

Debate Season To Open Soon

Milligan College Forensic Council will open its debate season Friday evening, February 11, when our teams meet those of Lees-McRae for the initial event of the year.

The Milligan Affirmatives, both boys' and girls' teams, will debate the Lees-McRae Negative boys' and girls' teams in the chapel here. At the same time, the Milligan Negative teams will meet the Lees-McRae Affirmative at Lees-McRae.

The Pi Kappa question for debate this year is: Resolved That the National Labor Relations Board should be empowered to enforce arbitration for all industrial disputes.

The teams which will defend the Affirmative side of this question Friday evening have not yet been selected. However, the Girls' Negative team going to Lees-McRae will be composed of Martha Shull and Rose Til-

(Continued On Page Six)

Valentine Party Will Be Given

Plans are being made for the annual Valentine Party to be held at 8 o'clock on Monday night of February 14th. This special event will be sponsored by the Senior girls, who hope to return the generosity in fun and favor the boys showed in sponsoring the Hallowe'en Party.

As customary, the Valentine party will be a formal affair, held in the parlor of Hardin Hall. An entertaining program will be presented, after which will follow an enjoyable social hour. Refreshments will be served in the dining room. Every student is expected to be present to enjoy the occasion.

Former Dean Is Visiting Speaker

In a series of addresses in the Chapel of Milligan College, Dr. W. B. Boyd recently brought before the campus one of the great problems of the world today—Conservation.

Though formerly a faculty member and Dean of Milligan, Dr. Boyd is now associated with the Information Division of the State Department of Conservation in Tennessee.

He first addressed the students in chapel on the Chemurgic Movement, in which Agriculture Science, and the Industrial-World are working together for the common good. Speaking in Sunday School and Church the next day, Dr. Boyd discussed "Spiritual Multiplication" — the conservation of personality and "The Law of Spiritual Conservation." On Monday he developed the thought that we are trustees of values with the duty of conserving our natural resources. In his concluding address on Wednesday, Dr. Boyd stressed the necessity and value of a spirit of courtesy in advertising your state.

Buffaloes Swamp Emory and Henry

Prof. H. H. Todd Resigns Position

Professor H. H. Todd, for ten years head of the Psychology Department of Milligan College, and for the past three and one half years head of the History Department of Milligan has resigned his position in order to complete his study for his Doctor of Philosophy in History at Vanderbilt University and Peabody College at Nashville.

Professor Todd leaves a host of students and faculty friends at Milligan. They regret that it is necessary for him to leave, but wish him much success and happiness in his work and study.

Mr. J. Walter Carpenter, Jr., was selected to fill the vacancy (Continued On Page Five)

After a mediocre start, the Buffaloes have put on the pressure and have copped three conference wins in a row. Not to be outdone the Buffaloes have taken on all comers and are yet defeated only once.

The Buffaloes reached their peak in the Maryville game and came from behind to defeat the Scotties 45-44. Trailing by eight points in the second period, the Milligan Buffaloes put on a last minute spurt that resulted in a narrow victory for Milligan. This game marked another step for the Eylermen and their serious and potent bid for conference honors.

Going into the game rated

Mrs. Derthick Gives Dinner

Last Thursday evening at 8 o'clock Mr. H. J. Derthick entertained with a beautifully appointed dinner in the private dining hall of the Franklin Club, Elizabethton, complimenting Mrs. W. B. Boyd of Cookville, a former Librarian of the college; the lady faculty members, and her three daughters-in-law, Mrs. Lawrence Derthick, Johnson City, Mrs. Francis Derthick, Milligan College, and Mrs. Roger Derthick, Atlanta, Georgia.

The Valentine motif and colors characterized the delightful affair. Tables were attractively centered with red carnation and baby breath arrangements in crystal bowls. The soft glow of red and white tapers lent a pleasing atmosphere of gaiety

TO CARSON-NEWMAN

Milligan College extends to Carson-Newman College her most sincere sympathy during the sorrow which came so suddenly upon her due to the tragic accident in which Roy Roberts and James Grisson were killed. In memory of these two boys and in sympathy with Carson-Newman do we dedicate this issue of "The Stampede."

