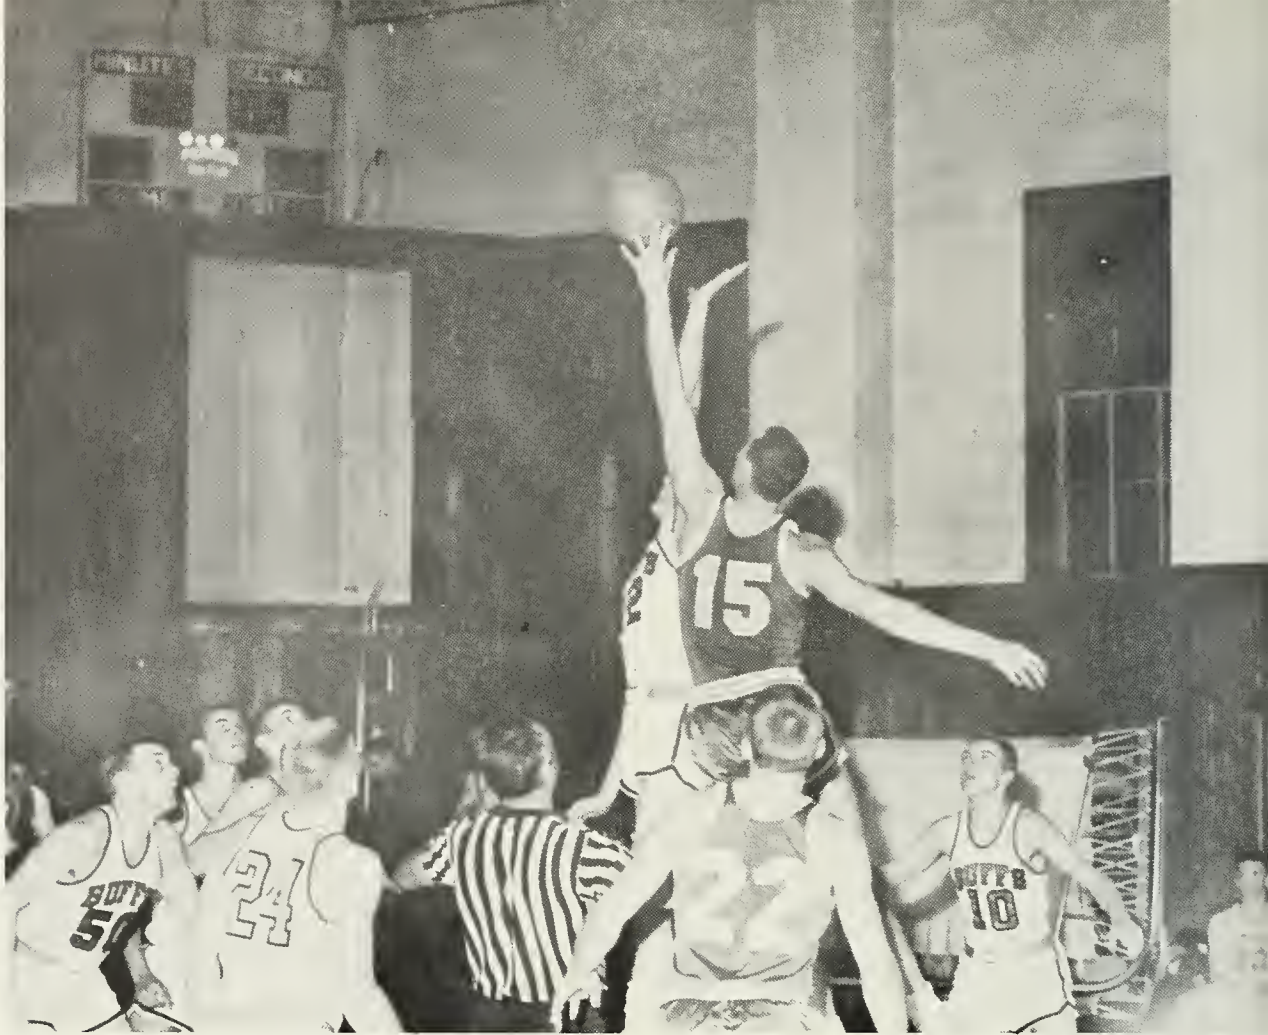

Coach Walker outlines some practice drills for Mike Phipps, Dwight Barker, and Ray Sheppard.

This year Milligan had two seniors in eligibility

* Volunteer State Athletic Conference Game
Coach—DUARD WALKER

CHEERLEADERS

The cheerleaders take time out with the team.

Swinging into action with F-I-G-H-T.

From left: Diane Hubbard, Nancy Conrad, Bob Dawson, Donna Wright, Rita Farmer.

Diane Hubbard, Captain.

Dr. Crowder, wrestling coach, ponders the prospects of a winning match.

WRESTLING

The Milligan wrestling team, coached by Dr. Orvel Crowder, became one of the major intercollegiate sports on the campus. The only losses of the season came at the hands of Appalachian State and Morehead State—schools of more than three thousand enrollment. Prospects for 1963-64 are excellent with the same squad returning and the addition of a junior varsity team.

Below, Kneeling—Ok Jin Yoo, Sam Bower, Wayne Oden, Skip Perry, Tom McCune, Tommy Spires. Standing: Rex Jackson, Bob Niemi, Arnold Dort, Lee Cerovac, Al Traynor, Don Pickford, Paul Conklin, John Boyd.

From left: Larry Reynolds, Charles Hendrix, Bob Kerrick, Bob Dabney, and Larry Poe.

Golf was inaugurated as an inter-collegiate sport in Milligan College in the spring of 1962.

In their first season, Milligan linksmen won the Eastern Division championship of the Volunteer State Athletic Conference. They also claimed a victory over cross-town rivals East Tennessee State College.

In the Volunteer State Tournament held at Fort Campbell, Kentucky, Milligan placed sixth in nine-team competition. Captain Bob Kerrick was runner-up to the medalist among forty-five golfers.

The 1963 team includes four lettermen: Captain Robert Kerrick, junior; Larry Reynolds, Larry Poe and Robert Dabney, sophomores.

Left: Robert Kerrick, Captain.

GOLF

Right: Ray Stahl, Coach.

TENNIS

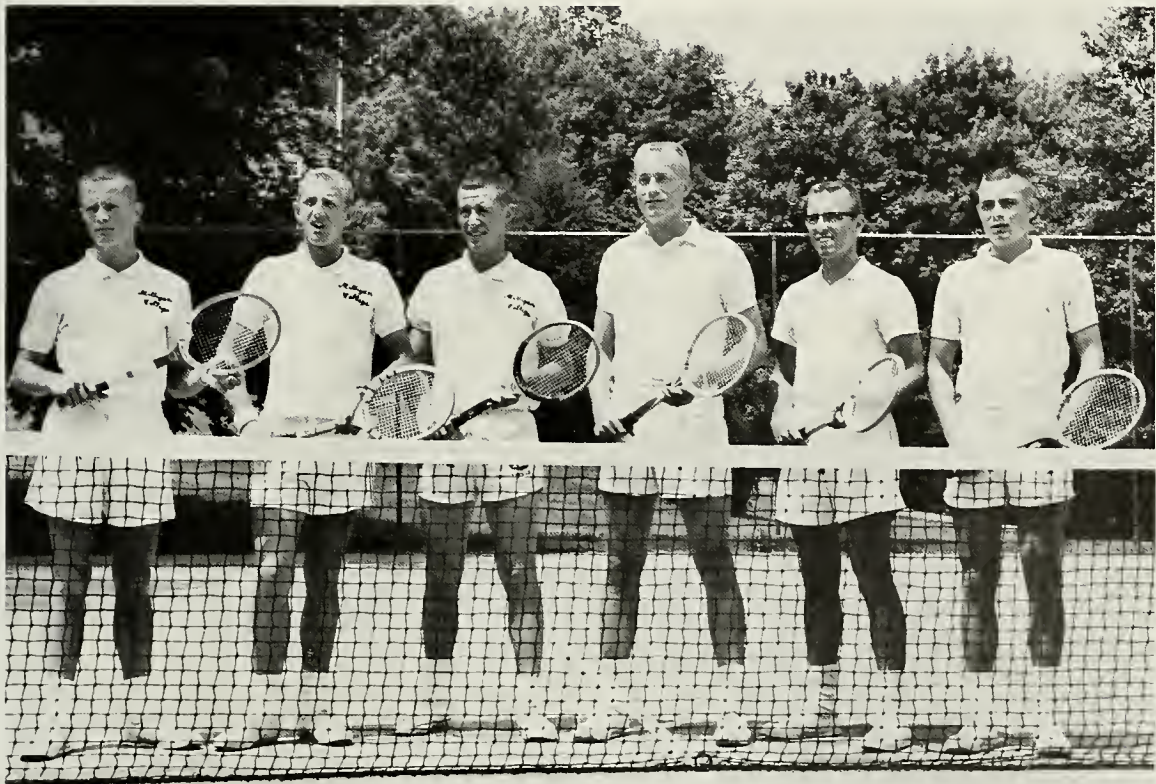

For the second straight year our tennis team has finished with an impressive 12-2 record. This record gave us first place in the 1962 VSAC tournament and the runner-up spot in both the VSAC and the SMAC conferences.