This publication endeavors to foster the ideals for which the student body is striving, namely, higher scholarship, cleaner sportsmanship, and finer comradeship.

Aged With Truth

I think that I shall never see
A "D" as lovely as a "B".

A "B" whose rounded form is pressed
Upon the records of the blest.

A "D" comes easily—and yet,
It isn't easy to forget.

"D's" are made by fools like me,
But only a genius can make a "B."

Find Your Place

When you consider all the sides of a problem when making a decision, do you realize that there are many probable solutions—but that you can take only one of them? For example, what if you had not come to Milligan College?

Camera Club Elects New Officers

At a meeting of the Camera Club on January 25, Dr. Cruden, the retiring president, presided during the election of the following officers for the new semester:

President-----Webb Dishman
Vice President-----Raymond Perkins
Secretary-----Lanora Geissler

At a recent meeting of the Treasurer-----Oris Hyder
In this interesting and practical organization, students are learning the art of taking good pictures day and night, selecting the right type of film for their purpose, and operating dark room printing and developing outfits.

Volunteer Band Officers

At a recent meeting of the

What if you had gone to some other college? What if you had accepted work in your own town? What if you had started loafing after finishing high school? What if you had married?

There are endless numbers of decisions, one of which was yours. All right, now, why did you accept the one you did? Is it the right one for you or would you rather be helped by choosing another one?

If you have never thought, then think now, for your own good, for the proper use of your time, and for the good of many others. There must be a place somewhere for every person who lives. If not, then why live? His place may be a beggar, as a laborer, as an executive, as a preacher, or as such, but he has to have a place.

Several students here made straight "F's" or "D's" and "F's" for the first semester. Probably some of these couldn't do better, but most of them could. Certainly such a record shows either intellectual inefficiency or just an attitude of disinterest. And if you have neither interest nor ability for a thing, it is evident to almost any person that you are out of place.

So find your place! Milligan could most likely get along without you. You are certainly not an asset to the school if this is your case.

Take an invoice of yourself. See who you are and what you are. Find your purpose and your interests. Be an asset instead of a liability.
FIND YOUR PLACE!

Science

By "Red" Sturgill

According to science there is need in the world for a ten-mile shaft into the earth. Such a shaft, far beyond the present depth to which the earth has been pierced, will enable scientists to study earth's structure down where the mysterious cosmic rays have no influence. There, man can find out what it is like to avoid these cosmic bullets that bombard the earth from space.

The cosmic ray may prove to be "the sperm of life" and it is my opinion there must be some definite relationship between these rays and harmones of the body.

This would enable man to produce either super-man or super-woman, depending upon what derivative of chasteinal the bio-builder uses. Imagine us analyzing the law between the man and the maid by saying, "She was filled with C27H45OH and he was energized by liberal amounts of C19H30O2 which fellow students, is so powerful that it sprouts combs on capons.

Volunteer Band, it was unanimously voted that the Band retain for the second semester the same group of officers that served the first semester.

The officers re-elected.
President—Olive Hinderer.
Vice-President — Estelle Eliott.
Secretary-Treasurer — Velma Smith.
Song Leader—Dorothy Fox.
Pianist—Laura Mary Smith

PORTRAITS

By Reable Griffith

RUBY CLARK

Ruby "Worry Wart" Clark came to Milligan in '34. She had been graduated from Pickett County High School in Faix, Tennessee. There she had been outstanding in dramatics, had played basketball and debated for four years, and was valedictorian of her class.

Her determination to succeed has goaded her on, and she has almost overcome many difficulties that go with college life. She is almost ready to receive her degree and will soon enter her chosen field. Her real ambition is to be an air-hostess. After teaching for a short time, Miss Clark plans to enter nurse training and later to seek the very much desired position as air-hostess.

"Worry-Wart" Clark is very fond of such things as airplanes, chewing gum, and dogs. And boys, you can not win the heart of Miss Clark by sending her candy. She dislikes the "Stuff" to the utmost. Other "pet dislikes" of this interesting young lady are: Teachers' College gossips, and her boy friend (when he is with other girls.)