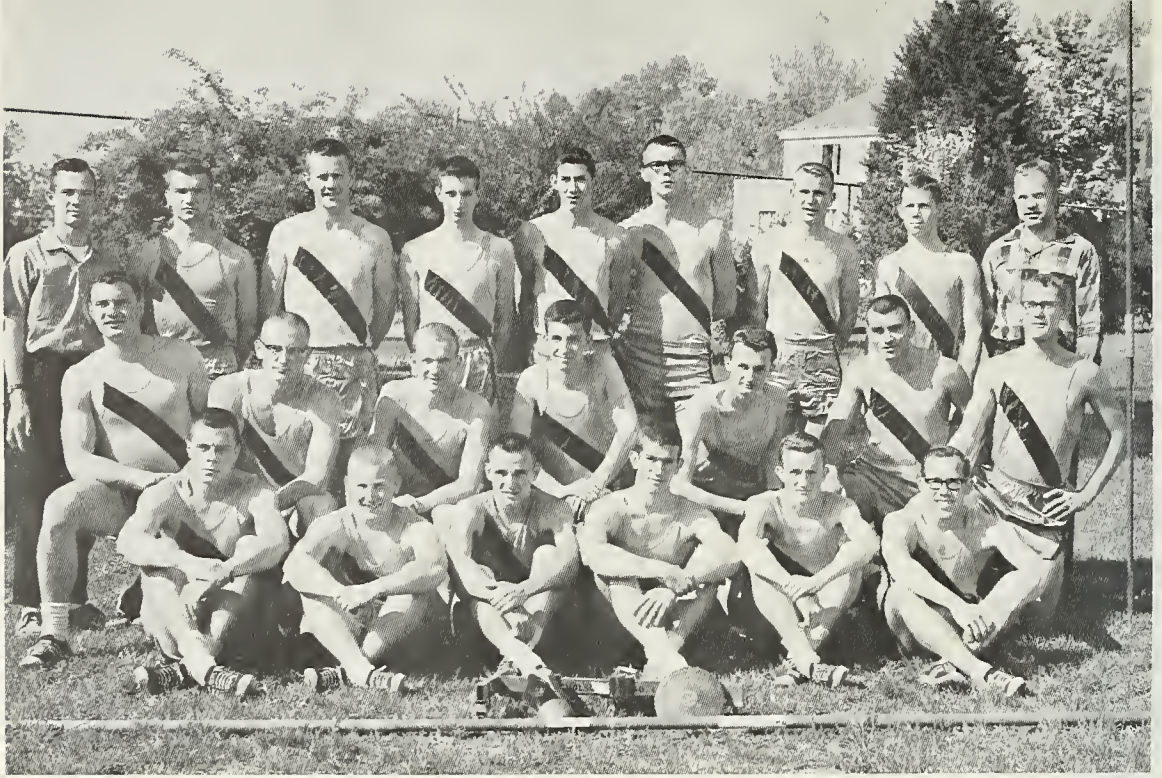

With Bill Morison, Don McConkey and Larry Johnson returning to this season's team, our hopes are high for another championship team. The team will be participating in the VSAC and TIAC (Tennessee Intercollegiate Athletic Conference) tournaments this year.

Don tries to catch the line.

From left: Don McConkey, Dave Williams, Homer Neal, Terry Black, John Starr, and Larry Johnson.

Front row: Jim Wood, Ron Decker, Mike Hartung, Dave Herndon, Eugene Woodby, David Sponseller. Second row: Calvin Ross, James Frasure, Ed Pierpont, Bill Cornelius, Larry Bondar, Earl Hobson, Gary Nicholson. Third

row: George Haden, Manager; Jay Weitzel, Jack Gelzleichter, Norman Newton, Guy Gilmore, Andy Lowe, H. B. Whitt, Wayne Walters, Coach Duard Walker.

TRACK

Although the 1963 Track Team has lost three men from last year's team, it should be able to improve last year's record. Our cross-country season shows that the team is especially strong in distance races. Also, the team will have more experience in the dashes. Milligan will be rebuilding somewhat in the field events, but returning lettermen and the promising freshmen should hold their own in most of these events. All in all, the general outlook points to a stronger team in 1963.

A real Milligan muscleman.

He flies through the air with the greatest of ease!

From left: Wayne Walters, Dave Herndon, Danny Martin, Tim Cox, Bill Cornelius, Eugene

Woodby, Jay Weitzel, Jerry Judd, Mike Hartung, manager.

CROSS - COUNTRY

In the second year of competition the Buffs' Cross-Country team won (November 10, 1962) the VSAC championship. Eugene Woodby won a trophy for his outstanding performance for the team. Individual medals were won by Bill Cornelius and Dave Herndon.

In the Second Annual Cross-Country Run of the Ohio Valley Conference the Buffs placed fifth. Milligan was the smallest school represented, competing against such schools as Tennessee Tech, Western Kentucky State, and Eastern Kentucky State.