She leaves this remark with the present Milligan students and with those of years to come, "You'll never be sorry you chose Milligan."

GERALDINE BRYANT

With an excellent high school record behind her, Geraldine Bryant entered Milligan in '34. She had attended Hixon City High School, where she had debated for four years, had played basketball for two years, and from which she was graduated with valedictorian honors in '34.

Geraldine went to Berea College, Kentucky for a year, but home sickness for the friends she had made at Milligan brought her back here to finish her college career. She is majoring in English, and almost any afternoon you may find her lying in bed, reading the works of some well-known author. In the near future she will be found in a school room, giving to her students some of the
(Continued On Page Five)

Alumni and Former Students

By Carsie Hyder

There has been nothing given the editors for this particular column of THE STAMPEDE. It seems that we should be able to keep up this small column with the number of graduates and former students we have, but we have failed this time in securing anything definite. We may mention a few things:

For some time we have been hearing rumors of a sister publication of THE STAMPEDE, namely THE ALUMIN NEWS. The proposal is to have two publications of this news paper by the end of this school year. But that is about all we can find out about it.

Another rumor we have caught is that there will be an alumni meeting the day following commencement exercises this spring. Every school needs a strong alumni association and Milligan will be taking a step forward in fostering such an organization.

One graduate who wrote THE STAMPEDE this year stated, "Although my thoughts of Milligan College are fast waning, I am not willing to let them slip entirely from me, for I have many cherished thoughts and associations given me by Milligan."

The above statement shows the need of an alumni publication and the need of an alumni meeting at least once each year.

DAFFYNITIONS

Hot Dog — Hamburger in tights.

Coach—the fellow who will gladly lay down your life for the school.

An expense forever—a thing of beauty.

A great time saver—love at first sight.

Bolshevic—a brain-storm surrounded by whiskers.

A pleasant evening—So-fa and no further.

Hypocrit—The fellow who came back after the holidays with a smile on his face.

—From Tenn. Wesleyan Noctula

A BUFFALO HE {A} RD

Milligan's Ideal Masculine Specimens

Earl Ritchies's dreamy eyes and manly beard.
Johnce Howington's handsome face.
Sam Lawson's hair.
Jack Willis' nose.
Lilliard Clayton's streamlined shoulders.
Gaines Clarke's winning personality.
Howard Johnson's ears.
The Swaney smile.
Chad Gillenwater's graceful movements.
Robert Hope's intellectual efficiency.
Dr. Crudden's shirt.
Dr. Thompson's pants.
Ammon Sears' hat.

Milligan College needs no weather cock to tell the direction of the wind as long as "Crook" Jones is anywhere around.

What is the significance of "Curley Harper" Webb's new name, Grissel? See Polly Orr for details.

Although Milligan won the game at King, did you who visited King see how Bill Kenndey lost his spirits when the crowd was leaving?

Why was the letter T. Frazier wrote his girl friend returned? We hear he forget she was divorced and once again used her maiden name.

Did you know Newman Mullins and Trent McNeely are in a cutthroat competition for the hand of Jeanette Breeding, but it seems like Bill O'Roark might take things over.

Charles Duggins says Katherine Rose may not be such a good dish washer, "but," he adds, "she certainly has a beautiful smile." Notice it sometime.

Besides Sears, we wonder what other boys Fern Wheeler likes a whole lot.

Milligan Oddities

Gaines Clarke, Rudolph Dralle, Robert Hope, Bill Meadows, Jeanette Breeding, Chad Gillenwater, Mary-Anne Wilkes.

We are aware of no new developments in the love history of Estel Hurley since the last Stampede was published. See it for complete history.

We hesitate to mention a name here, but one of the freshmen flashes became terribly angry and "really got an upperclassman told" when the upperclassman refused to give him information on an exam. What a mask of friendship some can put on.

Probably no student who has ever taught at H. V. has more to show as results of honest efforts than Robert Blevins.

Would you believe us if we tell you the Wilkes girl doesn't own Milligan and that she is just a freshman?

Many are just plain curious to see what Potter H. does concerning the Shelley boy.
ao Is Rosa Gray serious? She keeps Clayton's picture parked on her dresser.