Front row: Bill Gilmore, Jerry Judd, Bill Moore, Bobby Hines, Lynn Tipton, Don Garland, Phil Hansen. Second row: Ken Bell, Phil Webster, Bud Campbell, Dixie Dudukovich, Rusty Stevens,

Howard Fahnestock, Randy Wright. Back row: Coach Harold Stout, John Pickford, Don Pickford, Gary Aldridge, Buck Bowen, Terry Black, Clyde Campbell, manager; Park Range, manager.

BASEBALL

Baseball is in the air again, as is evidenced by the old familiar cry, "Heads up on the tennis courts!" ringing through the air. The Bulls should be better than ever this year and should improve on last year's excellent 16-10 record. Leading the parade of returning lettermen is all-Volunteer State Athletic Conference and Smoky Mountain Conference shortstop, Randy Wright. Returning to the various other positions are John Pickford at catcher, Don Pickford—first base, Dixie Dudukovich—second base, Kenny Bell—

third base, Phil Hansen—left field, and Lewis "Bud" Campbell—center field. In right field will be Don Garland, who as last year's leading hitter chalked up a .417 average! The pitching staff will include Lynn Tipton, Phil Webster, and Howard Fahnestock.

Newcomers to the team this year are Ronnie Bowen, Dick Ryan, Lonnie Lowe, Ralph Earnest, Sanford Dutton, Tony Bowman, Bill Howe, and Bill Stafford. Coach Stout is anticipating a fine season!

INTRAMURAL COUNCIL

At Milligan the Intramural Council has been formed to set up an extra-curricular program in sports for the student body. The council is very interested in giving the students healthful activities in which they can enjoy themselves. This year approximately half of the student body participated, making this year one of the more successful ones.

Intramurals, a program for skilled and unskilled players, consists of the following

sports: volleyball, basketball, softball, swimming, ping-pong, badminton, shuffleboard, foul shooting, bowling, tennis, horseshoes, and golf. All-Star teams are chosen also from the better players who participate in the program. Individual awards are given for winners in each sport, and at the end of the year, awards are given for the accumulation of points based on participation and achievement.

Kneeling: Larry Spangler, Mike Hartung, Gordon Mehaffey, Ed Pierpont. **Standing:** Coach Harold

Stout, Lorna Crouch, Bev Weller, Pat Harper, Pat Loichle, Sally Gray, Mike Combs.

Basketball, an outstanding Intramural sport.

Str-r-r-r-retch!

INTRAMURALS

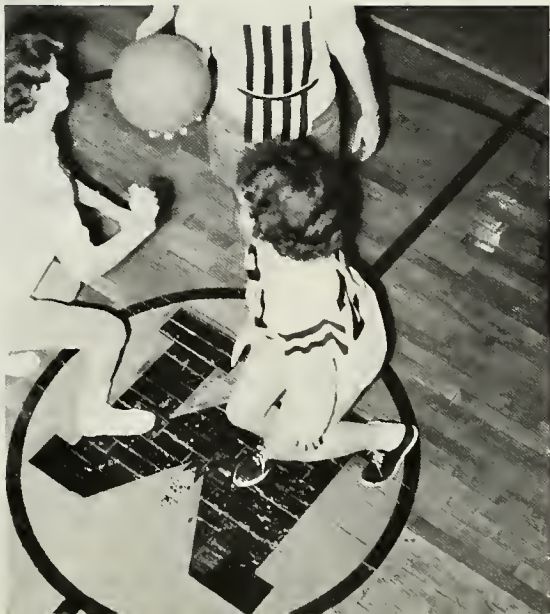

Is Larry really using flubber?

Arms, arms, and more arms!

Keep them playing fair, Joyce!

Lorna tries a set shot.

JONESBORO

Our History

"A mirror of colonial American history, it is the oldest town in Tennessee, chartered by the North Carolina assembly in 1779, and founded the following year.

Jonesboro was named in honor of Willie Jones, patriot and prominent citizen of Halifax, N.C., who sponsored legislation favoring and aiding the western settlements.

The first courthouse west of the Blue Ridge, a crude log structure was the judicial capital of East Tennessee.

Riflemen from Jonesboro followed John Sevier to the Battle of Kings Mountain in the Revolution, and went on many of his victorious campaigns against the Indians.

Jonesboro was the first capital of the short-lived State of Franklin, organized in 1784.

Andrew Jackson came over the mountains from North Carolina and was admitted to the bar in Jonesboro in 1788. Later, when seventh President of the United States, he rode through Jonesboro many times en route to Washington, and once held a reception for many of his friends on the porch of the Chester Inn.

Two of the churches in Jonesboro were built more than a century ago and still retain the quaint old galleries used by the Negro slaves in ante-bellum days."