Dean Eyler tests his witticism in Chapel by Prof. Lodter's laughs. Have you noticed Eyler's eyes sliding in that direction?

Henry Penny: "Mama, go to that party so Gordon can stay with us!" Gordon is Milligan's gift to the children.

Why is Feeder Fair having so many copies made of Bible references?

Can you imagine R. Perkins with his girl and not toting her on his arm?

Someone told us we may get for the Stampede some famous freshmen themes that were written last year and before last year when the freshmen had to work a little in English.

Wonder if Catherin Rose got the compact that Nina was supposed to get from D. A. Mullins? Nina says that she has reformed. We wonder if D. A. has?

A certain waitress says, "What's the use of knitting socks for soldiers when you can knit toboggans for Peare?"

We wonder why Petit has stopped wearing her diamond from the home town boy? Does Blevins have anything to do with that?

Varnell may have all kinds of nerve on the basketball floor, but he can't seem to get up courage to express his admiration to Dorothy Fox.

Rose Tilford must be trying to get some of Bessie's Butter Scotch pie. At least we overheard W. A. tell her that he thought she was the cutest girl he ever saw.

Ferne Wheeler informs the girls that she has been dating Sears.

Milburn Heaton may see a girl at home on week ends, but Reba goes to Conference here on Saturday nights just the same.

Duggins is proud that his authority lets him keep Whinry from talking to Helen Frazier in the dining hall.

Mary Ann Wilkes seems to be breaking up Beefy and Jerry Bryant's love affair.

Can anyone understand how Martha Milligan hung her ankle under the door?

Blevins must be serious about Betty Tilly after all. But we can easily understand that when we take a look at her.

Mr. Russell Shubert may be a handsome Romeo, but he'll have to learn how to put on the balcony scene without having to break his neck getting away.

Milligan Sports

CORLISS WOOLRIDGE, Editor

More About Buffaloes

(Continued From Page One)

After leading throughout most of the game, the Milligan Buffaloes dropped a heartbreaker to the L. M. U. sextet Saturday night by a margin of one point, which was recorded after the final whistle had blown.

The 32-31 derision was gained by the visitors when Clawson, L. M. U. substitute, made good an attempted foul shot after the timer's whistle had ended the game. The visitors overcame the lead of the locals in the last few minutes, after a nip and tuck battle all the way.

Orr led the Buffaloes with 14 points, while Rice paced the visiting sextet.

More About Maryville

(Continued From Page One)

the underdogs, the Buffs played the old game of "follow the leader" until the closing minutes of the hard fought affair. With eight minutes of play remaining, Milligan began to pepper the basket for enough points to "tuck away" a hard-earned victory.

Varnell, star forward, and "Bull" Howington led the Milligan attack, each hitting the hoop for twelve points. The outstanding defensive work of Captain MacLean and Webb was another highlight of the Buff victory.

The game was hard fought and frequently brought the spectators to their feet with its thrills and spectacular play.

The return to form of Varnell, coupled with the continued stellar defensive work and team generalship of Captain MacLean, gave the Milligan followers plenty of ground upon which to base their claims and beliefs.

Buffaloes Stampede King

Bufs, Buffalettes Riding High

After a mediocre start, the Milligan basketteers have put on the pressure and have copped three conference wins in a row.

Hitting their stride in the Tusculum game, which they won, the Buffs have come along fast and have decisively defeated King College and Maryville. Coach "Doc" Eyer openly admitted that his men played their best games of the season at King and Maryville and the spectators who were fortunate enough to witness these contests share his opinion.

To state only one reason for this encouraging "turnabout" would be difficult because all have contributed some part to the team's success. The mention of a few incidents might include Varnell's ability to hit the basket with his old time regularity and his incomparable floor game; Captain McLean's brilliant defensive work and Perkins aptitude at "Wheeling" his ball into the hoop for priceless points. It would be unjust not to mention the splendid relief work turned in by Fair, G. Swaney and Howington. These men have performed their duty admirably and are deserving of all the credit and praise due them.

The lassies of Milligan, although not playing the competent schedule due them, have lost only the recent close battle to L. M. U. and rightly deserve the title of one of the best in the Appalachian region. Even though Lacy depends on new material more than ever, these girls have played no superiors in their class.

Of course, the student body has helped tremendously, but let's give the praise to those who deserve it, to the players and coaches of both squads. They have worked hard and without complaint under two men who knew "what it's all about" and who don't mind putting their effort on worthy athletics.

Did You Know That---

Varnell, Milligan's outstanding forward this year and considered an all-conference prospect, never played high school basketball?—Milligan won the Smoky Mountain Conference title in basketball for seven consecutive seasons under the leadership of Doc Eyer, yet Doc coaches only as a hobby?—Carry on, Doc—More credit to "Doc's" coaching technique—he takes 'em and makes 'em.—Frank Taylor, grid captain for the past two seasons, has scored one touchdown in eight years of pigskin warfare? This was a seventy-five yard gallop against Tusculum and incidentally accounted for the only Milligan score of the game—Tusculum has never defeated Milligan on the hardwood floor in the last twelve years, but also Milligan has never defeated Maryville on the gridiron in that same span of years?—The baseball bug has made its round and the boys have two double-headers tentatively scheduled with L. M. U. and Emory and Henry? Better go easy on the twin bills; O'Donnell is only human—Ed O'Donnell pitched nine of the ten games played by Milligan College on the diamond last spring? He won eight and lost one—What-a-man!—The track team is probably the least "talked about" athletic group on the campus, and yet they're Smoky Mountain Champs?

GAME WITH C-N POSTPONED

Carson-Newman College postponed its game scheduled with Milligan for Saturday night, Feb. 5, until some later date. The tragic accident which C-N encountered greatly upset the immediate athletic program of the school.

(Continued From Page One)

The Milligan Buffs continue their drive for the conference title by defeating the King Tornado 46-33.

Playing their best game of the season, the Buffs quickly convinced fans of their complete mastery of the situation throughout the contest. The outstanding floor game of Captain MacLean and Varnell brought constant comment from spectators and players alike. These two boys covered the court like a blanket and intercepted pass after pass. The work of Varnell especially, was outstanding. The clever back-handling and beautiful passing has seldom been equalled on the King floor.

Ray Perkins continued his bid for All-Conference center by ringing up a total of 14 points. This boy has developed into Milligan's greatest offensive weapon and will bear watching in future games.

B. Johnson and Nidiffer, former Elizabethton star, led the Tornado in an effort to upset the Buffs' winning stride.

More About E & H

(Continued From Page One)

The Milligan College girls' basketball team gave evidence of their superiority in this region by downing a strong Emory and Henry team 40-14.

Both games were similar in that "Peg" Jones, freshman forward, was the Milligan spark-plug in both contests. At Boone, Miss Jones shared scoring honors with Miss Cox, while Virginia Fritz and Red Garrison shared defensive honors.

At Emory, the lassies experienced little trouble in walloping the Emory "Shirts" decisively.

The Buffalettes are progressing rapidly and should furnish some entertaining competition as the season goes down the home stretch.

More About Honor Roll

(Continued From Page One)

Rose Tilford, J. R. Woods, Helen Nave, (Special Student).

Second Honors

The following students made all "A's" with the exception of one "B" on academic credit courses:

June Cox, Estelle Elliott, Olive Hinderer, Margaret Jones, Violet May, Virginia Ann Musick, Pauline Orr, Ruth Pressnell, Virginia Reneau, Blaine Sturgill, Lee Varnell, Glen Williams.

Third Honors

The following students made "A's" and "B's" on all academic credit courses:

Lucile Berry, Robert Blevins, Robert Burrow, Grace Carroll, Clyde Cooper, Velda Cox, Ellis Cox, Mary K. Crittendon, Norma Derthick, Jimmie Edens, Clarence Fair, Nancy Franklin, Virginia Lee Fritts, Abe Gabelle, Gertrude Garrison, Lanora Geissler, Chad Gillenwater, Marvin Gilliam, Marlee Hartsel, Potter Hennessee, Alfred B. Hurt, Oris Hyder, Howard Johnson, Nera Kennedy, Virginia Kiser, David Kressin, Eleanor Long, Cecil Lowe, David Mason, James McEntyre, Tim O'Neal, Burl Poe, Florence Potter, Mary Reneau, Martha Shull, Julia Slemp, Laura Mary Smith, Ruby Lee Smith, Virginia Smith, Elizabeth Thomas, Newland Wilds, Jack Willis, Mary Wood, Rachel Roberts (Special Student).

Fourth Honors

The following students made an average of "B" on all academic credit courses:

Virginia Anderson, Travis Ashwell, Mary Helen Banner, Dorothy Bowers, Janette Breeding, Geraldine Bryant, Kathryn Chambers, Freda Cecil, Lilliard Clayton, Bill Davis, Webb Dishman, Rudolph Dralle, Rosalba Hawkins, Estel Hurley, Juanita Jones, Mary Jane McDermott, Mary Elizabeth McMillin, James Musick, Pauline New, William Denton Owens, W. W. Peery, Raymond Perkins, Georgia Quesenberry, Betty Ann Shoemaker, Margaret Smith, Velma Smith, Daisy Vaughn, Myrtle Willis, Ann Witt.

Senior Portraits

(Continued From Page Two)

knowledge she has absorbed under the direction of Milligan's faculty.

Miss Bryant says, "I would rather be at Milligan than any

place I know, and leaving it will be hard."

SHELBY BLAINE STURGILL

That Blaine Sturgill possesses that quality of mind which enables one to meet difficulties with firmness is evident to one as he follows him through his high school and college career. He entered Pound High School in '30 and, keeping pace with the best in his class, graduated four years later. Considering his high school education only a beginning, he came to Milligan in '34 to continue his search for knowledge and self-betterment.

Sturgill will be graduated in the spring with a major in both biology and chemistry. He is chiefly interested in industrial chemistry and physics. Since he has come to Milligan, he says, he has realized more and more that he has a lot to learn. He plans to do some intensive research work soon. His plans for the future are indefinite and more or less tentative. It is most probably, however, that he will teach for a while and then attend the University of Virginia.

"Red" has been a member of the Pre-Med Club for four years, and has become quite well-known for his initiation programs. This year he is vice-president of that organization.

To Milligan's faculty Sturgill wishes to express his gratitude for the aid they have so willingly and patiently given him these past four years. He acknowledges his debt to Milligan and hopes in some way to be able to repay the school for the benefits he has received from it.

Dean Boyd Speaks At T. C. P. A. Meeting

Dr. W. B. Boyd, recent distinguished visitor on the campus in a student interview stated his impressions of the recent Tennessee College Press Association which convened at Murfreesboro January 20-22. Members of the Stampede staff were unable to attend because of semester examinations.

Dr. Boyd attended the convention as guest speaker at the "Get-together" meeting, having been invited to speak on the business of publicizing Tennessee. Dr. Boyd expressed himself as being immensely pleased with the response students gave to the address.

He pointed out the fact that practically every college repre-

sentative present assured him of personal cooperation in community advertising, in making the individual conscious of travel, and in serving as host or hostess to the traveling public.

In reference to the personal contacts with student leaders attending this "Get-together," Dr. Boyd expressed himself as having "one of the happiest evenings he had spent in a long time."

"A Case Of Suspension"

Presented Friday, Feb. 4

On Friday evening, February 4, a one-act comedietta entitled "A Case of Suspension" was presented to members of the Dramatic Club and their visitors. The time and place being Milligan College today, and the action and characters being so true to college life, the audience thoroughly enjoyed the performance. The play was directed by Miss Estelle Elliott.

The balanced cast consisted of the following players:

Dorothy, leader of the college gang—Helen Fraizer.

Alice, lovable Co-ed—Virginia Kiser.

Mildred, Campus Butterfly—Reba Durrett.

Harold, Milligan Undergraduate—Bob Rice.

Tom, another undergraduate—Milburn Heaton.

Jack, third undergraduate—Miss Ophelia Judgins, College Matron—Juanita Jones.

Prof. Emilus Edgerton, lanky Psychology Professor—Ammon Sears.

Kathleen, excitable Irish maid—Lucille Berry.

Jonas, friendly janitor—Bryan Stone.

Hors d'Oeuvres

Eddie Garr, who has been doing all right, now is sure of making a fortune. He says he invented some glasses that will make technicolor films appear black and white. For further information, see Velda Cox, official demonstrator on the campus.

Pre-Med Club Elects Officers

The Pre-Med Club met January 31 and elected the following officers for this semester:

President.....Bill Davis
 Vice President...Blaine Sturgill
 Sec'y-Treas.....J. R. Woods

At the same meeting nine new members were accepted as candidates for initiation in the club. The new candidates are: Ralph Hubbard, Newman Mullins, Everett Baker, Vincet Tate, Russell Schubert, Donald Qualls, Martha Milligan, Wyndolyn Barker, and Ellis Bolling. This new addition of members brings the club membership to twenty-five which is the largest number of members the Club has ever had.

Beginning this semester, the Club has adopted a new policy of dropping from the roll the name of any member who does not attain an average of C on all academic work. This is done in order to meet the entrance requirements of medical schools.

Christian Endeavor Elects New Officers

On Sunday evening, January 23, the Christian Endeavor elected new officers for the second semester now under way.

A short program on "The Value of a Purpose," led by Edwin Fox, was presented, con-

sisting of songs by the entire group; Scripture reading by Reba Durrett; Sentence Prayers by members of the group; Talks on "Men With a Purpose" and "A Purpose in Our Lives" by Lillard Clayton and Rose Tilford, respectively; and a solo, "O, Master, Let Me Walk With Thee" by Minnie Burns.

At the business meeting which was held following this program, the following officers were elected:

President.....Newland Wilds, re-elected.
 Vice-President.....Rose Tilford
 Sec's-Treas....Betty Ann Shoemaker.
 Song Leader.....Minnie Burns, re-elected.
 Pianist.....Laura Mary Smith, re-elected.

Dates Set For Games With Teachers Quint

Milligan will meet Teachers College in Cheek Gym on February 24th, and will go to the Buccaneers Gym on March 1st for a return engagement.

These games attract people from far and near and this year's contests appear to be the outstanding events on the local basketball program. Both teams give their all and fans can be sure of two exciting evenings when these teams meet.

As a special appeal to Milligan students, let's all try to see both contests and help our basketball team to two victories over our most friendly rivals.

Bufs Beat Tusculum

Swinging into a championship stride long overdue, the Milligan cagers rang up their initial conference win over the Tusculum College Quint 41-38.

The Bufs started off with a scoring spree that threatened to swamp the Disney coached men. At one stage of the game, the Eylermen had a convincing lead of thirteen points. Then Milligan lost Captain MacLean, Perkins and Howington via the foul route and the fireworks began.

With their lineup studded with reserves, the home club saw

their lead whittled to three points

Perkins presented the greatest scoring threat to the visitors, accounting for 16 points. But the outstanding performer of the evening was George Swaney, substitute guard on the Milligan squad. This boy displayed the greatest piece of relief work seen on the local floor this season.

More About Debate Season

(Continued From Page One)

ford, and the boys will be represented by Lillard Clayton and Glen Williams. Professor J. Goff Long is coaching both boys and girls in debate this year, and will accompany the teams to Lees-McRae Friday.

The complete debate schedule for this year has not yet been definitely arranged. The girls are planning to attend the Women's Tournament at Virginia Intermont in Bristol on February 19, however, and the boys Tournament at Teachers College in Johnson City, February 26. Also, both boys and girls will meet Tusculum here on the afternoon of February 21, and the girls will debate two teams from East Radford on March 5 at Milligan.

Students and faculty members are cordially invited to attend the debates of their interest and presence.

More About Dinner Party

 WE OUTFIT THE
BUFFALOES

Place cards were in heart shaped form.

After enjoying a delicious four course dinner, the group was entertained by Misses Frances Yearly and Dorothy Kester. Miss Yearly sang in a charming fashion, and Miss Kester gave two delightful readings.
